"**Wet Loan**" means a Mortgage Loan that Seller is selling to Buyer on its Origination Date and accordingly for which the completed Loan File will not have been delivered to Buyer before funding of the related Purchase Price.

(b) Interpretation. Headings are for convenience only and do not affect interpretation. The following rules of this Section 2(b) apply unless the context requires otherwise. The singular includes the plural and conversely. A gender includes all genders. Where a word or phrase is defined, its other grammatical forms have a corresponding meaning. Any capitalized term used in the Side Letter and used, but not defined differently, in this Agreement has the same meaning here as there. A reference in this Agreement to a Section, Exhibit or Schedule is, unless otherwise specified, a reference to a Section of, or an Exhibit or Schedule to, this Agreement. "Indorse" and correlative terms used in the Uniform Commercial Code may be spelled with an initial "e" instead of "i". A reference to a party to this Agreement or another agreement or document includes the party's successors and permitted substitutes or assigns. A reference to an agreement or document is to the agreement or document as supplemented, amended, novated, restated or replaced, except to the extent prohibited by any Transaction Document. A reference to legislation or to a provision of legislation includes a modification or re-enactment of it, a legislative provision substituted for it and a regulation or statutory instrument issued under it. A reference to writing includes a facsimile or electronic transmission and any other means that permits the recipient to reproduce words in a tangible and visible form. Delivery of an executed counterpart of a signature page of this Agreement or any other Transaction Document by telecopy, emailed pdf or any other electronic means that reproduces an image of the actual executed signature page shall be effective as delivery of a manually executed counterpart of this Agreement. The words "execution," "signed," "signature," "delivery," and words of like import in or relating to any document to be signed in connection with this Agreement and the transactions contemplated hereby shall be deemed to include Electronic Signatures, deliveries or the keeping of records in electronic form, each of which shall have the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act or any other similar state laws based on the Uniform Electronic Transactions Act. A reference to conduct includes an omission, statement or undertaking, whether or not in writing. An Event of Default exists until it has been waived in writing by the appropriate Person or Persons or has been timely cured. The words "hereof", "herein", "hereunder" and similar words refer to this Agreement as a whole and not to any particular provision of this Agreement. The term "including" and correlative terms are not limiting and mean "including without limitation", whether or not that phrase is stated. In the computation of periods of time from a specified date to a later specified date, the word "from" means "from and including", the words "to" and "until"

each mean “to but excluding”, and the word “through” means “to and including”. Unless otherwise specifically provided, all determinations by Buyer shall be in its sole, absolute and unfettered discretion. If a day for payment or performance specified by, or determined in accordance with, the provisions of this Agreement is not a Business Day, then the payment or performance will instead be due on the Business Day next following that day. This Agreement may use several different limitations, tests or measurements to regulate the same or similar matters; all such limitations, tests and measurements are cumulative and each shall be performed in accordance with its terms. Except as otherwise expressly provided herein, all terms of an accounting or financial nature shall be construed in accordance with GAAP, as in effect from time to time; provided that, if either Seller or Buyer gives notice to the other of them that it requests an amendment to any provision hereof to eliminate the effect of any change occurring after the Effective Date of this Agreement in GAAP or in its application on the operation of such provision, whether any such notice is given before or after such change in GAAP or in its application, then such provision shall be interpreted on the basis of GAAP as in effect and applied immediately before such change shall have become effective until such notice shall have been withdrawn or such provision amended in accordance herewith. Unless otherwise specifically provided, all accounting calculations shall be made on an unconsolidated basis. Except where otherwise provided in this Agreement, references herein to “fiscal year” and “fiscal quarter” refer to such fiscal periods of the Seller. Except where otherwise provided in this Agreement, any calculation, determination, statement or certificate by the Buyer or an authorized officer of the Buyer or any of its Affiliates provided for in this Agreement that is made in good faith and in the manner provided for in this Agreement shall be conclusive and binding on the parties in the absence of manifest error. A reference to an agreement includes a security agreement, guarantee, agreement or legally enforceable arrangement, whether or not in writing. A reference to a document includes an agreement (as so defined) in writing or a certificate, notice, instrument or document or any information recorded on a computer drive or other electronic media form. Where Seller is required by this Agreement to provide any document to Buyer (other than this Agreement including its exhibits and schedules, the Side Letter, the Electronic Tracking Agreement, the Guaranty and their supporting secretary’s or company certificates, hard copies of each of which shall be provided to Buyer), such document shall be provided in electronic form unless Buyer requests that it be provided in hard copy form, in which event Seller will provide it in hard copy form. This Agreement and the other Transaction Documents are the result of negotiations between Buyer and Seller (and Seller’s related parties) and are the product of all parties. In the interpretation of this Agreement and the other Transaction Documents, no rule of construction shall apply to disadvantage one party on the ground that such party originated, proposed, presented or was involved in the preparation of any particular provision of this Agreement or of any other Transaction, or of this Agreement or such other Transaction Document itself. Seller and Buyer may be party to other mutual agreements and nothing in this Agreement shall be construed to restrict or limit any right or remedy under any such other agreement, and nothing in any such other agreement shall be construed to restrict or limit any right or remedy under this Agreement, except to the extent, if any, specifically provided herein or therein. Except where otherwise expressly stated, the Buyer may (i) give or withhold, or give conditionally, approvals and consents, (ii) be satisfied or unsatisfied, and (iii) form opinions and make determinations, in each case in Buyer’s sole and absolute discretion. A reference to “good faith” means good faith as defined in §1-201(20) of the UCC as in effect in the State of New York. Any requirement of good faith, reasonableness,

discretion or judgment by Buyer shall not be construed to require Buyer to request or await receipt of information or documentation not immediately available from or with respect to Seller or any other Person or the Purchased Mortgage Loans themselves. Buyer may waive, relax or strictly enforce any applicable deadline at any time and to such extent as Buyer shall elect, and no waiver or relaxation of any deadline shall be applicable to any other instance or application of that deadline or any other deadline, and no such waiver or relaxation, no matter how often made or given, shall be evidence of or establish a custom or course of dealing different from the express provisions and requirements of this Agreement.

3. Initiation; Confirmations; Termination

(a) Initiation. Any agreement to enter into a Transaction shall be made in writing at the initiation of Seller through Mortgage Finance Online before the Termination Date. If Seller desires to enter into a Transaction, Seller shall deliver to Buyer no earlier than three (3) Business Days before, and no later than 1:30 p.m., Houston, Texas time, on, the proposed Purchase Date, a request for Buyer to purchase an amount of Eligible Mortgage Loans on such Purchase Date. Each such purchase that is proposed to be funded from the Uncommitted Facility Amount (as defined in the Side Letter) shall be wholly discretionary to Buyer. All such purchases shall be on a servicing released basis and shall include the Servicing Rights with respect to such Eligible Mortgage Loan. Such request shall state the Purchase Price and shall include the Confirmation in form and substance acceptable to Buyer related to the proposed Transaction.

(b) Purchase by Buyer. Subject to the terms of this Agreement and the Side Letter and satisfaction of the conditions precedent set forth in this Section 3 and in Section 7, on the requested Purchase Date for each Transaction, Buyer shall transfer to Seller or its designee — for a newly Originated Eligible Mortgage Loan, by transferring funds to the designated Settlement Agent — an amount equal to the Purchase Price for purchase of each Eligible Mortgage Loan that is the subject of such Transaction on that Purchase Date, less any amounts to be netted against such Purchase Price in accordance with the Transaction terms. The transfer of funds to the Settlement Agent to be used to fund the Mortgage Loan, and if applicable, the netting of amounts for value, on the Purchase Date for any Transaction will constitute full payment by Buyer of the Purchase Price for such Mortgage Loan. Within five (5) Business Days following the Purchase Date, Seller shall (i) take such steps as are necessary and appropriate to effect the transfer to Buyer on the MERS® System of the Purchased Mortgage Loans so purchased, and to cause Buyer to be designated as "Interim Funder" on the MERS® System with respect to each such Purchased Mortgage Loan and (ii) in the case of a Wet Funding, deliver all remaining items of the related Loan File to Buyer. Notwithstanding anything to the contrary in this Agreement or any other Transaction Document, Buyer shall have no obligation to enter into any Transaction on or after the Termination Date. Seller may (i) initially request less than [***] of the Purchase Price for any one or more Purchased Mortgage Loans, (ii) repay part of the Purchase Price therefor to Buyer or (iii) both, and may subsequently request that Buyer fund (or re-fund) the balance of the Purchase Price to Seller, and in either case so long as both (x) no Default or Event of Default has occurred and is continuing, and (y) Buyer would be committed to fund (or re-fund) such balance if it were a new Transaction, or Buyer elects, in its sole discretion, to do so, Buyer will fund (or re-fund) so much of such balance as Seller shall request. Any such Funding request (each, a "**Funding Request**") received before noon (Eastern time) on a Business Day will be funded on the same Business Day. Buyer will use commercially

reasonable efforts, but will have no obligation, to fund on the same Business Day any Funding Request received after noon (Eastern time). If Buyer does not fund on the same Business Day any Funding Request received after noon that Buyer would be so committed or so elects to fund, Buyer shall fund it on the next following Business Day.

(c) Confirmations. The Confirmation for each Transaction shall (i) include the Loan Purchase Detail with respect to the Mortgage Loans subject to such Transaction, (ii) identify Buyer and Seller and (iii) specify (A) the Purchase Date, (B) the Purchase Price, (C) the Repurchase Date, (D) the Pricing Rates applicable to the Transaction and (E) any additional terms or conditions of the Transaction mutually agreeable to Buyer and Seller. In the event of any conflict between the terms of a Confirmation that has been affirmatively accepted by Buyer and this Agreement, such accepted Confirmation shall prevail.

(d) Failed Fundings. Seller agrees to report to Buyer by facsimile transmission or electronic mail as soon as practicable, but in no event later than one (1) Business Day after each Purchase Date, any Mortgage Loans that failed to be funded to the related Mortgagor, otherwise failed to close for any reason or failed to be purchased hereunder. Seller further agrees to (i) return, or cause the Settlement Agent to return, to the Funding Account, for refunding to Buyer, the portion of the Purchase Price allocable to such Mortgage Loans as soon as practicable, but in no event later than one (1) Business Day after the related Purchase Date, and (ii) indemnify Buyer for any loss, cost or expense reasonably incurred by Buyer as a result of the failure of such Mortgage Loans to close or to be delivered to Buyer.

(e) Accrual and Payment of Price Differential. The Price Differential for each Transaction shall accrue during the period commencing on (and including) the day when the Purchase Price is transferred into the Funding Account (or otherwise paid to Seller) for such Transaction and ending on (but excluding) the day when the Repurchase Price is paid to Buyer. Accrued Price Differential for each Purchased Mortgage Loan shall be due and payable (i) on each Remittance Date and (ii) when any Event of Default has occurred and is continuing, on demand.

(f) Repurchase Required. Seller shall repurchase from Buyer Purchased Mortgage Loans conveyed to Buyer on or before each related scheduled Repurchase Date and may electively sooner repurchase Purchased Mortgage Loans. Each obligation to repurchase exists without regard to any prior or intervening liquidation or foreclosure with respect to any Purchased Mortgage Loan. Seller is obligated to obtain the Purchased Mortgage Loans from Buyer or its designee at Seller's expense on the related Repurchase Date.

(g) Termination of Transaction by Repurchase; Transfer of Repurchased Mortgage Loans. On the Repurchase Date, termination of the Transaction will be effected by resale by Buyer to Seller or its designee of the Purchased Mortgage Loans on a servicing released basis against Seller's submission to Buyer of a Completed Repurchase Advice, all in form and substance satisfactory to Buyer. After receipt of the payment of the Repurchase Price from Seller, Buyer shall transfer such Purchased Mortgage Loans to Seller or its designee and deliver, or cause to be delivered, to Seller or its designee all Mortgage Loan Documents previously delivered to Buyer and take such steps as are necessary and appropriate to effect the transfer of the Purchased Mortgage Loan to Seller or its designee on the MERS® System. All such transfers

from Buyer to Seller or its designee are and shall be without recourse and without any of the transfer warranties of UCC §3-417 or other warranty, express or implied.

(h) No Obligation to Transfer Purchased Mortgage Loans after Buyer's Section 12(d) Election. Notwithstanding the foregoing or any other provision to the contrary in this Agreement or any other Transaction Document, Buyer shall not be obligated to transfer any Purchased Mortgage Loans to Seller or any designee of Seller if, pursuant to Section 12(d) after an Event of Default, Buyer has elected either to sell them or to give Seller credit for them.

(i) Completed Repurchase Advice. If Buyer receives the Completed Repurchase Advice with respect to a Purchased Mortgage Loan at or before 3:00 p.m. Houston, Texas time, on any Business Day, then the Repurchase Date for that Purchased Mortgage Loan will be that same day. If Buyer receives the Completed Repurchase Advice with respect to any Purchased Mortgage Loan after 3:00 p.m. Houston, Texas time, on any Business Day, then the Repurchase Date for that Purchased Mortgage Loan will be the next Business Day. In connection with any repurchase pursuant to a Completed Repurchase Advice, Buyer will debit the Funding Account and the Operating Account, if applicable, for the amount of the Repurchase Price (less any amount of Price Differential to be paid on the next Remittance Date). Without limiting Seller's obligations hereunder, at any time after the occurrence and during the continuance of a Default or an Event of Default, except for repurchases of individual Mortgage Loans or pools of Mortgage Loans being sold to Approved Takeout Investors, Seller shall not be permitted to repurchase less than all of the Purchased Mortgage Loans without the prior written consent of Buyer, which may be granted or withheld in Buyer's sole discretion.

(j) Reliance. With respect to any Transaction, Buyer may conclusively rely upon, and shall incur no liability to Seller in acting upon, any request or other communication that Buyer reasonably believes to have been given or made by a Person authorized to enter into a Transaction on Seller's behalf.

(k) Defective Mortgage Loans.

(i) If, after Buyer purchases a Mortgage Loan, Buyer determines or receives notice (whether from Seller or otherwise) that a Purchased Mortgage Loan is (or has become) a Defective Mortgage Loan, Buyer shall promptly notify Seller, and Seller shall repurchase such Purchased Mortgage Loan at the Repurchase Price on the Early Repurchase Date (as such term is defined below).

(l) If Seller becomes obligated to repurchase a Mortgage Loan pursuant to Section 3(k)(i), (A) Seller shall be obligated to pay a Defective Mortgage Loan Fee for each such Mortgage Loan and (B) Buyer shall promptly give Seller notice of such repurchase obligation and a calculation of the Repurchase Price therefor. On the same day Seller receives such notice if given at or before 10:00 a.m., Houston, Texas time, or on the next Business Day if such notice is given after 10:00 a.m. (such day, the "**Early Repurchase Date**"), Seller shall repurchase the Defective Mortgage Loan by paying Buyer the Repurchase Price therefor and the Defective Mortgage Loan Fee, and shall submit a Completed Repurchase Advice. Buyer is authorized to charge any of Seller's Accounts for such amount unless the Parties have agreed in writing to a

different method of payment and Seller has paid such amount by such agreed method. If Seller's Accounts do not contain sufficient funds to pay in full the amount due Buyer under this Section 3(l), or if the amount due is not paid by any applicable alternative method of payment previously agreed to by the Parties, Seller shall promptly deposit funds in the Operating Account sufficient to pay such amount due Buyer and notify Buyer of such deposit and Buyer, at its election, may fund (or refund) the then-unfunded balance of the Purchase Price of any Purchased Mortgage Loans for which less than [***] of such Purchase Price is then outstanding into the Funding Account and apply the proceeds towards payment of such amount due Buyer. After receipt of the payment of the Repurchase Price and Defective Mortgage Loan Fee therefor from Seller, Buyer shall transfer such Purchased Mortgage Loans to Seller or its designee and deliver, or cause to be delivered, to Seller or such designee all documents for the Mortgage Loan previously delivered to Buyer and take such steps as are necessary and appropriate to effect the transfer of the Purchased Mortgage Loan to Seller on the MERS® System.

4. Margin Maintenance

(a) Margin Deficit. If at any time the sum of the Margin Amounts of all Purchased Mortgage Loans then subject to Transactions is less than the sum of their Repurchase Prices, a margin deficit ("**Margin Deficit**") will exist. If at any time either (i) the Margin Deficit exceeds [***] or (ii) any Default or Event of Default has occurred and is continuing, Buyer, by notice to Seller (a "**Margin Call**"), may require Seller to transfer to Buyer (x) cash, or (y) if Buyer is willing to accept them in lieu of cash, additional Eligible Mortgage Loans reasonably acceptable to Buyer ("**Additional Purchased Mortgage Loans**"), or (z) a combination, to the extent (if any) acceptable to Buyer, of cash and Additional Purchased Mortgage Loans, so that immediately after such transfer(s) the sum of (i) such cash, if any, so transferred to Buyer plus (ii) the aggregate of the Margin Amounts of all Purchased Mortgage Loans for all Transactions outstanding at that time, including any such Additional Purchased Mortgage Loans, will be at least equal to the sum of the Repurchase Prices of all Purchased Mortgage Loans then subject to outstanding Transactions.

(b) Margin Maintenance. If the notice to be given by Buyer to Seller under Section 4(a) is given at or before 10:00 a.m. Houston, Texas time on a Business Day, Seller shall transfer cash and/or, if acceptable to Buyer, Additional Purchased Mortgage Loans to Buyer before 5:00 p.m. Houston, Texas time on the date of such notice, and if such notice is given after 10:00 a.m. Houston, Texas time, Seller shall transfer such cash and/or Additional Purchased Mortgage Loans before 9:30 a.m. Houston, Texas time on the Business Day following the date of such notice. All cash required to be delivered to Buyer pursuant to this Section 4(b) shall be deposited by Seller into the Operating Account and, provided that no Event of Default has occurred and is continuing, shall be held by Buyer in the Operating Account as security for the Obligations or, at Buyer's option, applied by Buyer to reduce pro rata the Repurchase Prices of all Purchased Mortgage Loans that are then subject to outstanding Transactions. Following the occurrence and during the continuance of any Event of Default, any such cash may be applied to reduce the Repurchase Price of such Purchased Mortgage Loans as Buyer shall select, with the amount to be applied to the Repurchase Price of any particular Purchased Mortgage Loan to be determined by Buyer, using such reasonable method of allocation as Buyer shall elect in its sole discretion at the time. Buyer's election, in its sole and absolute discretion, not to make a Margin

Call at any time there is a Margin Deficit shall not in any way limit or impair its right to make a Margin Call at any other time a Margin Deficit exists (or still exists).

(c) Margin Excess. If on any day after Seller has transferred cash or Additional Purchased Mortgage Loans to Buyer pursuant to Section 4(b), the sum of (i) the cash paid to Buyer and (ii) the aggregate of the Margin Amounts of all Purchased Mortgage Loans for all Transactions at that time, including any such Additional Purchased Mortgage Loans, exceeds the sum of the Repurchase Prices of all such Purchased Mortgage Loans, then at the request of Seller, Buyer shall return a portion of the cash or Additional Purchased Mortgage Loans to Seller so that the remaining sum of (i) and (ii) does not exceed the sum of such Repurchase Prices; provided that the sum of the cash plus the value of Additional Purchased Mortgage Loans returned shall be strictly limited to an amount, after the return of which, no Margin Deficit will exist.

(d) Market Value Determinations. Buyer may determine the Market Value of any or all Purchased Mortgage Loans from time to time and with such frequency (which, for the avoidance of doubt, may be daily), and taking into consideration such factors, as it may elect in its sole good faith discretion, including current market conditions and the fact that the Purchased Mortgage Loans may be sold or otherwise disposed of under circumstances where Seller is in default under this Agreement; provided that a Market Value of zero shall be assigned to any Purchased Mortgage Loan that, at the time of determination, is not an Eligible Mortgage Loan. Buyer's determination of Market Value of Purchased Mortgage Loans will be made using Buyer's customary methods for determining the price of comparable mortgage loans under the market conditions and Seller's status prevailing at the time of determination, will not be equivalent to a determination of the fair market value of the Purchased Mortgage Loans made by obtaining competing bids under circumstances where the bidders have adequate opportunity to perform customary mortgage loan and servicing due diligence and, if (1) any Default or Event of Default has occurred and is continuing, (2) Buyer in good faith believes that a secondary market Mortgage Loan purchaser would materially discount the likelihood of realization on any of Seller's Mortgage Loan transfer warranties or (3) the market for comparable Mortgage Loans is illiquid or otherwise disorderly at the time, such determination will not be equivalent to a determination by Buyer of the Market Value of the Purchased Mortgage Loans made when, as applicable in the circumstances, (A) the originator/servicer is not in default, (B) the likelihood of realization on Seller's transfer warranties is not materially discounted and/or (C) the market for comparable Mortgage Loans is not illiquid or otherwise disorderly. Buyer's good faith determination of Market Value shall be conclusive upon the Parties.

5. Accounts; Income Payments

(a) Accounts. Seller (i) has established each of the Accounts at Financial Institution on or before the date hereof and (ii) will establish the Impound Collection Account and the Income Collection Account if and when required by Buyer for the purposes of Sections 12(b)(iii) and/or 12(b)(iv). Seller's taxpayer identification number will be designated as the taxpayer identification number for each Account, the Impound Collection Account and the Income Collection Account, and Seller shall be responsible for reporting and paying taxes on any income earned with respect to the Accounts, the Impound Collection Account and the Income Collection Account. Each such deposit account shall be under the sole dominion and control of Buyer, and

Seller agrees that (i) Seller shall have no right or authority to withdraw or otherwise give any directions with respect to any of such deposit accounts or the disposition of any funds held in such deposit accounts; provided that Seller may cause amounts to be deposited into any such deposit account at any time, and (ii) Financial Institution may comply with instructions originated by Buyer directing disposition of the funds in such deposit accounts without further consent of Seller. Only employees of Buyer shall be signers with respect to such deposit accounts. Pursuant to Section 6, Seller has pledged, assigned, transferred and granted a security interest to Buyer in the Accounts in which Seller has rights or power to transfer rights and all such deposit accounts in which Seller later acquires ownership, other rights or the power to transfer rights. Seller and Buyer hereby agree that Buyer has "control" of such deposit accounts within the meaning of Section 9-104 of the UCC. Any provision hereof to the contrary notwithstanding and for the avoidance of doubt, Seller agrees and acknowledges that Buyer is not required to return to Seller funds on deposit in an Account or the Income Collection Account if any amounts are owed hereunder to Buyer by Seller.

(b) Cash Pledge Account. Seller has deposited an amount equal to [***] of the Facility Amount (the "**Required Amount**") into the Cash Pledge Account. Seller shall cause an amount not less than the Required Amount to be on deposit in the Cash Pledge Account at all times. If on any Remittance Date, the amount on deposit in the Cash Pledge Account is greater than the Required Amount, provided that no Default or Event of Default has occurred and is continuing, upon Seller's request such excess will be disbursed to Seller on such Remittance Date after application by Buyer to the payment of any amounts owing by Seller to Buyer on such date. At any time after the occurrence and during the continuance of an Event of Default, Buyer, in its sole discretion, may apply the amounts on deposit in the Cash Pledge Account in accordance with the provisions of Section 5(e).

(c) Funding Account. The Funding Account shall be used for fundings of the Purchase Price and the Repurchase Price with respect to each Purchased Mortgage Loan in accordance with Section 3. Seller shall cause all amounts to be paid in respect of the Takeout Commitments to be remitted by the Approved Takeout Investors directly to the Funding Account without any requirement for any notice to or consent of Seller. On each Repurchase Date that occurs pursuant to Section 3(f) with respect to any Purchased Mortgage Loan, Buyer will apply the applicable amounts on deposit in the Funding Account to the unpaid Repurchase Price due to Buyer for such Purchased Mortgage Loan and, unless an Event of Default has occurred and is continuing, Buyer will transfer the remaining balance, if any, in the Funding Account to the Operating Account. At any time after the occurrence and during the continuance of an Event of Default, Buyer, in its sole discretion, may apply the amounts on deposit in the Funding Account in accordance with the provisions of Section 5(e).

(d) Operating Account.

(i) The Operating Account shall be used for the purposes of (1) Seller's payment of Price Differential and any other amounts owing to Buyer under this Agreement, the Side Letter or any other Transaction Document, (2) Seller's funding of any shortfall between (x) the proceeds of an Eligible Mortgage Loan being purchased by Buyer that are to be disbursed at its Origination and (y) the Purchase Price to be paid by Buyer for that Eligible Mortgage Loan, (3) Seller's payment of any difference between the Repurchase Price and the amount received by

Buyer from the applicable Approved Takeout Investor in connection with the repurchase of a Purchased Mortgage Loan pursuant to Section 3(i) and (4) for any cash payments made by Seller to satisfy Margin Calls pursuant to Section 4(b).

(ii) On or before the fourth (4th) Business Day before each Remittance Date, Buyer will notify Seller in writing of the Price Differential and other amounts due Buyer on that Remittance Date. On or before the Business Day preceding each Remittance Date, Seller shall deposit into the Operating Account such cash, if any, as shall be required to make the balance in the Operating Account sufficient to pay all amounts due Buyer on that Remittance Date. On each Remittance Date, Buyer shall withdraw funds from the Operating Account to effect such payment to the extent of funds then available in the Operating Account. If the funds on deposit in the Operating Account are insufficient to pay the amounts then due Buyer in full, Seller shall pay the deficiency amount on the date such payment is due by wire transfer of such amount to the Operating Account, and Buyer shall withdraw the funds so deposited to pay such deficiency to the extent of the funds deposited.

(iii) Funds deposited by Seller in the Operating Account to cover the shortfall, if any, referred to in clause (2) of Section 5(d)(i) will be disbursed by Buyer to the Settlement Agent along with the Purchase Price of the related Eligible Mortgage Loan being purchased by Buyer to fund the Origination of such Mortgage Loan as provided in Section 3(b).

(iv) At any time after a Margin Call, if Seller fails to satisfy such Margin Call in accordance with the provisions of Section 4, Buyer may withdraw funds from the Operating Account to pay such Margin Call and shall apply the funds so withdrawn for that purpose to reduce the Repurchase Prices of Purchased Mortgage Loans then subject to outstanding Transactions as provided in Section 4(b). At any time after the occurrence and during the continuance of an Event of Default, Buyer, in its sole discretion, may apply the amounts on deposit in the Operating Account in accordance with the provisions of Section 5(e).

(v) Unless (1) a Default or an Event of Default has occurred and is continuing or (2) any amounts are then owing to Buyer or any Indemnified Party under this Agreement or another Transaction Document, on Seller's request, Buyer will transfer the Operating Account balance to an account designated by Seller.

(e) Application of Funds. After the occurrence and during the continuance of an Event of Default, at such times as Buyer may direct in its sole discretion, Buyer shall apply all Income and other amounts on deposit in all or any of the Accounts, other than mortgagors' actual escrow payments held in any account and required to be used for the payment of Property Charges in respect of any Purchased Mortgage Loan, in the same order and manner as is provided in Section 12(e) for proceeds of dispositions of Purchased Mortgage Loans not repurchased by Seller.

(f) Income Collection Account. Pursuant to Section 6, Seller has pledged, assigned and transferred the Income Collection Account to Buyer and granted Buyer a security interest in the Income Collection Account. No funds other than Income shall be deposited in the Income Collection Account. Where a particular Transaction's term extends over the date on which Income is paid by the Mortgagor on any Purchased Mortgage Loan subject to that Transaction,

that Income will be the property of Buyer until Seller has paid Buyer the full Repurchase Price in respect of such Transaction. Notwithstanding the foregoing, and provided no Default or Event of Default has occurred and is continuing and no Margin Deficit then exists, Buyer agrees that Seller or its designee shall be entitled to receive and retain that Income to the full extent it would have been so entitled if the Purchased Mortgage Loans had not been sold to Buyer; provided that any Income received by Seller while the related Transaction is outstanding shall be deemed to be held by Seller or Subservicer (as the case may be) solely in trust for Buyer pending the payment of the Repurchase Price in respect of such Transaction and the repurchase of the related Purchased Mortgage Loans, and if a Default or an Event of Default has occurred and is continuing, or a Margin Deficit exists that Seller has not satisfied in accordance with the provisions of Section 4, Buyer may direct Seller in writing to deposit into the Income Collection Account (or such other account as Buyer may direct) (i) all Income then held by Seller or Subservicer in respect of Purchased Mortgage Loans subject to outstanding Transactions and (ii) all future Income in respect of Purchased Mortgage Loans subject to new or outstanding Transactions when received by Seller or any Subservicer, and upon receipt of any such direction, Seller shall immediately cause all such Income then held to be deposited, and all such future Income to be deposited within one (1) Business Day after its receipt by Seller or Subservicer, into the Income Collection Account or to such other account as Buyer may direct.

(g) Seller's Obligations. The provisions of this Section 5 shall not relieve Seller from its obligations to pay the Repurchase Price on the applicable Repurchase Date and to satisfy any other payment obligation of Seller hereunder or under any other Transaction Document.

6. Security Interest; Assignment of Takeout Commitments

(a) Security Interest. Although the Parties intend that all Transactions hereunder be absolute sales and purchases and not loans, to secure the payment and performance by Seller of its obligations, liabilities and indebtedness under each such Transaction and Seller's obligations, liabilities and indebtedness under this Agreement and the other Transaction Documents, Seller hereby pledges, assigns, transfers and grants to Buyer a security interest in the Mortgage Assets in which Seller has rights or power to transfer rights and all of the Mortgage Assets in which Seller later acquires ownership, other rights or the power to transfer rights. "**Mortgage Assets**" means (i) the Purchased Mortgage Loans with respect to all Transactions hereunder (including, without limitation, all Servicing Rights with respect thereto), (ii) all Servicing Records, Loan Files, Mortgage Loan Documents, including, without limitation, the Mortgage Note and Mortgage, and all of Seller's claims, liens, rights, title and interests in and to the Mortgaged Property in each case related to such Purchased Mortgage Loans, (iii) all Liens securing repayment of such Purchased Mortgage Loans, (iv) all Income with respect to such Purchased Mortgage Loans, (v) the Accounts, (vi) the Takeout Commitments and Takeout Agreements to the extent Seller's rights thereunder relate to the Purchased Mortgage Loans, (vii) all Hedging Arrangements to the extent relating to the Purchased Mortgage Loans, (viii) the Income Collection Account, together with all interest on the Income Collection Account, all modifications, extensions and increases of the Income Collection Account and all sums now or at any time hereafter on deposit in the Income Collection Account or represented by the Income Collection Account and (ix) all proceeds of the foregoing including, without limitation, all MBS, and the right to have and receive such MBS when issued, that are, in whole or in part, based on, backed by or created from Purchased Mortgage Loans for which the full Repurchase Price has

not been received by Buyer, irrespective of whether such Purchased Mortgage Loans have been released from this security interest. Seller hereby authorizes Buyer to file such financing statements and amendments relating to the Mortgage Assets as Buyer may deem appropriate, and irrevocably appoints Buyer as Seller's attorney-in-fact to take such other actions as Buyer deems necessary or appropriate to perfect and continue the Lien granted hereby and to protect, preserve and realize on the Mortgage Assets. Seller shall pay all fees and expenses associated with perfecting such Liens including the cost of filing financing statements and amendments under the UCC, registering each Purchased Mortgage Loan with MERS and recording assignments of the Mortgages as and when required by Buyer in its sole discretion. The Parties intend that this Section 6(a) is "a security agreement or arrangement or other credit enhancement", as defined and described in Sections 101(47)(A)(v) and 741(7)(A)(ix) of the Bankruptcy Code, related to the repurchase agreement and securities contract established and evidenced by this Agreement and the Transactions hereunder.

(b) Assignment of Takeout Commitment. The sale of each Mortgage Loan to Buyer shall include Seller's rights (but none of the obligations) under the applicable Takeout Commitment and Takeout Agreement to deliver the Mortgage Loan to the Approved Takeout Investor and to receive the net sum therefor specified in the Takeout Commitment from the Approved Takeout Investor. Effective on and after the Purchase Date for each Mortgage Loan purchased by Buyer hereunder, Seller assigns to Buyer, free and clear of any Lien, all of Seller's right, title and interest in any applicable Takeout Commitment and Takeout Agreement for such Mortgage Loan; provided that Buyer shall not assume or be deemed to have assumed any of the obligations of Seller under any Takeout Agreement or Takeout Commitment.

7. Conditions Precedent

(a) Conditions Precedent to the Effectiveness of this Agreement. The effectiveness of this Agreement shall be subject to the satisfaction of each of the following conditions precedent (any of which Buyer may electively waive, in Buyer's sole discretion):

(i) Buyer shall have received, (x) at least five (5) days before the Effective Date of this Agreement, all documentation and other information regarding Seller in connection with applicable "know your customer" and anti-money laundering rules and regulations, including the USA Patriot Act, that was requested in writing by Buyer at least ten (10) days before the Effective Date, and (y) a properly completed and signed IRS Form W-8 or W-9, as applicable, for Seller, and if Seller qualifies as a "legal entity customer" under the Beneficial Ownership Regulation, Buyer shall have also received a Beneficial Ownership Certification of Seller at least five (5) days before the Effective Date if Buyer requested it in writing at least ten (10) days before the Effective Date.

(ii) on or before the date hereof, Seller shall deliver or cause to be delivered each of the documents listed on Exhibit E in form and substance satisfactory to Buyer and its counsel;

(iii) as of the date hereof, there has been no Material Adverse Effect on the financial condition of Seller or any Guarantor since the most recent financial statements of such Person delivered to Buyer;

(iv) as of the date hereof, no material action, proceeding or investigation shall have been instituted or threatened, nor shall any material order, judgment or decree have been issued or proposed to be issued by any Governmental Authority with respect to Seller or any Guarantor;

(v) Seller shall have delivered to Buyer the opinions of counsel substantially in the form of Exhibit F and in form and substance satisfactory to Buyer and its counsel;

(vi) Seller shall have delivered to Buyer such other documents, opinions of counsel and certificates as Buyer may reasonably request;

(vii) Seller shall have established the Accounts at Financial Institution and shall have deposited the Required Amount to the Cash Pledge Account;

(viii) Seller shall have licenses to Originate Mortgage Loans in all states where it is required to have a license to do so;

(ix) on or before the date hereof, Seller shall have paid to the extent due all fees and out-of-pocket costs and expenses reasonably incurred (including due diligence fees and expenses and reasonable legal fees and expenses) required to be paid under this Agreement or any other Transaction Document; and

(x) Buyer shall have received such other documents, information, reports and certificates as it shall have reasonably requested.

(b) Conditions Precedent to Transactions. Buyer's obligation to pay the Purchase Price for each Transaction shall be subject to the satisfaction of each of the following conditions precedent, as applicable:

(i) with respect to each Purchase Date, Seller shall have delivered to Buyer a Confirmation and the Loan Purchase Detail with respect to the Purchased Mortgage Loans subject to such Transaction;

(ii) Buyer shall have received the items described in clause (x) (for dry Mortgage Loans) or (xi) (for Wet Loans), as applicable, of the definition of "Eligible Mortgage Loan", in each case in form and substance satisfactory to Buyer;

(iii) no Default or Event of Default shall have occurred and be continuing;

(iv) no Margin Deficit shall exist either before or after giving effect to such Transaction;

(vi) each Mortgage Loan subject to such Transaction shall be an Eligible Mortgage Loan;

(vii) Seller's and each Guarantor's representations and warranties in this Agreement and each of the other Transaction Documents to which it is a party and in any Officer's Certificate delivered to Buyer in connection therewith shall be true and correct in all material respects on and as of the date hereof and such Purchase Date, with the same effect as though such representations and warranties had been made on and as of such date (except for those representations and warranties and Officer's Certificates that are specifically made only as of a different date, which representations and warranties and Officer's Certificates shall be correct in all material respects on and as of the date made), and Seller and each Guarantor shall have complied with all the agreements and satisfied all the conditions under this Agreement, each of the other Transaction Documents and the Mortgage Loan Documents to which it is a party on its part to be performed or satisfied at or before the related Purchase Date;

(viii) no Requirement of Law shall prohibit the consummation of any transaction contemplated hereby, or shall impose limits on the amounts that Buyer may legally receive or would impose a material tax or levy on such Transaction or the Purchase Price, Repurchase Price or any payments made or received in respect thereof;

(ix) no action, proceeding or investigation shall have been instituted or threatened, nor shall any order, judgment or decree have been issued or proposed to be issued by any Governmental Authority to set aside, restrain, enjoin or prevent the consummation of any Transaction contemplated hereby or seeking material damages against Buyer in connection with the transactions contemplated by the Transaction Documents;

(x) Buyer shall have determined that the amounts on deposit in the Operating Account are sufficient to fund any shortfall between (x) the amount Seller is to fund to Originate or otherwise acquire each Mortgage Loan to be purchased by Buyer in such Transaction and (y) the Purchase Price to be paid by Buyer therefor, after taking into account all other obligations of Seller that are to be satisfied with the amounts on deposit in the Operating Account on such Transaction's Purchase Date;

(xi) after giving effect to such Transaction, the Aggregate Purchase Price for all outstanding Transactions will not exceed the Facility Amount;

(xii) Buyer shall have received such other documents, information, reports and certificates as it shall have reasonably requested; and

(xiii) Seller shall have deposited the Required Amount into the Cash Pledge Account.

The acceptance by Seller, or by any Settlement Agent at the direction of Seller, of any Purchase Price proceeds shall be deemed to constitute a representation and warranty by Seller that the foregoing conditions have been satisfied.

8. Change in Law

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, liquidity or similar requirement against assets of, deposits with or for the account of, or credit extended by, Buyer (except any such reserve requirement reflected in the Adjusted LIBO Rate); or

(ii) impose on Buyer or the London interbank market any other condition affecting this Agreement or Transactions entered into by Buyer;

and the result of any of the foregoing shall be to increase the cost to Buyer of making or maintaining any purchase hereunder (or of maintaining its obligation to enter into any Transaction) or to increase the cost or to reduce the amount of any sum received or receivable by Buyer (whether of Repurchase Price, Price Differential or otherwise), then Seller will pay to Buyer such additional amount or amounts as will compensate Buyer for such additional costs incurred or reduction suffered.

(b) If Buyer reasonably determines that any Change in Law regarding capital requirements has or would have the effect of reducing the rate of return on Buyer's capital or on the capital of Buyer's holding company as a consequence of this Agreement or the purchases made by Buyer under this Agreement to a level below that which Buyer or Buyer's holding company could have achieved but for such Change in Law (taking into consideration Buyer's policies with respect to capital adequacy) by an amount deemed by Buyer in good faith to be material, then from time to time Seller will pay to Buyer such additional amount or amounts as will compensate Buyer or Buyer's holding company for any such reduction suffered.

(c) A certificate of Buyer setting forth the amount or amounts necessary to compensate Buyer or its holding company, as the case may be, as specified in Section 8(a) or 8(b) shall be delivered to Seller and shall be conclusive absent manifest error. Seller shall pay Buyer, the amount shown as due on any such certificate within ten (10) days after receipt thereof.

(d) Failure or delay on the part of Buyer to demand compensation pursuant to this Section 8 shall not constitute a waiver of Buyer's right to demand such compensation; provided that Seller shall not be required to compensate Buyer pursuant to this Section 8 for any increased costs or reductions incurred more than two hundred seventy (270) days before the date that Buyer notifies Seller of the Change in Law giving rise to such increased costs or reductions and of Buyer's intention to claim compensation therefor; provided, further, that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 270-day period referred to above shall be extended to include the period of retroactive effect thereof.

9. Segregation of Documents Relating to Purchased Mortgage Loans

Seller shall, and shall cause any other holder on Seller's behalf, including any financial or securities intermediary, to identify on its books and records, all documents relating to Purchased Mortgage Loans that are in the possession of Seller or such other holder, as subject to this Agreement. All of Seller's interest in the Purchased Mortgage Loans (including the Servicing Rights) shall pass to Buyer on the Purchase Date and nothing in this Agreement shall preclude Buyer from engaging in repurchase transactions with the Purchased Mortgage Loans or otherwise selling, transferring, pledging or hypothecating the Purchased Mortgage Loans, but no such transaction shall relieve Buyer of its obligations to transfer the Purchased Mortgage Loans

or other Mortgage Loans with substantially identical terms to Seller pursuant to Section 3(f), Section 3(l), Section 4(c) or Section 21(b).

10. Representations and Warranties of Seller.

(a) To induce Buyer to enter into this Agreement and the Transactions hereunder, Seller represents and warrants on the Effective Date of this Agreement and, except where otherwise expressly provided, as of each Purchase Date, as follows:

(i) Representations and Warranties Concerning Purchased Mortgage Loans. By each delivery of a Confirmation, Seller shall be deemed, as of the Purchase Date of the described sale of each Purchased Mortgage Loan (or, if another date is expressly provided in such representation or warranty, as of such other date), and as of each day thereafter that such Purchased Mortgage Loan continues to be subject to an outstanding Transaction, to represent and warrant that such Purchased Mortgage Loan is an Eligible Mortgage Loan and to make the representations and warranties regarding it that are set forth in Exhibit B.

(ii) Organization and Good Standing; Subsidiaries. Each of Seller and its Subsidiaries is a corporation duly organized, validly existing and in good standing under the laws of the jurisdiction under which it was organized, has full legal power and authority to own its property and to carry on its business as currently conducted, and is duly qualified as a foreign corporation to do business and is in good standing in each jurisdiction in which the transaction of its business makes such qualification necessary, except in jurisdictions, if any, where a failure to be in good standing has no material adverse effect on the business, operations, assets or financial condition of Seller or any such Subsidiary. For the purposes hereof, good standing shall include qualification for any and all licenses and payment of any and all taxes required in the jurisdiction of its organization and in each jurisdiction in which Seller or a Subsidiary transacts business. Seller has no Subsidiaries except those listed in Exhibit G, as such exhibit has been most recently updated by a revision delivered by Seller to Buyer. With respect to Seller and each such Subsidiary, Exhibit G correctly states its name as it appears in its articles of formation filed in the jurisdiction of its organization, address, place of organization, each state in which it is qualified as a foreign corporation or entity, and in the case of the Subsidiaries, the percentage ownership (direct or indirect) of Seller in such Subsidiary.

(iii) Authority and Capacity. Seller has all requisite power, authority and capacity to enter into this Agreement and each other Transaction Document and to perform the obligations required of it hereunder and thereunder. This Agreement constitutes a valid and legally binding agreement of Seller enforceable in accordance with its terms, except as enforceability may be limited by bankruptcy, insolvency, moratorium, reorganization, conservatorship and similar laws, and by equitable principles. No consent, approval, authorization, license or order of or registration or filing with, or notice to, any Governmental Authority is required under any Requirement of Law before the execution, delivery and performance of or compliance by Seller with this Agreement or any other Transaction Document or the consummation by Seller of any transaction contemplated thereby, except for those that have already been obtained by Seller, and the filings and recordings in respect of the Liens created pursuant to this Agreement and the other Transaction Documents. If Seller is a

depository institution, this Agreement is a part of, and will be maintained in, Seller's official records.

(iv) No Conflict. Neither the execution and delivery of this Agreement, nor the consummation of the transactions contemplated by this Agreement, nor compliance with its terms and conditions, shall conflict with or result in the breach of, or constitute a default under, or result in the creation or imposition of any Lien (other than Liens created pursuant to this Agreement and the other Transaction Documents) of any nature upon the properties or assets of Seller under, any of the terms, conditions or provisions of Seller's organizational documents, or any mortgage, indenture, deed of trust, loan or credit agreement or other agreement or instrument to which Seller is now a party or by which it is bound (other than this Agreement).

(v) Performance. Seller does not believe, nor does it have any reason or cause to believe, that it cannot perform, and Seller intends to perform, each and every covenant that it is required to perform under this Agreement and the other Transaction Documents.

(vi) Ordinary Course Transaction. The consummation of the transactions contemplated by this Agreement are in the ordinary course of business of Seller, and neither the sale, transfer, assignment and conveyance of Mortgage Loans to Buyer nor the pledge, assignment, transfer and granting of a security interest to Buyer in the Mortgage Assets, by Seller pursuant to this Agreement is subject to the bulk transfer or any similar Requirement of Law in effect in any applicable jurisdiction.

(vii) Litigation; Compliance with Laws. There is no Litigation pending or, to Seller's knowledge threatened, that could reasonably be expected to cause a Material Adverse Effect or that could reasonably be expected to materially and adversely affect the Mortgage Loans sold or to be sold pursuant to this Agreement. Seller has not violated any Requirement of Law applicable to Seller that, if violated, would materially and adversely affect the Mortgage Loans to be sold pursuant to this Agreement or could reasonably be expected to have a Material Adverse Effect.

(viii) Statements Made. The information, reports, financial statements, exhibits and schedules furnished in writing by or on behalf of Seller to Buyer in connection with the negotiation, preparation or delivery of this Agreement and the other Transaction Documents or included herein or therein or delivered pursuant hereto or thereto, when taken as a whole, do not contain any untrue statement of material fact or omit to state any material fact necessary to make the statements herein or therein, in light of the circumstances under which they were made, not misleading. All written information furnished after the date hereof by or on behalf of Seller to Buyer in connection with this Agreement and the other Transaction Documents and the transactions contemplated hereby and thereby will be true, complete and accurate in every material respect, or (in the case of projections) based on reasonable estimates, on the date as of which such information is stated or certified. There is no fact known to a Responsible Officer that, after due inquiry, could reasonably be expected to have a Material Adverse Effect that has not been disclosed herein, in the other Transaction Documents or in a report, financial statement, exhibit, schedule, disclosure letter or other writing furnished to Buyer for use in connection with the transactions contemplated hereby or thereby.

(ix) Approved Company. Seller currently holds all approvals, authorizations and other licenses from the Approved Takeout Investors and the Agencies required under the Takeout Guidelines (or otherwise) to Originate, purchase, hold, service and sell Mortgage Loans of the types to be offered for sale to Buyer hereunder.

(x) Fidelity Bonds. Seller has purchased fidelity bonds and policies of insurance, all of which are in full force and effect, insuring Seller, Buyer and the successors and assigns of Buyer in the greatest of (a) [***], (b) the amount required by the Approved Takeout Investor and (c) the amount required by any other Takeout Guidelines, against loss or damage from any breach of fidelity by Seller or any officer, director, employee or agent of Seller, and against any loss or damage from loss or destruction of documents, fraud, theft or misappropriation, or errors or omissions.

(xi) Solvency. Both as of the date hereof and immediately after giving effect to each Transaction hereunder, the fair value of Seller's assets is greater than the fair value of Seller's liabilities (including contingent liabilities if and to the extent required to be recorded as liabilities on the financial statements of Seller in accordance with GAAP), and Seller (1) is not insolvent (as defined in 11 U.S.C. § 101(32)), (2) is able to pay and intends to pay its debts as they mature and (3) does not have an unreasonably small capital to engage in the business in which it is engaged and proposes to engage. Seller does not intend to incur, or believe that it has incurred, debts beyond its ability to pay such debts as they mature. Seller is not transferring any Loans with any intent to hinder, delay or defraud any Person.

(xii) Reporting. In its financial statements, Seller intends to report each sale of a Mortgage Loan hereunder as a financing in accordance with GAAP. Seller has been advised by or confirmed with its independent public accountants that such sales can be so reported under GAAP on its financial statements.

(xiii) Financial Condition. The balance sheets of Seller provided to Buyer pursuant to Section 11(h) (and, if applicable, its Subsidiaries, on a consolidated and consolidating basis) as of the dates of such balance sheets, and the related statements of income, changes in stockholders' equity and cash flows for the periods ended on the dates of such balance sheets heretofore furnished to Buyer, fairly present in all material respects the financial condition of Seller and its Subsidiaries as of such dates and the results of its and their operations for the periods ended on such dates. On the dates of such balance sheets, Seller had no known material liabilities, direct or indirect, fixed or contingent, matured or unmatured, or liabilities for taxes, long-term leases or unusual forward or long-term commitments not disclosed by, or reserved against on, said balance sheets and related statements, and at the present time there are no material unrealized or anticipated losses from any loans, advances or other commitments of Seller except as heretofore disclosed to Buyer in writing. Said financial statements were prepared in accordance with GAAP applied on a consistent basis throughout the periods involved. Since the date of the balance sheet most recently provided, there has been no Material Adverse Effect, nor is Seller aware of any state of facts particular to Seller that (with or without notice or lapse of time or both) could reasonably be expected to result in any such Material Adverse Effect.

(xiv) Regulation U. Seller is not engaged principally, or as one of its important activities, in the business of purchasing or carrying Margin Stock, or extending credit for the purpose of purchasing or carrying Margin Stock, and no part of the proceeds of Buyer's purchases of Mortgage Loans hereunder will be used to purchase or carry any Margin Stock or to extend credit to others for the purpose of purchasing or carrying any Margin Stock. Following the application of the proceeds of each such purchase, not more than [***] of the value of the assets (either of Seller only or of Seller and its Subsidiaries on a consolidated basis) will be Margin Stock.

(xv) Investment Company Act. Neither Seller nor any of its Subsidiaries is required to register as an "investment company" under the Investment Company Act of 1940, as amended.

(xvi) Agreements. Neither Seller nor any of its Subsidiaries is a party to any agreement, instrument or indenture, or subject to any restriction, that has, or could reasonably be expected to have, a Material Adverse Effect. None of Seller's Subsidiaries is subject to any dividend restriction imposed by a Governmental Authority other than those under applicable statutory law. Neither Seller nor any of its Subsidiaries is in default in the performance, observance or fulfillment of any of the obligations, covenants or conditions contained in any agreement, instrument or indenture which default could reasonably be expected to result in a Material Adverse Effect. No holder of any Debt of Seller or of any of its Subsidiaries has given notice of any alleged default thereunder, or, if given, the same has been cured or will be cured by Seller or the relevant Subsidiary within the cure period provided therein. No Act of Insolvency with respect to Seller, any of its Subsidiaries or any Guarantor, or any of their respective properties is pending, contemplated or, to the knowledge of Seller, threatened.

(xvii) Title to Properties. Seller and each Subsidiary of Seller has good, valid, insurable (in the case of real property) and marketable title to all of its properties and assets (whether real or personal, tangible or intangible) reflected on the financial statements described in Section 11(h), and all such properties and assets are free and clear of all Liens except (i) the lien of current (nondelinquent) real and personal property taxes and assessments, (ii) covenants, conditions and restrictions, rights of way, easements and other similar matters to which like properties and assets are commonly subject that do not materially interfere with the use of the property or asset as it is currently being used, (iii) such other Liens as are disclosed in such financial statements and not prohibited under this Agreement and (iv) Liens arising from Seller's origination of Mortgage Loans utilizing warehouse, gestation and other credit facilities (x) against Purchased Mortgage Loans, in favor only of Buyer or (y) against Mortgage Loans other than Purchased Mortgage Loans originated utilizing other such facilities, in favor of the respective counterparties under such other facilities.

(xviii) ERISA. All plans ("**Plans**") of a type described in Section 3(3) of ERISA in respect of which Seller or any Subsidiary of Seller is an "employer," as defined in Section 3(5) of ERISA, are in substantial compliance with ERISA, and none of such Plans is insolvent or in reorganization, has an accumulated or waived funding deficiency within the meaning of Section 412 of the IRC, and neither Seller nor any Subsidiary of Seller has incurred any material liability (including any material contingent liability) to or on account of any such Plan pursuant to

Sections 4062, 4063, 4064, 4201 or 4204 of ERISA. No proceedings have been instituted to terminate any such Plan, and no condition exists that presents a material risk to Seller or a Subsidiary of Seller of incurring a liability to or on account of any such Plan pursuant to any of the foregoing Sections of ERISA. No material liability exists with respect to any Plan in which Seller, any Subsidiary of Seller or any Guarantor is an "employer", or any trust forming a part thereof, that has been terminated since December 1, 1974.

(xix) Proper Names. Seller does not operate in any jurisdiction under a trade name, division, division name or name other than those names previously disclosed in writing by Seller to Buyer, and all such names are utilized by Seller only in the jurisdiction(s) identified in such writing. The only names used by Seller in its tax returns for the last ten (10) years are set forth in Exhibit L.

(xx) No Undisclosed Liabilities. Other than as disclosed in the financial statements delivered pursuant to Section 11(h), Seller does not have any liabilities or Debt, direct or contingent.

(xxi) Tax Returns and Payments. All federal, state and local income, excise, property and other tax returns required to be filed with respect to Seller's operations and those of its Subsidiaries in any jurisdiction have been filed on or before the due date thereof (plus any applicable extensions); all such returns are true and correct; all taxes, assessments, fees and other governmental charges upon Seller, and Seller's Subsidiaries and upon their respective properties, income or franchises, that are, or should be shown on such tax returns to be, due and payable have been paid, including all Federal Insurance Contributions Act (FICA) payments and withholding taxes, if appropriate, other than those that are being contested in good faith by appropriate proceedings, diligently pursued and as to which Seller has established adequate reserves determined in accordance with GAAP, consistently applied. The amounts reserved, as a liability for income and other taxes payable, in the financial statements described in Section 11(h) are sufficient for payment of all unpaid federal, state and local income, excise, property and other taxes, whether or not disputed, of Seller and its Subsidiaries, accrued for or applicable to the period and on the dates of such financial statements and all years and periods prior thereto and for which Seller and Seller's Subsidiaries may be liable in their own right or as transferee of the assets of, or as successor to, any other Person.

(xxii) No Warrants; Shares Valid, Paid and Non-assessable. Seller has not issued, and does not have outstanding, any warrants, options, rights or other obligations to issue or purchase any shares of its capital stock or other securities (or other equity equivalent). The outstanding shares of capital stock (or other equity equivalent) of Seller have been duly authorized and validly issued and are fully paid and non-assessable.

(xxiii) Credit Information. Seller has full right and authority and is not precluded by law or contract from furnishing to Buyer the applicable consumer report (as defined in the Fair Credit Reporting Act, Public Law 91-508) and all other credit information relating to each Purchased Mortgage Loan sold hereunder, and Buyer will not be precluded from furnishing such materials to the related Approved Takeout Investor by such laws. Neither the foregoing nor any other provision of this Agreement or any other Transaction Document shall be construed to

impose any obligation on Buyer to keep the above described materials confidential or to otherwise comply with the Fair Credit Reporting Act or any similar laws.

(xxiv) No Discrimination. Seller makes credit accessible to all qualified applicants in accordance with all Requirements of Law. Seller has not discriminated, and will not discriminate, against credit applicants on the basis of any prohibited characteristic, including race, color, religion, national origin, sex, marital or familial status, age (provided that the applicant has the ability to enter into a binding contract), handicap, sexual orientation or because all or part of the applicant's income is derived from a public assistance program or because of the applicant's good faith exercise of rights under the Federal Consumer Protection Act. Furthermore, Seller has not discouraged, and will not discourage, the completion of any credit application based on any of the foregoing prohibited bases. In addition, Seller has complied with all anti-redlining provisions and equal credit opportunity laws applicable under all Requirements of Law.

(xxv) Home Ownership and Equity Protection Act. There is no Litigation, proceeding or governmental investigation existing or pending or to the knowledge of Seller threatened, or any order, injunction or decree outstanding against or relating to Seller, relating to any violation of the Home Ownership and Equity Protection Act or any state, city or district high cost home mortgage or predatory lending law.

(xxvi) In Compliance with Applicable Laws. Seller and its Subsidiaries each complies in all material respects with all Requirements of Law applicable to it. Without limiting the foregoing, Seller and its Subsidiaries each complies in all material respects with all applicable (1) Agency Guidelines, (2) Privacy Requirements, including the GLB Act and Safeguards Rules promulgated thereunder, (3) consumer protection laws and regulations, (4) licensing and approval requirements applicable to Seller's and its Subsidiaries' Origination of Mortgage Loans and (5) other laws and regulations referenced in the definition of "Requirement(s) of Law", in item (ff) of Exhibit B or in both of such places.

(xxvii) Place of Business and Formation. The principal place of business of Seller is located at the address set forth for Seller in Section 15. As of the date hereof, and during the four (4) months immediately preceding that date, the chief executive office of Seller and the office where it keeps its financial books and records relating to its property and all contracts relating thereto and all accounts arising therefrom is and has been located at the address set forth for Seller in Section 15. As of the date hereof and at all times for the past two (2) years, Seller's jurisdiction of organization is and has been the State of California.

(xxviii) No Adverse Selection. Seller used no selection procedures that identified the Purchased Mortgage Loans offered to Buyer for purchase hereunder as being less desirable or valuable than other comparable Mortgage Loans owned by Seller.

(xxix) MERS. Seller is a member of MERS in good standing.

(xxx) Seller is Principal. Seller is engaging in the Transactions as a principal.

(xxxi) No Default. No Default or Event of Default has occurred.

(xxxii) No Sanctioned Persons. Neither Seller, its Subsidiaries nor any of its or their directors, members, managers, partners, officers, employees, brokers or agents acting or benefiting in any capacity in connection with this Agreement or any other transaction involving Buyer or, to the best of Seller's knowledge, any of Buyer's Affiliates, is a Sanctioned Person.

(xxxiii) Anti-Money Laundering Laws. Seller and its Affiliates each complies with all Anti-Money Laundering Laws applicable to it and its agents.

(xxxiv) Anti-Corruption Laws and Sanctions. Seller has implemented and maintains in effect policies and procedures designed to ensure compliance by Seller, its Subsidiaries and their respective directors, members, managers, officers, employees and agents with Anti-Corruption Laws and applicable Sanctions, and Seller, its Subsidiaries and their respective directors, members, managers, partners, officers, employees and agents, are in compliance with Anti-Corruption Laws and applicable Sanctions in all material respects. No use of proceeds of any Transaction nor any other transaction contemplated by the Transaction Documents will violate Anti-Corruption Laws or applicable Sanctions.

(b) Representations as to Additional Mortgage Loans. Subject to the proviso stated in Section 12(a)(iii), on and as of the date of transfer of each Mortgage Loan transferred from Seller to Buyer as an Additional Purchased Mortgage Loan and on each day thereafter before it is repurchased by Seller, Seller shall be deemed to represent to Buyer that each Additional Purchased Mortgage Loan is an Eligible Mortgage Loan and to make the representations and warranties in respect thereof that are set forth in Exhibit B.

(c) Copies. Each time Seller delivers or causes to be delivered to Buyer a copy (instead of the original) of any document pursuant or relating to this Agreement, any other Transaction Document or any Transaction, Seller shall be deemed to warrant, represent and certify to Buyer at the time of delivery that such copy is a true, correct and complete copy of the original of that document unless such document is accompanied by Seller's written statement that such document is incorrect or incomplete in the manner specified in such statement.

(d) Survival of Representations. All the representations and warranties made by Seller to Buyer in this Agreement are binding on Seller regardless of whether the subject matter thereof was under the control of Seller or a third party. Seller acknowledges that Buyer will rely upon all such representations and warranties with respect to each Purchased Mortgage Loan purchased by Buyer hereunder, and Seller makes such representations and warranties in order to induce Buyer to purchase the Mortgage Loans. The representations and warranties by Seller in this Agreement with respect to a Purchased Mortgage Loan shall be unaffected by, and shall supersede and control over, any provision in any existing or future endorsement of any Purchased Mortgage Loan or in any assignment with respect to such Purchased Mortgage Loan to the effect that such endorsement or assignment is without recourse or without representation or warranty. All Seller representations and warranties shall survive delivery of the Loan Files and the Confirmations, purchase by Buyer of Purchased Mortgage Loans, transfer of the servicing for the Purchased Mortgage Loans to a successor servicer, delivery of Purchased Mortgage Loans to an Approved Takeout Investor, repurchases of the Purchased Mortgage Loans by Seller and termination of this Agreement. The representations and warranties of Seller in this Agreement shall inure to the benefit of Buyer and its successors and assigns,

notwithstanding any examination by Buyer of any Mortgage Loan Documents, related files or other documents delivered to Buyer.

11. Seller's Covenants.

Seller shall perform, and shall cause each of its Subsidiaries to perform, the following duties at all times during the term of this Agreement:

(a) Maintenance of Existence; Conduct of Business. Seller and each of its Subsidiaries shall preserve and maintain its existence in good standing and all of its rights, privileges, licenses and franchises necessary in the normal conduct of its business, including its eligibility as lender, seller/servicer and issuer described under Section 10(a)(ix); and each of Seller and its Subsidiaries shall conduct its business in an orderly and efficient manner and shall keep adequate books and records of its business activities and make no material change in the nature or character of its business or engage in any business substantially different from the mortgage origination and servicing business in which it is engaged on the Effective Date of this Agreement. Seller will not make any material change in its accounting treatment and reporting practices except as required by GAAP. Seller will remain a member of MERS in good standing.

(b) Compliance with Applicable Laws. Seller shall comply, and shall cause each of its Subsidiaries to comply, with all Requirements of Law, a breach of which would, or could reasonably be expected to, adversely affect the Purchased Mortgage Loans or the Mortgage Loans to be sold pursuant to this Agreement, or that could reasonably be expected to result in a Material Adverse Effect except where contested in good faith and by appropriate proceedings and with adequate book reserves determined in accordance with GAAP, consistently applied, established therefor. Seller shall comply, and shall cause each of its Subsidiaries to comply, in all material respects with all Requirements of Law applicable to it. Without limiting the foregoing, Seller shall comply, and cause its Subsidiaries to comply, in all material respects with all applicable (1) Agency Guidelines, (2) Privacy Requirements, including the GLB Act and Safeguards Rules promulgated thereunder, (3) consumer protection laws and regulations, (4) licensing and approval requirements applicable to Seller's and its Subsidiaries' Origination of Mortgage Loans and (5) other laws and regulations referenced in the definition of "Requirement(s) of Law", in item (ff) of Exhibit B or in both of such places.

(c) Compliance with Anti-Corruption Laws. Seller will provide its accountants with a photocopy of this Agreement promptly after the

execution hereof and will instruct its accountants to answer candidly any and all questions that the officers of Buyer or any authorized representatives of Buyer may address to them in reference to the financial condition or affairs of Seller and Seller's Subsidiaries. Seller may have its representatives in attendance at any meetings between the officers or other representatives of Buyer and Seller's accountants held in accordance with this authorization.

(e) Notices. Seller will promptly notify Buyer of the occurrence of any of the following and shall provide such additional documentation and cooperation as Buyer may request with respect to any of the following:

(i) any change in the business address and/or telephone number of Seller, any Subsidiary of Seller or any Guarantor;

(ii) any merger, consolidation or reorganization of Seller, any Subsidiary of Seller or any Guarantor, or any changes in the ownership of Seller, any Subsidiary of Seller or any Guarantor by direct or indirect means. "**Indirect**" means any change in ownership of a controlling interest of the relevant Person's direct or indirect parent;

(iii) any change of the name or jurisdiction of organization of Seller, any Subsidiary of Seller or any Guarantor;

(iv) any change in the information provided in the Beneficial Ownership Certification delivered to Buyer that would result in a change to the list of beneficial owners identified in such certification;

(v) any material adverse change in the financial position of Seller, any Subsidiary of Seller or any Guarantor;

(vi) receipt by Seller, any Subsidiary of Seller or any Guarantor of notice from the holder of any of its Debt of any alleged default thereunder;

(xvii) any Guarantor defaults under its Guaranty, or a default or an event of default shall have occurred under any other Transaction Document; or

(xviii) any Change in Control of Seller, any of its Subsidiaries or any Guarantor shall have occurred without Buyer's prior written consent or a material change in the management of Seller, any of its Subsidiaries or any Guarantor shall have occurred that has not been approved by Buyer in writing; or

(xix) without the Buyer's prior written consent, (i) any of Mary Ann McGarry or Terry Schmidt, shall cease for any reason whatsoever, including death or disability, to be, and to continuously perform the duties of, President and Chief Executive Officer of each of Seller and Guarantor (in the case of Mary Ann McGarry), and Chief Financial Officer of each of Seller and Guarantor (in the case of Terry Schmidt), or (ii) any two of James Masden, David Battney, or Mike Rish shall cease for any reason whatsoever, including death or disability, to be, and to continuously perform the duties of, Executive Vice President – Loan Servicing of each of Seller and Guarantor (in the case of James Masden), Senior Vice President of each of Seller and Guarantor (in the case of Mike Rish), or Executive Vice President – Capital Markets of each of Seller and Guarantor (in the case of David Battany), or, if any such cessation described in item (i) or cessations described in item (ii) shall occur as a result of death or disability, no successor

(or as applicable, successors) satisfactory to Buyer, in its reasonable judgment, shall have become, and shall have commenced to perform the duties of such offices indicated above within [***] after such cessation; provided that in any instance if any such satisfactory successor shall have been so elected and shall have commenced performance of such duties within such period, then the name of such successor or successors shall be deemed to have been inserted in place of Mary Ann McGarry, Terry Schmidt, Mike Rish, James Masden, or David Battney, as applicable, in this Section 12(a)(xix); or

(xx) any failure by Seller to deliver assignments executed in blank to Buyer or its designee for each Purchased Mortgage Loan then subject to a Transaction within [***] following any termination of Seller's MERS membership; or

(xxi) a downgrade of any of Seller's or any of its Subsidiaries' servicer ratings below the ratings held by Seller or such Subsidiary as of the Effective Date of this Agreement or, for ratings initiated after the Effective Date of this Agreement, below such initial ratings; or

(xxii) the initiation of any investigation or proceeding in respect of Seller or any Guarantor by any Governmental Authority, that is reasonably likely to have a material effect on Seller's or any Guarantor's ability to perform its obligations under this Agreement or the other Transaction Documents, provided that Seller is not prohibited by any Requirement of Law from disclosing the fact of the investigation; or

(xxiii) the Pension Benefit Guaranty Corp. shall, or shall indicate its intention to, file notice of a Lien pursuant to Section 4068 of ERISA with regard to any of the assets of Seller, any Guarantor or any of their respective Subsidiaries; or

(xxiv) Seller shall become subject to registration as an "investment company" as defined in, or subject to regulation under, the Investment Company Act of 1940, as amended; or

(xxv) Buyer shall fail to have a valid and perfected first priority security interest in any of the Purchased Mortgage Loans, including the Servicing Rights thereto, or any other Mortgage Assets, in each case free and clear of any other Lien (excluding Hedging Arrangements that cover both Purchased Mortgage Loans and Mortgage Loans that are subject to another Available Warehouse/MSRs Facility, as to which it will be an Event of Default if Buyer's Lien shall fail or cease to be *pari passu* with the Lien of the counterparty to any such other Available Warehouse/MSRs Facility); or

(xxvi) the Leverage Ratio of Guarantor and its Subsidiaries on a consolidated basis shall exceed 10-to-1 computed as of the end of any calendar month; or

(xxvii) the Adjusted Tangible Net Worth of Guarantor and its Subsidiaries on a consolidated basis computed as of the end of any calendar month shall be less than One Hundred [***];

(xxviii) Guarantor and its Subsidiaries on a consolidated basis shall at any time fail to have unencumbered Liquidity on the last day of any month in an amount that equals or

exceeds [***] of the average of its Marginable Assets on the last Business Days of the current month and the two preceding months; or

(xxix) Seller or its Subsidiaries pay dividends which are not Permitted Dividends.

(b) Remedies. If an Event of Default occurs, Buyer, at its option, may at any time or times thereafter while such Event of Default is continuing, elect by written notice to Seller to do any or all of the following:

(i) accelerate the Repurchase Date of each outstanding Transaction whose Repurchase Date has not already occurred and cancel the Purchase Date for any Transaction whose Purchase Date has not yet occurred;

(ii) terminate and replace Seller as interim servicer with respect to any Mortgage Assets at the cost and expense of Seller;

(iii) direct Seller to cause all Income to be transferred into the Income Collection Account and all escrow payments received to be deposited in the Impound Collection Account within one (1) Business Day after receipt by Seller or any Subservicer;

(iv) direct or cause Seller to direct, all Mortgagors to remit all Income directly to an account specified by Buyer; and

(v) terminate any commitment of Buyer to purchase Mortgage Loans under this Agreement or otherwise.

(c) If Buyer has exercised its option under Section 12(b)(i), then (i) Seller's obligations hereunder to repurchase all Purchased Mortgage Loans then subject to outstanding Transactions shall thereupon become immediately due and payable, (ii) to the extent permitted by applicable law, the Repurchase Price with respect to each such Transaction shall be increased by the aggregate amount obtained by daily application of (x) the greater of (i) the Pricing Rate for such Transaction and (ii) the Prime Rate plus [***] to (y) the Repurchase Price for such Transaction as of the accelerated Repurchase Date as determined pursuant to Section 12(b) (decreased as of any day by (A) any amounts retained by Buyer with respect to such Repurchase Price pursuant to Section 12(b)(iii) and 12(b)(iv) and (B) any proceeds from the sale of Purchased Mortgage Loans pursuant to Section 12(d), on a 360 day per year basis for the actual number of days during the period from and including the date of the Event of Default giving rise to such option to but excluding the date of payment of the Repurchase Price as so increased, (iii) all Income paid after such exercise or deemed exercise shall be paid over to and retained by Buyer and shall be applied to the aggregate unpaid Repurchase Prices and all other amounts owed by Seller to Buyer or any other Indemnified Party under the Transaction Documents, (iv) in accordance with Sections 4 and 5, all amounts on deposit in the Accounts, shall be applied by Buyer to the aggregate unpaid Repurchase Prices and all other amounts owed by Seller to Buyer or any other Indemnified Party under the Transaction Documents, (v) Seller shall, if directed by Buyer in writing, immediately deliver to Buyer any documents then in Seller's possession relating to any Purchased Mortgage Loans subject to such Transactions and (vi) Buyer may, by notice to Seller, declare the Termination Date to have occurred.

(d) Upon the exercise by Buyer of its option under Section 12(b)(i), without prior notice to Seller, Buyer may (A) immediately sell, on a servicing released or servicing retained basis as Buyer deems desirable, in a recognized market at such price or prices as Buyer may in its sole discretion deem satisfactory, any or all Purchased Mortgage Loans subject to such Transactions and apply the proceeds thereof to the aggregate unpaid Repurchase Prices and any other amounts owing by Seller to Buyer or any other Indemnified Party under the Transaction Documents or (B) in its sole discretion elect, in lieu of selling all or a portion of such Purchased Mortgage Loans, to give Seller credit for such Purchased Mortgage Loans in an amount equal to the Market Value therefor on such date against the aggregate unpaid Repurchase Prices and any other amounts owing by Seller to Buyer or any other Indemnified Party under the Transaction Documents.

(e) The proceeds of any disposition or the amount of any credit described above shall be applied *first,* to the costs and expenses reasonably incurred by Buyer in connection with or as a result of an Event of Default (including reasonable legal fees and consulting fees, accounting fees, file transfer and inventory fees, costs and expenses reasonably incurred in respect of a transfer of the servicing of the Purchased Mortgage Loans and costs and expenses reasonably incurred in connection with a disposition of the Purchased Mortgage Loans); *second,* to costs of cover and/or related hedging transactions; *third,* to the aggregate and accrued Price Differential owed hereunder, *fourth,* to the remaining aggregate Repurchase Prices owed hereunder; *fifth,* to any other accrued and unpaid obligations of Seller hereunder and under the other Transaction Documents and *sixth,* any remaining proceeds shall be paid to Seller or other Person legally entitled thereto.

(f) The Parties acknowledge and agree that:

(i) Buyer has no desire or intention to hold any of the Purchased Mortgage Loans for investment under any circumstances, and if (x) Seller fails to repurchase any Purchased Mortgage Loan when required to do so by this Agreement, whether before or after its termination, or (y) any Event of Default has occurred and is continuing, and (z) Buyer has not made an affirmative election under the circumstances then prevailing to retain such Purchased Mortgage Loan pursuant to clause (B) of Section 12(d), Buyer will sell it (i) if practicable and if the sale can be made without Buyer's having to undertake representation, warranty or other obligations that Buyer, acting in its sole discretion, considers unacceptable, to the relevant Approved Takeout Investor (if any), or (ii) by private sale to another Person in the secondary mortgage market, undertaking only such representation, warranty and other obligations, if any, to such Person as Buyer, acting in its sole discretion, considers acceptable, at the earliest reasonable opportunity and for such price as Buyer, acting in its sole discretion, determines to be the optimal price available at the time of such sale; provided that if at any time Buyer determines that the secondary market for residential mortgage loans is illiquid, disrupted or dysfunctional, Buyer may elect to postpone sales of Purchased Mortgage Loans for so long as Buyer determines that any such market conditions persist, and no such delay shall be construed to constitute or require a change in the classification of the Purchased Mortgage Loans in Buyer's hands from "held for sale" to "held for investment", and in all cases, to the maximum extent not prohibited by applicable law, their Market Value shall be the only "reasonable determinant of value" of Purchased Mortgage Loans for purposes of Section 562 of the Bankruptcy Code;

(ii) in the absence (whether because of market disruptions or for any other reason whatsoever) of a generally recognized source for secondary mortgage market prices of, or for bid or offer quotations for, any one or more Purchased Mortgage Loans at any time, whether before or after any termination of this Agreement, Buyer may determine the Market Values of such Purchased Mortgage Loans using such means, methods, averaging, weighting, calculations and assumptions as it shall determine in its sole discretion to be appropriate, and Buyer's determination shall be conclusive and binding, absent manifest error, for all purposes, it being the Parties' specific intention to include therein the purposes of Sections 559 and 562 of the Bankruptcy Code;

(iii) except to the extent, if any, contrary to market practice, in determining values of Purchased Mortgage Loans, Buyer shall include all related accrued Income available either to be transferred to a secondary market purchaser or to be retained by Buyer to reduce their Repurchase Prices; and

(iv) in determining the Market Value of any Purchased Mortgage Loans, it is reasonable for Buyer to use and rely on the Loan Purchase Detail provided by Seller pursuant to Section 3(c) without being required to check or verify the accuracy or completeness of such information.

(g) The Parties further recognize that if, under the circumstances described in clause (x) or clause (y) of Section 12(f)(i), Buyer has elected to sell Purchased Mortgage Loans, the market for Mortgage Loans may then be insufficiently liquid or dysfunctional in other respects, they agree that Buyer may elect the time and manner of liquidating any Purchased Mortgage Loan, and nothing contained herein shall obligate Buyer (i) to liquidate any Purchased Mortgage Loan immediately after Seller's failure to repurchase it when required by this Agreement, the occurrence of an Event of Default or any termination of this Agreement, or (ii) to liquidate all Purchased Mortgage Loans in the same manner or on the same day, and no exercise by Buyer of any right or remedy shall constitute a waiver of any other right or remedy. Seller shall be liable to Buyer for (i) the amount of all reasonable legal fees and other expenses reasonably incurred by Buyer in connection with or as a result of an Event of Default, (ii) damages in an amount equal to the cost (including all fees, expenses and commissions reasonably incurred) of entering into replacement transactions and entering into or terminating hedge transactions in connection with or as a result of an Event of Default and (iii) any other loss, damage, cost or expense directly arising or resulting from the occurrence of an Event of Default.

(h) To the extent permitted by applicable law, Seller shall be liable to Buyer for interest on any amount owing by Seller hereunder that Seller has failed to pay when due, from the date such amount became due and payable until such amount is (i) paid in full by or on behalf of Seller or (ii) satisfied in full by the exercise of Buyer's rights hereunder. Interest on any sum payable by Seller to Buyer under this Section 12(h) shall be at a rate equal to the greater of (x) the Pricing Rate for the relevant Transaction and (y) the Prime Rate plus [***].

(i) If an Event of Default occurs and is continuing, Buyer shall have, in addition to its rights hereunder, any rights otherwise available to it under any other agreement entered into in connection with the Transactions contemplated by this Agreement, under applicable law or in equity.

(j) Seller hereby acknowledges, admits and agrees that Seller's obligations under this Agreement are recourse obligations of Seller.

13. Servicing Rights Are Owned by Buyer; Interim Servicing of the Purchased Mortgage Loans

(a) As a condition of purchasing an Eligible Mortgage Loan, Buyer hereby engages Seller to interim service such Purchased Mortgage Loan as agent for Buyer for a term (the "**Interim Servicing Term")** commencing on the Purchase Date of such Purchased Mortgage Loan and ending on the first Remittance Date thereafter, as such term may be renewed from time to time as provided in Section 13(a)(vi), on the following terms and conditions:

(i) Seller shall interim service and temporarily administer the Purchased Mortgage Loan on behalf of Buyer in accordance with prudent mortgage loan servicing standards and procedures generally accepted in the mortgage banking industry and in accordance with all applicable requirements of the Agencies, Requirements of Law, the provisions of any applicable servicing agreement, and the requirements of any applicable Takeout Agreement and the Approved Takeout Investor, so that the eligibility of the Purchased Mortgage Loan for purchase under such Takeout Agreement is not voided or reduced by such interim servicing and temporary administration;

(ii) If any Eligible Mortgage Loan that is proposed to be sold on a Purchase Date is serviced by a servicer other than Seller or any of its Affiliates (a "**Subservicer**"), or if the interim servicing of any Purchased Mortgage Loan is to be transferred to a Subservicer, Seller shall provide a copy of the related subservicing agreement and a Subservicer Instruction Letter executed by such Subservicer (collectively, the "Subservicing Agreement") to Buyer before such Purchase Date or interim servicing transfer date, as applicable. Each such Subservicing Agreement shall be in form and substance acceptable to Buyer. In addition, Seller shall have obtained the prior written consent of Buyer for such Subservicer to subservice the Purchased Mortgage Loans, which consent may be withheld in Buyer's sole discretion. In no event shall Seller's use of a Subservicer relieve Seller of its obligations hereunder, and Seller shall remain liable under this Agreement as if Seller were interim servicing such Purchased Mortgage Loans directly. Any termination of Seller as interim servicer shall automatically terminate each Subservicer. If any Agency or Governmental Authority revokes or materially restricts any Subservicer's authority to originate, sell or service Mortgage Loans, or if any Subservicer shall fail to meet all requisite originator, seller and servicer eligibility qualifications promulgated by any Agency, Buyer may direct Seller to immediately terminate such Subservicer as a subservicer of any or all of the Purchased Mortgage Loans and Seller shall promptly cause the termination of such Subservicer as directed by Buyer.

(iii) Seller acknowledges that it has no right, title or interest in the Servicing Rights for any Purchased Mortgage Loan, and agrees that Seller may not transfer or assign any rights to master service, service, interim service, subservice or administer any Purchased Mortgage Loan before Seller's repurchase thereof from Buyer (by payment to Buyer of the Repurchase Price therefor) other than an interim servicing transfer to a Subservicer approved by Buyer pursuant to a Subservicing Agreement approved by Buyer as described above in this Section 13.

(iv) Seller shall deliver all physical and contractual servicing materials, files and records for the servicing of each Purchased Mortgage Loan, together with all of the related Servicing Records that are not already in Buyer's possession, to Buyer's designee upon the earliest of (x) the occurrence of a Default or Event of Default hereunder unless Buyer gives written notice to Seller that the Interim Servicing Term is renewed and specifying the renewal term, (y) the termination of Seller as interim servicer by Buyer pursuant to Section 13(a)(v) or (z) the expiration (and non-renewal) of the Interim Servicing Term. Seller's transfer of the Servicing Records and the physical and such contractual servicing materials, files and records under this Section 13(a)(iv) shall be in accordance with customary standards in the industry and such transfer shall include the transfer of the gross amount of all escrows held for the related mortgagors (without reduction for unreimbursed advances or "negative escrows").

(v) Buyer shall have the right to terminate Seller as interim servicer of any of the Purchased Mortgage Loans, which right shall be exercisable at any time in Buyer's sole discretion, upon written notice.

(vi) The Interim Servicing Term will be deemed renewed (when it would otherwise expire) on each Remittance Date following the second Remittance Date after the related Purchase Date for a renewal term extending to the next succeeding Remittance Date unless (i) Seller has sooner been terminated as interim servicer of all of the Purchased Mortgaged Loans pursuant to Section 13(a)(v), or (ii) an Event of Default has occurred and is continuing, in which latter event the Interim Servicing Term will expire on the earlier of (x) the termination date specified in a Buyer's notice to Seller terminating the Interim Servicing Term or (y) such Remittance Date unless Buyer gives written notice to Seller that the Interim Servicing Term is renewed and specifying the renewal term.

(vii) The Interim Servicing Term will automatically terminate and Seller shall have no further obligation to interim service such Purchased Mortgage Loan as agent for Buyer or to make the delivery of documents required under this Section 13, upon receipt by Buyer of the Repurchase Price therefor.

(viii) Buyer has no obligation to pay Seller a fee for the interim servicing obligations Seller agrees to assume hereunder, no fee or other compensation will ever accrue or be or become owing, due or payable for or on account of such interim servicing and such interim servicing rights have no monetary value.

(b) During the period Seller is interim servicing the Purchased Mortgage Loans as agent for Buyer, Seller agrees that Buyer is the owner of the related Servicing Rights, Credit Files and Servicing Records and Seller, acting as interim servicer, shall at all times maintain and safeguard, and cause any Subservicer to maintain and safeguard, the Credit File for the Purchased Mortgage Loan (including photocopies or images of the documents delivered to Buyer), and accurate and complete records of its interim servicing of the Purchased Mortgage Loan, Seller's possession of the Credit Files and Servicing Records being for the sole purpose of interim servicing such Purchased Mortgage Loans and such retention and possession by Seller being in a temporary custodial capacity only.

(c) Seller further covenants as follows:

(i) Buyer may, at any time during Seller's business hours on reasonable notice (provided that after the occurrence and during the continuance of a Default or an Event of Default, no notice shall be required), examine and make copies of all such documents and records relating to interim servicing and administration of the Purchased Mortgage Loans;

(ii) At Buyer's request, Seller shall promptly deliver to Buyer reports regarding the status of any Purchased Mortgage Loan being interim serviced by Seller, which reports shall include a description of any event that would cause the Purchased Mortgage Loan to become a Defaulted Loan or a Defective Mortgage Loan or any other circumstances that could cause a material adverse effect on such Purchased Mortgage Loan, Buyer's title to such Purchased Mortgage Loan or the collateral securing such Purchased Mortgage Loan; Seller may be required to deliver such reports until the repurchase of the Purchased Mortgage Loan by Seller;

(iii) Seller shall immediately notify Buyer if it becomes aware of any payment default that occurs under any Purchased Mortgage Loan or any default under any Subservicing Agreement that would materially and adversely affect any Purchased Mortgage Loan subject thereto; and

(iv) If, during the Post-Origination Period, any Mortgagor contacts Seller requesting a payoff quote on the related Purchased Mortgage Loan, Seller shall ensure that any payoff quote provided requires Mortgagor to wire payoff funds directly to the Funding Account and includes wiring instructions therefor.

(d) Seller shall release its custody of the contents of any Credit File and any Loan File only (i) in accordance with the written instructions of Buyer, (ii) to a Subservicer approved by Buyer, (iii) when such release is required as incidental to Seller's servicing of the Purchased Mortgage Loan, or is required to complete the Takeout Funding or comply with the Takeout Guidelines, or (iv) as required by any Requirement of Law.

(e) Buyer reserves the right to appoint a successor interim servicer, or a regular servicer, at any time to service any Purchased Mortgage Loan (each a "**Successor Servicer**") in its sole discretion. If Buyer elects to make such an appointment after the occurrence of a Default or an Event of Default, Seller shall be assessed all costs and expenses incurred by Buyer associated with transferring the physical and contractual servicing materials, files and records for the servicing of each Purchased Mortgage Loan, together with all related Servicing Records, to the Successor Servicer. In the event of such an appointment, Seller shall perform all acts and take all action so that any part of the Credit File and related Servicing Records held by Seller, together with any and all mortgagors' escrow payments held in any account and all other receipts relating to such Purchased Mortgage Loan, are promptly delivered to the Successor Servicer, and shall otherwise fully cooperate with Buyer in effectuating such transfer. Seller shall have no claim for lost interim servicing income, any termination fee, lost profits or other damages if Buyer appoints a Successor Servicer hereunder. Buyer may, in its sole discretion if an Event of Default shall have occurred and be continuing, without payment of any termination fee or any other amount to Seller or any Subservicer, sell any or all of the Purchased Mortgage Loans on a servicing released basis, at the sole cost and expense of Seller.

(f) In the event Seller is terminated as interim servicer of any Purchased Mortgage Loan, whether by expiry of the Interim Servicing Term or by any other means, Seller shall cooperate with Buyer in effecting such termination and transferring all authority to interim service such Purchased Mortgage Loan to the Successor Servicer. Without limiting the generality of the foregoing, Seller shall, in the manner and at such times as the Successor Servicer or Buyer shall reasonably request (i) promptly transfer all data in its possession relating to the applicable Purchased Mortgage Loans and other Mortgage Assets to the Successor Servicer in such electronic format as the Successor Servicer may reasonably request, (ii) promptly transfer to the Successor Servicer, Buyer or Buyer's designee all other files, records, correspondence and documents relating to the applicable Purchased Mortgage Loans and other Mortgage Assets and (iii) fully cooperate and coordinate with the Successor Servicer and/or Buyer to comply with any applicable so-called "goodbye" letter requirements, notices or other applicable requirements of the Real Estate Settlement Procedures Act or other applicable Requirements of Law applicable to the transfer of the servicing of the applicable Purchased Mortgage Loans. Seller agrees that if Seller fails to cooperate with Buyer or any Successor Servicer in effecting the termination of Seller as servicer of any Purchased Mortgage Loan or the transfer of all authority to service such Purchased Mortgage Loan to such Successor Servicer in accordance with the terms hereof, Buyer will be irreparably harmed and entitled to injunctive relief and shall not be required to post bond.

(g) Notwithstanding anything to the contrary in any Transaction Document, Seller and Buyer agree that all Servicing Rights with respect to the Purchased Mortgage Loans are being transferred hereunder to Buyer on the applicable Purchase Date, the Purchase Price for the Purchased Mortgage Loans includes full and fair consideration for such Servicing Rights and such Servicing Rights will be conclusively deemed to be transferred by Buyer to Seller upon Seller's payment of the Repurchase Price for such Purchased Mortgage Loans.

14. Single Agreement

Buyer and Seller acknowledge that, and have entered into this Agreement and will enter into each Transaction hereunder in consideration of and in reliance upon the fact that, all Transactions hereunder, together with the provisions of the Side Letter, constitute a single business and contractual relationship and have been made in consideration of each other. Accordingly, each of Buyer and Seller agrees (i) to perform all of its obligations in respect of each Transaction hereunder and its obligations under the Side Letter, and that a default in the performance of any such obligations shall constitute a default by it in respect of all Transactions hereunder, (ii) that each of them shall be entitled to set off claims and apply property held by them in respect of any Transaction against obligations owing to them in respect of any other Transactions hereunder or any obligations under the Side Letter and (iii) that payments, deliveries and other transfers made by either of them in respect of any Transaction or any agreement under the Side Letter shall be deemed to have been made in consideration of payments, deliveries and other transfers in respect of any other Transactions hereunder or any agreement under the Side Letter, and the obligations to make any such payments, deliveries and other transfers may be applied against each other and netted.

16. Fees and Expenses; Indemnity

(a) Seller will pay its own legal and accounting fees and other costs incurred in respect of this Agreement, the other Transaction Documents and this facility. Seller will promptly pay all out-of-pocket costs and expenses reasonably incurred by Buyer, including reasonable attorneys' fees, in connection with (i) preparation, negotiation, and documentation of this Agreement and the other Transaction Documents, (ii) administration of this Agreement and the other Transaction Documents and any amendment or waiver thereto and purchase and resale of Mortgage Loans by Buyer hereunder, (iii) protection of the Purchased Mortgage Loans (including all costs of filing or recording any assignments, financing statements, amendments and other documents), (iv) performance of due diligence and audits in respect of Mortgage Loans purchased or proposed for purchase hereunder and Seller's and any Guarantor's business and finances, by Buyer or any agent of Buyer, conducted before and after the date hereof, (v) enforcement of Buyer's rights hereunder and under any other Transaction Document (including costs and expenses suffered or incurred by Buyer in connection with any Act of Insolvency related to Seller or any Guarantor, appeals and any anticipated post-judgment collection services), (vi) entering into replacement transactions and entering into or terminating hedge transactions in connection with or as a result of an Event of Default, including all fees, expenses and commissions reasonably incurred, and (vii) any cost or expense reasonably incurred, directly or arising or resulting from the occurrence of an Event of Default.

(b) In addition to its other rights hereunder, Seller shall indemnify Buyer and Buyer's Affiliates and Subsidiaries and their respective directors, officers, agents, advisors and employees (each, an "**Indemnified Party"** and collectively, the "**Indemnified Parties")** against, and hold Buyer and each of them harmless from, any losses, liabilities, damages, claims, costs and expenses (including reasonable attorneys' fees and disbursements) suffered or incurred by any Indemnified Party ("**Losses**") relating to or arising out of this Agreement, any other Transaction Document or any other related document, or any transaction contemplated hereby or thereby or any use or proposed use of proceeds thereof and amendment or waiver thereof, or any breach by Seller, any Guarantor or any Subservicer engaged by Seller of any covenant, representation or warranty contained in any of such documents, or arising out of, resulting from,

or in any manner connected with, the purchase by Buyer of any Mortgage Loan or the servicing of any Purchased Mortgage Loans by Seller or any Subservicer; provided that Seller shall not be required to indemnify any Indemnified Party to the extent such Losses result from the gross negligence or willful misconduct of such Indemnified Party. The provisions of this Section 16 shall survive the termination of this Agreement.

17. Shipment to Approved Takeout Investor; Trust Release Letters

(a) Shipping Instructions. If Seller desires that Buyer send a Mortgage Note and the related Mortgage to an Approved Takeout Investor, rather than to Seller directly, in connection with Seller's repurchase of the related Purchased Mortgage Loan, then Seller shall prepare and send to Buyer Shipping Instructions to instruct Buyer when and how to send such Mortgage Note and related Mortgage to such Approved Takeout Investor or its designee. Buyer shall use its best efforts to send each Mortgage Note and related Mortgage on or before the date specified for shipment in the Shipping Instructions in accordance with the cutoff times specified in the "Chase Mortgage Warehouse Finance Customer Reference Guide" provided by Buyer to Seller, or otherwise specified by Buyer to Seller in writing from time to time. If Seller instructs Buyer to send a Mortgage Note and related Mortgage before the Repurchase Date, Buyer will send the Mortgage Note and related Mortgage under a Bailee Letter. If Seller does not provide Buyer with Shipping Instructions with respect to a Mortgage Loan, Buyer shall send the Mortgage Note and related Mortgage to Seller at such time as Buyer receives the Repurchase Price therefor.

(b) Trust Release Letters. If Seller believes that a Mortgage Note or other document in a Loan File contains one or more errors or omissions that are correctable and the correction of which is necessary to facilitate the purchase or enforceability of that Mortgage Loan, then Seller may deliver a Trust Release Letter to Buyer to request the release of the Mortgage Note or other document in the Loan File to Seller for the purpose of making that correction. If Buyer, in its sole discretion, deems the reason stated by Seller in the Trust Release Letter to be sufficient to warrant return of the Mortgage Note or such other document to Seller for correction, then Buyer will deliver the Mortgage Note or such other document to Seller at its earliest convenience. Seller shall return to Buyer the corrected Mortgage Note or other document provided by no later than the fifth (5th) Business Day after the date of the related Trust Release Letter. Whenever the Mortgage Note for any Purchased Mortgage Loan or any other document from the related Loan File is in the possession of Seller pursuant to a Trust Release Letter or otherwise, Seller shall hold such Mortgage Note or other document in trust for the benefit of Buyer. At no time shall the aggregate original Outstanding Principal Balance of all Mortgage Notes released, or from whose Loan Files any other documents are so released, to Seller pursuant to this Section 17(b) exceed [***].

18. Buyer as Attorney-in-Fact

Buyer is hereby appointed the attorney-in-fact of Seller for the purpose of carrying out the provisions of this Agreement and taking any action and executing any instruments that Buyer may, in good faith, deem necessary or advisable to accomplish the purposes hereof, including (i) receiving, endorsing and collecting all checks made payable to the order of Seller representing any Income on any of the Purchased Mortgage Loans and giving full discharge for the same, (ii) perfecting and continuing the Lien granted by this Agreement and (iii) protecting, preserving and

realizing on the Mortgage Assets. Buyer agrees to not exercise the power granted by this Section 18 unless an Event of Default has occurred and is continuing; provided that Buyer may (i) add and amend endorsements in Seller's name of Mortgage Notes either in blank or to any Approved Takeout Investor or its designee, cancel endorsements and re-endorse Mortgage Notes in Seller's name and (ii) take such actions as it deems in good faith to be necessary or appropriate to accomplish the purposes hereof, to perfect and continue the Lien granted hereby and to protect and preserve the Mortgage Assets, at any time before or after any Event of Default shall have occurred. This appointment of Buyer as attorney-in-fact is coupled with an interest and irrevocable.

(c) Amounts received after 4:00 p.m., Houston, Texas time, on any Business Day shall be deemed to have been paid and received on the next succeeding Business Day.

20. Entire Agreement; Severability

This Agreement, as supplemented by the Side Letter, supersedes any existing agreements between the Parties containing terms and conditions for repurchase transactions. Each provision and agreement of this Agreement and the other Transaction Documents shall be treated as separate and independent from any other provision or agreement of this Agreement and the other Transaction Documents and shall be enforceable notwithstanding the unenforceability of any of such other provisions or agreements. Without limiting the generality of the foregoing, if any phrase or clause of any Transaction Document would render any provision or agreement of that (or any other) Transaction Document unenforceable, such phrase or clause shall be disregarded and deemed deleted, and such provision or agreement shall be enforced as fully as if the offending phrase or clause had never appeared.

21. Assignments; Termination

(a) The rights and obligations of Seller under this Agreement and under any Transaction shall not be assigned by Seller without the prior written consent of Buyer and any such assignment without the prior written consent of Buyer shall be null and void.

(b) Buyer may assign all or any portion of its rights, obligations and interest under this Agreement and in the Mortgage Assets at any time without the consent of any Person, provided that any such assignment, other than an assignment to an Affiliate of Buyer, is subject to the prior written consent of Seller so long as an Event of Default or Default has not occurred and is not continuing. Any such assignment shall be in a minimum amount of at least [***] unless otherwise consented to by Seller; provided that Seller's consent shall not be required if an Event of Default or Default has occurred and is continuing. Resales of Purchased Mortgage Loans by Buyer (subject to (i) Seller's right to repurchase the Purchased Mortgage Loans before termination of this Agreement or Buyer's liquidation of the Purchased Mortgage Loans pursuant to Section 12 and (ii) Buyer's obligation to deliver the same to Seller or its designee upon receipt of the Repurchase Price therefor) in accordance with applicable law, shall be permitted without restriction. Buyer may sell participation interests in all or any portion of its rights, obligations and interest under this Agreement and in the Mortgage Assets to any Person at any time without the consent of any Person. In addition to, and notwithstanding any provision to the contrary in, the foregoing, Buyer may assign its rights to enforce this Agreement as to any Mortgage Loan to any Person that subsequently purchases such Mortgage Loan from Buyer or provides financing to Buyer with respect to such Mortgage Loan.

(c) In addition to the foregoing, Buyer may, at any time in its sole discretion, pledge or grant a Lien in all or any portion of its rights under this Agreement (including any rights to Mortgage Assets and any rights to payment of the Repurchase Price) to secure obligations to a Federal Reserve Bank or Federal Home Loan Bank, without notice to or consent of Seller; provided that no such pledge or grant of a security interest would release Buyer from any of its obligations under this Agreement, or substitute any such pledgee or grantee for Buyer as a party to this Agreement.

(d) Subject to the foregoing, this Agreement and any Transactions shall bind and benefit the Parties and their respective successors and assigns.

(e) Notwithstanding any of the foregoing provisions of this Section 21, Buyer shall not be precluded from assigning, charging or otherwise dealing with all or any part of its interest in any sum payable to it under Section 12.

(f) This Agreement and all Transactions outstanding hereunder shall terminate automatically without any requirement for notice on the date occurring on or after the Termination Date on which all Repurchase Prices and all other obligations of Seller under the Transaction Documents have been paid in full.

22. Counterparts; Signatures

(a) This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract.

(b) Delivery of an executed counterpart of a signature page of this Agreement or any other Transaction Document by telecopy, emailed pdf or any other electronic means that reproduces an image of the actual executed signature page shall be effective as delivery of a manually executed counterpart of this Agreement. The words "execution", "signed", "signature", "delivery" and words of like import in or relating to any document to be signed in connection with this Agreement and the transactions contemplated hereby shall be deemed to include electronic signatures, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act and any other similar state laws based on the Uniform Electronic Transactions Act; provided that nothing herein shall require Buyer to accept electronic signatures in any form or format without its prior written consent.

23. Governing Law; Consent to Jurisdiction

(a) This Agreement shall be governed by and construed in accordance with the internal laws of the State of New York, but giving effect to federal law applicable to national banks.

(b) Seller hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of the United States District Court for the Southern District Of New York and of any New York state court sitting in the City of New York for purposes of all legal proceedings arising out of or relating to this Agreement or the Transactions contemplated hereby, or for recognition or enforcement of any judgment, and each Party hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may (and any such claims, cross-claims or third party claims brought against Buyer may only) be heard and determined in such state court or, to the extent permitted by law, in such federal court. Seller hereby irrevocably waives, to the fullest extent it may effectively do so, any objection that it may now or hereafter have to the laying of the venue of any such proceeding brought in such a court and any claim that any such proceeding brought in such a court has been brought in an inconvenient forum. Nothing in this Section 23 shall affect the right of Buyer to bring any action or proceeding against Seller or its Property in the courts of other jurisdictions. Each Party agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Each Party consents to the service of any and all process in any such action or proceeding by the mailing of copies of such process to it at its address for notices hereunder specified in Section 15.

24. WAIVER OF JURY TRIAL

EACH PARTY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, ANY OTHER TRANSACTION DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY (A) CERTIFIES THAT NO REPRESENTATIVE OR OTHER AGENT (INCLUDING ANY ATTORNEY) OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 24.

25. No Waivers, Etc.

No express or implied waiver of any Event of Default by Buyer shall constitute a waiver of any other Event of Default and no exercise of any remedy hereunder by Buyer shall constitute a waiver of its right to exercise any other remedy hereunder. No modification or waiver of any provision of this Agreement and no consent by any Party to a departure herefrom shall be effective unless and until such shall be in writing and duly executed by both of the Parties hereto. Without limitation on any of the foregoing, the failure to give a notice pursuant to Section 4(a) will not constitute a waiver of any right to do so at a later date.

26. Use of Employee Plan Assets

(a) If assets of an employee benefit plan subject to any provision of ERISA are intended to be used by Seller in a Transaction, Seller shall so notify Buyer before the Transaction. Seller shall represent in writing to Buyer that the Transaction does not constitute a prohibited transaction under ERISA or is otherwise exempt therefrom, and Buyer may proceed in reliance thereon but shall not be required so to proceed.

(b) Subject to the last sentence of Section 26(a), any such Transaction shall proceed only if Seller furnishes or has furnished to Buyer its most recent available audited statement of its financial condition and its most recent subsequent unaudited statement of its financial condition.

(c) By entering into a Transaction pursuant to this Section 26, Seller shall be deemed (i) to represent to Buyer that since the date of Seller's latest such financial statements, there has been no material adverse change in Seller's financial condition that Seller has not disclosed to Buyer, and (ii) to agree to provide Buyer with future audited and unaudited statements of its financial condition as they are issued, so long as any such Transaction is outstanding.

27. Intent

(a) The Parties intend and acknowledge that each Transaction is a "repurchase agreement" as that term is defined in Section 101 of the Bankruptcy Code, and a "securities contract" as that term is defined in Section 741 of the Bankruptcy Code. Seller hereby agrees that it shall not challenge the characterization of this Agreement as a "repurchase agreement" as that term is defined in Section 101 of the Bankruptcy Code, or as a "securities contract" as that term is defined in Section 741 of the Bankruptcy Code in any dispute or proceeding.

(b) It is understood that either Party's right to accelerate or terminate this Agreement or to liquidate Mortgage Loans delivered to it in connection with Transactions hereunder, or to exercise any other remedies pursuant to Section 12, is a contractual right to accelerate, terminate or liquidate this Agreement or such Transaction as described in Sections 555 and 559 of the Bankruptcy Code.

(c) The Parties agree and acknowledge that if a Party hereto is an "insured depository institution," as such term is defined in the FDIA each Transaction hereunder is a "qualified financial contract," as that term is defined in FDIA and any rules, orders or policy statements thereunder (except insofar as the type of assets subject to such Transaction would render such definition inapplicable).

(d) It is understood that this Agreement constitutes a "netting contract" as defined in and subject to Title IV of the FDICIA and each payment entitlement and payment obligation under any Transaction hereunder shall constitute a "covered contractual payment entitlement" or "covered contractual payment obligation", respectively, as defined in and subject to FDICIA (except insofar as one or both of the Parties is not a "financial institution" as that term is defined in FDICIA).

(e) It is understood and agreed that this Agreement constitutes a "master netting agreement" as that term is defined in Section 101 of the Bankruptcy Code, and that either Party's right to cause the termination, liquidation, or acceleration of, or to offset net termination values, payment amounts or other transfer obligations arising under or in connection with, this Agreement or any Transaction is a contractual right to cause the termination, liquidation, or acceleration of, or to offset net termination values, payment amounts or other transfer obligations arising under or in connection with, this Agreement or any Transaction as described in Section 561 of the Bankruptcy Code.

28. Disclosure Relating to Certain Federal Protections

The Parties acknowledge that they have been advised that:

(a) in the case of Transactions in which one of the Parties is a broker or dealer registered with the Securities and Exchange Commission ("**SEC**") under Section 15 of the Securities Exchange Act of 1934 ("**1934 Act**"), the Securities Investor Protection Corporation has taken the position that the provisions of the Securities Investor Protection Act of 1970 ("**SIPA**") do not protect the other Party with respect to any Transaction hereunder;

(b) in the case of Transactions in which one of the Parties is a government securities broker or a government securities dealer registered with the SEC under Section 15C of the 1934 Act, SIPA will not provide protection to the other Party with respect to any Transaction hereunder; and

(c) in the case of Transactions in which one of the Parties is a financial institution, funds held by the financial institution pursuant to a Transaction hereunder other than funds on deposit in an Account are not a deposit and therefore are not insured by either the FDIC or the National Credit Union Share Insurance Fund.

29. Confidentiality

(a) Confidential Terms. The Parties hereby acknowledge and agree that all written or computer-readable information provided by one Party to any other regarding the terms set forth in any of the Transaction Documents or the Transactions contemplated thereby (the "**Confidential Terms**") shall be kept confidential and shall not be divulged to any Person (other than Affiliates and Subsidiaries thereof) without the prior written consent of such other Party except to the extent that (i) such Person is an Affiliate, Subsidiary, division, or parent holding company of a Party or a director, officer, employee or agent (including an accountant, legal counsel and other advisor) of a Party or such Affiliate, division or parent holding company, (ii) in such Party's opinion it is necessary to do so in working with legal counsel, auditors, taxing authorities or other governmental agencies or regulatory bodies (including any self-regulatory authority, such as the National Association of Insurance Commissioners) or in order to comply with any applicable federal or state laws or regulations, (iii) any of the Confidential Terms are in the public domain other than due to a breach of this covenant, (iv) in the event of a Default or an Event of Default Buyer reasonably determines such information to be necessary or desirable to disclose in connection with the marketing and sales of the Purchased Mortgage Loans or otherwise to enforce or exercise Buyer's rights hereunder, or (v) to the extent Buyer deems necessary or appropriate, in connection with an assignment or participation under Section 21 or in connection with any hedging transaction related to Purchased Mortgage Loans. Notwithstanding the foregoing or anything to the contrary contained herein or in any other Transaction Document, the Parties may disclose to any and all Persons, without limitation of any kind, the U.S. federal, state and local tax treatment of the Transactions, any fact that may be relevant to understanding the U.S. federal, state and local tax treatment of the Transactions, and all materials of any kind (including opinions or other tax analyses) relating to such U.S. federal, state and local tax treatment and that may be relevant to understanding such tax treatment, and the Parties may disclose information pertaining to this Agreement routinely provided by arrangers to data service providers, including league table providers, that serve the financing industry; provided that Seller may not disclose (except as provided in clauses (i) through (iii) of this Section 29(a)) the name of or identifying information with respect to Buyer or any pricing terms (including the Pricing Rate, Facility Fee or other fee, Purchase Price percentage and Purchase Price) or other nonpublic business or financial information (including any sublimits and financial covenants) that is unrelated to the U.S. federal, state and local tax treatment of the Transactions and is not relevant to understanding the U.S. federal, state and local tax treatment of the Transactions, without the prior written consent of Buyer. Any Person required to maintain the confidentiality of Confidential Terms as provided in this Section 29(a) shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care

to maintain the confidentiality of such Confidential Terms as such Person would accord to its own confidential information. The provisions set forth in this Section 29(a) shall survive the termination of this Agreement for a period of one (1) year following such termination.

(b) Privacy of Customer Information.

(i) Seller's Customer Information in the possession of Buyer, other than information independently obtained by Buyer and not derived in any manner from or using information obtained under or in connection with this Agreement, is and shall remain confidential and proprietary information of Seller. Except in accordance with this Section 29(b), Buyer shall not use any Seller's Customer Information for any purpose, including the marketing of products or services to, or the solicitation of business from, Customers, or disclose any Seller's Customer Information to any Person, including any of Buyer's employees, agents or contractors or any third party not affiliated with Buyer. Buyer may use or disclose Seller's Customer Information only to the extent necessary (1) for examination and audit of Buyer's activities, books and records by Buyer's regulatory authorities, (2) to protect or exercise Buyer's rights and privileges or (3) to carry out Buyer's express obligations under this Agreement and the other Transaction Documents (including providing Seller's Customer Information to Approved Takeout Investors), and for no other purpose; provided that Buyer may also use and disclose Seller's Customer Information as expressly permitted by Seller in writing, to the extent that such express permission is in accordance with the Privacy Requirements. Buyer shall take commercially reasonable steps to ensure that each Person to which Buyer intends to disclose Seller's Customer Information, before any such disclosure of information, agrees to keep confidential any such Seller's Customer Information and to use or disclose such Seller's Customer Information only to the extent necessary to protect or exercise Buyer's rights and privileges, or to carry out Buyer's express obligations, under this Agreement and the other Transaction Documents (including providing Seller's Customer Information to Approved Takeout Investors). Buyer agrees to maintain an information security program and to assess, manage and control risks relating to the security and confidentiality of Seller's Customer Information pursuant to such program in the same manner as Buyer does in respect of its own customers' information, and shall implement the standards relating to such risks in the manner set forth in the Interagency Guidelines Establishing Standards for Safeguarding Company Customer Information set forth in 12 CFR Parts 30, 168, 170, 208, 211, 225, 263, 308 and 364. Without limiting the scope of the foregoing sentence, Buyer shall use at least the same physical and other security measures to protect all of Seller's Customer Information in its possession or control as it uses for its own customers' confidential and proprietary information.

(ii) Seller shall indemnify the Indemnified Parties against, and hold each of them harmless from, any losses, liabilities, damages, claims, costs and expenses (including reasonable attorneys' fees and disbursements) suffered or incurred by any Indemnified Party relating to or arising out of Seller's loss, improper disclosure or misuse of any Seller's Customer Information.

30. Setoff

Except to the extent specifically permitted herein, Seller hereby irrevocably and unconditionally waives all right to setoff that it may have under contract (including this

Agreement), applicable law, in equity or otherwise with respect to any funds or monies of Buyer (or any disclosed principal for which Buyer is acting as agent) at any time held by or in the possession of Seller.

Seller agrees that Buyer may set off any funds or monies of Seller at any time held by or in the possession of Buyer in connection with this Agreement or any other Transaction Document or otherwise, against any amounts Seller owes to Buyer, or against any amounts Seller owes to any other Indemnified Party, pursuant to the terms of this Agreement or any other Transaction Document.

31. WAIVER OF SPECIAL DAMAGES.

SELLER WAIVES, TO THE MAXIMUM EXTENT NOT PROHIBITED BY LAW, ANY RIGHT SELLER MAY HAVE TO CLAIM OR RECOVER FROM BUYER IN ANY LEGAL ACTION OR PROCEEDING ANY SPECIAL, EXEMPLARY, PUNITIVE OR CONSEQUENTIAL DAMAGES.

32. USA PATRIOT ACT NOTIFICATION.

The following notification is provided to Seller pursuant to Section 326 of the USA Patriot Act of 2001, 31 U.S.C. Section 5318:

IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT. To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify, and record information that identifies each person or entity that opens an account, including any deposit account, treasury management account, loan, other extension of credit, or other financial services product. What this means for Seller: When Seller opens an account, if Seller is an individual, Buyer will ask for Seller's name, taxpayer identification number, residential address, date of birth, and other information that will allow Buyer to identify Seller, and if Seller is not an individual, Buyer will ask for Seller's name, taxpayer identification number, business address, and other information that will allow Buyer to identify Seller. Buyer may also ask, if Seller is an individual, to see Seller's driver's license or other identifying documents, and if Seller is not an individual to see Seller's legal organizational documents or other identifying documents.

33. No Fiduciary Duty, etc.

(a) Seller acknowledges and agrees, and acknowledges its Subsidiaries' understanding, that Buyer will not have any obligations except those obligations expressly set forth in this Agreement and the other Transaction Documents and Buyer is acting solely in the capacity of an arm's-length contractual counterparty to Seller with respect to the Transaction Documents and the Transactions and not as a financial advisor or a fiduciary to, or an agent of, Seller or any other Person. Seller agrees that it will not assert any claim against Buyer based on an alleged breach of fiduciary duty by such Person in connection with this Agreement and the Transactions.

Additionally, Seller acknowledges and agrees that Buyer is not advising Seller as to any legal, tax, investment, accounting, regulatory or any other matters in any jurisdiction. Seller will consult with its own advisors concerning such matters and shall be responsible for making its own independent investigation and appraisal of the Transactions, and Buyer shall have no responsibility or liability to Seller with respect thereto.

(b) Seller further acknowledges and agrees, and acknowledges its Subsidiaries' understanding, that Buyer is a full service banking or securities firm engaged in securities trading and brokerage activities as well as providing investment banking and other financial services. In the ordinary course of business, Buyer may provide investment banking and other financial services to, and/or acquire, hold or sell, for its own accounts and the accounts of customers, equity, debt and other securities and financial instruments (including bank loans and other obligations) of, Seller and other companies with which Seller may have commercial or other relationships. With respect to any securities and/or financial instruments so held by Buyer or any of its customers, all rights in respect of such securities and financial instruments, including any voting rights, will be exercised by the holder of the rights, in its sole discretion.

(c) In addition, Seller acknowledges and agrees, and acknowledges its Subsidiaries' understanding, that Buyer and its Affiliates may be providing debt financing, equity capital or other services (including financial advisory services) to other companies in respect of which Seller may have conflicting interests regarding the Transactions and otherwise. Buyer will not use confidential information obtained from Seller by virtue of the Transactions or its other relationships with Seller in connection with the performance by Buyer of services for other companies, and Buyer will not furnish any such information to other companies. Seller also acknowledges that Buyer and Lenders have no obligation to use in connection with the transactions contemplated by the Transaction Documents, or to furnish to Seller, confidential information obtained from other companies.

34. Amendment and Restatement of Prior MRA.

This Agreement amends and restates in its entirety the Prior MRA effective as of the date hereof, subject to the satisfaction of the conditions precedent set forth in Section 7(a), shall have the effect of a substitution of terms of the Prior MRA, but this Agreement will not have the effect of causing a novation or repayment of the obligations under the Prior MRA or a termination or extinguishment of the Liens granted under the Prior MRA, but instead such obligations shall remain outstanding and repayable pursuant to the terms of this Agreement and such Liens shall remain attached, enforceable and perfected securing such obligations and all additional payment and performance obligations of Seller arising under this Agreement and the other Transaction Documents. Upon this Agreement becoming effective, all agreements, documents and instruments executed in connection with the Prior MRA shall be terminated; provided that the UCC financing statements filed in respect of the Liens granted to Buyer under the Prior MRA and any rights of Buyer under any provision of any such agreement, document or instrument that by its terms is stated to survive termination shall continue in effect.

Seller authorizes Buyer to amend and continue the UCC financing statements filed in connection with the Prior MRA from time to time in any manner deemed desirable or reasonably

necessary by Buyer, in its sole discretion, to maintain the perfection and priority of such Liens granted under the Prior MRA.

SECOND AMENDMENT TO SIDE LETTER

February 21, 2020

Guild Mortgage Company
5898 Copley Drive, Suite 400 & 500
San Diego, CA 92111

Re: First Amended and Restated Master Repurchase Agreement dated as of December 14, 2018 between JPMorgan Chase Bank, N.A., as Buyer, and Guild Mortgage Company, as Seller and the related Side Letter of even date therewith

Ladies and Gentlemen:

This letter (this "Second Amendment to Side Letter") amends (for the second time) the Side Letter dated December 14, 2018 (the "Original Side Letter" and, as amended by the First Amendment to Side Letter dated December 13, 2019, the "Amended Side Letter") between the Parties.

Capitalized terms defined in the Agreement or in the Amended Side Letter and used, but not defined differently, in this Second Amendment to Side Letter, have the same meanings here as there.

Concurrently herewith, the Parties are amending the Agreement by the Third Amendment to Amended and Restated Master Repurchase Agreement (the "Third Amendment to A&R MRA"), to extend the Termination Date, add Low FICO Government Loans as Eligible Mortgage Loans, transfer the obligation to comply with most financial covenants from Seller to Guarantor, and appropriately adjust the Compliance Certificate attached as Exhibit C [Omitted pursuant to Item 601(a)(5) of Regulation S-K] to the Amended and Restated Master Repurchase Agreement. The Parties have also agreed to further amend the Amended Side Letter to reduce the Facility Amount, amend the Pricing Rate, replace the Facility Fee with a Commitment Fee, amend the Package and Funding Fee, amend which party is responsible for the payment of the Fraud Detection Fee, revise Section 8 pertaining to changes in the Facility Amount and calculation of fees, and they hereby amend the Amended Side Letter as follows:

1. Commitment. The caption and text of Section 1 of the Amended Side Letter are amended to read as follows:

1. Committed Facility Amount and Uncommitted Facility Amount.

Subject to the terms and conditions set forth in the Agreement, Buyer (i) agrees and is committed to enter into Transactions from time to time under the Agreement, as supplemented by this Side Letter, with respect to Eligible Mortgage Loans having a maximum aggregate Purchase Price outstanding at any one time of [***]

[***] from the date hereof through the Termination Date (such applicable maximum amount, the "Committed Facility Amount"), and (ii) agrees to consider engaging, on an uncommitted and wholly discretionary basis, in additional Transactions from time to time on or before the Termination Date and when the Committed Facility Amount is fully funded and outstanding, of up to a maximum aggregate Purchase Price outstanding at any one time of [***] during the period from the date hereof through the Termination Date (such applicable maximum uncommitted amount, the "Uncommitted Facility Amount", and the [***] sum of the Committed Facility Amount and the Uncommitted Facility Amount being the amount referred to in the Repurchase Agreement and this Side Letter as the "Facility Amount").

The Parties agree (1) that:

(x) notwithstanding the provisions of Section 7(b)(xii) of the Agreement, Buyer may from time to time electively enter into one or more Transactions with Seller; or

(y) another event may occur, or other circumstances may exist;

after which the Aggregate Purchase Price shall be greater than the Facility Amount, and (2) that notwithstanding the occurrence or existence of any such event or circumstances, every Transaction shall be and remain fully subject to all of the other terms and conditions of the Agreement and all other related Transaction Documents and entitled to all benefits thereof.

At the time of any reduction in the Facility Amount, whether pursuant to a letter agreement decreasing the Facility Amount or because the time limit for any increase in the Facility Amount shall have expired, Seller shall be obligated, without notice or demand, to make a cash payment to Buyer in an amount equal to the excess of the Aggregate Purchase Price then funded and outstanding over the reduced Facility Amount, to be applied by Buyer to reduce the Repurchase Prices of Purchased Mortgage Loans that are then subject to outstanding Transactions. In addition, the Parties may agree to increase or decrease the Committed Facility Amount, the Uncommitted Facility Amount or both to any amount from time to time in the future by executing a letter agreement stating the new Committed Facility Amount and/or the new Uncommitted Facility Amount and the period of time that it will be in effect. If the Facility Amount is so increased at any time or times, it shall be a condition precedent to each such increase's becoming effective that the Seller first increase the deposit balance in the Cash Pledge Account to the Required Amount (determined in accordance with Section 5(b) of the Agreement) for such increased Facility Amount. No Guaranty shall be reduced, limited, canceled, terminated or impaired in any way by any such future change in the Committed Facility Amount, the Uncommitted Facility Amount or both, whether or not the Guarantor concurrently executes a confirmation of the Guaranty.

3. Pricing Rate. Section 3 of the Amended Side Letter is amended to read as follows:

3. Pricing Rate.

For purposes of the Agreement and all other Transaction Documents, "Pricing Rate" for any day means:

(a) for any Aged Loan, the per annum percentage rate equal to the sum of the Adjusted LIBO Rate for such day plus [***]; and

(b) for any other Eligible Mortgage Loan, the per annum percentage rate equal to the sum of the Adjusted LIBO Rate for such day plus [***];

provided that for each day on which the outstanding aggregate Purchase Price exceeds [***], the respective Pricing Rates to be applied to the outstanding Purchase Prices of such Purchased Mortgage Loans as Buyer shall determine in its sole discretion comprise such excess (for the purpose of calculating the Price Differential on such excess) shall each be reduced by [***] per annum; provided further that if Buyer, acting in its sole discretion, shall elect from time to time to give Seller a notice specifying a lower Pricing Rate (or Pricing Rates) for a specified time period, such lower Pricing Rate(s) specified in such notice shall be applicable for the time period specified in such notice; and provided further that at any time after the occurrence and during the continuance of an Event of Default, the Pricing Rate for any Purchased Mortgage Loan shall be the greater of (i) the applicable rate set forth in clause (a) or (b) above for such Purchased Mortgage Loan and (ii) [***] plus the Prime Rate.

As used herein, the following terms have the following meanings:

"Adjusted LIBO Rate" means, for any day, an interest rate per annum equal to (x) the LIBO Rate or the Successor Rate, as applicable, on such day multiplied by (y) the Statutory Reserve Rate on such day.

"LIBO Rate" means, for any day, the rate appearing on the Bloomberg Screen US0001M <Index> page (or on any successor or substitute page of such service, or any successor to or substitute for such service, providing rate quotations comparable to those currently provided on such page of such service, as determined by Buyer from time to time for purposes of providing quotations of interest rates applicable to U.S. dollar deposits in the London interbank market) at approximately 11:00 a.m., London time, on that day, as the rate for delivery on that day of one (1) month U.S. dollar deposits in an amount comparable to the Aggregate Purchase Price outstanding on that day; provided that if such rate is less than zero, such rate shall be deemed to be zero for purposes of this Side Letter and the Agreement. In the event that such rate quotation is not available at such time for any reason other than a reason specified or described in clause (a), (b) or (c) of the last grammatical paragraph of this Section 3, then the LIBO Rate for the relevant day shall be the rate at which one (1) month U.S. dollar deposits in an amount comparable to the Aggregate Purchase Price outstanding on that day are offered by Buyer's principal London

office in immediately available funds in the London interbank market at approximately 11:00 a.m. London time on that day.

"Statutory Reserve Rate" means, for any day, a fraction (expressed as a decimal), the numerator of which is the number one and the denominator of which is the number one minus the aggregate of the maximum reserve percentages (including any marginal, special, emergency or supplemental reserves) expressed as a decimal established by the Board of Governors of the Federal Reserve System to which Buyer is subject, with respect to the Adjusted LIBO Rate, for Eurocurrency funding (currently referred to as "Eurocurrency Liabilities" in Regulation D of the Board) as of such day. Such reserve percentages shall include those imposed pursuant to such Regulation D. Transactions shall be deemed to constitute Eurocurrency funding and to be subject to such reserve requirements without benefit of or credit for proration, exemptions or offsets that may be available from time to time under such Regulation D or any comparable regulation. The Statutory Reserve Rate shall be adjusted automatically on and as of the effective date of any change in any reserve percentage.

"Successor Rate Conforming Changes" mean, with respect to any proposed Successor Rate, any spread adjustments or other conforming changes to the timing and frequency of determining rates and making payments of interest and other administrative matters as may be appropriate, in the good faith discretion of Buyer, to reflect the adoption of such Successor Rate and to permit administration thereof by Buyer in a manner substantially consistent with market practice.

If prior to any Remittance Date, Buyer determines in its good faith discretion that (a) by reason of circumstances affecting the relevant market, adequate and reasonable means do not exist for ascertaining the LIBO Rate, (b) the LIBO Rate is no longer in existence or (c) the administrator of the LIBO Rate or a Governmental Authority having jurisdiction over Buyer has made a public statement identifying a specific date after which the LIBO Rate shall no longer be made available or used for determining the interest rate of loans (any of the immediately preceding clauses, a "LIBOR Unavailability Event"), Buyer shall give prompt notice thereof to Seller (such notice, the "Scheduled Unavailability Notice"), that the greater of (x) an alternative benchmark rate (including any mathematical or other adjustments to the benchmark rate (if any) incorporated therein) and (y) zero (any such rate, a "Successor Rate"), together with any proposed Successor Rate Conforming Changes, shall be implemented and shall take effect on the ninety-first (91st) day after the date of the Scheduled Unavailability Notice (such effective date, the "Successor Rate Effective Date"); provided that in the event that Buyer is in good faith unable to comply with such contemplated ninety (90) day prior notice requirement due to an unexpected or premature occurrence of a LIBOR Unavailability Event, then Buyer shall provide the Scheduled Unavailability Notice as soon as commercially possible prior to the date on which such LIBOR Unavailability Event is expected to occur, and the date specified in the Scheduled Unavailability Notice as the expected date of such LIBOR Unavailability Event shall constitute the Successor Rate Effective Date. Any Successor Rate and corresponding Successor Rate Conforming Change shall be determined by Buyer in its reasonable

discretion. Any such determination of the Successor Rate shall be made by Buyer in a manner substantially consistent with market practice with respect to similarly situated counterparties with substantially similar assets in similar facilities.

5. Facility Fee. The caption and text of Section 5 of the Amended Side Letter are amended to read as follows:

5. Commitment Fee.

Seller shall pay to Buyer an amount (the "Commitment Fee") equal to [***] per annum of the Committed Facility Amount, due and payable in quarterly installments in advance. The first installment is due on or before February 21, 2020, the effective date of the Third Amendment. Subsequent installments are due and payable on the first Remittance Date after the end of each successive three-month period after February 21, 2020. Commitment Fee payments are fully earned when due and are not refundable in whole or in part for any reason whatsoever.

6. Package and Funding Fee. The caption and text of Section 6 of the Amended Side Letter are amended to read as follows:

6. Package and Funding Fee.

Seller shall pay to Buyer an amount (the "Package and Funding Fee") equal to [***] plus Buyer's standard wire transfer and shipping fees, as applicable, for each Purchased Mortgage Loan on the next Remittance Date following the applicable Purchase Date Package and Funding Fees are not refundable in whole or in part for any reason whatsoever.

7. Fraud Detection Fee. The caption and text of Section 7 of the Amended Side Letter are amended to read as follows:

7. Fraud Detection Fee.

During each fiscal quarter, Buyer shall have the right to require fraud reports by a third-party mortgage fraud detection service for as many as [***] randomly selected Mortgage Loans from those sold or proposed to be sold to Buyer during that quarter, at a cost of [***] per Purchased Loan for a maximum fee of [***] per fiscal quarter, and Buyer will pay such fee. In addition, on a loan-by-loan basis, as a condition precedent to agreeing to purchase any Mortgage Loan proposed to be sold to Buyer, Buyer may request that a fraud report in respect of such Mortgage Loan be provided by a third-party mortgage fraud detection service. If Seller agrees to pay the [***] cost of such fraud report, then Buyer will order it. If Seller affirmatively declines any such request, Buyer will not order such fraud report and will not purchase such Mortgage Loan.

8 . Change in Facility Amount; Calculation of Fees. The caption and text of Section 8 of the Amended Side Letter are amended to read as follows:

8. Change in Facility Amount; Calculation of Fees.

(a) If the Agreement is amended pursuant to its terms so as to increase or decrease the Facility Amount, all calculations of fees under this Side Letter that are based on the Facility Amount shall be adjusted accordingly as of the date such amendment becomes effective.

(b) Buyer shall calculate the amounts of the Pricing Rate the Commitment Fee and the results of such calculations shall be incontestable absent manifest error. Buyer shall advise Seller of the periodic amounts of such rate and fees at least one (1) Business Day before payment is due.

ARTICLE 2
PURCHASE OF PARTICIPATION INTERESTS

2.1 **Request for Purchase**.

(a) At any time prior to the Advance Request Termination Date, Seller may submit a Request to Bank for Bank to purchase a Participation Interest in one or more Eligible Mortgage Loans from Seller hereunder by delivering or causing to be delivered to Bank, by electronic data submission or in such other manner, as may be required by Bank from time to time, the information and other items for such Eligible Mortgage Loans required by Bank pursuant to the Warehouse Program Guide.

(b) To assist Bank in making its decision whether to purchase a Participation Interest in any particular Eligible Mortgage Loan, Seller will timely provide Bank or Bank's agents with the information and other items for such Eligible Mortgage Loan required by Bank pursuant to the Warehouse Program Guide.

(c) Each submission of a Request shall be deemed to constitute a representation and warranty by Seller to Bank on the date of such Request and on the date of an Advance made by Bank to purchase a Participation Interest in any Mortgage Loan in connection with such Request that: (i) such Request relates to an Eligible Mortgage Loan; and (ii) the information and materials submitted to Bank in connection with such Mortgage Loan and such Request are true, correct and complete in all respects.

(d) Each submission of a Request shall constitute Seller's agreement and reaffirmation of the terms of the Blanket Assignment, such that, if Bank elects to purchase from Seller a Participation Interest in the Mortgage Loan referenced in such Request, then effective upon payment by Bank to Seller of the Purchase Price for such Participation Interest pursuant to the

terms of this Agreement, Seller shall have (and shall be conclusively deemed to have) irrevocably and unconditionally sold, transferred, assigned and conveyed to Bank, and Bank shall have (and shall be conclusively deemed to have) purchased and accepted from Seller, all of Seller's rights, titles, and interests in, to and under such Participation Interest in such Mortgage Loan and the related Mortgage Loan Documents, and such sale, transfer, assignment and conveyance shall be evidenced by the Blanket Assignment (including the Schedule thereto which shall be updated and maintained by Bank, and which Seller hereby confirms and accepts, and shall be conclusive absent manifest error conclusively established by Seller).

2 . 2 **Decision to Purchase**. Each decision of Bank whether to purchase any Participation Interest in any Mortgage Loan from Seller hereunder shall be made by Bank in its sole and absolute discretion. Bank shall be under no obligation hereunder to purchase any Participation Interest in any Mortgage Loan nor shall Bank have any obligation hereunder to purchase any minimum amount of Participation Interests in Mortgage Loans. In each instance where a Request is submitted to Bank, Bank will make an independent decision whether to purchase a Participation Interest in any Mortgage Loan contemplated by the Request. Bank may decline to purchase any Participation Interest in any Mortgage Loan for any reason or for no reason whatsoever. The election of Bank to purchase a Participation Interest in any Mortgage Loan shall be evidenced by the making of an Advance by Bank for the payment of the Purchase Price related thereto. If for any reason whatsoever Bank fails to make an Advance for the payment of the Purchase Price for a Participation Interest in any Mortgage Loan, then it shall be conclusive evidence of Bank's election not to purchase a Participation Interest in such Mortgage Loan.

2.3 **Conditions to Each Purchase**. As a condition precedent to any purchase of a Participation Interest by Bank from Seller hereunder, in addition to all other requirements set forth herein, Seller shall deliver to Bank all of the following, each being duly executed, endorsed, notarized where applicable and delivered and in form and content satisfactory to Bank in its sole and absolute discretion:

(a) The information and other items required to be delivered to Bank pursuant to Section 2.1;

(b) If requested by Bank, a written certification from Seller to Bank that the representations and warranties of Seller contained in this Agreement and each other Warehouse Document (other than those representations and warranties which are, by their terms, expressly limited to the date of the agreement in which they were initially made) are true and correct in all material respects on and as of the date of such purchase;

(c) If requested by Bank, a written certification from Seller that no Event of Default has occurred or is continuing as of the date of the Advance;

(d) Seller has adequate available funds on deposit in the Participation Account in an amount not less than Seller's Funding Amount for such Mortgage Loan; and

(e) Such other documents as Bank may reasonably request at any time at or prior to the date of the first Advance hereunder or as a condition to any subsequent Advance hereunder, including any and each Pledge Agreement and Guaranty Agreement required by Bank to be executed in connection with the transactions contemplated by this Agreement.

Each submission of a Request shall be deemed to constitute a representation and warranty by Seller to Bank on the date of such Request and on the date of the applicable Advance made to purchase a Participation Interest in connection with such Request as to the facts and statements specified in clauses (a), (b), (c) and (d) immediately above and in Sections 5.1(e), (g) and (h) are true and correct. It is understood and agreed

that Bank shall not make any Advance for the Purchase Price of any Participation Interest unless with respect thereto Bank is in receipt of all agreements and documents required to be delivered to Bank under this Agreement and all other conditions precedent and requirements set forth herein are satisfied or waived by Bank in writing.

All conditions precedent hereunder to the purchase of a Participation Interest are solely for the benefit of Bank. Bank's election, in its sole discretion, to waive any condition precedent hereunder for the purchase of any Participation Interest shall not constitute a waiver of the satisfaction of such condition precedent for any subsequent purchase of any other Participation Interest. No such condition precedent shall be deemed waived unless waived in writing by Bank.

2.4 **Funding of Mortgage Loan Transactions; Purchase of Participation Interests**. With respect to each Participated Mortgage Loan, Bank and Seller agree that:

(a) Bank shall (and is authorized to) debit funds from the Participation Account in an amount equal to Seller's Funding Amount for such Participated Mortgage Loan and deliver on behalf of Seller by wire transfer such funds directly to the account of the Funding Recipient designated in the related Request (provided, however, if such Funding Recipient is an Escrow Agent, then such account shall be an escrow account) or deliver such funds on behalf of Seller to such Funding Recipient in any other manner acceptable to Bank. Bank shall not make an Advance for the purchase of a Participation Interest in any Mortgage Loan unless Seller has good funds on deposit in the Participation Account in an amount not less than Seller's Funding Amount for such Mortgage Loan;

(b) As payment by Bank to Seller for the purchase of a Participation Interest in such Participated Mortgage Loan, Bank shall make an Advance in an amount equal to the related Purchase Price. Seller hereby irrevocably and unconditionally instructs Bank, with respect to any such Advance, to deliver by wire transfer the proceeds of such Advance on behalf of Seller directly to the account of the Funding Recipient designated in the related Request or to deliver such proceeds on behalf of Seller to such Funding Recipient in any other manner acceptable to Bank; and

(c) Upon the making of an Advance by Bank to or on behalf of Seller for the purchase of a Participation Interest in such Participated Mortgage Loan as described above in this Section: (i) Bank shall immediately have purchased such Participation Interest from Seller, and shall immediately have become fully vested with, an undivided percentage ownership interest in all of Seller's rights, titles and interests in and to such Participated Mortgage Loan and the related Mortgage Loan Documents, which undivided percentage ownership interest shall equal the Participation Percentage for such Participated Mortgage Loan; and (ii) Seller shall immediately make proper entries on its books and records disclosing the absolute sale by Seller to Bank of such Participation Interest in such Participated Mortgage Loan and the related Mortgage Loan Documents. The purchase and sale of a Participation Interest in any Participated Mortgage Loan hereunder shall be conclusively established by the making of an Advance by Bank for the Purchase Price for such Participation Interest as and in the manner provided in this Section and shall be evidenced by the Blanket Assignment.

2.5 **Failure to Complete Mortgage Loan Transaction**. Each Advance made by Bank to purchase a Participation Interest from Seller in a Mortgage Loan is intended by Bank and Seller to be made in connection with a Mortgage Loan Transaction, which Mortgage Loan Transaction is to occur on or about the date on which the related Request for such Advance is submitted by Seller to Bank for Bank to purchase a Participation Interest in such Mortgage Loan or on such date otherwise specified in such Request. With

respect to any Mortgage Loan for which Seller has submitted a Request to Bank for Bank to purchase a Participation Interest therein, if the Mortgage Loan Transaction related thereto is not expected by Seller to occur or fails to occur within [***] of such Request then Seller shall immediately provide notice thereof to Bank. Should the Mortgage Loan Transaction related to any Mortgage Loan not be expected by Seller to occur or fail to occur within [***] of the Request to Bank for Bank to purchase a Participation Interest therein and Bank shall have delivered on behalf of Seller to the related Funding Recipient the proceeds of the Advance for the purchase by Bank of such Participation Interest, then: (a) the proceeds of such Advance shall immediately be returned directly to Bank and Bank may instruct such Funding Recipient to immediately return such proceeds directly to Bank; and (b) Seller shall (i) immediately instruct and cause such Funding Recipient to return the proceeds of such Advance directly to Bank and (ii) cooperate with Bank to effect the immediate return of the proceeds of such Advance directly to Bank and, at the request of Bank, take such actions and do such things deemed necessary or appropriate by Bank to effect the immediate return directly to Bank of the proceeds of such Advance.

2.6 **Funding Fee**. Seller shall pay to Bank a Funding Fee for each Participated Mortgage Loan as compensation for Bank's costs and expenses incurred in connection with underwriting and processing its purchase of the Participation Interest in such Participated Mortgage Loan and administering such Participation Interest hereunder. The Funding Fee with respect to any Participated Mortgage Loan shall be: (a) earned in full by Bank on the related Purchase Date; and (b) payable to Bank by Seller upon the earlier to occur of the date on which: (i) all or any portion of the related Participation Interest is to be repurchased by Seller from Bank as contemplated by and in accordance with the terms of this Agreement; (ii) such Participated Mortgage Loan is sold to a Take-Out Purchaser as contemplated by and in accordance with the terms of this Agreement; or (iii) the entire principal balance of such Participated Mortgage Loan has been paid in full by the related Borrower.

2.7 **Maximum Participation Amount**. Notwithstanding anything to the contrary contained herein, Bank shall not purchase and hold, at any one time, Participation Interests such that the Outstanding Participation Balance exceeds the Maximum Participation Amount; provided, however, that Bank may, in its sole and absolute discretion, elect to temporarily increase the Maximum Participation Amount upon written notice to Seller pursuant to Section 2.8. Nothing contained in this Section shall limit, impair or affect the provisions of Section 2.2.

2.8 **Overline Facility Increases**. Upon Seller's request from time to time, Bank may, in its sole and absolute discretion, elect to temporarily increase the amount of the Maximum Participation Amount (each, an "Overline Facility Increase") by providing written notice thereof to Seller (each, an "Overline Confirmation"). Each Overline Confirmation shall set forth the terms on which Bank agrees to temporarily increase the Maximum Participation Amount, including: (a) the amount to which the Maximum Participation Amount will be temporarily increased; (b) the date on which such temporary increase in the Maximum Participation Amount shall commence and terminate (the "Overline Period"); and (c) the amount to which the Minimum Pledged Balance shall be increased in connection with such Overline Facility Increase. As a condition precedent to the effectiveness of any Overline Facility Increase, Seller shall deposit into the Pledged Account good funds in such amount required in order to maintain therein the Minimum Pledged Balance set forth in the related Overline Confirmation. During any Overline Period, the Maximum Participation Amount and Minimum Pledged Balance shall equal the respective amounts set forth on the Overline Confirmation and, upon the expiration of the Overline Period, the Maximum Participation Amount and Minimum Pledged Balance shall automatically be reduced to the respective amounts in effect prior to the commencement of any Overline Period.

2.9 **Client-to-Client Funding**. If Seller submits a Request to Bank for Bank to purchase a Participation Interest in a Mortgage Loan from Seller hereunder to pay off a Mortgage Loan in which Bank already holds an ownership interest pursuant to a separate agreement with a different mortgage company

(each, a "Client-to-Client Funding"), then Seller: (a) shall provide any and all documents and information Bank requests regarding or related to such Participation Interest representing the Client-to-Client Funding; and (b) acknowledges and agrees that, without limiting any other provision in this Article 2 relating to the purchase of such Participation Interest, any such Client-to-Client Funding shall be conditioned upon the timely satisfaction of all other conditions Bank may in its sole and absolute discretion determine to be necessary or appropriate, including the consent of the original mortgage company to the Client-to-Client Funding and Bank's agreement to the application of the funds advanced under the Client-to-Client Funding.

ARTICLE 3
DELIVERY OF BANK DOCUMENT DELIVERABLES

3.1 **Documents to be Delivered to the Document Custodian After an Advance** . Subject to Sections 3.2 and 3.3, within five (5) Business Days after the Purchase Date for any Participated Mortgage Loan, Seller shall deliver or cause to be delivered to the Document Custodian all of the Bank Document Deliverables for such Participated Mortgage Loan. Bank reserves the right to require copies of any of the Bank Document Deliverables for review prior to making any Advance for the purchase of a Participation Interest in any specific Mortgage Loan.

3.2 **Procedure for Delivery of Bank Document Deliverables**. Seller shall cause the Bank Document Deliverables for each Participated Mortgage Loan to be: (i) delivered directly to Seller (and, in the event that the applicable Funding Recipient for such Participated Mortgage Loan is or is required hereunder to be an Escrow Agent, such Bank Document Deliverables shall be delivered directly to Seller from escrow by the Escrow Agent for such Participated Mortgage Loan); and (ii) thereafter, delivered directly to the Document Custodian by Seller within five (5) Business Days after the Purchase Date for such Participated Mortgage Loan, unless otherwise expressly provided by Bank in writing to Seller with respect to such Participated Mortgage Loan (it being understood that any such writing from Bank shall only apply to the specific Participated Mortgage Loan referenced therein). Seller acknowledges and agrees that the foregoing arrangement (which allows for Seller, subject to Subsection (c) of this Section, to directly deliver to the Document Custodian the Bank Document Deliverables within five (5) Business Days after the Purchase Date for the related Participated Mortgage Loan) is being made as an accommodation to Seller and that Bank may, in its sole discretion, by providing written notice to Seller: (i) terminate Seller's authorization to deliver directly to the Document Custodian any or all of the Bank Document Deliverables; and (ii) require that within (2) two Business Days after the Purchase Date for any Participated Mortgage Loan, any or all Bank Document Deliverables shall be delivered directly to the Document Custodian (and, in the event that the applicable Funding Recipient for such Participated Mortgage Loan is or is required hereunder to be an Escrow Agent, such Bank Document Deliverables shall be delivered directly to the Document Custodian from escrow by the Escrow Agent for such Participated Mortgage Loan).

3.3 **Bank Document Deliverables Held By Seller** . Without limiting the requirements set forth in Section 3.2, Seller acknowledges and agrees that each and every Bank Document Deliverable for any Participated Mortgage Loan which is at any time in the custody, possession or control of Seller after Bank's purchase of a Participation Interest in such Participated Mortgage Loan shall be held and delivered to the Document Custodian pursuant to the terms and conditions of Section 5.11 of the Warehouse Agreement. Nothing contained in this Section authorizes or permits the delivery to Seller or any other Person (other than the Document Custodian) of any of the Bank Document Deliverables which are required to be delivered directly to the Document Custodian pursuant to the provisions of this Section.

ARTICLE 4
SALE OF LOANS TO TAKE-OUT PURCHASERS; AGED LOANS; REPURCHASE OBLIGATIONS

4.1 **Short Term Nature of Investment**.

(a) It is understood that each Participation Interest which Bank purchases in any Mortgage Loan shall be purchased by Bank for its own account for the short term investment of its capital and in reliance of Seller's agreement hereunder that: (i) Seller shall arrange and complete the sale by and on behalf of the Parties of the related Participated Mortgage Loan as and when required pursuant to the terms of this Agreement; or (ii) repurchase all or any portion of such Participation Interest as and when required pursuant to the terms of this Agreement, if such sale is not arranged and completed by Seller as and when required pursuant to the terms of this Agreement. In order to secure the prompt and complete performance by Seller of its Repurchase/Sale Obligations, Seller does hereby pledge, assign and grant to Bank a continuing security interest in and to the Collateral. For this purpose, this Agreement shall constitute a security agreement in accordance with the UCC, and Bank shall have all the rights of a secured creditor with respect to such security.

(b) For each Participated Mortgage Loan, it is the intention of Bank and Seller that such Participated Mortgage Loan and the related Mortgage Loan Documents will be sold and delivered to a Take-Out Purchaser, and for such Take-Out Purchaser to have paid the full amount of the Take-Out Purchase Price for such Participated Mortgage Loan, within [***] of the Purchase Date for such Participated Mortgage Loan. Notwithstanding the foregoing, it is understood and agreed that Bank shall not have and does not undertake any duty, obligation or liability arising from or related to any Take-Out Purchase Agreement or any Take-Out Purchaser.

4.2 **Sale of Participated Mortgage Loans to Take-Out Purchasers**.

(a) The sale of each Participated Mortgage Loan by Seller and Bank to any Take-Out Purchaser shall be in accordance with the terms of the related Take-Out Purchase Agreement. If a Take-Out Purchaser fails to perform or anticipatorily breaches its obligations under a Take-Out Purchase Agreement to purchase any Participated Mortgage Loan, then Seller shall promptly locate and consummate the sale by Bank and Seller of such Participated Mortgage Loan to another Take-Out Purchaser acceptable to Bank at a price which is not less than the Take-Out Purchase Price for such Participated Mortgage Loan; provided, however, that the foregoing shall not limit or qualify any other rights or remedies available to Bank hereunder with respect to such Participated Mortgage Loan or any Participation Interest therein.

(b) Notwithstanding anything to the contrary in any Take-Out Purchase Agreement, the procedures of sale to a Take-Out Purchaser by Seller and Bank of any Participated Mortgage Loan shall be as follows:

(i) Seller shall deliver to the Take-Out Purchaser the Mortgage Loan Documents for such Participated Mortgage Loan (other than the related Mortgage Note and other Mortgage Loan Documents, if any, which are then being held by the Document Custodian). Such Mortgage Loan Documents shall be delivered by Seller to the Take-Out Purchaser under the provisions of the Take-Out Purchase Agreement which govern the Take-Out Purchaser's custody and possession of such Mortgage Loan Documents or under such other written custodial or similar agreement between Seller and the Take-Out Purchaser acceptable to Bank. Seller shall provide prompt written notice to Bank of the transmittal and delivery of such Mortgage Loan Documents to the Take-Out Purchaser.

(ii) Bank shall deliver or cause to be delivered to the Take-Out Purchaser, under a Bailee Letter, the Mortgage Loan Documents for such Participated Mortgage Loan

which are then held by the Document Custodian pursuant to this Agreement, including the original Mortgage Note for such Participated Mortgage Loan accompanied by: (A) the Required Endorsements; and (B) if such Mortgage Note was not endorsed in blank by Seller, an allonge endorsed in favor of such Take-Out Purchaser by Bank, as agent for Seller, pursuant to (and if and to the extent that Bank shall have received and accepted) a valid power of attorney, in form and content satisfactory to Bank, authorizing Bank to endorse such Mortgage Note for and on behalf of Seller.

(c) Within a period of time acceptable to Bank, but in no event more than twenty (20) days after the delivery by the Document Custodian to the Take-Out Purchaser of the Mortgage Note evidencing such Participated Mortgage Loan, Seller shall cause the Take-Out Purchaser to pay or cause to be paid directly to Bank, as payment to Seller and Bank for the purchase by the Take-Out Purchaser of such Participated Mortgage Loan, immediately available funds in an amount not less than the Take-Out Purchase Price for such Participated Mortgage Loan.

(d) All of the proceeds from the sale by Seller and Bank of a Participated Mortgage Loan to a Take-Out Purchaser shall be paid directly to Bank pursuant to Section 4.3 and shall be applied by Bank on behalf of Bank and Seller in accordance with Section 4.4.

(e) Subject to Section 4.4(b), Bank and Seller's ownership interests in any Participated Mortgage Loan to be sold to a Take-Out Purchaser shall continue in full force and effect, and Bank and Seller shall not have (and shall not be deemed to have) sold such Participated Mortgage Loan to a Take-Out Purchaser unless and until such time as Bank shall have received immediately available funds from the Take-Out Purchaser for such sale in an amount not less than the Take-Out Purchase Price for such Participated Mortgage Loan and applied such funds in accordance with Section 5.12.

4.3 **Payments From Take-Out Purchasers**. In connection with each sale of a Participated Mortgage Loan by Seller and Bank to a Take-Out Purchaser, Seller shall cause the Take-Out Purchase Price to be paid by the Take-Out Purchaser for the purchase of the Participated Mortgage Loan to be paid by the Take-Out Purchaser, in immediately available funds, directly to Bank into the Repayment Account.

4.4 **Processing Payments From Take-Out Purchasers**. With respect to any immediately available funds on deposit in the Repayment Account which constitute the proceeds of any Take-Out Purchase Price (each a "Take-Out Purchaser Payment"):

(a) Seller shall promptly confirm to Bank the Participated Mortgage Loan to which such Take-Out Purchaser Payment applies; provided, however, that if Seller shall not have provided such confirmation to Bank by the last Business Day of the calendar month in which Bank provided notice to Seller of the Take-Out Purchaser Payment, then Bank may, in its sole discretion, determine and designate the Participated Mortgage Loan to which such Take-Out Purchaser Payment applies to the extent Bank is able to make such a determination based on information available to it;

(b) Bank reserves the right, in its sole discretion, to determine whether to accept or reject such Take-Out Purchaser Payment in the event that insufficient funds were delivered by the Take-Out Purchaser to Bank to fully pay the Take-Out Purchase Price for the Participated Mortgage Loan to which the Take-Out Purchaser Payment applies. Seller acknowledges and agrees that: (i) if Bank elects, in its sole discretion, to reject a Take-Out Purchaser Payment for which insufficient funds were delivered, then Bank's related Participation Interest shall not have been sold (and shall be deemed to not have been sold) to such Take-Out Purchaser, and Seller shall immediately notify

such Take-Out Purchaser that no sale of such Participated Mortgage Loan by Bank and Seller to such Take-Out Purchaser has occurred; and (ii) if Bank elects, in its sole discretion, not to reject a Take-Out Purchaser Payment for which insufficient funds were delivered, then Bank shall have the right to offset any amounts in any Account in order to effect full payment of Bank's share of such Take-Out Purchase Price; and

(c) If such Take-Out Purchaser Payment is accepted by Bank, the proceeds of the Take-Out Purchaser Payment shall be applied by Bank pursuant to Section 5.12.

All notices to be given and actions to be taken pursuant to this Section shall be effectuated electronically or in such other manner, as required by Bank from time to time pursuant to the Warehouse Program Guide.

4.5 **Reserved**.

4.6 **Participation Interest Rate for Aged Participated Mortgage Loans**.

(a) With respect to any Aged Participated Mortgage Loan, to the extent permitted by applicable Law, Bank may from time to time, in its sole discretion, increase the then-current Participation Interest Rate with respect to such Aged Participated Mortgage Loan by an amount, as determined by Bank, in accordance with the following:

Number of days elapsed since the Purchase Date for the Participation Interest in the Aged Participated Mortgage Loan	**Maximum *aggregate total* amount by which Bank may increase the applicable Participation Interest Rate pursuant to this Section**	**Date on which the increase (if any) in the Participation Interest Rate is effective**
[***] or more	up to [***]	[***] following the Purchase Date of the Participation Interest

(b) Notwithstanding anything herein to the contrary, the Participation Interest Rate for any Participated Mortgage Loan shall not at any time exceed the maximum rate permitted under applicable Law.

4.7 **Curtailment of Aged Participated Mortgage Loans**.

(a) With respect to any Aged Participated Mortgage Loan, to the extent permitted by applicable Law, Bank may from time to time, in its sole and absolute discretion, require Seller to repurchase from Bank any portion of the Participation Interest then owned by Bank in such Aged Participated Mortgage Loan, as determined by Bank, in accordance with the following table:

Number of days elapsed since the Purchase Date for the Participation Interest in the Aged Participated Mortgage Loan	Maximum *aggregate total* portion of the Participation Percentage (as of the Purchase Date for the related Participation Interest) in the applicable Aged Participated Mortgage Loan which Bank may require to be repurchased by Seller pursuant to this Section
[***] or more but less than [***]	up to [***]

(b) To effect the repurchase by Seller from Bank of any portion of a Participation Interest required by Bank to be repurchased under this Section, Seller shall pay to Bank an amount equal to the applicable Repurchase Price for such portion of such Participation Interest, which amount shall be due and payable upon any demand therefor made by Bank pursuant to the terms of this Section. Bank shall have the right to offset any amounts in the Pledged Account in order to effect full payment of any Repurchase Price when due and payable under this Section, and upon any such offset, Seller shall immediately deposit funds into the Pledged Account in the amount required to fully restore the Minimum Pledged Balance.

(c) Upon Bank's receipt from Seller of the full amount of the Repurchase Price for the portion of the Participation Interest in any Aged Participated Mortgage Loan required to be repurchased by Seller from Bank pursuant to this Section, effective as of the date of receipt of such funds and the application by Bank of such funds pursuant to the terms of this Agreement, Seller shall have repurchased from Bank such portion of such Participation Interest equal to the Repurchase Participation Percentage for such Participation Interest, and Bank's respective Participation Percentage in such Aged Participated Mortgage Loan and Seller's respective Retained Percentage in such Aged Participated Mortgage Loan shall be correspondingly adjusted, all as indicated on the Bank's books and records.

(d) The provisions of this Section shall not limit or qualify any rights or remedies of Bank hereunder (including, without limitation, any rights or remedies of Bank under Sections 4.6 or 4.8).

4.8 **Full Repurchase of Participation Interests**.

(a) With respect to any specific Participated Mortgage Loan, Bank shall have the right to require Seller, upon demand by Bank, to repurchase from Bank, in its entirety, all of Bank's then-outstanding Participation Interest in such Participated Mortgage Loan, if Bank reasonably determines at any time, that: (i) any representation or warranty made or deemed made by Seller to Bank under Sections 2.1 or 6.10 as to such Participated Mortgage Loan was false, misleading, or erroneous in any respect at the time on or as of the Purchase Date for such Participated Mortgage Loan; (ii) such Participated Mortgage Loan was not an Eligible Mortgage Loan on or as of the Purchase Date for such Participated Mortgage Loan or no longer qualifies as an Eligible Mortgage Loan anytime thereafter; (iii) any Mortgage Loan Document related to such Participated Mortgage Loan was erroneous, unsigned or incomplete in any material respect on the Purchase Date for such

Participated Mortgage Loan and such error, lack of signature or incompleteness has not been corrected to the reasonable satisfaction of Bank within a commercially reasonable time period following such Purchase Date; (iv) any fraud occurred on the part of Seller or its agents or employees or of Borrower or any other Person with respect to the origination, underwriting, closing or funding of such Mortgage Loan; or (v) any of the Bank Document Deliverables for such Participated Mortgage Loan have not been delivered to the Document Custodian as and when required pursuant to the provisions of this Agreement. In addition, if an Event of Default shall have occurred, Bank shall have the right to require Seller, upon demand by Bank, to repurchase from Bank, in their entirety, all of Bank's then-outstanding Participation Interests in the Participated Mortgage Loans identified in such demand.

(b) In Bank's sole and absolute discretion, Seller shall automatically be required to immediately repurchase from Bank, in its entirety, all of Bank's then-outstanding Participation Interest in any Aged Participated Mortgage Loan on the [***] after the Purchase Date for such Participation Interest if such Aged Participated Mortgage Loan does not constitute a Retired Participated Mortgage Loan by such [***]. In addition, Seller shall automatically be required, whether or not Bank has made demand therefor, to immediately repurchase from Bank, in their entirety, all of Bank's then-outstanding Participation Interests in any and all Participated Mortgage Loan upon the occurrence of an Event of Default under Sections 9.1(e) or (f) with respect to Seller.

(c) To effect the repurchase of any Participation Interest required under this Section, Seller shall pay to Bank an amount equal to the applicable Repurchase Price for such Participation Interest, which amount shall be due and payable: (i) on the date Bank has made demand for the repurchase of such Participation Interest, if such repurchase is required pursuant to Section 4.8(a); or (ii) on the [***] after the Purchase Date for such Participation Interest, if such repurchase is required pursuant to Section 4.8(b). Bank shall have the right to offset any amounts in the Pledged Account in order to effect full payment of any Repurchase Price when due and payable under this Section, and upon any such offset, Seller shall immediately deposit funds into the Pledged Account in the amount required to fully restore the Minimum Pledged Balance.

(d) Upon Bank's receipt from Seller of the full amount of the Repurchase Price for the Participation Interest in any Participated Mortgage Loan to be repurchased in its entirety by Seller from Bank pursuant to this Section, and so long as such payment is not disgorged or revoked by a court of competent jurisdiction: (i) effective as of the date of receipt of such funds and the application by Bank of such funds pursuant to the terms of this Agreement, Seller shall have repurchased from Bank such Participation Interest in its entirety, and Bank's respective Participation Percentage in such Participated Mortgage Loan and Seller's respective Retained Percentage in such Participated Mortgage Loan shall be correspondingly adjusted, all as indicated on the Bank's books and records; and (ii) Bank shall thereafter deliver or cause to be delivered to Seller the Mortgage Note and any other Mortgage Loan Documents for such Participated Mortgage Loan then in the Document Custodian's possession.

(e) The provisions of this Section shall not limit or qualify any rights or remedies of Bank hereunder (including, without limitation, any rights or remedies of Bank under Sections 4.6 or 4.7).

4.9 **Bank's Direct Contact with Take-Out Purchasers**. Seller irrevocably authorizes Bank and its agents and representatives to directly deliver all pertinent documentation to, and communicate with, disclose to, receive from and share information with, any Take-Out Purchaser, which is related to any Participated Mortgage Loan which is to be purchased or has been purchased by such Take-Out Purchaser.

ARTICLE 5
GENERAL PROVISIONS

5.1 **Conditions to Effectiveness of Agreement**. As a condition precedent to effectiveness of this Agreement, in addition to all other requirements set forth herein, Seller shall deliver to Bank all of the following, each being duly executed, endorsed, notarized where applicable and delivered and in form and content satisfactory to Bank in its sole and absolute discretion:

(a) This Agreement, the Blanket Assignment, the Pledge Agreement and each Guaranty Agreement;

(b) One (1) or more limited power of attorney in the form of Exhibit A executed by Seller;

(c) All financing statements required by Bank, including a UCC-1 financing statement identifying Seller, as debtor, and Bank, as secured party, which covers the Collateral, and Seller hereby authorizes Bank and its representatives to execute, deliver and file of record all such financing statements;

(d) Such signature cards, depository account agreements, USA PATRIOT Act forms and information, and such other documents and instruments, as Bank may require for Seller to establish at Bank, the Pledged Account, the Participation Account and the Remittance Account or to otherwise implement the arrangements contemplated herein;

(e) Evidence that all necessary action on the part of Seller and each other Obligated Party has been taken with respect to the execution and delivery of the Warehouse Documents and the performance of the matters contemplated thereby, so that this Agreement and all of the other Warehouse Documents shall be valid and binding upon each Person executing and delivering the same. Such evidence shall include certified organizational documents, certified resolutions, and certificates of incumbency for Seller and each other Obligated Party that is not a natural person;

(f) For Seller and each Obligated Party that is not a natural person, a copy, certified as true, complete and correct, by an authorized officer, partner, member, manager or other representative of such entity, of the documents evidencing the formation and governance of the operations and affairs of such entity, together with all amendments thereto;

(g) For Seller and each Obligated Party that is not a natural person, a certificate of existence and good standing showing that such entity is in good standing under the Laws of the state of its formation and certificates indicating that such entity has qualified to transact business and is in good standing in all other states where it transacts business;

(h) Evidence that Seller has received any and all licenses, permits, approvals and other consents under any and all applicable Laws to permit Seller to lawfully engage in the Mortgage Loan Activities, and evidence that the same are currently in existence and good standing; and

(i) Such other documents, information and materials as Bank may require to be delivered or caused to be delivered by Seller to Bank prior to the execution of this Agreement by Bank.

5.2 **Termination; Burn-Down**.

(a) Seller's rights hereunder to submit any Request to Bank shall automatically terminate on the Advance Request Termination Date.

(b) Notwithstanding anything herein to the contrary, and without limiting Bank's rights and remedies under Section 9.2, prior to the Advance Request Termination Date, either Party may immediately terminate for any reason whatsoever Seller's rights hereunder to submit any Request to Bank to purchase a Participation Interest by providing written notice thereof to the other Party. It is understood that the Parties intend the continuation of this Agreement by Bank (and, accordingly, the continuation of Seller's rights hereunder to submit any Request to Bank for Bank to purchase a Participation Interest) will be based upon the quality of the Mortgage Loans owned by Seller and Seller's performance of its obligations in connection therewith and herewith and also based upon market conditions and the business objectives of Bank and Seller which may change from time to time.

(c) Any and all outstanding Participation Interests in Participated Mortgage Loans owned by Bank on or before the Advance Request Termination Date shall continue to be subject to the terms and conditions of this Agreement. Unless extended by a written agreement executed by Seller and Bank, this Agreement shall automatically terminate and cease to be in force and effect (except with respect to the provisions of this Agreement which expressly survive termination) without any action or notice upon such time as: (i) Seller shall no longer have any rights hereunder to submit any Request to Bank to purchase a Participation Interest; (ii) each Participated Mortgage Loan constitutes a Retired Participated Mortgage Loan; (iii) Bank has received full, final and indefeasible payment of all other amounts due and payable by Seller to Bank pursuant to the terms hereof and any other Warehouse Document; (iv) Seller has fully performed and discharged each of its duties, covenants and obligations under each Warehouse Document; and (v) Bank has remitted to Seller all amounts, if any, required hereunder to be remitted by Bank to Seller hereunder.

5 . 3 **Target Usage; Termination for Non-Usage**. While pursuant to Section 2.2, Bank is not obligated to purchase, and Seller is not obligated to sell, any Participation Interests, or any minimum amount of Participation Interests, Bank and Seller contemplate that Seller shall sell, and Bank shall purchase, Participation Interests such that, at any given time, the Outstanding Participation Balance shall equal or exceed the Target Usage Amount. Should for any calendar quarter, the Outstanding Participation Balance, on average for such calendar quarter, not equal or exceed the Target Usage Amount, Bank may elect to increase the Participation Interest Rate Floor or, pursuant to Section 5.2(b), terminate Seller's right hereunder to submit any Request to Bank to purchase a Participation Interest.

5.4 **Seller's Accounts**.

(a) Seller shall at all times during the term of this Agreement maintain each Restricted Account with Bank. With respect to each Restricted Account, Seller may deposit funds into the Restricted Account, however Seller shall not be permitted to withdraw, transfer or otherwise exercise any rights to access any funds held therein and Seller shall have no rights to exercise dominion or control over the Restricted Account.

(b) Seller shall at all times during the term of this Agreement maintain the Remittance Account with Bank. Subject to the terms and conditions of this Agreement and the other Warehouse Documents, Seller shall be permitted to withdraw, transfer and otherwise exercise rights to access any funds held therein; provided, that notwithstanding the foregoing, upon the occurrence of an Event of Default, Seller shall not be permitted to withdraw, transfer or otherwise exercise any rights to access any funds held therein and Seller shall have no rights to exercise dominion or control over the Remittance Account.

(c) Concurrently with the execution hereof Seller shall deposit into the Pledged Account, and thereafter for the duration of this Agreement Seller shall maintain in the Pledged Account, good funds in an amount not less than the Minimum Pledged Balance. Seller shall replenish funds in the Pledged Account, such that the Pledged Account is fully restored to the Minimum Pledged Balance, in the event Bank shall offset or apply funds from the Pledged Account in accordance with the terms of this Agreement.

(d) In order to secure the prompt and complete performance by Seller of its Repurchase/Sale Obligations, Seller does hereby pledge, assign and grant to Bank a continuing security interest in and to the Restricted Accounts, the Remittance Account and the other Collateral. For this purpose, this Agreement shall constitute a security agreement in accordance with the UCC, and Bank shall have all the rights of a secured creditor with respect to such security, and Bank shall have the right to hold and "freeze" such Accounts and the funds maintained therein upon the occurrence of an Event of Default. Without limiting any rights and remedies available to Bank hereunder, Bank may exercise the right to offset and apply all or any portion of the funds of Seller held in one or more of the Accounts towards the payment of all or any portion of any amount due and payable by Seller to Bank hereunder in connection with Seller's Repurchase/Sale Obligations. Bank is hereby authorized to debit funds from the Accounts in accordance with the provisions of this Agreement without any notice to or permission from Seller.

5.5 **Subordination**. It is expressly understood and agreed that all of Seller's rights, title and interests in and to any Participated Mortgage Loan (including Seller's servicing rights, if any) are subordinate and inferior to Bank's Participation Interest in such Participated Mortgage Loan, from and after the Purchase Date for such Participated Mortgage Loan.

5.6 **Power of Attorney**. Seller hereby irrevocably appoints Bank and each officer of Bank as its attorney-in-fact, with full power of substitution, for, on behalf of, and in the name of Seller, to: (a) endorse and deliver to any Person any notes, checks, drafts, money orders or other instruments of payment coming into Bank's possession and representing any payment made on or with respect to any Participated Mortgage Loan or otherwise received in connection with any Participated Mortgage Loan (including the proceeds from the sale of any such Participated Mortgage Loan received from a Take-Out Purchaser), and any collateral and any Take-Out Purchase Agreement therefor; (b) prepare, complete, execute, deliver and record, and do anything else necessary or desirable to effect, (i) any endorsement to Bank, any Take-Out Purchaser or any other Person, of any Mortgage Note evidencing a Participated Mortgage Loan, or (ii) any transfer, assignment or conveyance to Bank, any Take-Out Purchaser or any other Person, of any or all rights, titles and interests in and to any Mortgage Note and the Mortgage Loan Documents related thereto in which Bank has purchased a Participation Interest (including servicing rights); (c) do anything necessary or desirable to effect the sale, transfer, assignment or conveyance, of any or all rights, titles and interests of Seller and/or Bank in and to any Participated Mortgage Loan and the related Mortgage Loan Documents related thereto to any Take-Out Purchaser or any other Person; (d) commence, prosecute, settle, discontinue, defend, or otherwise dispose of any claim relating to any Take-Out Purchase Agreement or any Participated Mortgage Loan; (e) sign Seller's name wherever appropriate, as determined by Bank, to effectuate the purposes of this Agreement; and (f) to take any such further action as Bank may deem appropriate, and to act under changed circumstances, the exact nature of which may not be currently foreseen or foreseeable, in order to fully and completely effectuate Bank's rights under this Agreement. The powers and authorities herein conferred on Bank may be exercised by Bank through any Person who, at the time of the execution of a particular instrument, is an officer of Bank. The limited power of attorney conferred by this Section is granted for a valuable consideration and is coupled with an interest and, therefore, is irrevocable so long as any duties or obligations to Bank under this Agreement or any other Warehouse Document, or any part thereof, shall remain unpaid or otherwise unsatisfied, and so long as Bank may elect to purchase any Participation Interests hereunder. The limited power of attorney conferred hereunder shall not be affected

by any subsequent disability or incapacity of the principal or by the lapse of time. To facilitate processing, Bank may request that Seller execute and deliver a separate, limited power of attorney in such form and content required by Bank, but any failure of Bank to request or obtain any such separate power of attorney instrument shall not mitigate or undermine the rights and powers conferred under this Section.

5.7 **Private Recording Systems**. Bank reserves the right to require or permit that any or all Participated Mortgage Loans be registered and processed on the MERS® System and/or any other similar mortgage registration or processing system (collectively, "Private Recording System"). Should Bank require or permit the registration or processing of any or all Participated Mortgage Loans on any Private Recording System: (a) each such Participated Mortgage Loan shall be registered and processed on the Private Recording System approved by Bank in accordance with the requirements of the Warehouse Program Guide; and (b) Bank may terminate and revoke any such requirement or permission regarding the registration and processing of any such Participated Mortgage Loans on any Private Recording System.

5.8 **Regulatory Compliance**. With respect to each Participated Mortgage Loan, Seller hereby represents, warrants and certifies to Bank that such Participated Mortgage Loan and each related Mortgage Loan Document was originated, made, negotiated, executed and delivered pursuant to and in accordance with the applicable terms and provisions of the Federal Truth in Lending Act, the Real Estate Settlement Procedures Act, the Equal Credit Opportunity Act, Dodd-Frank Act, the Interagency Appraisal Guidelines, and all other applicable Laws relating to the financing of Residential Real Property, each of which Laws have been fully satisfied and strictly complied with by Seller and such other applicable parties, and that Bank shall have no obligation with respect to the compliance with any such Laws, or the filing of any reports, certifications or other documents or items with or to any Borrower, any Governmental Authority, or any other Person whatsoever. **IN THIS RESPECT, SELLER WILL RELEASE, HOLD HARMLESS AND INDEMNIFY EACH INDEMNIFIED PARTY FROM AND AGAINST ANY AND ALL LOSSES WHICH ARE INCURRED BY OR ASSERTED AGAINST BANK IN CONNECTION WITH ANY BREACH OR INACCURACY OF THE TERMS CONTAINED IN THIS SECTION**.

5.9 **Verifications**. Bank shall have the right and authority to re-verify all information obtained by Seller regarding any Borrower, including verification of employment, verification of deposit and all information included in each related Loan Application. Seller shall cooperate with Bank in such re-verification process. Further, Bank shall have full right and authority to obtain an updated credit report on any Borrower. In such verification process, Seller shall, upon the request of Bank, supply a copy of Borrower's handwritten, typed or signed Loan Application.

5.10 **Servicing Responsibilities**.

(a) Seller shall administer, manage, collect and enforce each Participated Mortgage Loan for and on behalf of and for the benefit of Bank and Seller in accordance with Accepted Servicing Practices (collectively, the "Mortgage Loan Services"). With respect to each Participated Mortgage Loan, Seller shall promptly take any and all actions, and exercise any and all available remedies, under the related Mortgage Loan Documents or otherwise which are necessary or advisable to perform the Mortgage Loan Services pursuant to this Agreement.

(b) At the request of Bank: (i) Seller shall promptly provide to Bank such information requested by Bank regarding any default, breach, violation or event of acceleration related to any Participated Mortgage Loan, and the actions which Seller has taken or proposes to take in connection therewith; and (ii) Seller shall promptly take any and all actions, and exercise any and all remedies, under the Mortgage Loan Documents or otherwise for any Participated Mortgage

Loan which Bank shall deem, in its discretion, reasonably necessary or advisable to effect the provisions of this Section.

(c) With respect to any Participated Mortgage Loan, any and all Mortgage Loan Collections received by Seller from the exercise of any rights or remedies under the related Mortgage Loan Documents or in connection with the full repayment of the outstanding principal balance and all accrued and unpaid interest for such Participated Mortgage Loan shall (i) be immediately transferred or delivered by Seller to Bank (and, if required by Bank, into the Repayment Account) and (ii) upon receipt by Bank, be applied pursuant to the provisions of this Agreement.

(d) Notwithstanding anything herein to the contrary, upon the occurrence of an Event of Default: (i) Seller shall not exercise any remedies under any of the Mortgage Loan Documents for any Participated Mortgage Loan without the prior written consent of Bank; and (ii) Bank may at any time: (A) provide written notice to Seller terminating any or all rights, duties and obligations of Seller to provide Mortgage Loan Services with respect to any Participated Mortgage Loan (each, a "Servicing Termination Notice"); and/or (B) require that Seller instruct in writing any Borrower or other Person obligated on any Participated Mortgage Loan to deliver any and all payments to be made by such Borrower or such other Person on or in respect of such Participated Mortgage Loan directly to Bank or to the Repayment Account, and Seller shall not make any changes to any such instructions so provided without first obtaining the prior written consent of Bank. With respect to each Participated Mortgage Loan specified in any Servicing Termination Notice, Seller shall at its expense: (i) immediately turn over to Bank or its designee all books, records and other documents related to the Mortgage Loan Services for such Participated Mortgage Loan; (ii) cooperate with Bank in the immediate and orderly transfer of the administration and servicing responsibilities for such Participated Mortgage Loan to Bank or its designee; and (iii) upon Bank's request, immediately execute and deliver to Bank all documents, agreements and instruments, and take such other actions and do such other things, deemed necessary or advisable by Bank in connection with the transfer to Bank of the administration and servicing responsibilities for such Participated Mortgage Loan.

5.11 **Trust Provisions**.

(a) Any and all amounts required hereunder to be paid to Bank shall be paid to Bank pursuant to the terms and conditions of this Agreement. Without limiting the foregoing, any and all Bank Payment Deliverables received by Seller at any time (and any and all Bank Payment Deliverables that are or are deemed to be in or under the custody, possession or control of Seller at any time) shall be held in trust by Seller as the property and for the benefit of Bank. In such event, Seller shall, and Seller has a fiduciary duty to Bank, (i) to hold in trust, as the property and for the benefit of Bank, the Bank Payment Deliverables and (ii) (A) to immediately turn over and deliver to Bank each Bank Payment Deliverable, in kind, and in the exact form received, no later than one (1) Business Day after receipt thereof, and concurrently, endorse to Bank any instrument or other form of payment payable to Seller, but which is to be paid to Bank under this Agreement, (B) not to release any Bank Payment Deliverable to any other Person without Bank's prior written consent, and (C) not to negotiate or otherwise seek to convert to cash any Bank Payment Deliverables which are in the form of a check or other form of payment without Bank's prior written consent. Nothing contained in this Section authorizes or permits payment to Seller or any other Person (other than Bank) of any amounts which are required under this Agreement to be paid directly to Bank.

(b) Any and all Bank Document Deliverables required hereunder to be delivered to the Document Custodian shall be delivered to the Document Custodian pursuant to the terms and

conditions of this Agreement. Without limiting the foregoing, any and all Bank Document Deliverables received by Seller at any time (and any and all Bank Document Deliverables that are or are deemed to be in or under the custody, possession or control of Seller at any time) shall be held in trust by Seller as the property and for the benefit of Bank. In such event, Seller shall, and Seller has a fiduciary duty to Bank, (i) to hold in trust for Bank, and as the property and for the benefit of Bank, the Bank Document Deliverables and (ii) (A) to immediately turn over and deliver to the Document Custodian each Bank Document Deliverable no later than one (1) Business Day after receipt thereof (except that Seller may deliver the applicable Bank Document Deliverables to the Document Custodian by such later time, if any, permitted by the express terms of this Agreement) and (B) not to release any Bank Document Deliverable to any Person (other than the Document Custodian). Nothing contained in this Section authorizes or permits the delivery to Seller or any other Person (other than the Document Custodian) of any Bank Document Deliverables which are required under this Agreement to be delivered directly to the Document Custodian.

(c) The Mortgage Loan Files for Participated Mortgage Loans (other than any portions thereof which constitute Bank Document Deliverables or which have been delivered to Bank) shall be held in trust by Seller as the property and for the benefit of Bank. Seller shall, and Seller has a fiduciary duty to Bank, (i) to hold in trust for Bank, and as the property and for the benefit of Bank, such Mortgage Loan Files and (ii) (A) to turn over and deliver to Bank such Mortgage Loan Files no later than one (1) Business Day after Bank's request and (B) not to release such Mortgage Loan Files to any Person (other than Bank) except as otherwise expressly permitted hereunder.

5.12 **Application of Payments**.

(a) Except as expressly provided otherwise herein, any and all Mortgage Loan Collections received by Bank with respect to any Participated Mortgage Loan (each, a "Payment"), including all proceeds from the sale of such Participated Mortgage Loan by Seller and Bank to a Take-Out Purchaser, shall be credited and applied in the following order of priority upon Bank's actual receipt of such sums, and Seller hereby instructs Bank to so apply such proceeds:

(i) To the payment of any then-earned and outstanding Funding Fees payable by Seller to Bank hereunder in connection with such Participated Mortgage Loan;

(ii) To the payment of any other outstanding fees, costs and expenses assessed or incurred by Bank and payable by Seller to Bank under this Agreement or any other Warehouse Document with respect to such Mortgage Loan;

(iii) To the reimbursement of all outstanding amounts (other than the Advance made by Bank to purchase a Participation Interest in such Participated Mortgage Loan), if any, disbursed by Bank in connection with such Participated Mortgage Loan;

(iv) To the payment of Bank's pro rata share (determined in accordance with the Participation Interest Rate in effect from time to time for such Participated Mortgage Loan) of all interest that accrued on such Participated Mortgage Loan from and after the related Purchase Date, but which has not been previously paid to Bank;

(v) To the repayment of Bank's pro rata share (determined in accordance with Bank's Participation Percentage in effect from time to time for such Participated Mortgage Loan) of the outstanding principal amount of such Participated Mortgage Loan (as of the related Purchase Date) which has not been previously paid to Bank;

(vi) Upon the occurrence of an Event of Default, if required by Bank, to the payment of any of the amounts set forth above with respect to any other Participated Mortgage Loan, to be applied in the same order of priority as set forth above;

(vii) To any other amounts payable by Seller to Bank;

(viii) To restoring (in whole or in part) the Minimum Pledged Balance of the Pledged Account if the balance thereof is less than the Minimum Pledged Balance. Any such funds shall be deposited directly by Bank into the Pledged Account;

(ix) To the payment of Seller's pro rata share (determined in accordance with the Seller's Retained Percentage in effect from time to time with respect to such Participated Mortgage Loan) of: (A) the outstanding principal amount of such Participated Mortgage Loan (as of the related Purchase Date) which has not been previously paid to or otherwise received by Seller; and (B) interest that has accrued on such Participated Mortgage Loan from and after the related Purchase Date (including any portion of such interest that accrued at a rate in excess of the Participation Interest Rate in effect from time to time for such Participated Mortgage Loan), but which has not been previously paid to or otherwise received by Seller. Any and all of the foregoing amounts due to Seller shall be paid by Bank to Seller on or before the next Business Day after receipt by Bank of the applicable Payment and shall be disbursed by Bank into the Remittance Account; and

(x) Thereafter, as otherwise required to be in compliance with this Agreement.

(b) Notwithstanding anything to the contrary in Section 5.12(a), with respect to any Participated Mortgage Loan, Bank may elect, in its sole and absolute discretion, to defer applying any proceeds of any Payment to any of the items described in Section 5.12(a)(i), (ii) or (iii), in which case Bank reserves the right to satisfy any outstanding amount for such items with the proceeds of any future Payment with respect to such Participated Mortgage Loan.

(c) If the amount of any Take-Out Purchaser Payment received by Bank in connection with the sale of any Participated Mortgage Loan to a Take-Out Purchaser is insufficient to pay any and all amounts payable to Bank under Section 5.12(a) with respect to such Participated Mortgage Loan, then Bank shall be entitled to offset and apply available funds in the Pledged Account to satisfy the deficiency in such amounts payable to Bank. In such event, if after resorting the foregoing described sources of payment, any amounts remain payable to Bank under Section 5.12(a) with respect to such Participated Mortgage Loan, then Seller shall immediately pay such amounts to Bank upon demand.

(d) In the event that Bank offsets or applies any funds in the Pledged Account to satisfy amounts payable to Bank, then Seller shall immediately deposit funds into the Pledged Account in the amount required to fully restore the Minimum Pledged Balance. Bank shall have no duty or obligation at any time to apply any amounts due from any Take-Out Purchaser or from any other Person with respect to any purchase of any Participated Mortgage Loan until Bank has actually received such amounts in immediately available funds. Further, notwithstanding anything herein to the contrary, Bank shall be under no duty at any time to apply any amounts representing Take-Out Purchaser Payments except pursuant to the procedures set forth in Section 4.4.

5.13 **Warehouse Program Guide**.

(a) Seller agrees to comply at all times with all of the provisions of the Warehouse Program Guide in effect from time to time. Notwithstanding anything herein to the contrary, each Participated Mortgage Loan: (i) shall be subject to the provisions of the Warehouse Program Guide in effect as of the Purchase Date for such Participated Mortgage Loan; and (ii) shall not be subject to any material amendment, modification or supplement to the Warehouse Program Guide which occurs after the Purchase Date for such Participated Mortgage Loan. The Warehouse Program Guide is hereby incorporated into this Agreement by reference as if it was fully set forth herein.

(b) Bank shall make available to Seller the Warehouse Program Guide by: (i) posting the Warehouse Program Guide on a web portal or website (including the Electronic Platform) to which Seller will be granted access (if Bank shall elect to maintain a web portal or web site for such purpose and if Bank shall grant Seller access thereto); or (ii) by providing a written copy of the Warehouse Program Guide to Seller. Bank may, in its sole discretion, amend, modify or supplement the Warehouse Program Guide from time to time. If Bank shall have granted Seller access to a web portal or website on which the Warehouse Program Guide is posted, then: (i) any amendments, modifications or supplements to the Warehouse Program Guide shall become effective as to Seller upon such time as the same are posted on such web portal or website, without any further action or notice by Bank; and (ii) Seller shall be solely responsible for monitoring such web site or web portal for any amendments, modifications or supplements to the Warehouse Program Guide. If Bank shall have provided to Seller written copies of any amendments, modifications or supplements to the Warehouse Program Guide, then such amendments, modifications or supplements to the Warehouse Program Guide shall become effective as to Seller upon Seller's receipt thereof (unless Bank shall have also granted Seller access to a web portal or website to which such amendments, modifications or supplements are posted, in which case, such amendments, modifications or supplements shall become effective as to Seller upon the earlier of the posting thereof on such web portal or website or Seller's receipt of written copies thereof).

(c) Each submission of a Request by Seller to Bank shall constitute: (i) the ratification by Seller of the provisions of the Warehouse Program Guide in effect as of the Purchase Date (if any) for the Mortgage Loan that is the subject of the Request; and (ii) the agreement by Seller to be bound by all of the provisions of the Warehouse Program Guide (which is in effect as of such Purchase Date) applicable to the Mortgage Loan that is the subject of the Request.

5.14 **Financial Covenants**. At all times prior to the Agreement Termination Date (and thereafter if expressly required), Seller shall promptly and fully perform, observe and comply with the provisions set forth in Exhibit E.

5.15 **Supplemental Provisions**. At all times prior to the Agreement Termination Date (and thereafter if expressly required), Seller shall promptly and fully perform, observe and comply with the provisions set forth in Exhibit F.

5.16 **Other Warehousing Facilities**. Seller represents and warrants to Bank that any and all mortgage warehousing facilities of Seller (other than with Bank) in effect as of the Effective Date hereof are identified on Exhibit G. Seller covenants and agrees to: (a) notify Bank in writing prior to entering into any other mortgage warehousing facilities; and (b) promptly notify Bank in writing regarding any material change in any mortgage warehousing facility of Seller (including as to the maximum amount of any such facility and as to any termination, suspension or non-renewal of any such facility) or any default by Seller under any such mortgage warehousing facility.

5.17 **Affiliate Escrow Agents**. Seller represents and warrants to Bank that any and all title companies and other Persons that provide closing services in connection with residential mortgage loan

transactions which are directly or indirectly owned or controlled by Seller or under common ownership or control with Seller (each an "Affiliate Escrow Agent") as of the Effective Date are identified on Exhibit H. Seller represents and warrants that, prior to the Effective Date, Seller has delivered to Bank true, correct and complete copies of the financial statements for each Affiliate Escrow Agent. Seller covenants and agrees to promptly notify Bank in writing regarding any new Affiliate Escrow Agents arising after the Effective Date.

ARTICLE 6
REPRESENTATIONS AND WARRANTIES

Seller represents and warrants to Bank as of the Effective Date and thereafter:

6.1 **Organization and Good Standing**. (c) Grant, create, incur, permit or suffer to exist any Lien upon the Mortgaged Property which is security for any Participated Mortgage Loan, except for the Lien granted under the Security Instrument for such Participated Mortgage Loan; or

(d) Sell, transfer or assign any of Seller's rights, titles or interests in or to any Participated Mortgage Loan to any Person except as expressly provided in this Agreement, or otherwise with the prior written consent of Bank.

8.6 **Compliance with Material Agreements**. Seller shall not permit any default to occur with respect to any agreement, indenture, mortgage or document binding on it or affecting its Property or business, if such default may have a Material Adverse Effect upon Seller.

8.7 **Representations Regarding Interests Sold**. Seller will not represent to any Person that Seller owns all or any portion of the Participation Interests purchased by Bank under this Agreement.

9.2 **Default Remedies**. Upon the occurrence of an Event of Default, without any presentment, demand, protest, notice of protest and nonpayment, or other notice of any kind, all of which are hereby expressly waived by Seller, Bank may, in its sole and absolute discretion, immediately: (a) terminate or suspend Seller's right hereunder to submit any Request to Bank for Bank to purchase Participation Interests; (b) pursuant to the power of attorney conferred to Bank by Seller in connection with this Agreement (and in reliance of Section 10.18 in the event that Bank exercises the following remedy after the occurrence of an Event of Default specified in Sections 9.1(e) or (f)), sell in a recognized market (or otherwise in a commercially reasonable manner) at such price or prices as Bank shall reasonably deem satisfactory, any or all rights, titles and interest of Bank and Seller in and to any or all Participated Mortgage Loans and apply the proceeds thereof to the aggregate outstanding Advances made by Bank in connection with such Participated Mortgage Loans and to any other amounts payable to Bank in connection with this Agreement or any other Warehouse Document, in such order and amounts determined by Bank; (c) exercise its rights and remedies under any Pledge Agreement, Guaranty Agreement or other Warehouse Document; and/or (d) exercise any other right or remedy otherwise available to Bank under this Agreement or any other Warehouse Document or at law or in equity. Notwithstanding the foregoing, if an Event of Default specified in Sections 9.1(e) or (f) occurs, fees and other sums due hereunder shall become automatically and immediately due and payable, both without any action by Bank and without presentment, demand, protest, notice of protest and nonpayment, notice of acceleration or of intent to accelerate, or any other notice of any kind, all of which are hereby expressly waived, notwithstanding anything contained herein to the contrary.

9.3 **Option to Purchase Retained Percentage**. Without limiting the generality of Section 9.2, upon the occurrence of an Event of Default, Bank shall have the right at any time, in its sole and absolute discretion, to purchase from Seller the Retained Percentage in any or all Participated Mortgage Loans (the "Retained Interest Purchase Option"). To effect the purchase by Bank from Seller of the Retained Percentage in any Participated Mortgage Loan in connection with the Bank's exercise of the Retained Interest Purchase Option, Bank shall pay to Seller an amount (the "Retained Interest Purchase Price") equal to (a) the then outstanding principal balance of such Participated Mortgage Loan, as of the date of the exercise by Bank of the Retained Interest Purchase Option, multiplied by the Retained Percentage of Seller therein as of such date, less (b) the amount of Bank's pro rata share of any and all principal payments (which are allocable to Bank's Participation Interest in such Participated Mortgage Loan), determined in accordance with Bank's Participation Percentage in effect from time to time for such Participated Mortgage Loan, made on such Participated Mortgage Loan during the period of time commencing on the Purchase Date for such Participated Mortgage Loan and ending on the date of the exercise by Bank of the Retained Interest Purchase Option, but that have not been previously paid to Bank, less (c) the amount of Bank's pro rata share of any and all interest payments (which are allocable to Bank's Participation Interest in such Participated Mortgage Loan), determined in accordance with the Participation Interest Rate in effect from time to time for such Participated Mortgage Loan, made on such Participated Mortgage Loan during the

period of time commencing on the Purchase Date for such Participated Mortgage Loan and ending on the date of the exercise by Bank of the Retained Interest Purchase Option, but that have not been previously paid to Bank, less (d) the amount of any then-earned and unpaid Funding Fee payable by Seller to Bank hereunder with respect to such Participated Mortgage Loan as of the date of the exercise by Bank of the Retained Interest Purchase Option, less (e) any other amounts due and payable by Seller to Bank hereunder as of the date of the exercise by Bank of the Retained Interest Purchase Option, by depositing the Retained Interest Purchase Price into the Remittance Account. Effective immediately upon Bank's deposit into the Remittance Account of the Retained Interest Purchase Price for the Retained Percentage in any Participated Mortgage Loan, without any further action by or notice to any Person, Bank shall have purchased from Seller such Retained Percentage as reflected on Bank's books and records.

ARTICLE 10
MISCELLANEOUS

10.1 **Accounting Principles**. Where the character or amount of any asset or liability or item of income or expense is required to be determined or other financial or accounting computation is required to be made for the purposes of this Agreement or any other Warehouse Document, such determination shall be made in accordance with GAAP, except where such principles are inconsistent with the requirements of this Agreement or such other Warehouse Document. In addition, any accounting term used in this Agreement or any other Warehouse Document shall have, unless otherwise specifically provided therein, the meaning customarily given to such term in accordance with GAAP or other method of accounting acceptable to Bank.

10.2 **Time**. Time is of the essence of each and every term of this Agreement and the other Warehouse Documents.

10.3 **Titles of Articles, Sections and Subsections**. All titles or headings to articles, sections, subsections or other divisions of this Agreement or any other Warehouse Document or the exhibits or addenda hereto or thereto are only for the convenience of the parties and shall not be construed to have any effect or meaning with respect to the content of such articles, sections, subsections or other divisions, such content being controlling as to the agreement between the parties hereto.

10.4 **Seller's Status**. It is agreed that the relationship of Seller and Bank hereunder shall be that of the seller and purchaser of interests in Mortgage Loans. Seller and Bank are not partners or joint venturers, and nothing contained herein shall be construed to create a partnership, joint venture or similar relationship between the parties. Seller shall not act as or hold itself out to the public as being an agent for Bank, but is to act in all loan origination, administration and servicing matters hereunder for itself and in its name only, except to the extent that Seller is required under this Agreement to act as a trustee with fiduciary duties to hold for the benefit of Bank the Participated Mortgage Loans and the related Mortgage Loan Documents, and any and all funds and receipts, whether as principal, interest, escrows or otherwise, in respect of any Participated Mortgage Loan, and to make the remittances of any and all such documents and funds as specified in this Agreement. It further is agreed that Seller, as trustee, shall not assign its responsibilities under this Agreement except in accordance with this Agreement.

10.5 **Notices**. Any and all notices, requests and other communications required or permitted to be given under or in connection with this Agreement or any other Warehouse Document, except as otherwise provided herein or therein, shall be in writing and mailed or sent by electronic mail to the respective address, and to the attention of the designated recipient, provided below for Bank and provided on the signature page of this Agreement for Seller (or to such other address or to such designated recipient, as either party may designate in a written notice to the other party furnished pursuant to this Section). Such notices, requests and other communications so sent shall be deemed to have been given immediately if

made by electronic mail (confirmed by concurrent written notice sent first class U.S. mail, postage prepaid), or one (1) day after sending by recognized national overnight courier company, signature of recipient required if to Seller or Bank; any notice, request and other communication sent by any other means shall be deemed made when actually received in writing by the designated recipient of the party to which notice is provided in accordance with this Section. Notwithstanding the foregoing, Requests or communications related to a Request shall not be effective until actually received by Bank. Bank's address for notices is:

10.6 **Amendments and Waivers**. Subject to Section 10.7, any provision of this Agreement or any other Warehouse Document may be amended or waived if, but only if, such amendment or waiver is in writing and is signed by all the parties to this Agreement, such Warehouse Document or such other documents, as the case may be. The acceptance of Bank at any time and from time to time of part payment on any amounts payable to Bank hereunder shall not be deemed to be a waiver of the balance of such amounts. No waiver by Bank of any Event of Default shall be deemed to be a waiver of any other then-existing or subsequent Event of Default. No waiver by Bank of any of its rights or remedies under this Agreement, any other Warehouse Document, or otherwise, shall be considered a waiver of any other or subsequent right or remedy of Bank. No delay or omission by Bank in exercising any right or remedy under this Agreement or any other Warehouse Document shall impair such right or remedy or be construed as a waiver thereof or any acquiescence therein, nor shall any single or partial exercise of any such right or remedy preclude other or further exercise thereof, or the exercise of any other right or remedy under this Agreement, any other Warehouse Document or otherwise.

10.7 **Amendment Due to Government Regulation**. Both Bank and Seller understand that Bank is subject to the supervision of various Governmental Authorities. Should any Governmental Authority direct Bank to discontinue any practice set forth herein or to amend the terms hereof, Bank shall take immediate action to do so and shall notify Seller of such action. Seller hereby consents to such action and agrees to enter into any amendment or termination hereof as may be reasonably required by Bank to bring Bank into full compliance with applicable Laws.

10.8 **Participations**. Seller agrees that Bank may elect, at any time and in its sole discretion, to sell, assign and convey an undivided percentage ownership interest, or grant an undivided participation interest, in all or any portion of the Participation Interests (or any portion of any such Participation Interest) to one or more financial institutions, private investors and/or other Persons (collectively, "Participants"). Seller further agrees that Bank may disseminate to any such actual or potential Participants all documents and information (including any and all financial information) which has been or is hereafter provided to or known to Bank in connection with this Agreement and the other Warehouse Documents and the transactions contemplated hereby and thereby, including, information with respect to Seller, each Obligated Party and each Mortgage Loan in which Bank has purchased a Participation Interest.

10.9 **Invalidity**. In the event that any one or more of the provisions contained in this Agreement or any other Warehouse Document, for any reason, be held invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provisions of this Agreement or the other Warehouse Documents.

10.10 **Survival**. All covenants, agreements, representations and warranties made herein and in any other Warehouse Document shall continue in full force and effect as long as Bank has the right to

purchase Participation Interests hereunder and until all obligations to Bank hereunder and thereunder have been fully satisfied and discharged. Without limiting the generality of the foregoing, termination of this Agreement by either party pursuant to the terms of this Agreement shall not relieve Seller of: (a) its duties, obligations, representations, warranties, covenants, agreements or indemnities which accrued under this Agreement prior to the Advance Request Termination Date or the Agreement Termination Date; or (b) performance of its duties and obligations hereunder so long as there is any Participated Mortgage Loan which does not constitute a Retired Participated Mortgage Loan.

10.11 **Successors and Assigns**. All covenants and agreements contained by or on behalf of Seller in this Agreement or any Warehouse Document shall bind Seller's successors and assigns and shall inure to the benefit of Bank and its successors and assigns. Seller shall not, however, have the right to assign its rights under this Agreement or any interest herein, without the prior written consent of Bank, which consent may be withheld by Bank for any reason.

10.12 **Renewal**. If, as of the Effective Date, Bank holds any outstanding undivided percentage ownership interests (each an "Existing Participation Interest") in any Mortgage Loan purchased by Bank from Seller pursuant to a written mortgage warehouse agreement or similar written agreement executed by Bank and Seller prior to the Effective Date (as amended or modified from time to time, the "Existing Warehouse Agreement"), then, as of the Effective Date, unless expressly agreed to otherwise by Seller and Bank in writing after the date of the Existing Warehouse Agreement: (a) Seller shall not have any rights under the Existing Warehouse Agreement to request Bank to purchase additional undivided percentage ownership interests in Mortgage Loans, and any and all such requests and purchases on or after the Effective Date shall be governed by the terms and conditions of this Agreement; (b) any and all Existing Participation Interests shall continue to be subject to the terms and conditions of the Existing Warehouse Agreement; (c) the Existing Warehouse Agreement shall automatically terminate and cease to be in force and effect (except with respect to the provisions of the Existing Warehouse Agreement which expressly survive termination) without any action or notice upon such time as (i) pursuant to the terms and conditions of the Existing Warehouse Agreement, with respect to each Mortgage Loan in which Bank purchased an Existing Participation Interest (A) such Mortgage Loan has been sold in its entirety and the full amount of the proceeds of such sale have been received and applied by Bank thereunder or (B) the Existing Participation Interest in such Mortgage Loan has been repurchased in its entirety by Seller and the full amount of the proceeds of such repurchase have been received and applied by Bank thereunder, (ii) Bank has received full and indefeasible payment of all amounts due and payable to Bank pursuant to the Existing Warehouse Agreement, and (iii) Bank has remitted to Seller all sums, if any, required by the Existing Warehouse Agreement to be remitted by Bank to Seller; and (d) the Maximum Participation Amount shall be reduced by the sum, as such sum may vary from time to time, of (i) the Outstanding Participation Balance calculated with respect to the outstanding Existing Participation Interests plus (ii) all other amounts due and payable to Bank pursuant to the Existing Warehouse Agreement. The terms of this Section supersede and modify any and all inconsistent provisions in any Existing Warehouse Agreement.

10.13 **Bank's Consent or Approval**. Except where otherwise expressly provided in this Agreement or the other Warehouse Documents, in any instance under this Agreement or the other Warehouse Documents where the approval, consent or the exercise of judgment of Bank is required: (a) the granting or denial of such approval or consent and the exercise of such judgment shall be (i) within the sole and absolute discretion of Bank and (ii) deemed to have been given only by a specific writing intended for that purpose and executed by Bank; and (b) in order to be effective, such approval, consent or exercise of judgment must be given by Bank prior to the applicable action to be taken by Seller which requires Bank's approval, consent or exercise of judgment, unless otherwise agreed to in writing by Bank. Each provision for consent, approval, inspection, review, or verification by Bank is for Bank's own purposes and benefit only.

10.14 **Cumulative Rights**. The rights and remedies of Bank under this Agreement and any other Warehouse Document shall be cumulative, and shall be in addition to any rights and remedies of Bank at law or in equity.

10.15 **Acceptance of Agreement in Texas; Governing Law**. Seller has signed this Agreement and submits it to Bank for acceptance at Bank's offices in Richardson, Collin County, Texas. Seller and Bank shall make all payments and perform all other obligations arising hereunder at Collin County, Texas, and this Agreement is made and entered into at Collin County, Texas. This Agreement and all of the terms and conditions hereof and the rights of the parties hereto shall be governed by and interpreted in accordance with the Laws of the State of Texas and venue for any legal action brought hereunder shall lie in Collin County, Texas or Dallas County, Texas.

10.16 **Seller's Understanding**. Seller has read this Agreement and has had the opportunity to seek and/or receive counsel from an attorney of Seller's choice as to the effects hereof.

10.17 **Nature of Transactions**.

(a) The relationship established by this Agreement and the other Warehouse Documents between Bank and Seller is that of a seller and purchaser of Participation Interests in Mortgage Loans, and not that of a lender and borrower. Subject to Section 10.17(b), it is the intention of Bank and Seller that: (i) the purchase and sale of each Participation Interest hereunder shall be treated and construed as a sale by Seller to Bank, and the purchase by Bank from Seller, of a certain undivided percentage ownership interest in the related Mortgage Loan and the related Mortgage Loan Documents; and (ii) each sale of a Participation Interest by Seller to Bank, and each purchase of a Participation Interest by Bank from Seller, is a sale of an undivided interest in a promissory note to Bank, and that pursuant to Section 9.109 of the UCC of the State of Texas, Bank and Seller's characterization of each such sale and purchase of a Participation Interest as a purchase and sale of such Participation Interest shall be conclusive that (A) the transaction is a sale and is not a secured transaction and (B) legal and equitable title has passed to Bank in the Mortgage Loan and Mortgage Loan Documents in which Bank acquired such Participation Interest.

(b) Neither Party has made or hereby makes any representations or warranties to the other Party, and hereby disclaims any such representations or warranties, regarding the accounting or tax treatment to be applied to any Participation Interest (including whether any such Participation Interest qualifies for "sale" treatment under any applicable accounting rules, regulations or standards). Each Party hereby agrees that it has and will make its own independent determination regarding the accounting and tax treatment to be applied to each Participation Interest, and has not relied upon the other Party in any manner in making such determination. The accounting or tax treatment applied by any Party with respect to any Participation Interest shall not be binding upon the other Party, shall not be used by the other Party in any manner inconsistent with, and shall not affect, the Parties' intent hereunder that any and all transaction pursuant to which Bank pays a Purchase Price to Seller is for a sale by Seller to Bank, and the purchase by Bank from Seller, of a certain undivided percentage ownership interest in the related Mortgage Loan and Mortgage Loan Documents and that legal and equitable title has passed to Bank in the Mortgage Loan in which Bank acquired such Participation Interest.

(c) If any court of competent jurisdiction shall deem any transaction involving Bank, Seller or any Participation Interest governed by this Agreement to be a loan, extension of credit or a secured financing, or if any court of competent jurisdiction shall determine that any purported Participation Interest in any purported Participated Mortgage Loan (or any portion thereof) is the property of Seller or shall otherwise not have been sold by Seller to, and purchased by, Bank, as

contemplated herein, then notwithstanding anything herein or in any other Warehouse Document to the contrary: (i) as of the Effective Date, Bank shall have (and Seller shall have been deemed to have pledged, assigned and granted to Bank) a first priority security interest in and to the Collateral to secure the prompt and complete payment and performance of any and all of Seller's indebtedness and obligations to Bank under this Agreement and the other Warehouse Documents; and (ii) any and all amounts received by Bank with respect to any Participated Mortgage Loan may be applied in such order and priority as Bank may determine. For this purpose, this Agreement shall constitute a security agreement in accordance with the UCC, and Bank shall have all the rights of a secured creditor with respect to such security.

10.18 **Repurchase Agreement**. It is expressly stipulated to be the intent of Bank and Seller, and understood and agreed by Bank and Seller, that (a) this Agreement constitutes a "repurchase agreement" under Section 101(47) of the Bankruptcy Code and (b) pursuant to Sections 362(b), 555 and 559 of the Bankruptcy Code, the rights of Bank under this Agreement related to the sale and repurchase of Mortgage Loans (including, the rights of Bank hereunder, upon the occurrence of an Event of Default, to liquidate and/or foreclose on the Mortgage Loans in which it holds Participation Interests) shall not be stayed, avoided or otherwise limited by the operation of any provision of the Bankruptcy Code.

10.19 **Usury Savings Provision**. It is expressly stipulated to be the intent of Bank and Seller, and understood and agreed by Bank and Seller, that this Agreement: (a) does not represent a loan from Bank to Seller; and (b) allows Bank to purchase the Participation Interests for its own account and for a short term investment. If, notwithstanding the foregoing or the terms of this Agreement, a court of competent jurisdiction establishes a loan or extension of credit within this Agreement from Bank to Seller, then the parties to this Agreement hereby understand, acknowledge and agree that in such event: (a) Seller shall be the underlying obligor of that loan or extension of credit established by such court of competent jurisdiction; (b) Seller is utilizing the proceeds of that loan or extension of credit established by such court of competent jurisdiction for business, commercial, investment, or similar purposes; and (c) Seller has determined that it is beneficial to use any and all proceeds of that loan or extension of credit established by such court of competent jurisdiction to establish collateral for that loan or extension of credit established by such court of competent jurisdiction by: (i) making deposits at Bank; (ii) purchasing certificates of deposit from Bank; and/or (iii) establishing other accounts at Bank. Furthermore, it is Bank's and Seller's intention and agreement that if a court of competent jurisdiction establishes a loan or extension of credit from Bank to Seller under this Agreement, then any proceeds of that loan or extension of credit established by such court of competent jurisdiction deposited with Bank as additional collateral for that loan or extension of credit: (a) shall be considered a compensating balance under and pursuant to Section 276.003 of the Texas Finance Code; and (b) shall not be considered a reduction in the amount of the proceeds of that loan and/or extension of credit from Bank to Seller. Additionally, it is the stipulated, understood and agreed to be the intent of Bank and Seller that this Agreement shall at all times comply strictly with the applicable Texas law governing the maximum rate or amount of interest payable on the Indebtedness (as hereinafter defined), if any, or applicable United States federal law to the extent that such law permits Bank to contract for, charge, take, reserve or receive a greater amount of interest than under Texas law. For purposes of this provision, "Indebtedness" shall mean all indebtedness, if any, evidenced, referenced, described, or established by a court of competent jurisdiction under this Agreement, and all amounts payable in the performance of any covenant or obligation in any of the other documents or any other communication or writing by or between Bank and Seller related to the transaction or transactions that are the subject matter of this Agreement, or any part of such Indebtedness, if any. If the applicable law is ever judicially interpreted so as to render usurious any amount contracted for, charged, taken, reserved or received in respect of the Indebtedness, if any, including by reason of the acceleration of the maturity or the prepayment thereof, then it is Bank's and Seller's express intent that all amounts charged in excess of the Maximum Lawful Rate (as hereinafter defined), if any, shall be automatically canceled, ab initio, and all amounts in excess of the Maximum Lawful Rate theretofore collected by Bank, if any, shall be credited

on the principal balance of the Indebtedness, if any, or, if the Indebtedness, if any, has been or would thereby be paid in full, refunded to Seller, and the provisions of this Agreement and any underlying documents shall immediately be deemed reformed and the amounts thereafter collectible hereunder and thereunder reduced, without the necessity of the execution of any new document, so as to comply with the applicable laws, but so as to permit the recovery of the fullest amount otherwise called for hereunder and thereunder; provided, however, if the Indebtedness has been paid in full before the end of the stated term hereof, then Bank and Seller agree that Bank shall, with reasonable promptness after Bank discovers or is advised by Seller that interest was received in an amount in excess of the Maximum Lawful Rate, either credit such excess interest against the Indebtedness then owing by Seller to Bank and/or refund such excess interest to Seller. If and to the extent Indebtedness is determined to exist by a court of competent jurisdiction, then Seller hereby agrees that as a condition precedent to any claim seeking usury penalties against Bank, Seller will provide written notice to Bank, advising Bank in reasonable detail of the nature and amount of the violation, and Bank shall have sixty (60) days after receipt of such notice in which to correct such usury violation, if any, by either refunding such excess interest to Seller or crediting such excess interest against the Indebtedness, if any, then owing by Seller to Bank. All sums contracted for, charged, taken, reserved or received by Bank for the use, forbearance or detention of Indebtedness, if any, shall, to the extent permitted by applicable law, be amortized, prorated, allocated or spread, using the actuarial method, throughout the stated term of this Agreement (including any and all renewal and extension periods) until payment in full so that the rate or amount of interest on account of the Indebtedness, if any, does not exceed the Maximum Lawful Rate from time to time in effect and applicable to the Indebtedness, if any, for so long as debt is outstanding. In no event shall the provisions of Chapter 346 of the Texas Finance Code (which regulates certain revolving credit loan accounts and revolving tri-party accounts) apply to this Agreement or any other part of the Indebtedness, if any. If and to the extent any Indebtedness is determined to exist under this Agreement by a court of competent jurisdiction, then notwithstanding anything to the contrary contained herein or in any of underlying documents referenced herein, it is not the intention of Bank to accelerate the maturity of any interest, if any, that has not accrued at the time of such acceleration or to collect unearned interest at the time of such acceleration. If and to the extent any Indebtedness is determined to exist under this Agreement by a court of competent jurisdiction, then the terms and provisions of this paragraph shall control and supersede every other term, covenant or provision contained herein, in any of the other underlying documents referenced within this Agreement or in any other document or instrument pertaining to the Indebtedness. As used herein, the term "Maximum Lawful Rate" shall mean the maximum lawful rate of interest which may be contracted for, charged, taken, received or reserved in accordance with the applicable Laws of the State of Texas (or applicable United States federal law to the extent that such law permits Bank to contract for, charge, take, receive or reserve a greater amount of interest than under Texas law), taking into account all fees, charges and any other value whatsoever made in connection with the transaction evidenced by this Agreement. To the extent United States federal law permits contracting for, charging, taking, receiving or reserving a greater amount of interest than under Texas law, then such United States federal law will be relied upon instead of Texas law for the purpose of determining the Maximum Lawful Rate. Additionally, if and to the extent any Indebtedness is determined to exist under this Agreement by a court of competent jurisdiction, to the extent permitted by applicable law now or hereafter in effect, Bank may, at its option and from time to time utilize any other method of establishing the Maximum Lawful Rate under Texas law or under other applicable law by giving notice, if required, to Seller as provided by such applicable law now or hereafter in effect.

10.20 **WAIVER OF JURY TRIAL** . TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, SELLER HEREBY IRREVOCABLY AND EXPRESSLY WAIVES ALL RIGHT TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING, OR COUNTERCLAIM (WHETHER BASED UPON CONTRACT, TORT, OR OTHERWISE) ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER WAREHOUSE DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY OR THE ACTIONS OF BANK IN THE NEGOTIATION, ADMINISTRATION, OR ENFORCEMENT THEREOF.

10.21 **Joint and Several Liability**. The liability of all Persons obligated to Bank in any manner under this Agreement shall be joint and several. If more than one Person shall execute this Agreement as "Seller", then the term "Seller" as used herein and in the other Warehouse Documents shall refer both to each such Person individually and to all such Persons collectively.

10.22 **Electronic Processing**.

(a) Seller acknowledges that Bank may employ one or more electronic processes and systems with respect to the transactions contemplated by this Agreement, including the purchase of Participation Interests in Mortgage Loans and the sale of such Participation Interests to Take-Out Purchasers. Seller shall cooperate with Bank with respect to the implementation of any such electronic document processes or systems.

(b) With respect to the Mortgage Loan Documents for Participated Mortgage Loans, Seller may use electronic services, process and systems for the execution thereof only with the Bank's prior written consent, which approval may be conditioned by Bank upon, among other things, the following: (i) full, unrestricted access by Bank to all electronic reports, records and data related thereto; (ii) cooperation on the part of Seller with respect to access and turnover of such reports, records and data to Bank; and (iii) recognition agreements with third party service providers and vendors, in form and content satisfactory to Bank.

10.23 **Electronic Transmission of Data**. Bank and Seller agree that certain data related to Mortgage Loans (including confidential information, documents, applications and reports) and the transactions contemplated by this Agreement may be transmitted electronically, including over the Internet and/or through the use of the Electronic Platform. This data may be transmitted to, received from or circulated among agents and representatives of Seller and/or Bank and their affiliates, and other Persons involved with the subject matter of this Agreement. In addition, Bank may disclose Confidential Information: (i) to an actual Participant or to a potential Participant pursuant to the provisions of Section 10.8; (ii) if an Event of Default has occurred and Bank has determined that the disclosure of Confidential Information is necessary or desirable in connection with the marketing and sale of Participated Mortgage Loans or the enforcement or exercise of Bank's rights or remedies under the Warehouse Documents.

Any Event of Default under any Warehouse Document shall also constitute a default and breach under the documents evidencing, securing or otherwise governing or pertaining to the Other Obligations.

(b) Any and all Liens at any time securing the Other Obligations shall also secure any and all obligations and liabilities of Seller under the Warehouse Documents. 10.29 **Counterparts**. To facilitate execution, this Agreement may be executed in as many counterparts as may be convenient or required. It shall not be necessary that the signature of, or on behalf of, each party, or that the signature of all Persons required to bind any party, appear on each counterpart. All counterparts shall collectively constitute a single agreement. It shall not be necessary in making proof of this Agreement to produce or account for more than a single counterpart containing the respective signatures of, or on behalf of, each of the parties hereto. Any signature page to any counterpart may be detached from such counterpart without impairing the legal effect of the signatures thereon and thereafter attached to another counterpart identical thereto except having attached to it additional signature pages.

10.30 **ENTIRE AGREEMENT**. THIS WRITTEN AGREEMENT AND THE OTHER WAREHOUSE DOCUMENTS REPRESENT THE FINAL AGREEMENT BETWEEN THE PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS, OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES. Article 2
THE COMMITMENTS AND CREDIT EXTENSIONS

Section 2.1 **The Loan**.

(a) **Revolving Credit Borrowings**. Subject to the terms and conditions of this Agreement, each Revolving Credit Lender severally agrees to make one or more revolving credit loans (each such loan, a "Revolving Credit Loan") to Borrower from time to time from the Closing Date until the Maturity Date for the Revolving Credit Facility in an aggregate principal amount for such Revolving Credit Lender at any time outstanding up to but not exceeding the amount of such Revolving Credit Lender's Revolving Credit Commitment; *provided* that the Revolving Credit Exposure of all Revolving Credit Lenders shall not exceed the lesser of (i) the aggregate amount of the Revolving Credit Commitments of the Revolving Credit Lenders and (ii) the Borrowing Base; provided further that the sum of the Servicing Advances Receivables RC Loans outstanding at any time shall not exceed the Servicing Advances Receivables Sublimit. Subject to the foregoing limitations and the other terms and provisions of this Agreement, Borrower may borrow, repay and reborrow Revolving Credit Loans hereunder.

(b) **Borrowing Procedure**. Each Revolving Credit Borrowing (subject to the then aggregate Revolving Credit Commitments) shall be made upon Borrower's irrevocable notice to Administrative Agent, which may be given by telephone. Each such notice must be received by Administrative Agent not later than 11:00 a.m. on the Business Day before the requested date of any Revolving Credit Borrowing. Each telephonic notice by Borrower pursuant to this Section 2.1(b) must be confirmed promptly by delivery to Administrative Agent of a written Revolving Credit Borrowing Request, appropriately completed and signed by a Responsible Officer of Borrower. Each Revolving Credit Borrowing shall be in a principal amount of [***] or a whole multiple of [***] in excess thereof; *provided* that such Revolving Credit Borrowing may be in an amount equal to the Revolving Credit Availability. Each Revolving Credit Borrowing Request (whether telephonic or written) shall specify (i) the requested date of the Revolving Credit Borrowing (which shall be a Business Day), and (ii) the principal amount to be borrowed.

(c) **Funding**. Following receipt of a Revolving Credit Borrowing Request, Administrative Agent shall promptly notify each Lender of the amount of its Applicable Percentage of the Loan and the requested date of the Revolving Credit Borrowing. Each Lender shall make the amount of its Loan available to Administrative Agent in immediately available

funds at Administrative Agent's Principal Office not later than 1:00 p.m. on the Business Day specified in the applicable Revolving Credit Borrowing Request. Upon satisfaction of the applicable conditions set forth in Section 5.2 (and, if such Revolving Credit Borrowing is the initial Credit Extension, Section 5.1), Administrative Agent shall make all funds so received available to Borrower in like funds as received by Administrative Agent either by (i) crediting the account of Borrower on the books of Texas Capital Bank with the amount of such funds or (ii) wire transfer of such funds, in each case in accordance with instructions provided to (and reasonably acceptable to) Administrative Agent by Borrower.

(d) **Renewal; Term-Out**.

(i) Not earlier than [***], and not later than [***], before the then-effective stated Maturity Date, Borrower may elect by notice to Administrative Agent that the Revolving Credit Loans be converted on the Maturity Date to an amortizing closed end term loan (the "Converted Term Loan") due and payable in monthly installments of [***] of the principal balance of the Notes on such conversion date, plus interest accrued to and unpaid on the due date of each monthly installment at the applicable interest rate under the Notes (such monthly installment amount, the "Term Installment Amount) , with final payment due [***] after such conversion date without notice or demand, both of which Borrower hereby waives. If Borrower timely elects such conversion and no Default or Event of Default shall have occurred and be continuing on the Maturity Date, the Revolving Credit Loans shall be converted automatically on the Maturity Date to the Converted Term Loan. Borrower shall not be entitled to any more Revolving Credit Borrowings after such conversion. If a Default or Event of Default shall have occurred and be continuing on the Maturity Date, such conversion shall not occur and the entire unpaid balance of principal and accrued interest on the Notes shall be due and payable without notice or demand on the Maturity Date.

(ii) If Borrower does not timely elect such conversion, provided that, and only so long as, there is no Default or Event of Default hereunder, Borrower shall have a period of [***] (the "Term-Out Period") from the Maturity Date in which to pay off the Loan; *provided* that Borrower shall not be entitled to any more Revolving Credit Borrowings after the Maturity Date and Borrower shall pay monthly installments of principal and interest, each in an amount equal to the Term Installment Amount, on each monthly Payment Date during the Term-Out Period; and *provided further* that at the end of the [***] following the Maturity Date, the entire unpaid principal balance and all accrued and unpaid interest on the Notes shall be finally due and payable without notice or demand, both of which Borrower hereby waives. If a Default or Event of Default shall have occurred and be continuing on the Maturity Date, such conversion shall not occur and the entire unpaid balance of principal and accrued interest on the Notes shall be due and payable without notice or demand on the Maturity Date.

(iii) In either of the cases described in clauses (i) and (ii) above, all payments on, and any prepayments of, the Notes shall be applied first to accrued interest, next to the principal installment due on or next after the date of payment and the balance to the remaining principal installments in inverse order of maturity.

Section 2.2 **Fees**.

(a) **Fees**. Borrower agrees to pay to Administrative Agent and Arranger, for the account of Administrative Agent, Arranger and each Lender, as applicable, fees in the amounts and on the dates set forth in the Fee Letter.

(b) **Commitment Fee**. Borrower agrees to pay the Commitment Fee to Administrative Agent for the account of each Revolving Credit Lender in accordance, subject to Section 12.24, with such Revolving Credit Lender's Applicable Percentage. The Commitment Fee shall be due and payable quarterly in arrears on the first day of each April, July, October and January during the term of this Agreement and on the Maturity Date**.**

Section 2.3 **Payments Generally; Administrative Agent's Clawback.**

(a) **General**. All payments of principal, interest and other amounts to be made by Borrower under this Agreement and the other Loan Documents (other than Protective Advances) shall be made to Administrative Agent for the account of Administrative Agent or the pro rata accounts of the applicable Lenders, as applicable, at the Principal Office, in Dollars and immediately available funds, without setoff, deduction or counterclaim, and free and clear of all taxes at the time and in the manner provided herein. Payments by check or draft shall not constitute payment in immediately available funds until the required amount is actually received by Administrative Agent in full. Payments in immediately available funds received by Administrative Agent in the place designated for payment on a Business Day before 11:00 a.m. at such place of payment shall be credited before the close of business on the Business Day received, while payments received by Administrative Agent on a day other than a Business Day or after 11:00 a.m. on a Business Day will be credited on the next succeeding Business Day. If any payment of principal or interest on the Notes shall become due and payable on a day other than a Business Day, then such payment shall be made on the next succeeding Business Day. Any such extension of time for payment shall be included in computing interest that has accrued, and that interest shall be due and payable in connection with such payment. Administrative Agent is hereby authorized to charge any account or accounts of Borrower maintained with Administrative Agent that is not a Servicer's Deposit Account for each payment of principal, interest and fees as it becomes due hereunder and shall give notice to Borrower of any such charge.

(b) **Funding by Lenders; Presumption by Administrative Agent**. Unless Administrative Agent shall have received notice from a Lender, that such Lender will not make available to Administrative Agent such Lender's share of a Revolving Credit Borrowing, Administrative Agent may assume that such Lender has made such share available on such date in accordance with this Agreement and may, in reliance upon such assumption, make available to Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Revolving Credit Borrowing available to Administrative Agent, then the applicable Lender and Borrower severally agree to pay to Administrative Agent forthwith on demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to Borrower to but excluding the date of payment to Administrative Agent, at (i) in the case of a payment to be made by such Lender, the greater of the Federal Funds Rate and a rate determined by Administrative Agent in accordance with

banking industry rules on interbank compensation, and (ii) in the case of a payment to be made by Borrower, the interest rate applicable to the applicable Revolving Credit Borrowing. If Borrower and such Lender shall pay such interest to Administrative Agent for the same or an overlapping period, Administrative Agent shall promptly remit to Borrower the amount of such interest paid by Borrower for such period. If such Lender pays its share of the applicable Revolving Credit Borrowing to Administrative Agent, then the amount so paid shall constitute such Lender's Loan. Any payment by Borrower shall be without prejudice to any claim Borrower may have against a Lender that shall have failed to make such payment to Administrative Agent.

(c) **Payments by Borrower; Presumption by Administrative Agent**. Unless Administrative Agent shall have received notice from Borrower before the date when any payment is due to Administrative Agent for the account of the applicable Lenders that Borrower will not make such payment, Administrative Agent may assume that Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the applicable Lenders the amount due. In such event, if Borrower has not in fact made such payment, then each applicable Lender severally agrees to repay to Administrative Agent forthwith on demand the amount so distributed to such Lender, with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to Administrative Agent, at a rate per annum equal to the greater of the Federal Funds Rate and a rate determined by Administrative Agent in accordance with banking industry rules on interbank compensation.

(d) **Protective Advances**. Lenders reserve the right, but disclaim the obligation, to make Protective Advances to an Agency or any other party as Administrative Agent deems necessary or appropriate, in its sole and absolute discretion, to preserve the Lenders' rights and interests under an Acknowledgment Agreement. Upon Administrative Agent's demand, each Lender shall pay to Administrative Agent forthwith its Applicable Percentage of such Protective Advance, subject to such Lender's Revolving Credit Commitment, and such amounts shall be deemed to be Advances hereunder. In the event that, due to the limitation of each Lender's Revolving Credit Commitment, Administrative Agent or any Protective Advance-funding Lender is not fully reimbursed for the amount of its Protective Advance, the unreimbursed portion of such Protective Advance (the "Outstanding Protective Advance") shall bear interest at the interest rate applicable under the Revolving Note and shall be repaid to Administrative Agent or such funding Lender, as applicable, as a first priority out of subsequent payments or prepayments made hereunder.

Section 2.4 **Evidence of Debt**. The Loans made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and by Administrative Agent in the ordinary course of business; *provided* that such Loans shall also be evidenced by such Lender's Note, whether or not any notations regarding such Loans are made on such Note. The accounts or records maintained by Administrative Agent, and each Lender shall be conclusive absent manifest error of the amount of the Credit Extensions made to Borrower and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of Borrower hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by

any Lender and the accounts and records of Administrative Agent in respect of such matters, the accounts and records of Administrative Agent shall control in the absence of manifest error.

Section 2.5 **Interest; Payment Terms**.

(a) **Revolving Credit Loans — Payment of Principal and Interest; Revolving Nature**. Subject to the following sentence and Section 2.5(f), the unpaid principal amount of each of the Revolving Credit Loans shall bear interest at the applicable Interest Rate. If at any time such rate of interest would exceed the Maximum Rate but for the provisions thereof limiting interest to the Maximum Rate, then any subsequent reduction shall not reduce the rate of interest on the Revolving Credit Loans below the Maximum Rate until (i) the aggregate amount of interest accrued on the Revolving Credit Loans equals the aggregate amount of interest that would have accrued on the Revolving Credit Loans if the interest rate had not been limited by the Maximum Rate or (ii) all principal of and interest accrued to the date of final payment on the Revolving Credit Loans shall have been fully paid and satisfied. All accrued but unpaid interest on the principal balance of the Revolving Credit Loans shall be due and payable on each Payment Date and on the Maturity Date for the Revolving Credit Facility, *provided* that interest accruing at the Default Interest Rate pursuant to Section 2.5(f) shall be payable on demand. Subject to Section 2.1(d), the then Outstanding Amount of the Revolving Credit Loans and all accrued but unpaid interest thereon shall be due and payable on the Maturity Date for the Revolving Credit Facility. The unpaid principal balance of the Revolving Credit Loans at any time shall be the total amount advanced hereunder by Revolving Credit Lenders less the amount of principal payments made thereon by or for Borrower, which balance may be endorsed on the Revolving Credit Notes from time to time by Revolving Credit Lenders or otherwise noted in Revolving Credit Lenders' and/or Administrative Agent's records, which notations shall be, absent manifest error, conclusive evidence of the amounts owing hereunder from time to time.

(b) **Application**. Except as expressly provided herein (specifically including the provisions of Section 10.3) to the contrary, all payments on the Obligations under the Loan Documents shall be applied in the following order of priority: to (i) the payment or reimbursement of any expenses, costs or obligations (other than the Outstanding Amount thereof and interest thereon) for which Borrower shall be obligated or Administrative Agent or any Lender shall be entitled pursuant to the provisions of this Agreement, the Notes or the other Loan Documents, including all Outstanding Protective Advances; (ii) the payment of accrued but unpaid interest and (iii) subject to the last sentence of Section 2.1(d), the payment of all or any portion of the principal balance then outstanding hereunder as directed by Borrower. If an Event of Default exists under this Agreement, the Notes or under any of the other Loan Documents, any such payment shall be applied as provided in Section 10.3.

(c) **Computation Period**. Interest on the Loans and all other amounts payable by Borrower hereunder on a per annum basis shall be computed on the basis of a 365/366-day year and the actual number of days elapsed (including the first day but excluding the last day). In computing the number of days during which interest accrues, the day when funds are initially advanced shall be included regardless of the time of day such advance is made, and the day when funds are repaid shall be included unless repayment is credited before the close of business on the Business Day received. Each determination by Administrative Agent of an

interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

(d) **Unconditional Payment**. Borrower is and shall be obligated to pay all principal, interest and any and all other amounts that become payable under any of the Loan Documents absolutely and unconditionally and without any abatement, postponement, diminution or deduction whatsoever and without any reduction for counterclaim or setoff whatsoever. If at any time any payment received by Administrative Agent hereunder shall be deemed by a court of competent jurisdiction to have been a voidable preference or fraudulent conveyance under any Debtor Relief Law, then the obligation to make such payment shall survive any cancellation or satisfaction of the Obligations under the Loan Documents and shall not be discharged or satisfied with any prior payment thereof or cancellation of such Obligations, but shall remain a valid and binding obligation enforceable in accordance with the terms and provisions of this Agreement, and such payment shall be immediately due and payable upon demand.

(e) **Partial or Incomplete Payments**. Remittances in payment of any part of the Obligations under the Loan Documents other than in the required amount in immediately available funds at the place where such Obligations are payable shall not, regardless of any receipt or credit issued therefor, constitute payment until the required amount is actually received by Administrative Agent in full in accordance herewith, and shall be made and accepted subject to the condition that any check or draft may be handled for collection in accordance with the practice of the collecting bank or banks. Acceptance by Administrative Agent of any payment in an amount less than the full amount then due shall be deemed an acceptance on account only, and the failure to pay the entire amount then due shall be and continue to be an Event of Default.

(f) **Default Interest Rate**. For so long as any Event of Default exists, regardless of whether or not there has been an acceleration of the Loans, and at all times after the maturity of the Loans (whether by acceleration or otherwise), and in addition to all other rights and remedies of Administrative Agent or Lenders hereunder, interest shall accrue on any past due amount at the Default Interest Rate, and such accrued interest shall be immediately due and payable. Borrower acknowledges that it would be extremely difficult or impracticable to determine Administrative Agent's or Lenders' actual damages resulting from any late payment or Event of Default, and such accrued interest is a reasonable estimate of those damages and does not constitute a penalty.

Section 2.6 **Voluntary Termination or Reduction of Revolving Credit Commitments; Prepayments**.

(a) **Voluntary Termination or Reduction of Revolving Credit Commitments**. Borrower may, upon written notice to Administrative Agent, terminate the Revolving Credit Commitments, or from time to time permanently reduce the Revolving Credit Commitments; *provided* that (i) any such notice shall be received by Administrative Agent not later than 11:00 a.m. [***] prior to the date of termination or reduction, (ii) any such partial reduction shall be in an aggregate amount of [***] or any whole multiple of [***] in excess thereof, and (iii) Borrower shall not terminate or reduce the Revolving Credit Commitments if, after giving

effect thereto and to any concurrent prepayments hereunder, the Revolving Credit Exposure of all Revolving Credit Lenders would exceed the lesser of (x) the aggregate amount of the Revolving Credit Commitments so reduced or terminated, and (y) the Borrowing Base. Administrative Agent will promptly notify Revolving Credit Lenders of any such notice of termination or reduction of the Revolving Credit Commitments. Any reduction of the Revolving Credit Commitments shall be applied to the Revolving Credit Commitment of each Revolving Credit Lender according to its Applicable Percentage. All fees accrued until the effective date of any termination of the Revolving Credit Commitments shall be paid on the effective date of such termination.

(b) **Voluntary Prepayments**. Subject to the conditions set forth below, Borrower shall have the right, at any time and from time to time upon at least [***] prior written notice to Administrative Agent, to prepay the principal of the Revolving Credit Loans in full or in part. If there is a prepayment of all or any portion of the principal of the Revolving Credit Loans on or before the Maturity Date for such Loans, whether voluntary or because of acceleration or otherwise, such prepayment shall also include any and all accrued but unpaid interest on the amount of principal being so prepaid through and including the date of prepayment, plus any other sums that have become due to Lenders under the other Loan Documents on or before the date of prepayment, but that have not been fully paid.

(c) **Mandatory Prepayment of Revolving Credit Facility**.

(i) If at any time, whether before or after conversion, if any, of the Revolving Credit Loans to the Converted Term Loan pursuant to Section 2.1(d)(i) or commencement of the Term-Out Period, if any, pursuant to Section 2.1(d)(ii), the Revolving Credit Exposure of the Revolving Credit Lenders exceeds the Borrowing Base then in effect, then Borrower shall immediately prepay the entire amount of such excess to Administrative Agent, for the ratable account of Revolving Credit Lenders.

(ii) If after giving effect to any Disposition permitted by Section 8.10, the Revolving Credit Exposure of the Revolving Credit Lenders will exceed the Borrowing Base then in effect, then concurrently with such Disposition, Borrower shall apply the cash proceeds of such Disposition, and pay such additional cash (if any) as shall be required, to immediately prepay the entire amount of such excess to Administrative Agent, for the ratable accounts of Revolving Credit Lenders. Administrative Agent may require, in its sole discretion, that the purchaser or transferee pay such excess to Administrative Agent directly.

(iii) If at any time the sum of the Servicing Advances Receivables RC Loans outstanding exceeds the Servicing Advances Receivables Sublimit, then Borrower shall immediately prepay the entire amount of such excess to Administrative Agent, for the ratable account of Revolving Credit Lenders.

Section 2.7 **Uncommitted Increase in Revolving Credit Commitments**.

(a) **Request for Increase**. Provided there exists no Default, upon notice to Administrative Agent (which shall promptly notify the Lenders), (i) Borrower may from time to time before the Maturity Date request an increase in the aggregate Revolving Credit

Commitments to an amount not to exceed [***]; *provided* that any such request for an increase shall be in a minimum amount of [***] or such other amount as Administrative Agent may otherwise agree in writing. At the time of sending such notice, Borrower (in consultation with Administrative Agent) shall specify the time period within which each Revolving Credit Lender is requested to respond (which shall in no event be less than [***] from the date of delivery of such notice to the Revolving Credit Lenders).

(b) **Lender Elections to Increase**. Each Revolving Credit Lender shall notify Administrative Agent within such time period whether or not it agrees to increase its Revolving Credit Commitment and, if so, whether by an amount equal to, greater than, or less than its Applicable Percentage of such requested increase. Any Revolving Credit Lender not responding within such time period shall be deemed to have declined to increase its Revolving Credit Commitment.

(c) **Notification by Administrative Agent; Additional Revolving Credit Lenders**. Administrative Agent shall notify Borrower and each Lender of the Revolving Credit Lenders' responses to each request made under this Section 2.7. To achieve the full amount of a requested increase and subject to the approval of Administrative Agent (which approval shall not be unreasonably withheld), Borrower or Lender may also invite additional Eligible Assignees to become Revolving Credit Lenders. If such additional Eligible Assignee commits to become a Revolving Credit Lender, (i) in addition to satisfying the conditions of Section 2.7(e), Borrower shall execute a Revolving Credit Note in favor of such Eligible Assignee in the amount of such Eligible Assignee's Revolving Credit Commitment, and (ii) such Eligible Assignee shall execute this Agreement, an acknowledgment of the terms and conditions hereof, and any such other acknowledgments and agreements as Administrative Agent may require, all in form and substance satisfactory to Administrative Agent and its counsel.

(d) **Increase Effective Date and Allocations**. If the Revolving Credit Commitments are increased in accordance with this Section 2.7, Administrative Agent and Borrower shall determine the effective date (the "Increase Effective Date") and the final allocation of such increase. Administrative Agent shall promptly notify Borrower and the Lenders of the final allocation of such increase and the Increase Effective Date.

(e) **Conditions to Effectiveness of Increase**. As a condition precedent to such increase, (i) Borrower shall execute a Revolving Credit Note in favor of each Revolving Credit Lender which has agreed to increase its Revolving Credit Commitment in the amount of such Lender's Revolving Credit Commitment as affected by such increase, and (ii) Borrower shall deliver to Administrative Agent a certificate of each Obligated Party dated as of the Increase Effective Date (in sufficient copies for each Lender) signed by a Responsible Officer of such Obligated Party (x) certifying and attaching the resolutions adopted by such Obligated Party approving or consenting to such increase, and (y) in the case of Borrower, certifying that, before and after giving effect to such increase, (A) the representations and warranties contained in Article 6 and the other Loan Documents are true and correct on and as of the Increase Effective Date, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they are true and correct as of such earlier date, and except that for purposes of this Section 2.7, the representations and warranties contained in Section 6.2 shall be deemed

to refer to the most recent statements furnished pursuant to Section 7.1(a) and Section 7.1(b), respectively, and (B) no Default or Event of Default exists. Borrower shall prepay any Revolving Credit Loans outstanding on the Increase Effective Date to the extent necessary to keep the outstanding Revolving Credit Loans ratable with any revised Applicable Percentages arising from any nonratable increase in the Revolving Credit Commitments under this Section 2.7.

(f) **Conflicting Provisions**. This Section 2.7 shall supersede and control over any conflicting or inconsistent provisions of Section 12.25 or Section 12.12.

Article 3
TAXES, YIELD PROTECTION AND INDEMNITY

Section 3.1 **Increased Costs**.

(a) **Increased Costs Generally**. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender;

(ii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of "Excluded Taxes" and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Lender or the London interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Loans made by such Lender;

and the result of any of the foregoing shall be to increase the cost to such Lender or such other Recipient of making, converting to, continuing or maintaining any Loan or of maintaining its obligation to make any Loan or to reduce the amount of any sum received or receivable by such Lender or other Recipient hereunder (whether of principal, interest or any other amount) then, upon request of such Lender or other Recipient, Borrower will pay to such Lender or other Recipient, as the case may be, such additional amount or amounts as will compensate such Lender or other Recipient, as the case may be, for such additional costs incurred or reduction suffered.

(b) **Capital or Liquidity Requirements**. If any Lender determines that any Change in Law affecting such Lender or any lending office of such Lender or such Lender's holding company, if any, regarding capital or liquidity requirements, has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company as a consequence of this Agreement, the Revolving Credit Commitments of such Lender or the Loans made by such Lender, to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's and its holding company's policies with respect to capital adequacy and liquidity), then from time to time Borrower will pay to such Lender such additional amount

or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) **Certificates for Reimbursement**. A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in Section 3.1(a) or Section 3.1(b) and delivered to Borrower, shall be conclusive absent manifest error. Borrower shall pay such Lender the amount shown as due on any such certificate within ten (10) days after receipt thereof.

(d) **Delay in Requests**. Failure or delay on the part of any Lender to demand compensation pursuant to this Section 3.1 shall not constitute a waiver of such Lender's right to demand such compensation; *provided* that Borrower shall not be required to compensate a Lender pursuant to this Section 3.1 for any increased costs incurred or reductions suffered more than [***] prior to the date that such Lender notifies Borrower of the Change in Law giving rise to such increased costs or reductions, and of such Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the [***] period referred to above shall be extended to include the period of retroactive effect thereof).

Section 3.2 **Taxes**.

(a) **Defined Terms**. For purposes of this Section 3.2, the term "applicable law" includes FATCA.

(b) **Payment Free of Taxes**. Any and all payments by or on account of any obligation of Borrower under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable Withholding Agent) requires the deduction or withholding of any Tax from any such payment by a Withholding Agent, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by Borrower shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section 3.2) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(c) **Payment of Other Taxes by Borrower**. Borrower shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(d) **Indemnification by Borrower**. Borrower shall indemnify each Recipient, within ten (10) days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 3.2) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by

the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to Borrower by a Lender (with a copy to Administrative Agent), or by Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(e) **Indemnification by Lenders**. Each Lender shall severally indemnify Administrative Agent, within ten (10) days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that Borrower has not already indemnified Administrative Agent for such Indemnified Taxes and without limiting the obligation of Borrower to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 12.9 relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by Administrative Agent to such Lender from any other source against any amount due to Administrative Agent under this Section 3.2(e).

(f) **Evidence of Payments**. As soon as practicable after any payment of Taxes by Borrower to a Governmental Authority pursuant to this Section 3.2, Borrower shall deliver to Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to Administrative Agent.

(g) **Status of Lenders**.

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to Borrower and Administrative Agent, at the time or times reasonably requested by Borrower or Administrative Agent, such properly completed and executed documentation reasonably requested by Borrower or Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by Borrower or Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by Borrower or Administrative Agent as will enable Borrower or Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two (2) sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 3.2(g)(ii)(A), Section 3.2(g)(ii)(B) and Section 3.2(g)(ii)(D)) shall not be required if in such Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing, in the event that Borrower is a U.S. Person:

(A) any Lender that is a U.S. Person shall deliver to Borrower and Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of Borrower or Administrative Agent), executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to Borrower and Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of Borrower or Administrative Agent), whichever of the following is applicable:

(1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed copies of IRS Form W-8BEN (or IRS Form W-8BEN-E, if applicable) establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(2) executed copies of IRS Form W-8ECI;

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under *Section 881(c)* of the Code, (x) a certificate substantially in the form of Exhibit F-1 [Omitted pursuant to Item 601(a)(5) of Regulation S-K] to the effect that such Foreign Lender is not a *"bank"* within the meaning of *Section 881(c)(3)(A)* of the Code, a *"10 percent shareholder"* of Borrower within the meaning of *Section 881(c)(3)(B)* of the Code, or a *"controlled foreign corporation"* described in *Section 881(c)(3)(C) of the Code* (a "U.S. Tax Compliance Certificate") and (y) executed copies of IRS Form W-8BEN (or IRS Form W-8BEN-E, if applicable); or

(4) to the extent a Foreign Lender is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN (or IRS Form W-8BEN-E, if applicable), a U.S. Tax Compliance Certificate substantially in the form of Exhibit F-2 [Omitted pursuant to Item 601(a)(5) of Regulation S-K] or Exhibit F-3 [Omitted pursuant to Item 601(a)(5) of Regulation S-K], IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; *provided* that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit F-4 [Omitted pursuant to Item 601(a)(5) of Regulation S-K] on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to Borrower and Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of Borrower or Administrative Agent), executed copies of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly

completed, together with such supplementary documentation as may be prescribed by applicable law to permit Borrower or Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in *Section 1471(b)* or *1472(b)* of the Code, as applicable), such Lender shall deliver to Borrower and Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by Borrower or Administrative Agent such documentation prescribed by applicable law (including as prescribed by *Section 1471(b)(3)(C)(i)* of the Code) and such additional documentation reasonably requested by Borrower or Administrative Agent as may be necessary for Borrower and Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this Section 3.2(g)(ii)(D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify Borrower and Administrative Agent in writing of its legal inability to do so.

(h) **Treatment of Certain Refunds**. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 3.2 (including by the payment of additional amounts pursuant to this Section 3.2), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 3.2 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this Section 3.2(h) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this Section 3.2(h), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this Section 3.2(h) that would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This Section 3.2(h) shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(i) **Survival**. Each party's obligations under this Section 3.2 shall survive the resignation or replacement of Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Revolving Credit Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

Section 3.3 **Mitigation of Obligations; Replacement of Lenders.**

(a) **Designation of a Different Lending Office.** If any Lender requests compensation under Section 3.1, or requires Borrower to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.2, then such Lender shall (at the request of Borrower) use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 3.1 or Section 3.2, as the case may be, in the future, and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) **Replacement of Lenders.** If any Lender requests compensation under Section 3.1, or if Borrower is required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.2 and, in each case, such Lender has declined or is unable to designate a different lending office in accordance with Section 3.3(a), or if any Lender is a Defaulting Lender or a Non-Consenting Lender, then Borrower may, at its sole expense and effort, upon notice to such Lender and Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 12.9), all of its interests, rights (other than its existing rights to payments pursuant to Section 3.1 or Section 3.2) and obligations under this Agreement and the related Loan Documents to an Eligible Assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); *provided* that:

(i) Borrower shall have paid to Administrative Agent the assignment fee (if any) specified in Section 12.9;

(ii) such Lender shall have received payment of an amount equal to the Outstanding Amount of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Section 3.2) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or Borrower (in the case of all other amounts);

(iii) in the case of any such assignment resulting from a claim for compensation under Section 3.1 or payments required to be made pursuant to Section 3.2, such assignment will result in a reduction in such compensation or payments thereafter;

(iv) such assignment does not conflict with applicable Laws; and

(v) in the case of any assignment resulting from a Lender becoming a Non-Consenting Lender, the applicable assignee shall have consented to the applicable amendment, waiver or consent.

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling Borrower to require such assignment and delegation cease to apply.

Section 3.4 **Survival.** All of Borrower's obligations under this Article 3 shall survive termination of the Revolving Credit Commitments, repayment of all other Obligations hereunder and resignation of Administrative Agent.

Section 3.5 **Illegality.** If any Lender determines that any law or regulation has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for such Lender or its Lending Office to make, maintain or fund Loans whose interest is determined by reference to the Eurodollar Rate, or to determine or charge interest rates based upon the Eurodollar Rate, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Dollars in the London interbank market, then, on notice thereof by such Lender to Borrower through Administrative Agent, (i) any obligation of such Lender to make or continue Revolving Credit Loans shall be suspended until such Lender notifies Administrative Agent and Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, Borrower shall, upon demand from such Lender (with a copy to Administrative Agent), prepay all Revolving Credit Loans of such Lender either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Revolving Credit Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such Revolving Credit Loans. Upon any such prepayment, Borrower shall also pay accrued interest on the amount so prepaid.

Section 3.6 **Inability to Determine Rates.**

(a) Subject to clause (b) below, if (i) Administrative Agent or the Required Lenders determine that for any reason that (A) Dollar deposits are not being offered to banks in the London interbank eurodollar market for the Interest Period, (B) adequate and reasonable means do not exist for determining the Eurodollar Rate for the Interest Period, (C) the Eurodollar Rate for the Interest Period does not adequately and fairly reflect the cost to such Lenders of funding such Eurodollar Rate Portion, (D) ICE has ceased to calculate the Eurodollar Rate, or (E) the Eurodollar Rate for any requested Interest Period with respect to a proposed Eurodollar Rate Portion or in connection with an existing or proposed Base Rate Portion does not accurately reflect the rate available to the Lenders in the London interbank market, or (ii) (without duplication of Section 3.1) by reason of any Change in Law any Lender would become subject to restrictions on the amount of a category of liabilities or assets which it may hold and notifies Administrative Agent of same, Administrative Agent will promptly so notify Borrower and each Lender. Thereafter, in the event of a determination described in the preceding sentence, the utilization of the Eurodollar Rate shall be suspended, in each case until Administrative Agent (upon the instruction of the Required Lenders) revokes such notice or a Replacement Rate and replacement benchmark spread has been established pursuant to Section 3.6(b).

(b) If at any time Administrative Agent determines (which determination shall be conclusive absent manifest error) that (i) any of the circumstances set forth in clause (a)(i) or clause (a)(ii) have arisen and such circumstances are unlikely to be temporary or (ii) any of the circumstances set forth in clause (a)(i) or clause (a)(ii) have not arisen but (x) ICE or the

Alternative Reference Rates Committee convened by the Board of Governors has announced a commercial loan index as an alternative to the Eurodollar Rate and commercial banks in the United States are using such alternative loan index for new commercial loans, (y) the Eurodollar Rate is no longer being widely used by commercial banks as a loan index in the United States for new commercial loans similar to the Facility, or (z) a Governmental Authority having jurisdiction over Administrative Agent has made a public statement identifying a specific date after which the Eurodollar Rate shall no longer be used for determining interest rates for new commercial loans originated in the United States, then Administrative Agent may, to the extent practicable (in consultation with Borrower and as determined by Administrative Agent to be generally in accordance with similar situations in other transactions in which it is serving as administrative agent or otherwise consistent with market practice), establish a replacement interest rate (the "Replacement Rate" provided that, if the Replacement Rate shall be less than zero, such rate shall be deemed zero for purposes of this Agreement) and a replacement benchmark spread, and Borrower and Administrative Agent shall enter into an amendment to this Agreement to reflect such Replacement Rate and replacement benchmark spread or such other related changes to this Agreement as may be applicable. Notwithstanding anything to the contrary in Section 12.12, such amendment shall become effective without any further action or consent of any other party to this Agreement so long as Administrative Agent shall not have received, within five (5) Business Days of the date notice of such alternate rate of interest is provided to the Lenders, a written notice from the Required Lenders stating that such Required Lenders object to such amendment.

Section 3.7 **Compensation for Losses**. Upon demand of any Lender (with a copy to Administrative Agent) from time to time, Borrower shall promptly compensate such Lender for and hold such Lender harmless from any loss, cost or expense incurred by it as a result of:

(a) any continuation, payment or prepayment of any Revolving Credit Loan on a day other than the last day of the Interest Period for such Loan (whether voluntary, mandatory, automatic, by reason of acceleration, or otherwise); or

(b) any failure by Borrower (for a reason other than the failure of such Lender to lend a Revolving Credit Loan) to prepay, borrow, or continue any Revolving Credit Loan on the date or in the amount notified by Borrower; or

(c) any assignment of a Revolving Credit Loan on a day other than the last day of the Interest Period therefor as a result of a request by Borrower pursuant to Section 3.3(b);

including any loss of anticipated profits and any loss or expense arising from the liquidation or reemployment of funds obtained by it to maintain such Loan or from fees payable to terminate the deposits from which such funds were obtained. Borrower shall also pay any customary administrative fees charged by such Lender in connection with the foregoing.

For purposes of calculating amounts payable by Borrower to the Lenders under this Section 3.7, each Lender shall be deemed to have funded each Revolving Credit Loan made by it at the Eurodollar Rate for such Loan by a matching deposit or other borrowing in the London

interbank eurodollar market for a comparable amount and for a comparable period, whether or not such Revolving Credit Loan was in fact so funded.

Article 4
SECURITY

Section 4.1 **Collateral**. To secure full and complete payment and performance of the Obligations, Borrower (i) hereby pledges, assigns and grants to Administrative Agent, for its benefit and that of the Lenders, a continuing first priority security interest, subject to the limitations set forth in any Acknowledgment Agreement in favor of the relevant Agency relating to any part of the Collateral, in all of Borrower's right, title and interest in and to all of the Collateral, and (ii) shall, and shall cause the other Obligated Parties to, execute and deliver or cause to be executed and delivered all of the Security Documents required by Administrative Agent covering the Collateral. Borrower shall execute and cause to be executed such further documents and instruments, including UCC financing statements, as Administrative Agent, in its sole discretion, deems necessary or desirable to create, evidence, preserve and perfect its liens and security interests in the Collateral and maintain the priority thereof as required by the Loan Documents.

Section 4.2 **Setoff**. If an Event of Default exists, Administrative Agent and each Lender shall have the right to set off against the Obligations under the Loan Documents, at any time and without notice to Borrower, any and all deposits (general or special, time or demand, provisional or final) or other sums at any time credited by or owing from Administrative Agent or such Lender to Borrower whether or not the Obligations under the Loan Documents are then due; *provided* that in the event that any Defaulting Lender shall exercise any such right of setoff, (a) all amounts so set off shall be paid over immediately to Administrative Agent for further application in accordance with the provisions of Section 12.24 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of Administrative Agent and Lenders, and (b) such Defaulting Lender shall provide promptly to Administrative Agent a statement describing in reasonable detail the Obligations under the Loan Documents owing to such Defaulting Lender as to which it exercised such right of setoff. Each amount set off shall be paid to Administrative Agent for application to the Obligations under the Loan Documents in the order set forth in Section 10.3. Administrative Agent and Lenders each agrees to use commercially reasonable efforts to promptly notify Borrower of each exercise by such party of such right of setoff, but shall incur no liability for any failure to do so. As further security for the Obligations, Borrower hereby grants to Administrative Agent and each Lender a security interest in all money, instruments and other Property of Borrower now or hereafter held by Administrative Agent or such Lender, including Property held in safekeeping, but excluding in all cases, each Servicer's Deposit Accounts. In addition to Administrative Agent's and each Lender's right of setoff and as further security for the Obligations, Borrower hereby grants to Administrative Agent and each Lender a security interest in all deposits (general or special, time or demand, provisional or final) and other accounts of Borrower now or hereafter on deposit with or held by Administrative Agent or such Lender and all other sums at any time credited by or owing from Administrative Agent or such Lender to Borrower, excluding in all cases, each Servicer's Deposit Accounts. The rights and remedies of Administrative Agent and each Lender hereunder are in addition to other rights and remedies (including other rights of setoff) that Administrative Agent or such Lender may have.

Section 4.3 **Authorization to File Financing Statements**. Subject to any limitations set forth in any Acknowledgment Agreement in favor of an Agency relating to any part of the Collateral, Borrower and each other Obligated Party that has granted a security interest in connection herewith authorizes Administrative Agent to complete and file, from time to time, financing statements naming Borrower or such other Obligated Party, as applicable, as debtor.

Section 4.4 **Subordination of Landlord Liens**. If, at any time during the term of the Loan, Borrower performs in-house the servicing of any Serviced Ginnie Mae Loan (as opposed to such servicing being outsourced and performed by a subservicer) on or from leased premises, Borrower shall give Administrative Agent Notice of the location of such leased premises and the landlord's contact information and, upon Administrative Agent's request, shall exercise commercially reasonable efforts to cause the landlord under each Lease of premises where Borrower administers or maintains its servicing records to execute and deliver to Administrative Agent a Landlord's Lien Subordination Agreement to allow Administrative Agent, subject to the terms of the Acknowledgment Agreement, access to, and the use and right to possession of, such servicing records following the occurrence of any Event of Default.

Section 4.5 **Market Value; Servicing Advances Receivables BB Component; Acknowledgment Agreements**. Serviced Ginnie Mae Loans will be deemed to have a market value of zero for purposes of determining the Borrowing Base until the date on which an Acknowledgment Agreement has been executed and delivered by Borrower, Administrative Agent and Ginnie Mae; *provided* that Administrative Agent may waive such requirement in its sole and absolute discretion. The Servicing Advances Receivables BB Component shall be deemed zero, and Borrower's outstanding Servicing Advances Receivables shall be excluded from any calculation of the Borrowing Base, until such time Administrative Agent receives written notification from Ginnie Mae of its approval of the inclusion of the Servicing Advances Receivables BB Component in calculating the Borrowing Base (of which Administrative Agent will reasonably promptly notify Borrower and Lenders).

Section 4.6 **Periodic Valuations of Servicing Rights**. The value of all Pledged Servicing Rights to Administrative Agent shall be periodically determined as provided in Section 7.1(m), and the Borrowing Base shall be adjusted to reflect each such determination and updating of the value of such Collateral; *provided* that, notwithstanding any other provision hereof to the contrary, Administrative Agent shall have the right, exercisable from time to time (daily or less often) in its sole discretion on any day after the occurrence and during the continuance of any Event of Default to mark the Pledged Servicing Rights to market, whereupon, for purposes of determining the value of the Collateral for that day (and for each day thereafter until it shall thereafter be evaluated or re-evaluated by such an approved appraiser or broker or again marked to market by Administrative Agent) such Pledged Servicing Rights shall be equal to [***] of its market value on that day (which the parties acknowledge may be nominal). Borrower acknowledges that a determination by Administrative Agent of market value pursuant to this Agreement is for the limited purpose of determining value of the Collateral for lending purposes under this Agreement without the ability to perform customary purchaser's due diligence and is not necessarily equivalent to a determination of the fair market value of Collateral achieved by obtaining competing bids in an orderly market in which the servicer is not in default, insolvent or the subject of a case in bankruptcy and the bidders have adequate opportunity to perform customary diligence.

Section 4.7 **Ginnie Mae Restrictions**. Notwithstanding anything to the contrary contained herein or in any of the other Loan Documents, the pledge of the Borrower's right, title and interest in mortgage servicing rights under Servicing Agreements with Ginnie Mae shall only secure the Borrower's indebtedness and obligations to Administrative Agent and each Lender incurred for the purposes of funding the purchase of additional mortgage servicing portfolios. The Administrative Agent and the Lenders each acknowledges and agrees that (x) Borrower is entitled to servicing income with respect to a given mortgage pool only so long as Borrower is an issuer in good standing pursuant to Ginnie Mae rules, regulations, guides and similar announcements; (y) upon Borrower's loss of such good-standing issuer status, Administrative Agent's rights to any servicing income related to a given mortgage pool also terminate; and (z) the pledge of Borrower's rights to servicing income related to a given mortgage pool conveys no rights (such as a right to become a substitute servicer or issuer) except to the extent of such rights specifically provided for in the rules, regulations, guides or similar announcements by Ginnie Mae, provided that this clause (z) shall automatically be deemed amended or modified if and to the extent Ginnie Mae amends the corresponding requirement, whether in its rules, regulations, guides, Servicing Agreements or published announcements. Without limiting the generality of the foregoing, the security interest created by this Agreement is subject to the following provision, which provision shall also be included in each financing statement filed in respect hereof:

Notwithstanding anything to the contrary contained herein:

(1) The property subject to the security interest reflected in this instrument includes all of the right, title and interest of the Debtor in certain mortgages and/or participation interests related to such mortgages ("Pooled Mortgages") and pooled under the mortgage-backed securities program of the Government National Mortgage Association ("Ginnie Mae"), pursuant to section 306(g) of the National Housing Act, 12 U.S.C. § 1721(g);

(2) To the extent that the security interest reflected in this instrument relates in any way to the Pooled Mortgages, such security interest is subject and subordinate to all rights, powers and prerogatives of Ginnie Mae, whether now existing or hereafter arising, under and in connection with: (i) 12 U.S.C. § 1721(g) and any implementing regulations; (ii) the terms and conditions of the Acknowledgment Agreement by and among Ginnie Mae, Guild Mortgage Company (the "Debtor"), and Administrative Agent; (iii) applicable Guaranty Agreements and contractual agreements between Ginnie Mae and the Debtor and (iv) the Ginnie Mae Mortgage-Backed Securities Guide, Handbook 5500.3 Rev. 1, and other applicable guides (items (i), (iii), and (iv), collectively, the "Ginnie Mae Contract");

(3) Such rights, powers and prerogatives of Ginnie Mae include, but are not limited to, Ginnie Mae's right, by issuing a letter of extinguishment to Debtor, to effect and complete the extinguishment of all redemption, equitable, legal or other right, title or interest of the Debtor in the Pooled Mortgages, in which event the security interest as it relates in any way to the Pooled Mortgages shall instantly and automatically be extinguished as well; and

(4) For purposes of clarification, "subject and subordinate" in clause (2) above means, among other things, that any cash held by the Secured Party as collateral and any cash proceeds received by the Secured Party in respect of any sale or other disposition of, collection

from, or other realization upon, all or any part of the collateral may only be applied by the Secured Party to the extent that such proceeds have been received by, or for the account of, the Debtor free and clear of all Ginnie Mae rights and other restrictions on transfer under applicable Ginnie Mae guidelines; provided that this clause (4) shall not be interpreted as establishing rights in favor of Ginnie Mae except to the extent that such rights are reflected in, or arise under, the Ginnie Mae Contract.

Section 4.8 **Limited Pledge of Warehoused Mortgage Loans**. Notwithstanding anything to the contrary herein, the security interest pledged and granted by Borrower to Administrative Agent under this Agreement does not attach to and expressly excludes any and all Warehoused Mortgage Loans, all ancillary rights, including servicing rights relating to such Warehoused Mortgage Loans, all accounts and rights to proceeds relating to such Warehoused Mortgage Loans, all Hedge Agreements relating to such Warehoused Mortgage Loans, and all purchase agreements related to such Warehoused Mortgage Loans, that are subject to a Warehousing Facility with a warehousing party, during such time, but only for such time, as such Warehoused Mortgage Loans are subject to the Warehousing Facility with such warehousing party.

Section 10.2 **Remedies Upon Default**. Subject to any limitations set forth in any Acknowledgment Agreement in favor of an Agency relating to any part of the Collateral, if any Event of Default shall occur and be continuing, then Administrative Agent may, with the consent of Required Lenders, or shall, at the direction of Required Lenders, subject to the provisions of Section 10.9, without notice do either or both of the following: (a) terminate the Revolving Credit Commitments of Lenders and/or (b) declare the Obligations under the Loan Documents or any part thereof to be immediately due and payable, and the same shall thereupon become immediately due and payable, without notice, demand, presentment, notice of dishonor, notice of acceleration, notice of intent to accelerate, notice of intent to demand, protest or other formalities of any kind, all of which are hereby expressly waived by Borrower; *provided* that upon the occurrence of an Event of Default under Section 10.1(f) or Section 10.1(g), the Revolving Credit Commitments of Lenders shall automatically terminate and the Obligations under the Loan Documents shall become immediately due and payable, in each case without notice, demand, presentment, notice of dishonor, notice of acceleration, notice of intent to accelerate, notice of intent to demand, protest or other formalities of any kind, all of which are hereby expressly waived by Borrower. **Further, any and all rights and remedies in this Article 10 are expressly subject and subordinate to the prior rights of an Agency as to Collateral subject to an Acknowledgment Agreement with such Agency, and in the event the enforcement by Administrative Agent of any of its rights and remedies under this Article 10 could reasonably be expected to materially and adversely conflict with the provisions of the Acknowledgment Agreement with respect to the Collateral subject to the Acknowledgment Agreement, the restrictions imposed under the Acknowledgment Agreement shall control**. Subject to the limitations set forth in the preceding sentence, in addition to the foregoing, if any Event of Default shall occur and be continuing, Administrative Agent may, with the consent of Required Lenders, or shall, at the direction of Required Lenders, subject to the provisions of Section 10.9, exercise all rights and remedies available to it in law or in equity, under the Loan Documents or otherwise, including:

(a) in its discretion, to demand, sue for, collect or receive and receipt for (in its own name, in the name of Borrower or otherwise) any money or property at any time payable or receivable on account of any of the Collateral, in consideration of its transfer or in exchange for it;

(b) direct, and to take any and all other steps necessary to cause, any Servicer of any of the Collateral to pay over directly to Administrative Agent for the account of Borrower (instead of to Borrower or any other Person) all sums from time to time due to Borrower and to take any and all other actions that Borrower or Administrative Agent has the right to take under Borrower's contract with such Servicer;

(c) direct Borrower to pay over to Administrative Agent all sums from time to time due Borrower under or in respect of the Collateral, including any and all fees and other compensation for servicing the Serviced Ginnie Mae Loans and all amounts paid to or collectable by Borrower to pay Pledged Servicing Receivables, whether paid to Borrower or withheld or recovered by Borrower from collections and realizations on such Mortgage Loans or any other source, and to take any and all other actions that, subject to any restrictions imposed by the relevant Servicing Agreement for the benefit of the party to it on whose behalf the Mortgage Loans are being serviced, Borrower or Administrative Agent has the right to take under that Servicing Agreement, and if Administrative Agent does so request, then Borrower shall diligently and continuously thereafter comply with such request. All amounts so received and collected by Administrative Agent pursuant to this Section 10.1 shall be applied in the same order and manner as is specified in Section 10.3;

(d) foreclose upon or otherwise enforce its security interest in and Lien on the Collateral, or on such portions or elements of the Collateral as Administrative Agent shall elect to proceed against from time to time;

(e) at Administrative Agent's option and in its sole discretion, to notify any or all Persons obligated under any or all items of Collateral, that the Collateral has been assigned to Administrative Agent and that all payments thereon are to be made directly to Administrative Agent or such other Person as may be designated by Administrative Agent; settle, compromise or release, in whole or in part, any amounts owing on the Collateral or any portion of the Collateral, on terms acceptable to Administrative Agent; enforce payment and performance and prosecute any action or proceeding with respect to any and all Collateral; and where any such Collateral is in default, foreclose on and enforce Liens or security interests in, such Collateral by any available judicial procedure or without judicial process and sell property acquired as a result of any such foreclosure;

(f) to the extent permitted by, and subject to the terms and conditions of, the Acknowledgment Agreement, act or contract with one or more third Persons to act, as servicer of each item of Collateral requiring servicing and perform all obligations required in connection with any Servicing Agreements to which Borrower is a party, and Borrower hereby agrees to pay such third Persons' fees to the extent (if any) that Administrative Agent is unable, despite reasonable efforts made by Administrative Agent in light of the necessity that there be no material break in the continuity of servicing, to contract for such servicing and performance of such obligations for fees equal to or less than the fees under such Servicing Agreements;

(g) exercise all rights and remedies of a secured creditor under the UCC, including selling the interests of Borrower in the Collateral at public or private sale. Administrative Agent shall give Borrower not less than ten [***] notice of any such public sale or of the date after which private sale may be held. Borrower agrees that [***] notice shall be reasonable notice. At any such sale any or all of the Collateral may be sold as an entirety or in separate parts, as Administrative Agent may determine in its sole discretion. The Administrative Agent may, without notice or publication, adjourn any public or private sale or cause the same to be adjourned from time to time by announcement at the time and place fixed for the sale, and such sale may be made at any time or place to which the same may be so adjourned. The Administrative Agent is authorized at any such sale, if Administrative Agent

deems it advisable so to do, to restrict the prospective bidders or purchasers to Persons who will represent and agree that they are purchasing the Collateral for their own account for investment and not with a view to the distribution or resale of any of the Collateral. Borrower specifically agrees that any such sale, whether public or private, of any Collateral pursuant to the commitment of any investor to purchase such Collateral that was obtained by (or with the approval of) Borrower will be commercially reasonable, and if such sale is for the price provided for in such commitment, then such sale shall be held to be for value reasonably equivalent to the value of the Collateral so sold. Upon any such sale, Administrative Agent shall have the right to deliver, assign and transfer to the purchaser thereof the Collateral so sold. Each purchaser at any such sale shall hold the property sold absolutely free from any claim or right of whatsoever kind, including any equity or right of redemption, stay or appraisal, that Borrower has or may have under any rule of law or statute now existing or hereafter adopted. In case of any sale of all or any part of the Collateral on credit or for future delivery, the Collateral so sold may be retained by Administrative Agent until the selling price is paid by the purchaser, but Administrative Agent shall not incur any liability in case of such purchaser's failure to take up and pay for the Collateral so sold and, in case of any such failure, such Collateral may again be sold upon like notice. The Administrative Agent may, however, instead of exercising the power of sale herein conferred upon it, proceed by a suit or suits at law or in equity to collect all amounts due upon the Collateral or to foreclose the pledge and sell the Collateral or any portion of it under a judgment or decree of a court or courts of competent jurisdiction, or both. Nothing in this Agreement shall be construed as Borrower's waiver of, or agreement to waive, any requirement imposed by applicable law that any sale of the Collateral be commercially reasonable; and

(h) exercise each of the rights and remedies provided to Administrative Agent in any Acknowledgment Agreement, including making cure payments or otherwise advancing funds under and as required under any Acknowledgment Agreement to preserve and retain the Pledged Servicing Rights covered by such Acknowledgment Agreement; *provided* that as between Administrative Agent and Lenders, Administrative Agent shall be under no obligation to advance any funds under and as required under any Acknowledgment Agreement unless and until each Lender shall have delivered to Administrative Agent its pro rata share of such funds required to preserve and retain such Pledged Servicing Rights.

Section 10.3 **Rights Relating to Collateral.**

(a) **Application of Proceeds.** Subject to any limitations set forth in any applicable Acknowledgment Agreement, if any Event of Default shall have occurred and be continuing, Administrative Agent may at its discretion, in accordance and as provided in the UCC and other applicable law, apply or use any cash held by Administrative Agent as Collateral and any cash proceeds received by Administrative Agent in respect of any sale or other disposition of, collection from or other realization upon, all or any part of the Collateral and shall apply it in the following manner:

(i) *First,* to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (including fees, charges and disbursements of counsel to Administrative Agent) payable to Administrative Agent in its capacity as such;

(ii) *Second,* to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (other than principal and interest) payable to Lenders (including fees, charges and disbursements of counsel to the respective Lenders) arising under the Loan Documents, ratably among them in proportion to the respective amounts described in this clause (ii) payable to them;

(iii) *Third,* to payment of that portion of the Obligations constituting accrued and unpaid interest on the Loans and other Obligations arising under the Loan Documents, ratably among Lenders in proportion to the respective amounts described in this clause (iii) payable to them;

(iv) *Fourth,* to payment of that portion of the Obligations constituting unpaid principal of the Loans, ratably among Lenders in proportion to the respective amounts described in this clause (iv) held by them;

(v) *Fifth,* to payment of the Bank Product Obligations. ratably among the Bank Product Providers in proportion to the respective amounts described in this clause v held by them; and

(vi) Last, the balance, if any, after all of the Obligations have been indefeasibly paid in full, to Borrower or as otherwise required by law.

(b) **Certain Bank Product Obligations Excluded.** Notwithstanding the provisions of Section 10.3(a)(v), Bank Product Obligations shall be excluded from the application described above if Administrative Agent has not received written notice thereof, together with supporting documentation as Administrative Agent may request from the applicable Bank Product Provider; *provided* that no such notice shall be required for any Bank Product Agreement for which Administrative Agent or any Affiliate of Administrative Agent is the applicable Bank Product Provider. Each Bank Product Provider that is not a party to this Agreement that has given notice contemplated by the preceding sentence shall, by such notice, be deemed to have acknowledged and accepted the appointment of Administrative Agent pursuant to the terms of Article 11 for itself and its Affiliates as if it were a "Lender" party hereto.

(c) **Pro Rata Shares.** In carrying out the provisions of this Section 10.3, each of the Lenders shall receive an amount equal to its pro rata share (based on the Applicable Percentage of its outstanding amounts in each such Section) of amounts available to be applied pursuant to Section 10.3(a)(ii), Section 10.3(a)(iii) and Section 10.3(a)(iv), and each of the Lenders and Bank Product Providers shall receive an amount equal to its pro rata share (based on the Applicable Percentage of its outstanding amounts in each such Section) of amounts available to be applied pursuant to Section 10.3(a)(v).

(d) **Deficiency.** In the event that the proceeds of any sale of, collection from or other realization upon, all or any part of the Collateral by Administrative Agent are insufficient to pay all amounts to which Administrative Agent and any Lender is legally entitled, Borrower and any Obligated Party shall be liable for the deficiency, together with interest thereon as provided in the Loan Documents.

(e) **Non-Judicial Remedies.** In granting to Administrative Agent the power to enforce its rights hereunder without prior judicial process or judicial hearing, Borrower expressly waives, renounces and knowingly relinquishes any legal right that might otherwise require Administrative Agent to enforce its rights by judicial process. Borrower recognizes and concedes that non-judicial remedies are consistent with the usage of trade, are responsive to commercial necessity and are the result of a bargain at arm's length. Nothing herein is intended to prevent Administrative Agent or Borrower from resorting to judicial process at either party's option.

(f) **Other Recourse.** Borrower waives any right to require Administrative Agent to proceed against any third party, exhaust any Collateral or other security for the Obligations or to have any third party joined with Borrower in any suit arising out of the Obligations or any of the Loan Documents, or pursue any other remedy available to Administrative Agent. Borrower further waives any and all notice of acceptance of this Agreement. Borrower further waives any defense arising by reason of any disability or other defense of any third party or by reason of the cessation from any cause whatsoever of the liability of any third party.

(g) **Disclaimer of Warranties, Sales on Credit and Limitation of Liability.** In connection with any foreclosure sale of the Collateral, Administrative Agent may specifically disclaim any warranties of title or the like. This procedure will not be considered to adversely affect the commercial reasonableness of any sale of the Collateral. If Administrative Agent sells any of the Collateral upon credit, Borrower will be credited only with payments actually made by the purchaser, received by Administrative Agent and applied to the indebtedness of the purchaser. In the event the purchaser fails to pay for the Collateral, Administrative Agent may resell the Collateral and Borrower shall be credited with the proceeds of the sale. Administrative Agent shall not incur any liability as a result of the sale of the Collateral, or any part of it, at any private sale. Borrower hereby waives any claims it may have against Administrative Agent arising by reason of the fact that the price at which the Collateral may have been sold at such private sale was less than the price that might have been obtained at a public sale, less than the price that might have been obtained had the Collateral been sold pursuant to a purchase agreement for it obtained by Borrower, or less than the aggregate amount of the outstanding Revolving Credit Loans and the unpaid interest accrued on them, even if Administrative Agent accepts the first offer received and does not offer the Collateral to more than one offeree.

(h) **License.** Administrative Agent is hereby granted a license or other right to use, following the occurrence and during the continuance of an Event of Default, without charge, Borrower's labels, patents, copyrights, rights of use of any name, trade secrets, trade names, trademarks, service marks and advertising matter or any property of a similar nature, as it pertains to the Collateral, in completing production of, advertising for sale and selling any Collateral, and, following the occurrence and during the continuance of any Event of Default, Borrower's rights under all licenses and all franchise agreements shall inure to Administrative Agent's benefit.

Section 10.4 **Attorney-in-Fact.** Subject to any limitations set forth in any applicable Acknowledgment Agreement, Administrative Agent or any vice president or more senior officer of Administrative Agent is hereby appointed the attorney-in-fact of Borrower, with full power of

substitution, for the purpose of carrying out the provisions of this Agreement and taking any action and executing any agreements, documents or instruments that Administrative Agent may deem necessary or advisable to accomplish this Agreement's purposes, which appointment as attorney-in-fact is coupled with an interest and irrevocable for so long as any of the Obligations or the Revolving Credit Commitments are outstanding, although Administrative Agent agrees not to exercise its rights under this power of attorney unless, in its opinion or the opinion of its legal counsel, an Event of Default has occurred that Administrative Agent has not declared in writing to have been cured or waived. Without limiting the generality of the foregoing, subject to the terms of the Acknowledgment Agreement, Administrative Agent shall have the right and power, either in the name of Borrower or both, or in its own name, to (a) give notices of its security interest in the Collateral to any Person, (b) endorse in blank, to itself or to a nominee all items of Collateral that are transferable by endorsement and are payable to the order of Borrower, including canceling, completing or supplying any unneeded, incomplete or missing endorsement of Borrower and any related assignment, (c) receive, endorse, collect and receipt for all checks and other orders made payable to the order of Borrower representing any payment of account of the principal of or interest on any Collateral or their proceeds (including any securities), or the proceeds of sale of any of the Collateral, or any payment in respect of any hedging arrangement or device, and to give full discharge for them, (d) to the extent payable to Borrower, request distribution to Administrative Agent of any sale proceeds or any applicable contract termination fees arising from the sale or termination of such servicing rights and remaining after satisfaction of Borrower's relevant obligations to an Agency or such other investor or guarantor (as the case may be), including costs and expenses related to any such sale or transfer of such servicing rights and other amounts due for unmet obligations of Borrower to such Agency or such other investor or guarantor (as the case may be) under applicable Agency Guidelines or such other investor's or guarantor's contract, (e) deal with investors and any and all subservicers and master servicers in respect of any of the Collateral in the same manner and with the same effect as if done by Borrower, (f) submit to Ginnie Mae and request (i) Ginnie Mae's approval of a Transfer Request (as defined in the Acknowledgement Agreement) to transfer the servicing of any or all of the Serviced Ginnie Mae Loans to any Ginnie Mae- approved Standby Issuer (as defined in the Acknowledgement Agreement) and (ii) Ginnie Mae's transfer of such servicing if approved, and (g) take any action and execute any instruments that Administrative Agent deems necessary or advisable to accomplish any of such purposes.

Section 10.5 **Performance by Administrative Agent.** If Borrower shall fail to perform any covenant or agreement contained in any of the Loan Documents, then, subject to the terms of the Acknowledgment Agreement, Administrative Agent may perform or attempt to perform such covenant or agreement on behalf of Borrower. In such event, Borrower shall, at the request of Administrative Agent, promptly pay to Administrative Agent any amount expended by Administrative Agent in connection with such performance or attempted performance, together with interest thereon at the Default Interest Rate from and including the date of such expenditure to but excluding the date such expenditure is paid in full. Notwithstanding the foregoing, it is expressly agreed that Administrative Agent shall not have any liability or responsibility for the performance of any covenant, agreement or other obligation of Borrower under this Agreement or any other Loan Document.

Section 10.6 **Appointment of Receiver.** At any time an Event of Default exists, then, subject to the terms of the Acknowledgment Agreement, Administrative Agent shall be entitled to

exercise the right to appoint or seek appointment of a receiver, custodian or trustee of Borrower or any of the Collateral pursuant to an order by any Governmental Authority, and Borrower consents to such appointment and will not oppose Administrative Agent's efforts to obtain such receiver, custodian or trustee.

Section 10.7 **Diminution in Collateral Value**. Administrative Agent does not assume, and shall never have, any liability or responsibility for any loss or diminution in the value of all or any part of the Collateral.

Section 10.8 **Administrative Agent Not In Control**. None of the covenants or other provisions contained in this Agreement shall, or shall be deemed to, give Administrative Agent the right to exercise control over the affairs and/or management of Borrower, the power of Administrative Agent being limited to the right to exercise the remedies provided in the other Sections of this Article 10; *provided* that if Administrative Agent becomes the owner of any ownership interest of any Person, whether through foreclosure or otherwise, Administrative Agent shall be entitled to exercise such legal rights as it may have by virtue of being an owner of such Person.

Section 10.9 **Right of Administrative Agent to Act**. Notwithstanding anything to the contrary contained herein or in any other Loan Document, the authority to enforce rights and remedies hereunder and under the other Loan Documents against the Obligated Parties or any of them shall be vested exclusively in, and all actions and proceedings at law in connection with such enforcement shall be instituted and maintained exclusively by, Administrative Agent in accordance with this Article 10 for the benefit of all the Lenders; *provided* that the foregoing shall not prohibit (a) Administrative Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as Administrative Agent) hereunder and under the other Loan Documents, (b) any Lender from exercising setoff rights in accordance with Section 4.2 (subject to the terms of Section 12.25), or (c) any Lender from filing proofs of claim or appearing and filing pleadings on its own behalf during the pendency of a proceeding relative to any Obligated Party under any Debtor Relief Law; and *provided further* that if at any time there is no Person acting as Administrative Agent hereunder and under the other Loan Documents, then (i) the Required Lenders shall have the rights otherwise ascribed to Administrative Agent pursuant to this Article 10 and (ii) in addition to the matters set forth in clauses (b) and (c) of the preceding proviso and subject to Section 12.25, any Lender may, with the consent of the Required Lenders, enforce any rights and remedies available to it and as authorized by the Required Lenders. Further, notwithstanding the foregoing or anything to the contrary contained herein, Administrative Agent shall have the right and the option, in Administrative Agent's sole discretion and without the consent of any Lender hereunder and without the requirement of obtaining the approval of the Required Lenders, to (i) exercise, whether prior to or during an Event of Default hereunder, each of the rights and remedies provided to Administrative Agent in any Acknowledgment Agreement, including advancing funds under and as required under any Acknowledgment Agreement to preserve and retain the Pledged Servicing Rights covered by such Acknowledgment Agreement, provided that Administrative Agent shall be under no obligation to undertake any such action and (ii) exercise each of the rights and remedies *provided* for in this Article 10. Any and all contract rights that Administrative Agent shall succeed to pursuant to the rights herein granted and under any Acknowledgment Agreement shall be allocated among Administrative Agent and each Lender in

an equal fashion, and such rights of Administrative Agent and each Lender shall be of equal priority (pari passu) notwithstanding the priorities of any liens or security interests of Administrative Agent and each Lender in any of the Collateral.

Article 11
AGENCY

Section 11.1 **Appointment and Authority**.

(a) Each of the Lenders hereby irrevocably appoints Texas Capital Bank to act on its behalf as Administrative Agent hereunder, under the other Loan Documents, and each Acknowledgment Agreement and authorizes Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article 11 are solely for the benefit of Administrative Agent and the Lenders, and neither Borrower nor any other Obligated Party shall have rights as a third-party beneficiary of any of such provisions. It is understood and agreed that the use of the term "agent" herein or in any other Loan Documents (or any other similar term) with reference to Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties.

(b) Administrative Agent shall also act as the "collateral agent" and "secured party" under the Loan Documents and Acknowledgement Agreement, and each of the Lenders (for itself and for its Affiliates that are Bank Product Providers as such) hereby irrevocably appoints and authorizes Administrative Agent to act as the agent of such Lender for purposes of exercising both the mandatory and discretionary rights, duties and obligations under the Acknowledgment Agreement and acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Obligated Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto, including all such powers set forth under any Acknowledgment Agreement. In this connection, Administrative Agent, as collateral agent and any co-agents, sub-agents and attorneys-in-fact appointed by Administrative Agent pursuant to Section 11.5 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Security Documents, or for exercising any rights and remedies thereunder at the direction of Administrative Agent), shall be entitled to the benefits of all provisions of this Article 11 and Article 12 (including Section 12.1(b), as though such co-agents, sub-agents and attorneys-in-fact were the "collateral agent" under the Loan Documents) as if set forth in full herein with respect thereto.

Section 11.2 **Rights as a Lender**. The Person serving as Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not Administrative Agent, and the term "Lender" or "Lenders" shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as Administrative Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for, and generally engage in any kind of

business with, Borrower or any Subsidiary or other Affiliate thereof as if such Person were not Administrative Agent hereunder and without any duty to account therefor to Lenders.

Section 11.3 **Exculpatory Provisions**.

(a) Administrative Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents, and its duties hereunder shall be administrative in nature. Without limiting the generality of the foregoing, Administrative Agent:

(i) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(ii) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that Administrative Agent is required to exercise as directed in writing by the Largest Lender, the Required Lenders or such other number or percentage of Lenders as shall be expressly provided for herein or in the other Loan Documents, as applicable; *provided* that Administrative Agent shall not be required to take any action that, in its opinion or upon the advice of its counsel, may expose Administrative Agent to liability or that is contrary to any Loan Document or applicable law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any Debtor Relief Law or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any Debtor Relief Law;

(iii) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to Borrower or any of its Affiliates that is communicated to or obtained by the Person serving as Administrative Agent or any of its Affiliates in any capacity;

(iv) shall be fully justified in failing or refusing to take any action hereunder or under any other Loan Document unless it shall first be indemnified to its satisfaction by Lenders pro rata against any and all liability, cost and expense that it may incur by reason of taking or continuing to take any such action; and

(v) does not warrant or accept responsibility for, and shall not have any liability with respect to, the administration, submission or any other matter related to the rates in the definition of "Eurodollar Rate".

(b) Administrative Agent shall not be liable for any action taken or not taken by it (i) with the consent or at the request or direction of the Largest Lender, the Required Lenders or such other number or percentage of Lenders as shall be necessary, as applicable, or as Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Section 10.2 and Section 11.9), or (ii) in the absence of its own gross negligence or willful misconduct as determined by a court of competent jurisdiction by final and nonappealable judgment. **SUCH LIMITATION OF LIABILITY SHALL APPLY REGARDLESS OF WHETHER THE LIABILITY ARISES FROM THE SOLE, CONCURRENT, CONTRIBUTORY OR COMPARATIVE NEGLIGENCE OF ADMINISTRATIVE AGENT.** Administrative Agent shall be deemed not to have knowledge of any Default unless

and until notice describing such Default is given to Administrative Agent in writing by Borrower or a Lender.

(c) Neither Administrative Agent nor any Related Party thereof shall be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or (v) the satisfaction of any condition set forth in Article 5 or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to Administrative Agent.

Section 11.4 **Reliance by Administrative Agent**. Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Credit Extension, that by its terms must be fulfilled to the satisfaction of a Lender, Administrative Agent may presume that such condition is satisfactory to such Lender unless Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Loan. Administrative Agent may consult with legal counsel (who may be counsel for Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

Section 11.5 **Delegation of Duties.** Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub agents appointed by Administrative Agent. Administrative Agent and any such sub agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article 11 shall apply to any such sub agent and to the Related Parties of Administrative Agent and any such sub agent, and shall apply to their respective activities in connection with the syndication of this facility as well as activities as Administrative Agent. Administrative Agent shall not be responsible for the negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and non-appealable judgment that Administrative Agent acted with gross negligence or willful misconduct in the selection of such sub agents.

Section 11.6 **Resignation of Administrative Agent**.

(a) Administrative Agent may at any time give notice of its resignation to Lenders and Borrower. Upon receipt of any such notice of resignation (the "Resignation Notice Date"), the Appointing Party shall have the right, in consultation with Borrower (so long as no Event of Default has occurred and is continuing), to appoint a successor. If no such successor

shall have been so appointed by Appointing Party and shall have accepted such appointment within thirty (30) days after the Resignation Notice Date, then the retiring Administrative Agent may (but shall not be obligated to), on behalf of Lenders, appoint a successor Administrative Agent meeting the qualifications set forth above. The resignation of the retiring Administrative Agent shall only become effective on the date that a successor has been appointed and has entered into the Acknowledgment Agreement or any replacement thereof (the "Resignation Effective Date"). After the Resignation Effective Date, the provisions of this Article 11 relating to or indemnifying or releasing Administrative Agent shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent under this Agreement and the other Loan Documents.

(b) If the Person serving as Administrative Agent is a Defaulting Lender pursuant to clause (d) of the definition thereof, the Appointing Party may, to the extent permitted by applicable law, by notice in writing to Borrower and such Person remove such Person as Administrative Agent and, in consultation with Borrower, appoint a successor. If no such successor shall have been so appointed by the Appointing Party and shall have accepted such appointment within thirty (30) days (or such earlier day as shall be agreed by the Appointing Party) (the "Removal Effective Date"), then such removal shall nonetheless become effective in accordance with such notice on the Removal Effective Date.

(c) With effect from the Removal Effective Date or thirty (30) days following the Resignation Notice Date (as applicable) (i) the removed or retiring Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any Collateral held by Administrative Agent on behalf of Secured Parties under any of the Loan Documents, the retiring or removed Administrative Agent shall continue to hold such Collateral until such time as a successor Administrative Agent is appointed) and (ii) except for any indemnity, fee or expense payments owed to the retiring or removed Administrative Agent, all payments, communications and determinations provided to be made by, to or through Administrative Agent shall instead be made by or to each Lender, directly, until such time, if any, as a successor Administrative Agent is appointed as provided for above. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring or removed Administrative Agent (other than any rights to indemnity payments owed to the retiring or removed Administrative Agent), and the retiring or removed Administrative Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents. The fees payable by Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between Borrower and such successor. After the retiring or removed Administrative Agent's resignation or removal hereunder and under the other Loan Documents, the provisions of this Article 11, Section 12.1 and Section 12.2 shall continue in effect for the benefit of such retiring or removed Administrative Agent, its sub agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring or removed Administrative Agent was acting as Administrative Agent.

Section 11.7 **Non-Reliance on Administrative Agent and Other Lenders**. Each Lender expressly acknowledges that neither Administrative Agent nor any other Lender nor any Related Party thereto has made any representation or warranty to such Person and that no act by

Administrative Agent or any other Lender hereafter taken, including any review of the affairs of Borrower, shall be deemed to constitute any representation or warranty by Administrative Agent or any Lender to any other Lender. Each Lender acknowledges that it has, independently and without reliance upon Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder. Except for notices, reports and other documents expressly required to be furnished to the Lenders by Administrative Agent hereunder, Administrative Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, operations, property, condition (financial or otherwise), or creditworthiness of Borrower or the value of the Collateral or other Properties of Borrower or any other Person that may come into the possession of Administrative Agent or any of its officers, directors, employees, agents, attorneys-in-fact or Affiliates.

Section 11.8 **Administrative Agent May File Proofs of Claim**. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Obligated Party, Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether Administrative Agent shall have made any demand on Borrower) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations under the Loan Documents that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of Lenders and Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of Lenders and Administrative Agent and their respective agents and counsel and all other amounts due Lenders and Administrative Agent under Section 12.1 and Section 12.2) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to Administrative Agent and, in the event that Administrative Agent shall consent to the making of such payments directly to Lenders, to pay to Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of Administrative Agent and its agents and counsel, and any other amounts due Administrative Agent under Section 12.1 and Section 12.2.

Section 11.9 **Collateral and Guaranty Matters**.

(a) The Secured Parties irrevocably authorize Administrative Agent, at its option and in its discretion:

(i) to release any Lien on any property granted to or held by Administrative Agent under any Loan Document (x) upon termination of all Revolving Credit Commitments and payment in full of all Obligations (other than (A) contingent indemnification obligations and (B) obligations and liabilities under Bank Product Agreements as to which arrangements satisfactory to the applicable Bank Product Provider shall have been made), (y) that is sold or otherwise disposed of or to be sold or otherwise disposed of as part of or in connection with any sale or other disposition permitted under the Loan Documents, or (z) if approved, authorized or ratified in writing by Required Lenders or all Lenders, as applicable, under Section 12.12;

(ii) to subordinate any Lien on any property granted to or held by Administrative Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 8.4;

(iii) to release any Guarantor from its obligations under the Guaranty if such Person ceases to be a Subsidiary as a result of a transaction permitted under the Loan Documents; and

(iv) to appoint a Standby Issuer in accordance with the terms and conditions of the Acknowledgment Agreement.

Upon request by Administrative Agent at any time, Required Lenders will confirm in writing Administrative Agent's authority to release or subordinate its interest in particular types or items of property, or to release any Guarantor from its obligations under the Guaranty pursuant to this Section 11.9.

(b) Administrative Agent shall not be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of Administrative Agent's Lien thereon, or any certificate prepared by any Obligated Party in connection therewith, nor shall Administrative Agent be responsible or liable to Lenders for any failure to monitor or maintain any portion of the Collateral.

Section 11.10 **Bank Product Agreements**. No Bank Product Provider who obtains the benefits of Section 10.3, any Guaranty Agreements or any Collateral by virtue of the provisions hereof or of any Guaranty Agreement or any Security Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) (or to notice of or to consent to any amendment, wavier or modification of the provisions hereof or of the Guaranty or any Security Document) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any other provision of this Article 11 to the contrary, Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been

made with respect to, Bank Product Obligations unless Administrative Agent has received written notice of such Bank Product Obligations, together with such supporting documentation as Administrative Agent may request, from the applicable Bank Product Provider. Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Bank Product Obligations arising under Bank Product Agreements upon termination of all Commitments and payment in full of all Obligations under the Loan Documents (other than contingent indemnification obligations).

Article 12
MISCELLANEOUS

Section 12.1 **Expenses**.

(a) Borrower hereby agrees to pay on demand: (i) all costs and expenses of Administrative Agent, the Largest Lender and their respective Related Parties in connection with the preparation, negotiation, execution and delivery of this Agreement and the other Loan Documents and any and all amendments, modifications, renewals, extensions, supplements, waivers, consents and ratifications thereof and thereto, including the reasonable fees and expenses of legal counsel, advisors, consultants and auditors for Administrative Agent, the Largest Lender and their respective Related Parties; (ii) all costs and expenses of Administrative Agent and each Lender in connection with any Default and the enforcement of this Agreement or any other Loan Document, including court costs and fees and expenses of legal counsel, advisors, consultants and auditors for Administrative Agent and each Lender; (iii) all transfer, stamp, documentary or other similar taxes, assessments or charges levied by any Governmental Authority in respect of this Agreement or any of the other Loan Documents; (iv) all costs, expenses, assessments and other charges incurred in connection with any filing, registration, recording or perfection of any Lien contemplated by this Agreement or any other Loan Document; and (v) all other costs and expenses incurred by Administrative Agent and any Lender in connection with this Agreement or any other Loan Document, any litigation, dispute, suit, proceeding or action, the enforcement of its rights and remedies and the protection of its interests in bankruptcy, insolvency or other legal proceedings, including all costs, expenses and other charges (including Administrative Agent's and such Lender's internal charges) incurred in connection with evaluating, observing, collecting, examining, auditing, appraising, selling, liquidating or otherwise disposing of the Collateral or other assets of Borrower. Borrower shall be responsible for all expenses described in this Section 12.1(a) whether or not any Credit Extension is ever made. Any amount to be paid under this Section 12.1 shall be a demand obligation owing by Borrower and if not paid within [***] of demand shall bear interest, to the extent not prohibited by and no in violation of applicable Law, from the date of expenditure until paid at a rate per annum equal to the Default Interest Rate. The obligations of Borrower under this Section 12.1 shall survive payment of the Notes and other obligations hereunder and the assignment of any right hereunder.

(b) To the extent that Borrower for any reason fails to indefeasibly pay any amount required under Section 12.1(a) or Section 12.1(b) to be paid by it to Administrative Agent (or any sub-agent thereof) or any Related Party of Administrative Agent (or any sub-agent thereof), each Lender severally agrees to pay to Administrative Agent (or any such sub-agent) or such Related Party, as the case may be, such Lender's Applicable Percentage (determined as of

the time that the applicable unreimbursed expense or indemnity payment is sought based each Lender's Applicable Percentage of the Total Credit Exposure at such time) of such unpaid amount (including any such unpaid amount in respect of a claim asserted by such Lender); *provided* that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against Administrative Agent (or any such sub-agent) or against any Related Party of Administrative Agent (or any sub-agent thereof) acting for Administrative Agent (or any such sub-agent) in connection with such capacity. EACH LENDER ACKNOWLEDGES THAT SUCH PAYMENTS MAY BE IN RESPECT OF LOSSES, CLAIMS, DAMAGES, LIABILITIES OR RELATED EXPENSES ARISING OUT OF OR RESULTING FROM THE SOLE, CONTRIBUTORY, COMPARATIVE, CONCURRENT OR ORDINARY NEGLIGENCE OF THE PERSON (OR THE REPRESENTATIVES OF THE PERSON) TO WHOM SUCH PAYMENTS ARE TO BE MADE.

Section 12.2 **INDEMNIFICATION**. BORROWER SHALL INDEMNIFY ADMINISTRATIVE AGENT, EACH LENDER AND EACH RELATED PARTY THEREOF FROM, AND HOLD EACH OF THEM HARMLESS AGAINST, ANY AND ALL LOSSES, LIABILITIES, CLAIMS, DAMAGES, PENALTIES, JUDGMENTS, DISBURSEMENTS, COSTS AND EXPENSES (INCLUDING ATTORNEY'S FEES) TO WHICH ANY OF THEM MAY BECOME SUBJECT THAT DIRECTLY OR INDIRECTLY ARISE FROM OR RELATE TO (A) THE NEGOTIATION, EXECUTION, DELIVERY, PERFORMANCE, ADMINISTRATION, OR ENFORCEMENT OF ANY OF THE LOAN DOCUMENTS, (B) ANY OF THE TRANSACTIONS CONTEMPLATED BY THE LOAN DOCUMENTS, (C) ANY BREACH BY BORROWER OF ANY REPRESENTATION, WARRANTY, COVENANT OR OTHER AGREEMENT CONTAINED IN ANY OF THE LOAN DOCUMENTS, (D) THE PRESENCE, RELEASE, THREATENED RELEASE, DISPOSAL, REMOVAL OR CLEANUP OF ANY HAZARDOUS MATERIAL LOCATED ON, ABOUT, WITHIN OR AFFECTING ANY OF THE PROPERTIES OR ASSETS OF BORROWER OR ANY OF ITS SUBSIDIARIES OR ANY OTHER OBLIGATED PARTY, (E) ANY LOAN OR USE OR PROPOSED USE OF THE PROCEEDS THEREFROM OR (F) ANY INVESTIGATION, LITIGATION OR OTHER PROCEEDING, INCLUDING ANY THREATENED INVESTIGATION, LITIGATION OR OTHER PROCEEDING, RELATING TO ANY OF THE FOREGOING. WITHOUT LIMITING ANY PROVISION OF THIS AGREEMENT OR OF ANY OTHER LOAN DOCUMENT, **IT IS THE EXPRESS INTENTION OF THE PARTIES HERETO THAT EACH PERSON TO BE INDEMNIFIED UNDER THIS SECTION SHALL BE INDEMNIFIED FROM AND HELD HARMLESS AGAINST ANY AND ALL LOSSES, LIABILITIES, CLAIMS, DAMAGES, PENALTIES, JUDGMENTS, DISBURSEMENTS, COSTS AND EXPENSES (INCLUDING ATTORNEY'S FEES) ARISING OUT OF RESULTING FROM THE SOLE, CONTRIBUTORY, COMPARATIVE, CONCURRENT OR ORDINARY NEGLIGENCE OF SUCH PERSON (OR THE REPRESENTATIVES OF SUCH PERSON)**. Any amount to be paid under this Section 12.2 shall be a demand obligation owing by Borrower and if not paid within [***] of demand shall bear interest, to the extent not prohibited by and not in violation of applicable Law, from the date of expenditure until paid at a rate per annum equal to the Default Interest Rate. The obligations of Borrower under this Section 12.2 shall survive payment of the Notes and other obligations hereunder and the assignment of any right hereunder.

Section 12.3 **Limitation of Liability**. None of Administrative Agent or any Lender, or any Affiliate, officer, director, employee, attorney or agent of any of the foregoing, shall have any liability with respect to, and Borrower hereby waives, releases and agrees not to sue any of them upon, any claim for any special, indirect, incidental or consequential damages suffered or incurred by Borrower or any other Obligated Party in connection with, arising out of or in any way related to, this Agreement or any of the other Loan Documents, or any of the transactions contemplated by this Agreement or any of the other Loan Documents. Borrower hereby waives, releases and agrees not to sue Administrative Agent or any Lender, or any Affiliates, officers, directors, employees, attorneys or agents of any of the foregoing for punitive damages in respect of any claim in connection with, arising out of or in any way related to, this Agreement or any of the other Loan Documents, or any of the transactions contemplated by this Agreement or any of the other Loan Documents.

Section 12.4 **No Duty**. All attorneys, accountants, appraisers and other professional Persons and consultants retained by Administrative Agent or any Lender shall have the right to act exclusively in the interest of Administrative Agent or such Lender and shall have no duty of disclosure, duty of loyalty, duty of care or other duty or obligation of any type or nature whatsoever to Borrower or any of Borrower's equity holders, Affiliates, officers, employees, attorneys, agents or any other Person.

Section 12.5 **Lenders Not Fiduciary**. The relationship between Borrower and Administrative Agent, Arranger and each Lender is solely that of debtor and creditor, and none of Administrative Agent, Arranger or any Lender has any fiduciary or other special relationship with Borrower, and no term or condition of any of the Loan Documents shall be construed so as to deem the relationship between Borrower and Administrative Agent, Arranger and each Lender to be other than that of debtor and creditor.

Section 12.6 **Equitable Relief**. Borrower recognizes that in the event Borrower fails to pay, perform, observe or discharge any or all of the Obligations, any remedy at law may prove to be inadequate relief to Administrative Agent or Lenders. Borrower therefore agrees that Administrative Agent or any Lender, if Administrative Agent or such Lender so requests, shall be entitled to temporary and permanent injunctive relief in any such case without the necessity of proving actual damages.

Section 12.7 **No Waiver; Cumulative Remedies**. No failure on the part of Administrative Agent or any Lender to exercise and no delay in exercising, and no course of dealing with respect to, any right, remedy, power or privilege under this Agreement shall operate as a waiver thereof, nor shall any single or partial exercise of any right, remedy, power or privilege under this Agreement preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights and remedies provided for in this Agreement and the other Loan Documents are cumulative and not exclusive of any rights and remedies provided by law.

Section 12.8 **Exclusive Enforcement Right**. Notwithstanding anything to the contrary contained herein or in any other Loan Document, the authority to enforce rights and remedies hereunder and under the other Loan Documents against the Obligated Parties or any of them shall be vested exclusively in, and all actions and proceedings at law in connection with such

enforcement shall be instituted and maintained exclusively by, Administrative Agent in accordance with Section 10.2 for the benefit of all the Lenders; *provided* that the foregoing shall not prohibit (a) Administrative Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as Administrative Agent) hereunder and under the other Loan Documents, (b) any Lender from exercising setoff rights in accordance with Section 4.2 (subject to the terms of Section 12.25) or (c) any Lender from filing proofs of claim or appearing and filing pleadings on its own behalf during the pendency of a proceeding relative to any Obligated Party under any Debtor Relief Law; and *provided further* that if at any time there is no Person acting as Administrative Agent hereunder and under the other Loan Documents, then (i) the Appointing Party shall have the rights otherwise ascribed to Administrative Agent pursuant to Section 10.2 and (ii) in addition to the matters set forth in clauses (b) and (c) of the preceding proviso and subject to Section 12.25, any Lender may, with the consent of the Appointing Party, enforce any rights and remedies available to it and as authorized by the Appointing Party.

Section 12.9 **Successors and Assigns**.

(a) **Successors and Assigns Generally**. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that Borrower may not assign or transfer any of its rights, duties or obligations under this Agreement or the other Loan Documents without the prior written consent of Administrative Agent and each Lender, and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an assignee in accordance with the provisions of Section 12.9(b), (ii) by way of participation in accordance with the provisions of Section 12.9(d), or (iii) by way of pledge or assignment of a security interest subject to the restrictions of Section 12.9(e) (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in Section 12.9(d) and, to the extent expressly contemplated hereby, the Related Parties of each of Administrative Agent and Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) **Assignments by Lenders**. Any Lender may at any time assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Revolving Credit Commitment(s) and the Loans at the time owing to it); *provided* that any such assignment shall be subject to the following conditions:

(i) **Minimum Amounts**. (A) in the case of an assignment of the entire remaining amount of the assigning Lender's Revolving Credit Commitment(s) and/or the Loans at the time owing to it or contemporaneous assignments to related Approved Funds that equal at least the amount specified in Section 12.9(b)(i)(B) in the aggregate or in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund, no minimum amount need be assigned; and (B) in any case not described in Section 12.9(b)(i)(A), the aggregate amount of the Revolving Credit Commitment(s) (which for this purpose includes Loans outstanding hereunder) or, if the applicable Revolving Credit Commitment is not then in effect, the Outstanding Amount of the Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is

delivered to Administrative Agent or, if "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date) shall not be less than [***], in the case of any assignment in respect of the Revolving Credit Facility, unless each of Administrative Agent and, so long as no Event of Default has occurred and is continuing, Borrower otherwise consents (each such consent not to be unreasonably withheld or delayed).

(ii) **Proportionate Amounts**. Each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loan or the Revolving Credit Commitment(s) assigned, except that this Section 12.9(b)(ii) shall not prohibit any Lender from assigning all or a portion of its rights and obligations among separate facilities on a non-pro rata basis.

(iii) **Required Consents**. No consent shall be required for any assignment except to the extent required by Section 12.9(b)(i)(B) and, in addition: (A) the consent of Borrower (such consent not to be unreasonably withheld or delayed) shall be required unless (x) an Event of Default has occurred and is continuing at the time of such assignment, or (y) such assignment is to a Lender, an Affiliate of a Lender or an Approved Fund; *provided* that Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to Administrative Agent within five (5) Business Days after having received notice thereof; and (B) the consent of Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required for assignments in respect of any Revolving Credit Commitment or Revolving Credit Loans if such assignment is to a Person that is not a Lender with a Revolving Credit Commitment, an Affiliate of such Lender or an Approved Fund with respect to such Lender.

(iv) **Assignment and Assumption**. The parties to each assignment shall execute and deliver to Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of [***]; *provided* that Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment. The assignee, if it is not a Lender, shall deliver to Administrative Agent an Administrative Questionnaire.

(v) **No Assignment to Certain Persons**. No such assignment shall be made to (A) Borrower, or an of Borrower's Affiliates or Subsidiaries or any other Obligated Party or (B) any Defaulting Lender or any of its Affiliates, or any Person who, upon becoming a Lender hereunder, would constitute any of the foregoing persons described in this clause (B).

(vi) **No Assignment to Natural Persons**. No such assignment shall be made to a natural Person.

(vii) **Certain Additional Payments**. In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to such assignment shall make such additional payments to Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations or other compensating actions, including funding, with the consent of Borrower and Administrative Agent, the

applicable pro rata share of Loans previously requested but not funded by such Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to: (A) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to Administrative Agent or any Lender hereunder (and interest accrued thereon) and (B) acquire (and fund as appropriate) its full pro rata share of all Loans in accordance with its Applicable Percentage. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable law without compliance with the provisions of this Section 12.9, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

(viii) **Approved Assignee is a Lender**. Subject to acceptance and recording thereof by Administrative Agent pursuant to Section 12.9(c), from and after the effective date specified in each Assignment and Assumption, the assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of Section 12.1 and Section 12.2 with respect to facts and circumstances occurring prior to the effective date of such assignment; *provided* that, except to the extent otherwise expressly agreed by the affected parties, no assignment by a Defaulting Lender will constitute a waiver or release of any party hereunder arising from that Lenders' having been a Defaulting Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 12.9(b)(viii) shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 12.9(d). Upon the consummation of any assignment pursuant to this Section 12.9(b), if requested by the transferor or transferee Lender, the transferor Lender, Administrative Agent and Borrower shall make appropriate arrangements so that replacement Notes are issued to such transferor Lender (if applicable) and new Notes or, as appropriate, replacement Notes, are issued to the assignee.

(c) **Register**. Administrative Agent, acting solely for this purpose as an agent of Borrower, shall maintain at one of its offices in Dallas, Texas a copy of each Assignment and Assumption delivered to it and a Register. The entries in the Register shall be conclusive absent manifest error, and Borrower, Administrative Agent and Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by Borrower and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(d) **Participations**. Subject to the restrictions, if any, imposed by the Agency pursuant to the Acknowledgment Agreement, any Lender may at any time, without the consent of, or notice to, Borrower or Administrative Agent, sell participations to a Participant in all or a portion of such Lender's rights and /or obligations under this Agreement (including all or a portion of its Revolving Credit Commitment and/or the Loans owing to it); *provided* that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain

solely responsible to the other parties hereto for the performance of such obligations, and (iii) Borrower, Administrative Agent, and Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. For the avoidance of doubt, each Lender shall be responsible for the indemnity under Section 12.1(b) without regard to the existence of any participation. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; *provided* that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in Section 12.12 that requires the consent of all Lenders and affects such Participant. Borrower agrees that each Participant shall be entitled to the benefits of Section 3.1 and Section 3.2 (subject to the requirements and limitations therein, including the requirements under Section 3.2(g) (it being understood that the documentation required under Section 3.2(g) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 12.9(b); *provided* that such Participant (A) agrees to be subject to the provisions of Section 3.3 as if it were an assignee under Section 12.9(b); and (B) shall not be entitled to receive any greater payment under Section 3.1 or Section 3.2, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. Each Lender that sells a participation agrees, at Borrower's request and expense, to use reasonable efforts to cooperate with Borrower to effectuate the provisions of Section 3.3 with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 4.2 as though it were a Lender; *provided* that such Participant agrees to pay to Administrative Agent any amount set-off for application to the Obligations under the Loan Documents as required pursuant to Section 4.2; *provided further* that such Participant agrees to be subject to Section 12.25 as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as an agent of Borrower, maintain a Participant Register; *provided* that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under *Section 5f.103-1(c)* of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(e) **Certain Pledges**. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or a Federal Home Loan Bank; *provided* that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(f) **Dissemination of Information**. Borrower and each other Obligated Party authorizes Administrative Agent and each Lender to disclose to any actual or prospective purchaser, assignee or other recipient of a Lender's Revolving Credit Commitment, any and all information in Administrative Agent's or such Lender's possession concerning Borrower, the other Obligated Parties and their respective Affiliates.

Section 12.10 **Survival**. All representations and warranties made in this Agreement or any other Loan Document or in any document, statement or certificate furnished in connection with this Agreement shall survive the execution and delivery of this Agreement and the other Loan Documents, and no investigation by Administrative Agent or any Lender or any closing shall affect the representations and warranties or the right of Administrative Agent or any Lender to rely upon them. Without prejudice to the survival of any other obligation of Borrower hereunder, the obligations of Borrower under Section 12.1 and Section 12.2 shall survive repayment of the Obligations and termination of the Revolving Credit Commitments.

Section 12.11 **Amendment and Restatement of Prior Loan Agreement**. This Agreement is in renewal, extension, modification, increase and restatement of, and is intended to carry forward the liens and security interests of (i) the Loan and Security Agreement dated January 22, 2014 by and between Borrower and Texas Capital Bank, (ii) the First Amended and Restated Loan and Security Agreement dated April 15, 2015, also by and between Borrower and Texas Capital Bank, (iii) the Second Amended and Restated Loan and Security Agreement dated April 9, 2016 also by and between Borrower and Texas Capital Bank, (iv) the Third Amended and Restated Loan and Security Agreement dated May 10, 2017, also by and between Borrower and Texas Capital Bank, and (v) the Fourth Amended and Restated Loan and Security Agreement dated June 6, 2018, also by and between Borrower and Texas Capital Bank as affected by the (x) Joinder and Assumption Agreement, dated June 18, 2018, by and among Borrower, Administrative Agent, and Pinnacle Bank, in respect thereof, (y) First Amendment thereto, dated February 25, 2019, and (z) Second Amendment thereto, dated February 25, 2019, (collectively, the "Prior Loan Agreement") (collectively, the "Prior Loan Agreement"). Borrower acknowledges and confirms that the liens and security interests of the Prior Loan Agreement are renewed, extended and continued (but not extinguished or released) by this Agreement and are in full force and effect to secure payment of the Notes and the Obligations.

Section 12.12 **Amendment**. The provisions of this Agreement and the other Loan Documents to which Borrower is a party may be amended or waived only by an instrument in writing signed by Required Lenders (or by Administrative Agent with the consent of Required Lenders) and Borrower and acknowledged by Administrative Agent; *provided* that no such amendment or waiver shall:

(a) waive any condition set forth in Section 5.1 (other than Section 5.1(o)), without the written consent of each Lender;

(b) extend or increase any Revolving Credit Commitment of any Lender (or reinstate any Revolving Credit Commitment terminated pursuant to Section 10.2) without the written consent of such Lender;

(c) postpone any date fixed by this Agreement or any other Loan Document for any payment (excluding mandatory prepayment) of principal, interest, fees or other amounts due to Lenders (or any of them) hereunder or under any other Loan Document without the written consent of each Lender directly affected thereby;

(d) reduce the principal of, or the rate of interest specified herein on, any Loan, or any fees or other amounts payable hereunder or under any other Loan Document without the written consent of each Lender directly affected thereby; *provided* that only the consent of Required Lenders shall be necessary to adjust the Default Interest Rate or to waive any obligation of Borrower to pay interest at such rate;

(e) change any provision of this Section 12.12 or the definition of "Required Lenders" or any other provision hereof specifying the number or percentage of Lenders required to amend, waive or otherwise modify any rights hereunder or make any determination or grant any consent hereunder, without the written consent of each Lender;

(f) change Section 10.3 in a manner that would alter the pro rata sharing of payments required thereby without the written consent of each Lender; or

(g) release any Guaranty or all or substantially all of the Collateral (in each case, except as provided herein) without the written consent of each Lender;

and, *provided further* that (i) no amendment, waiver or consent shall, unless in writing and signed by Administrative Agent in addition to Lenders required above, affect the rights or duties of Administrative Agent under this Agreement or any other Loan Document and (ii) the Fee Letter may be amended, or rights or privileges thereunder waived, in a writing executed only by the parties thereto.

Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder, except that (and any amendment, waiver or consent that by its terms requires the consent of all Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders), except that (x) the Revolving Credit Commitment(s) of any Defaulting Lender may not be increased or extended without the consent of such Lender; and (y) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that by its terms affects any Defaulting Lender disproportionately adversely relative to other affected Lenders shall require the consent of such Defaulting Lender.

Section 12.13 **Notices**.

a) **Notices Generally**. Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in Section 12.13(b)), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by facsimile as set forth in this Section 12.13 to the recipient's address stated or as referenced on Schedule 12.12. Notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received. Notices sent by facsimile shall be deemed to have been given when sent (except that, if not given during normal business

hours for the recipient, shall be deemed to have been given at the opening of business on the next business day for the recipient). Notices delivered through electronic communications shall be effective as, and to the extent, provided in Section 12.13(b).

(b) **Electronic Communications**. Notices and other communications to Lenders and hereunder may be delivered or furnished by electronic communication (including e-mail to the recipient's email address stated or as referenced on Schedule 12.12, and Internet or intranet websites) pursuant to procedures approved by Administrative Agent, *provided* that the foregoing shall not apply to notices to any Lender pursuant to Article 2 if such Lender has notified Administrative Agent that it is incapable of receiving notices under Article 2 by electronic communication. Administrative Agent or Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; *provided* that approval of such procedures may be limited to particular notices or communications. Unless Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgment), and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient, at its e-mail address as described in the foregoing clause (i), of notification that such notice or communication is available and identifying the website address therefor; *provided* that, for both clauses (i) and (ii) of this sentence, if such facsimile, email or other electronic communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient.

(c) **Change of Address, etc**. Any party hereto may change its address or facsimile number for notices and other communications hereunder by notice to the other parties hereto, Schedule 12.12 shall be deemed to be amended by each such change and Administrative Agent is authorized, in its discretion, from time to time to reflect each such change in an amended Schedule 12.12 provided by Administrative Agent to each party hereto.

(d) **Platform**.

(i) Borrower agrees that Administrative Agent may, but shall not be obligated to, make the Communications available to the Lenders by posting the Communications on the Platform.

(ii) The Platform is provided "as is" and "as available." The Agent Parties do not warrant the adequacy of the Platform and expressly disclaim liability for errors or omissions in the Communications. No warranty of any kind, express, implied or statutory, including any warranty of merchantability, fitness for a particular purpose, non-infringement of third-party rights or freedom from viruses or other code defects, is made by any Agent Party in connection with the Communications or the Platform. In no event shall the Agent Parties have any liability to Borrower, any Lender or any other Person or entity for damages of any kind, including direct or indirect, special, incidental or consequential damages, losses or expenses (whether in tort, contract or otherwise) arising out of Borrower's or Administrative Agent's transmission of communications through the Platform, or arising from the use by others of

information or other materials obtained through the Platform, other electronic communications or other information transmission system.

(iii) Borrower and each other Obligated Party (by its, his or her execution of a Loan Document) hereby authorizes Administrative Agent, each Lender and their respective counsel and agents to communicate and transfer documents and other information (including confidential information) concerning this transaction or Borrower or any other Loan Party and the business affairs of Borrower and such other Loan Parties via the Internet or other electronic communication without regard to the lack of security of such communications.

Section 12.14 **Governing Law; Venue; Service of Process**.

(a) **Governing Law**. This Agreement and the other Loan Documents and any claims, controversy, dispute or cause of action (whether in contract or tort or otherwise) based upon, arising out of or relating to this Agreement or any other Loan Document (except, as to any other Loan Document, as expressly set forth therein) and the transactions contemplated hereby and thereby shall be governed by, and construed in accordance with, the law of the State of Texas (without reference to applicable rules of conflicts of Laws), except to the extent the Laws of any jurisdiction where Collateral is located require application of such Laws with respect to such Collateral.

(b) **Jurisdiction**. Borrower irrevocably and unconditionally agrees that it will not commence any action, litigation or proceeding of any kind or description, whether in law or equity, whether in contract or in tort or otherwise, against Administrative Agent, any Lender or any Related Party of the foregoing in any way relating to this Agreement or any other Loan Document or the transactions relating hereto or thereto, in any forum other than the courts of the State of Texas sitting in Dallas County, and of the United States District Court of the Northern District of Texas and any appellate court from any thereof, and each of the parties hereto irrevocably and unconditionally submits to the jurisdiction of such courts and agrees that all claims in respect of any such action, litigation or proceeding may be heard and determined in such Texas State court or, to the fullest extent permitted by applicable law, in such federal court. Each of the parties hereto agrees that a final judgment in any such action, litigation or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or in any other Loan Document shall affect any right that Administrative Agent or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against Borrower or its properties in the courts of any jurisdiction.

(c) **Waiver of Venue**. Borrower irrevocably and unconditionally waives, to the fullest extent permitted by applicable law, any objection that it may now or hereafter have to the laying of venue of any action or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in Section 12.14(b). Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by applicable law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) **Service of Process**. Each party hereto irrevocably consents to service of process in the manner provided for notices in Section 12.13. Nothing in this Agreement will

affect the right of any party hereto to serve process in any other manner permitted by applicable law.

Section 12.15 **Counterparts**. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of that together shall constitute one and the same instrument. Except as provided in Section 5.1, this Agreement shall become effective when it shall have been executed by Administrative Agent and when Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic imaging means (e.g. "pdf" or "tif") shall be effective as delivery of a manually executed counterpart of this Agreement.

Section 12.16 **Severability**. Any provision of this Agreement or any other Loan Document held by a court of competent jurisdiction to be invalid or unenforceable shall not impair or invalidate the remainder of this Agreement and the effect thereof shall be confined to the provision held to be invalid or illegal. Furthermore, in lieu of such invalid or unenforceable provision there shall be added as a part of this Agreement or the other Loan Documents a provision as similar in terms to such illegal, invalid or unenforceable provision as may be possible and be legal, valid and enforceable.

Section 12.17 **Headings**. The headings, captions and arrangements used in this Agreement are for convenience only and shall not affect the interpretation of this Agreement.

Section 12.18 **Construction**. Borrower, Administrative Agent and each Lender acknowledge that each of them has had the benefit of legal counsel of its own choice and has been afforded an opportunity to review this Agreement and the other Loan Documents with its legal counsel and that this Agreement and the other Loan Documents shall be construed as if jointly drafted by Borrower, Administrative Agent and each Lender.

Section 12.19 **Independence of Covenants**. All covenants hereunder shall be given independent effect so that if a particular action or condition is not permitted by any of such covenants, the fact that it would be permitted by an exception to, or be otherwise within the limitations of, another covenant shall not avoid the occurrence of a Default if such action is taken or such condition exists.

Section 12.20 **WAIVER OF JURY TRIAL** . EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN

DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS Section 12.20.

Section 12.21 **Additional Interest Provision**. It is expressly stipulated and agreed to be the intent of Borrower, Administrative Agent and each Lender at all times to comply strictly with the applicable law governing the maximum rate or amount of interest payable on the indebtedness evidenced by any Note, any Loan Document and the Related Indebtedness (or applicable United States federal law to the extent that it permits any Lender to contract for, charge, take, reserve or receive a greater amount of interest than under applicable law). If the applicable law is ever judicially interpreted so as to render usurious any amount (a) contracted for, charged, taken, reserved or received pursuant to any Note, any of the other Loan Documents or any other communication or writing by or between Borrower and any Lender related to the transaction or transactions that are the subject matter of the Loan Documents, (b) contracted for, charged, taken, reserved or received by reason of Administrative Agent's or any Lender's exercise of the option to accelerate the maturity of any Note and/or the Related Indebtedness, or (c) Borrower will have paid or Administrative Agent or any Lender will have received by reason of any voluntary prepayment by Borrower of any Note and/or the Related Indebtedness, then it is Borrower's, Administrative Agent's and Lenders' express intent that all amounts charged in excess of the Maximum Rate shall be automatically canceled, ab initio, and all amounts in excess of the Maximum Rate theretofore collected by Administrative Agent or any Lender shall be credited on the principal balance of any Note and/or the Related Indebtedness (or, if any Note and all Related Indebtedness have been or would thereby be paid in full, refunded to Borrower), and the provisions of any Note and the other Loan Documents shall immediately be deemed reformed and the amounts thereafter collectible hereunder and thereunder reduced, without the necessity of the execution of any new document, so as to comply with the applicable law, but so as to permit the recovery of the fullest amount otherwise called for hereunder and thereunder; *provided* that if any Note or Related Indebtedness has been paid in full before the end of the stated term thereof, then Borrower, Administrative Agent and each Lender agree that Administrative Agent or any Lender, as applicable, shall, with reasonable promptness after Administrative Agent or such Lender discovers or is advised by Borrower that interest was received in an amount in excess of the Maximum Rate, either refund such excess interest to Borrower and/or credit such excess interest against such Note and/or any Related Indebtedness then owing by Borrower to Administrative Agent or such Lender. Borrower hereby agrees that as a condition precedent to any claim seeking usury penalties against Administrative Agent or such Lender, Borrower will provide written notice to Administrative Agent or any Lender, advising Administrative Agent or such Lender in reasonable detail of the nature and amount of the violation, and Administrative Agent or such Lender shall have sixty (60) days after receipt of such notice in that to correct such usury violation, if any, by either refunding such excess interest to Borrower or crediting such excess interest against the Note to that the alleged violation relates and/or the Related Indebtedness then owing by Borrower to Administrative Agent or such Lender. All sums contracted for, charged, taken, reserved or received by Administrative Agent or any Lender for the use, forbearance or detention of any debt evidenced by any Note and/or the Related Indebtedness shall, to the extent permitted by applicable law, be amortized or spread, using the actuarial method, throughout the stated term of such Note and/or the Related Indebtedness (including any and all renewal and extension periods) until payment in full so that the rate or amount of interest on account of any Note and/or the Related Indebtedness does not exceed the Maximum Rate from time to time in effect and applicable to such Note and/or the

Related Indebtedness for so long as debt is outstanding. In no event shall the provisions of Chapter 346 of the Texas Finance Code (which regulates certain revolving credit loan accounts and revolving triparty accounts) apply to the Notes and/or any of the Related Indebtedness. Notwithstanding anything to the contrary contained herein or in any of the other Loan Documents, it is not the intention of Administrative Agent or any Lender to accelerate the maturity of any interest that has not accrued at the time of such acceleration or to collect unearned interest at the time of such acceleration.

Section 12.22 **Ceiling Election.** To the extent that any Lender is relying on Chapter 303 of the Texas Finance Code to determine the Maximum Rate payable on any Note and/or any other portion of the Obligations under the Loan Documents, such Lender will utilize the weekly ceiling from time to time in effect as provided in such Chapter 303. To the extent United States federal law permits any Lender to contract for, charge, take, receive or reserve a greater amount of interest than under Texas law, such Lender will rely on United States federal law instead of such Chapter 303 for the purpose of determining the Maximum Rate. Additionally, to the extent permitted by applicable law now or hereafter in effect, any Lender may, at its option and from time to time, utilize any other method of establishing the Maximum Rate under such Chapter 303 or under other applicable law by giving notice, if required, to Borrower as provided by applicable law now or hereafter in effect.

Section 12.23 **USA Patriot Act Notice.** Administrative Agent and the Lenders each hereby notifies Borrower that pursuant to the requirements of the Patriot Act, it is required to obtain, verify and record information that identifies Borrower and each other Obligated Party, which information includes the name and address of Borrower and each other Obligated Party and other information that will allow Administrative Agent and such Lender to identify Borrower and each other Obligated Party in accordance with the Patriot Act. In addition, Borrower agrees to (a) ensure that no Person who owns a controlling interest in or otherwise controls Borrower or any Subsidiary of Borrower is or shall be listed on the Specially Designated Nationals and Blocked Person List or other similar lists maintained by the OFAC, the Department of the Treasury or included in any Executive Order, (b) not to use or permit the use of proceeds of the Obligations to violate any of the foreign asset control regulations of the OFAC or any enabling statute or Executive Order relating thereto or Anti-Corruption Laws or Anti-Terrorism Laws, and (c) comply, or cause its Subsidiaries to comply, with the applicable Laws.

Section 12.24 **Defaulting Lenders.**

(a) **Adjustments.** Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(i) **Waivers and Amendments.** Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in the definition of "Required Lenders" and in Section 12.12.

(ii) **Defaulting Lender Waterfall.** Any payment of principal, interest, fees or other amounts received by Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article 10 or otherwise) or

received by Administrative Agent from a Defaulting Lender shall be applied at such time or times as may be determined by Administrative Agent as follows: first, to the payment of any amounts owing by such Defaulting Lender to Administrative Agent hereunder; second, with respect to a Defaulting Lender that is a Revolving Credit Lender, as Borrower may request (so long as no Default or Event of Default exists), to the funding of any Revolving Credit Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by Administrative Agent; third, with respect to a Defaulting Lender that is a Revolving Credit Lender, if so determined by Administrative Agent and Borrower, to be held in a deposit account and released pro rata in order to satisfy such Defaulting Lender's potential future funding obligations with respect to Revolving Credit Loans under this Agreement; fourth, to the payment of any amounts owing to Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; fifth, so long as no Default or Event of Default exists, to the payment of any amounts owing to Borrower as a result of any judgment of a court of competent jurisdiction obtained by Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and sixth, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; *provided* that, if (x) such payment is a payment of the principal amount of any Loans in respect of which such Defaulting Lender has not fully funded its appropriate share, and (y) such Loans were made at a time when the conditions set forth in Section 5.2 were satisfied or waived, such payment shall be applied solely to pay the Loans of all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of such Defaulting Lender until such time as all Loans are held by Lenders pro rata in accordance with the Revolving Credit Commitments under the Revolving Credit Facility.

(iii) **Certain Fees.** No Defaulting Lender shall be entitled to receive any fee payable under Section 2.2(b) for any period during which that Lender is a Defaulting Lender (and Borrower shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender).

(b) **Defaulting Lender Cure.** If Borrower and Administrative Agent agree in writing that a Lender is no longer a Defaulting Lender, Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein, that Lender will, to the extent applicable, purchase at par that portion of outstanding Loans of the other Lenders or take such other actions as Administrative Agent may determine to be necessary to cause the Loans to be held on a pro rata basis by Lenders in accordance with their Applicable Percentages, whereupon such Lender will cease to be a Defaulting Lender; *provided* that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of Borrower while that Lender was a Defaulting Lender; and *provided further* that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

Section 12.25 **Sharing of Payments by Lenders.** If any Lender or any of its Related Parties shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of the Loans made by it or other obligations hereunder,

resulting in such Lender's receiving payment of a proportion of the aggregate amount of such Loans and accrued interest thereon greater than its pro rata share thereof as provided herein, then the Lender receiving such greater proportion shall:

(a) notify Administrative Agent of such fact; and

(b) purchase (for cash at face value) participations in the Loans and such other obligations of the other Lenders, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans and other amounts owing them, *provided* that:

(i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and

(ii) the provisions of this Section 12.25 shall not be construed to apply to: (A) any payment made by or on behalf of Borrower pursuant to and in accordance with the express terms of this Agreement (including the application of funds arising from the existence of a Defaulting Lender); or (B) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant, other than an assignment to Borrower or any Affiliate thereof (as to which the provisions of this Section 12.25 shall apply).

Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against Borrower rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of Borrower in the amount of such participation.

If any Lender (or any Related Party of any Lender) shall receive any payments in contravention of Section 8.12, such Lender shall deliver (and cause any applicable Related Party to deliver) such amounts to the Administrative Agent for application to the Obligations under the Loan Documents in the order set forth in Section 10.3.

Section 12.26 **Payments Set Aside.** To the extent that any payment by or on behalf of Borrower is made to Administrative Agent or any Lender, or Administrative Agent or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by Administrative Agent or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender severally agrees to pay to Administrative Agent upon demand its applicable share (without duplication) of any amount so recovered from or repaid by Administrative Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per

annum equal to the Federal Funds Rate from time to time in effect. The obligations of Lenders under clause (b) of the preceding sentence shall survive the payment in full of the Obligations and the termination of this Agreement.

Section 12.27 **Confidentiality.** Each of Administrative Agent and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its Affiliates and to its Related Parties (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to any regulatory authority purporting to have jurisdiction over it (including any self-regulatory authority, such as the National Association of Insurance Commissioners) or any Governmental Authority, quasi-Governmental Authority or legislative committee, (c) to the extent required by applicable Laws or regulations or by any subpoena or similar legal process, (d) to any other party to this Agreement or any other Loan Document, (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to its being under a duty of confidentiality no less restrictive than this Section 12.27, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement, (ii) any actual or prospective counterparty (or its Related Parties) to any Hedge Agreement relating to Borrower and its obligations, (iii) any actual or prospective purchaser of a Lender or its holding company, (iv) any rating agency or any similar organization in connection with the rating of Borrower or the facilities or (v) the CUSIP Service Bureau or any similar organization in connection with the issuance and monitoring of CUSIP numbers with respect to the facilities, (g) with the consent of Borrower, or (h) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section 12.27 or (ii) becomes available to Administrative Agent, any Lender or any of their respective Affiliates on a nonconfidential basis from a source other than Borrower. For purposes of this Section 12.27, "Information" means all information received from Borrower or any Subsidiary relating to Borrower or any Subsidiary or any of their respective businesses that is clearly identified as confidential, other than any such information that is available to Administrative Agent or any Lender on a nonconfidential basis prior to disclosure by Borrower or a Subsidiary; *provided* that, in the case of information received from Borrower or any Subsidiary after the date hereof, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section 12.27 shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Section 12.28 **Electronic Execution of Assignments and Certain Other Documents.** The words "execute," "execution," "signed," "signature," and words of like import in any Assignment and Assumption or in any amendment or other modification hereof (including waivers and consents) shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by Administrative Agent, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New

York State Electronic Signatures and Records Act, or any other similar state Laws based on the Uniform Electronic Transactions Act.

Section 12.29 **Independence of Covenants.** All covenants under the Loan Documents shall be given independent effect so that if a particular action or condition is not permitted by any of such covenants, the fact that it would be permitted by an exception to, or be otherwise within the limitations of, another covenant shall not avoid the occurrence of a Default if such action is taken or such condition exists.

Section 12.30 **Acknowledgement and Consent to Bail-In of EEA Financial Institutions.** Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender that is an EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender that is an EEA Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

Section 12.31 **NOTICE OF FINAL AGREEMENT.** THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS REPRESENT THE FINAL AGREEMENT BETWEEN THE PARTIES RELATING TO THE SUBJECT MATTER HEREOF AND THEREOF AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES. THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE PARTIES.

For the purposes of this Agreement, Seller and Purchaser agree to the following additional terms and conditions:

3.1. Conveyance of Mortgage Loans.

(a) On the Settlement Date, upon the payment of the Purchase Price by Purchaser, and pursuant to a Commitment Letter prepared by Seller and approved and executed by Purchaser, Seller does hereby sell, transfer, assign, set over and convey to Purchaser, free and clear of any liens, security interests or other encumbrances, but subject to the terms of this Agreement, all right, title and interest in and to the Mortgage Loans subject to the Commitment Letter other than servicing rights related thereto, which shall be retained by the Servicer subject to the terms hereof. From and after the Settlement Date, the ownership of each Mortgage Loan, including the related Mortgage Note, the related Mortgage, the contents of the related Mortgage File and all rights, benefits, proceeds and obligations arising therefrom or in connection therewith (other than the servicing rights related thereto, which shall be retained by the Seller subject to the terms hereof and the Servicing Agreement) shall be vested in Purchaser. From the Settlement Date, all rights (other than the servicing rights related thereto) arising out of the Mortgage Loans including, but not limited to, all funds received after the Settlement Date on or in connection with the Mortgage Loans and all records or documents with respect to the Mortgage Loans prepared by or that come into the possession of Seller, shall be received and held by Seller in trust for the benefit of Purchaser as the owner of the Mortgage Loans.

(b) Upon the payment of the Purchase Price, each Seller Custodian will hold the Collateral Files solely for and on behalf of Purchaser pursuant to the relevant Custodial Agreement and subject to the exclusive direction and control of Purchaser. Each Seller Custodian shall update its records to reflect ownership by Purchaser and the Mortgage Loans shall be segregated from Seller's Mortgage Loans.

(c) Within three (3) Business Days following the Settlement Date, Seller's books and records for the Mortgage Loans shall be appropriately identified to clearly reflect the sale of the Mortgage Loans to Purchaser and Purchaser's ownership of the Mortgage File. Seller shall cause Servicer to transfer all escrow balances into segregated accounts held in Trust for Purchaser and for the benefit of the Mortgagor.

(d) Within three (3) Business Days following the Settlement Date, Seller shall execute and submit to the FHA an FHA notification of mortgagee record change in the name of Purchaser to reflect Purchaser as holder of the FHA Insurance with respect to the Mortgage Loans and shall confirm such notification with Purchaser, and within three (3) Business Days

following the Settlement Date, Seller shall provide Purchaser with satisfactory evidence that the books and records of the FHA properly reflect that Purchaser is the owner and holder of the Mortgage Loans and the mortgagee of record and that the Mortgage Loans are confirmed FHA Mortgage Loans.

(e) Each of Purchaser and Seller shall provide to any supervisory agents or examiners that regulate such Person, including but not limited to, the OCC, the FDIC and other similar entities, access, during normal business hours, upon reasonable advance notice to such Person, to any documentation regarding the Mortgage Loans that may be required by any applicable regulator.

3.2. Delivery of Mortgage Loans and Collateral Files .

(a) At least ten (10) Business Days prior to the Settlement Date, each Custodian shall provide Purchaser with a data file listing all documents held by such Custodian in its capacity as Seller Custodian with respect to each Mortgage Loan listed on the relevant Loan Purchase Data File. Seller, Purchaser and each Custodian shall agree to the form and content of such data file, but such data file shall at a minimum contain a listing of any exceptions that such Custodian would be required to list as an exception on a Trust Receipt issued in accordance with the relevant Custodial Agreement. No more than one (1) Business Day following the Settlement Date, Seller shall cause an executed Request for Release of Documents (HUD Form 11708) to effectuate the repurchase of each Mortgage Loan from the applicable Ginnie Mae MBS pool to be delivered to the relevant Seller Custodians. On the Settlement Date, each Custodian shall deliver to Purchaser a Trust Receipt in accordance with the terms of the relevant Custodial Agreement with respect to the documents held by such Custodian on behalf of Purchaser, and such certifications regarding the Collateral File or the documents contained therein as Purchaser may reasonably require.

(b) Purchaser may, at its option and without notice to Seller, purchase the Mortgage Loans without conducting any partial or complete examination thereof. The fact that Purchaser, its designee or any Custodian has conducted or has failed to conduct any partial or complete examination of the Collateral Files shall not affect Purchaser's (or any of its successor's) rights to demand repurchase, indemnity or other relief as provided herein.

(c) With respect to each Mortgage Loan, Seller shall at Seller's expense prepare or ensure the preparation of, in recordable form, all Assignments of Mortgage necessary to assign such Mortgage Loans to Purchaser, or its designee. In connection with the transfer of any MERS Loan, Seller agrees that within three (3) Business Days after the Settlement Date it will, at Seller's expense, (i) take all such action as is necessary to comply with its obligations regarding designation of the mortgagee of record, servicer, and/or subservicer, and of Purchaser as an "Associated Member," in the MERS System with respect to each related Mortgage Loan in accordance with this Agreement. Within one (1) Business Day after it receives notice of completion from MERS, Seller shall provide written evidence of the ownership status change to Purchaser.

(d) Seller shall bear its own costs and expenses in connection with the purchase and sale of the Mortgage Loans including, without limitation, the legal fees and expenses of their respective attorneys and any due diligence expenses. Notwithstanding the foregoing, Seller shall bear any and all costs and expenses incurred in connection with transferring title to the Mortgage Loans from Seller to Purchaser, including, without limitation, any reasonable out of pocket preparation costs and recordation fees for the Assignments of Mortgages, and any expenses related to the transfer of servicing.

(e) Seller acknowledges that Purchaser generally will not purchase Mortgage Loans for which a document exception would be noted on the Trust Receipt by the relevant Custodian. If, however, Purchaser chooses to proceed with the purchase of a Mortgage Loan notwithstanding any such exception, Seller shall have 120 days (or such shorter period as Purchaser may specify when it agrees to purchase such Mortgage Loan) to cure such defect. If the Seller does not cure such defect within such timeframe, then at Purchaser's request, Seller shall repurchase such Mortgage Loan at the Repurchase Price.

3.3. Amounts Received on the Mortgage Loans; Aggregate Principal Balance of Mortgage Loans; Proceeds and Repurchase Amount.

(b) With respect to each Mortgage Loan, Purchaser shall be entitled to, and Seller shall pay (or shall cause Subservicer to pay) directly to Purchaser (except in the case of FHA Claim Proceeds that are paid directly to Purchaser), (i) in the case of a Part A FHA Claim, the FHA Claim Proceeds and the FHA Claim Settlement Amount, and (ii) in the case of a loan repurchased by Seller, the Repurchase Price; provided, however, in no event shall Purchaser receive in the aggregate, with respect to each Mortgage Loan, an amount less than the Make Whole Price, and Seller shall be liable for and shall pay to Purchaser, upon demand at such time as a Mortgage Loan becomes a Four-Year Aged Loan, an amount equal to any deficiency between amounts actually received by Purchaser with respect to such Mortgage Loan and the Make Whole Price. Following the payment to Purchaser of the amounts required pursuant to Section 3.3(b)(i), provided that no Event of Default shall have occurred and be continuing, and subject to the other terms of this Agreement, Purchaser shall, at Seller's sole cost and expense, execute and deliver such instruments of transfer or assignment as shall be prepared by, and delivered to it by, Seller and necessary to reassign to Seller the rights to any FHA Claim Proceeds for any Part B FHA Claim with respect to the relevant Mortgage Loan.

(c) Any payments to Purchaser required under this Agreement shall be accomplished by wire transfer of immediately available funds into the Purchaser Clearing Account (unless

Purchaser shall have designated otherwise in writing). Purchaser shall have the right to offset any amounts in the EBO Remittance Account and any amounts to be deposited therein by Purchaser in order to affect the FHA Claim Settlement Amount or satisfy the Make Whole Price.

(ff) The representations and warranties of Seller contained herein shall survive delivery of the Mortgage Loans on the Settlement Date and the transfer of a Mortgage Loan by Purchaser to another Person following the Settlement Date.

3.6 Events of Default. If any of the following events (each an " Event of Default") occur, Purchaser shall have the rights set forth in Section 3.7 hereof and as otherwise set forth herein and in the other Purchase Documents, as applicable. An Event of Default shall be deemed continuing unless specifically waiver or deemed cured by Purchaser in writing:

(a) Seller, Servicer or Subservicer shall fail to make when due any payment obligations under this Agreement or any other Purchase Document; or

(b) Any representation or warranty made or deemed made by Seller, Servicer or Subservicer in this Agreement or any other Purchase Document shall be inaccurate or incomplete in any material respect on or as of the date made or deemed made; or

(c) Seller, Servicer or Subservicer shall default in the observance or performance of any covenant or agreement contained in this Agreement or any other Purchase Document; or

(d) Seller shall default in the observance or performance of any covenant or condition of any other agreement (whether now or hereafter existing) between Seller and Purchaser (including, without limitation, the Mortgage Warehouse Agreement), or in the due and punctual payment of any present or future indebtedness, obligation, or liability owed by Seller to Purchaser, and such default shall have continued beyond any period of grace or cure provided with respect thereto;

(e) Seller shall default in the payment of any material indebtedness owed to any third party; or

(f) (1) Seller, Servicer or Subservicer shall commence any case, proceeding or other action (i) relating to bankruptcy, insolvency, reorganization or relief of debtors, seeking to have an order for relief entered with respect to Seller, Servicer or Subservicer, or seeking to adjudicate Seller, Servicer or Subservicer a bankrupt or insolvent, or seeking reorganization, arrangement, adjustment, winding-up, liquidation, dissolution, composition or other relief with respect to Seller, Servicer or Subservicer or their respective debts, or (ii) seeking appointment of a receiver, trustee, custodian or other similar official for Seller, Servicer or Subservicer or for all or any part of their respective assets, or Seller, Servicer or Subservicer shall make a general assignment for the benefit of its creditors; or (2) there shall be commenced against Seller, Servicer or Subservicer any case, proceeding or other action of a nature referred to in clause (1) above which (i) results in the entry of an order for relief or any such adjudication or appointment, or (ii) remains undismissed, undischarged or unbonded for a period of [***]; or (3) there shall be commenced against Seller, Servicer or Subservicer any case, proceeding or other action seeking issuance of a warrant of attachment, execution, distraint or similar process against all or substantially all of the assets of Seller, Servicer or Subservicer that results in the entry of an order for any such relief which shall not have been vacated, discharged, stayed, satisfied or bonded pending appeal within [***] from the entry thereof; or (4) Seller, Servicer or Subservicer shall take any action in furtherance of, or indicating its consent to, approval of, or

acquiescence in (other than in connection with a final settlement), any of the acts set forth in clauses (1), (2) or (3) above; or (5) Seller, Servicer or Subservicer shall generally not, or shall be unable to, or shall admit in writing its, his, her or their inability to pay its, his, her or their debts as they become due; or

(g) One or more judgments or decrees in an aggregate amount in excess of the amount provided in the Mortgage Warehouse Agreement shall be entered against Seller and all such judgments or decrees shall not have been vacated, discharged, stayed, satisfied or bonded pending appeal within [***] after the entry thereof and notice to Seller; or

(h) For any reason, any Purchase Document at any time shall not be in full force and effect in all material respects or shall not be enforceable in all material respects in accordance with its terms, or any party thereto (other than Purchaser) shall seek to disaffirm, terminate, limit or reduce its obligations thereunder; or

(i) Seller, Servicer or Subservicer shall grant, or suffer to exist, any lien on any Mortgage Loan or the servicing rights relating thereto; or

(j) Purchaser shall have determined that a Material Adverse Effect has occurred with respect to Seller, Servicer or Subservicer or, subject to Section 3.7(c) hereof, with respect to any Mortgage Loan; or

(k) There shall occur the initiation of any investigation, audit, examination or review of Seller or Servicer by any governmental authority or government-sponsored enterprise relating to the origination, sale or servicing of Mortgage Loans by Seller or Servicer or the business operations of Seller or Servicer, , if Purchaser believes that such investigation, audit, examination, or review is likely to result in a Material Adverse Effect; or

(l) Any Mortgage Loan shall no longer be a Confirmed FHA Mortgage Loan; or

(m) Any Mortgage Loan shall become a Four-Year Aged Loan.

3.7. Repurchase; Remedies.

(a) Purchaser and Seller each promptly give the other notice of the occurrence of any Default or Event of Default.

(b) Purchaser agrees that, in the event that any Event of Default arises from acts and/or omissions by the Subservicer, Seller shall have the right, with the written consent and approval of Purchaser, to substitute and/or replace said Subservicer with a Subservicer and a Servicing Agreement acceptable to Seller in its reasonable discretion, and shall be allowed to cure any of the alleged Events of Default within the time specified in Section 3.7(c) below. Such substitute Subservicer shall meet the requirements set forth in the FHA Regulations and the Guide. Provided that Seller meets the requirements set forth in this Section 3.7(b) and 3.7(c), the necessity for and the action of Seller's assumption of the Subservicer's duties and obligations in this regard, and in this Agreement, shall not be deemed an Event of Default.

(c) Following the delivery of notice of breach (as set forth in Section 3.7(a)), Seller shall correct or cure such breach. If Seller has not corrected or cured such breach within thirty (30) days after receipt of notice of any such breach, then Seller shall, at Purchaser's option, promptly repurchase any affected Mortgage Loan at the Repurchase Price relating to such Mortgage Loan. Purchaser acknowledges and agrees that any Event of Default arising from a breach of the representations and warranties contained in Section 3.5 hereof shall be deemed to affect, for repurchase purposes, only those Mortgage Loans that were negatively and materially impacted by the breach. Any repurchase under this Agreement shall be accomplished by wire transfer of immediately available funds, in an amount equal to the Repurchase Price relating to such Mortgage Loan, into the Purchaser Clearing Account (unless Purchaser shall have designated otherwise in writing). In the event Seller fails to repurchase any Mortgage Loan in accordance with the provisions of this Section 3.7, then, in addition to all rights and remedies available to Purchaser hereunder or at law or equity, Purchaser shall have the right to terminate Seller as Servicer and Servicer's servicing rights, to deal directly with Subservicer and to retain all recoveries (including any FHA Claim Proceeds) relating to such servicing rights.

(d) Provided that no Default or Event of Default shall have occurred and be continuing (unless Purchaser otherwise agrees in writing), Seller shall have the right, upon request to Purchaser (which consent shall not be unreasonably withheld), to repurchase at the Repurchase Price any Mortgage Loan that has been modified or become a re-performing Mortgage Loan. In addition to the foregoing, Seller shall have the right, upon request to Purchaser, to repurchase at the Repurchase Price any Mortgage Loan immediately prior to the submission under FHA Regulations of a claim for Part A proceeds under FHA Insurance. Seller's request to Purchaser to repurchase any Mortgage Loan under this Section 3.7(d) shall be deemed Seller's representation and warranty that Seller has a pending sale or re-securitization of, or a pending Part A FHA Claim filing with respect to, such Mortgage Loan and that Seller does not intend to retain such Mortgage Loan for its own portfolio.

(e) Upon a repurchase of a Mortgage Loan pursuant to this Agreement (i) the Loan Purchase Data File shall be deemed amended to reflect the withdrawal of the repurchased Mortgage Loan from this Agreement, (ii) Purchaser shall, at the sole cost and expense of Seller, deliver (or cause the relevant Custodian to deliver) the Collateral File relating to such repurchased Mortgage Loan to Seller and (iii) Purchaser shall, at Seller's sole cost and expense, execute and deliver such instruments of transfer or assignment as shall be prepared by, and delivered to it by, Seller and necessary to (A) vest in Seller title to such repurchased Mortgage Loan on a servicing retained basis and (B) reassign to Seller all of Purchaser's right, title and interest in and to the Servicing Agreement with respect to such repurchased Mortgage Loan, including without limitation the FHA Insurance.

3.8. Representations and Warranties of Purchaser. As of the date hereof and as of the Settlement Date, Purchaser hereby represents and warrants to Seller as follows:

(a) Purchaser is a national banking association duly organized, validly existing and in good standing under the laws of the United States of America;

(b) Purchaser has the full power and authority and legal right to execute, deliver and perform, and to enter into and consummate, all transactions contemplated by this Agreement, and to conduct its business as presently conducted. Purchaser has duly authorized the execution, delivery and performance of this Agreement and all other instruments documents and agreements contemplated hereby and thereby, has duly executed and delivered this Agreement and all other instruments, documents and agreements contemplated hereby and thereby, and this Agreement (assuming due authorization, execution and delivery by the parties thereto other than Purchaser) is binding upon and enforceable against Purchaser in accordance with its respective terms, subject to the effect of bankruptcy, insolvency, reorganization, moratorium or similar laws relating to or affecting creditors' rights and to the application of equitable principles in any proceeding, whether at law or in equity;

(c) Purchaser does not believe, nor does it have any reason or cause to believe, that it cannot perform each and every covenant of Purchaser contained in this Agreement;

(d) There are no actions or proceedings against, or investigations of, Purchaser pending, or to Purchaser's knowledge, threatened before any court, administrative or other tribunal that might prohibit or materially and adversely affect the performance by Purchaser of its obligations under, or the validity or enforceability of, this Agreement;

(e) No consent, approval, authorization or order of any court or governmental agency or authority, or any tax, licensing, accounting or regulatory body or other body, is required for the execution, delivery and performance by Purchaser of, or compliance by Purchaser with, this Agreement, except for such consents, approvals, authorizations or orders, if any, that have been obtained prior to the Settlement Date;

(f) Purchaser is approved and is in good standing as a mortgagee by FHA under applicable FHA Regulations; and

(g) Purchaser is registered and in good standing with MERS.

The representations and warranties of Purchaser contained herein shall survive delivery of the Mortgage Loans on the Settlement Date.

3.9. Seller's Affirmative Covenants. At all times prior to the termination of this Agreement (and thereafter if expressly required hereunder), Seller covenants and agrees with Purchaser that:

(a) Financial Statements and Reports. Seller shall furnish to Purchaser the following, all in form and detail satisfactory to Purchaser:

(i) From time to time such financial statements, reporting, and financial information of Seller at the times and the format in which Seller is obligated to provide such statements and information to Purchaser as set forth in the Mortgage Warehouse Agreement, regardless of whether the Mortgage Warehouse Agreement is sooner terminated. Accordingly, Section 7.1 of the Mortgage Warehouse Agreement and any

other provisions of the Mortgage Warehouse Agreement providing for financial statements, reporting and financial information of Seller is incorporated herein by reference as if fully set forth.

(ii) On or before the tenth (10th) day of any calendar month, a statement, in form and content acceptable to Purchaser, setting forth the status, as of the last day of the prior calendar month, of the following matters with respect to each purchased Mortgage Loan: (i) default or collection status, i.e., the date of the Borrower's last payment whether the Borrower is in bankruptcy, whether foreclosure proceedings have been initiated and the status of such bankruptcy or foreclosure proceedings, (ii) any modification or remediation; (iii) Mortgage Loans pending repurchase by Seller pursuant to the terms of this Agreement; (iv) Mortgage Loans repurchased by Seller pursuant to the terms of this Agreement since the last prior statement; (v) Mortgage Loans which no longer qualify as Confirmed FHA Mortgage Loans since the last statement; (vi) submission status and/or pendency of Part A FHA Claim or Part B FHA Claim; (vii) Mortgage Loans which are either Two-Year Aged Loans, Three-Year Aged Loans or Four-Year Aged Loans; and (viii) all such other matters as may be reasonably required by the Purchaser and/or as provided or contemplated by the Guide;

(iii) A copy of the results of Seller's annual quality control review of any Subservicer as required by HUD; and

(iv) Such other information concerning the business, properties or financial condition of Seller, or regarding any purchased Mortgage Loan, as Purchaser may reasonably request.

(b) Further Assurances. Seller shall, at its expense, promptly execute and deliver to Purchaser, upon Purchaser's reasonable request, all such other and further documents, agreements and instruments in compliance with or accomplishment of the covenants and agreements of Seller in this Agreement, the Guide, or any other documents executed in connection herewith. In addition, Seller will provide Purchaser with any and all documentation and other information required by Purchaser relating to the business and background of Seller and its directors, officers, employees and representatives, and any certifications reasonably required by Purchaser to verify Seller's compliance with any applicable laws or FHA, HUD, or Ginnie Mae rules, regulations, guides, guidelines and similar announcements.

(c) Use of Electronic Platform. Purchaser may require Seller to use the Internet-based electronic platform established by Purchaser (as modified, replaced, enhanced or upgraded by Purchaser from time to time, the "Electronic Platform") in connection with the purchase and sale of Mortgage Loans and the other transactions contemplated in this Agreement, subject to the following:

(i) Purchaser hereby grants to Seller a revocable, non-exclusive, non-transferable license to access and use the Electronic Platform solely for the limited purpose of facilitating the sale by Seller to Purchaser of Mortgage Loans and the other transactions contemplated by this Agreement. Seller shall not permit any person to

utilize the Electronic Platform other than employees of Seller who have been approved in advance by Purchaser in writing (each an "Authorized User''). Seller shall immediately notify Purchaser of any unauthorized use of the Electronic Platform.

(ii) Seller shall take all reasonable precautions to prevent unauthorized persons from obtaining access to or use of the Electronic Platform. Purchaser shall have the right to rely upon any information received in the Electronic Platform from any person using a password assigned to an Authorized User, and will incur no liability for such reliance. Seller shall be responsible for securing such passwords and shall be responsible for any actions taken using such passwords. In the event of any breach of the security measures established by Purchaser, including use of the Electronic Platform by any unauthorized Person, Purchaser shall have the right to immediately terminate or suspend access to the affected portion of the Electronic Platform by Seller and their Authorized Users until such time such breach has been secured to Purchaser's satisfaction.

(iii) Purchaser shall not be required to perpetually license, maintain, service or support the Electronic Platform. Purchaser may at any time discontinue the Electronic Platform by providing written notice thereof to Seller. In addition, Purchaser may at any time terminate the license granted to Seller to use, and Seller's access to, the Electronic Platform by providing written notice thereof to Seller. Purchaser reserves the right to modify, replace, enhance or upgrade the Electronic Platform from time to time in Purchaser's sole discretion.

(iv) SELLER UNDERSTANDS AND AGREES THAT THE ELECTRONIC PLATFORM IS BEING LICENSED, DELIVERED AND MADE AVAILABLE "AS IS", "WHERE IS", "WITH ALL FAULTS", AND WITH ANY AND ALL LATENT AND PATENT DEFECTS, WITHOUT ANY EXPRESS OR IMPLIED REPRESENTATION OR WARRANTY BY PURCHASER, AND PURCHASER HEREBY DISCLAIMS AND SELLER HEREBY WAIVES ANY AND ALL IMPLIED REPRESENTATIONS, WARRANTIES AND COVENANTS. EXCEPT AS EXPRESSLY STATED HEREIN, PURCHASER HAS NOT MADE AND DOES NOT HEREBY MAKE ANY REPRESENTATIONS OR WARRANTIES OF ANY KIND OR CHARACTER WHATSOEVER, EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, AND PURCHASER HEREBY DISCLAIMS AND RENOUNCES ANY AND ALL SUCH REPRESENTATIONS AND WARRANTIES.

(v) Seller is fully aware of the inherent security risks of any Internet-based application (such as the Electronic Platform) and, in particular, the risk that unauthorized third-parties may through unauthorized use, "hacking", "Trojan horses", viruses or otherwise be able to access and manipulate the use of the Electronic Platform and the data made available thereby without Purchaser in any way being aware that the user is not Seller. Seller voluntarily assumes all such risks. Accordingly, SELLER WILL RELEASE, HOLD HARMLESS AND INDEMNIFY EACH INDEMNIFIED PARTY

FROM AND AGAINST ANY AND ALL LOSSES WHICH ARE RELATED TO ANY UNAUTHORIZED PARTY'S ACCESS THAT RESULTS IN THE DIVERSION, MISAPPROPRIATION OR USE OF THE INFORMATION MADE AVAILABLE THROUGH THE ELECTRONIC PLATFORM OR SELLER'S FUNDS AT PURCHASER OR OTHERWISE, UNLESS THE LOSSES WERE CAUSED SOLELY BY PURCHASER'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT.

(e) Reimbursement of Expenses. Seller shall pay, upon demand by Purchaser, any and all out of pocket fees and expenses incurred by Purchaser in negotiating or entering into, or in administering or enforcing its rights or remedies, under this Agreement in connection with the transactions contemplated hereby, which amounts shall include all court costs, attorneys' fees (including for trial, appeal or other proceedings), fees of auditors and accountants, and investigation expenses reasonably incurred by Purchaser in connection with any such matters, together with interest at the highest rate allowed by applicable law on each such amount from the date of written demand or request for reimbursement until the date of reimbursement. Seller shall also bear any and all costs and expenses incurred in connection with transferring title to the purchased Mortgage Loans, related Mortgage Loan Documents, and Mortgage Loan File from Seller to Purchaser, including, without limitation, any reasonable out of pocket preparation costs and recordation fees for the Assignments of Mortgages, and any expenses related to the transfer of servicing. Seller and Purchaser shall otherwise each be responsible for their own out of pocket expenses unless expressly provided otherwise in this Agreement or any other related document.

(f) Insurance. Seller shall at all time maintain in force and effect such insurance required under the Guide. Without limiting the generality of the foregoing, such insurance shall be issued by such insurers, insure against such risks, be in such form, have such coverage amounts, deductibles, limits and retentions, contain such endorsements and otherwise be in such form, as required under the Guide.

(g) Accounts and Records. Seller shall keep books of record and account in which full, true and correct entries will be made of all dealings or transactions in relation to its business and activities, including the sale of any Mortgage Loans to Purchaser, in accordance with GAAP.

(h) Books and Records. Seller agrees to maintain customary books and records relating to the purchased Mortgage Loans. Seller shall properly reflect in its books and records the sale by Seller to Purchaser of all purchased Mortgage Loans. Upon request, Seller shall furnish to Purchaser copies of any of Seller's books and records and financial statements relating to the purchased Mortgage Loans.

(i) Mortgage Loan Files. Except as expressly permitted or required hereunder, at all times after the Settlement Date for any purchased Mortgage Loan, Seller shall have and maintain in its direct custody and possession the Mortgage File for such purchased Mortgage Loan.

(j) Document Retention. With respect to each purchased Mortgage Loan, Seller will maintain in its files all records relating to such purchased Mortgage Loan for the period of time required by applicable law, but in no event for less than forty-nine (49) months from the Settlement Date for such purchased Mortgage Loan. Within forty-eight (48) hours following any

demand therefor, Seller will supply Purchaser with certified copies and/or originals of any such records.

(k) Right of Inspection. Seller shall permit any officer, employee, agent or representative of Purchaser: (a) with at least twenty-four (24) hours written notice, to examine (at any office of Seller selected by Purchaser) Seller's books and records, accounts and any and all files, records and documents relating to the Mortgage Loans Purchaser has purchased or will purchase (including any in-file credit reports), and to make copies and extracts of any and all of the foregoing; and (b) to discuss the affairs, finances, books and records, and accounts of Seller with Seller's officers, accountants and auditors and other representatives.

(l) Audit. Seller shall permit any third-party consultant engaged by Purchaser (each an " Auditor"), at the expense of Seller, to inspect and conduct an audit of Seller's business operations and records related thereto; provided, however, if such audit is conducted by Purchaser more than once during any fiscal year, and such additional audit is not the result of the occurrence of an Event of Default, Purchaser shall be responsible for the fee payable to the Auditor that performed such additional audit. In connection with each audit, Seller shall cooperate with the Auditor and will cause Seller's employees, agents and contractors to cooperate with the Auditor, and Seller shall furnish or cause to be furnished to the Auditor such information and documentation the Auditor may consider necessary or useful in connection with the performance of the audit.

(m) Notice from Seller of Certain Events. Seller shall promptly, but in any event within ten (10) days of obtaining knowledge thereof (or by such earlier time if expressly required hereunder), notify Purchaser in writing of any event or circumstance or notice thereof which has had, or could reasonably be expected to have, a Material Adverse Effect upon Seller. Without limiting the generality of the foregoing:

(i) Seller shall promptly, but in any event within ten (10) days of obtaining knowledge thereof, notify Purchaser in writing of: (A) any proceeding by any governmental authority pending, or to the knowledge of Seller, threatened against Seller; and (B) any other proceeding pending, or to the knowledge of Seller, threatened against Seller which, if determined adversely to Seller, may have a Material Adverse Effect upon Seller or the Mortgage Loans or Purchaser's rights as beneficiary under the FHA Insurance. Seller shall immediately notify Purchaser in writing upon obtaining any knowledge thereof of any judgment, decision, order, finding, determination or other disposition in connection with a proceeding that has resulted in a Material Adverse Effect upon Seller.

(ii) Seller shall promptly, but in any event within ten (10) days of receipt, deliver to Purchaser copies of all notices and other documents and correspondence from any governmental authority regarding any alleged non-compliance or potential non-compliance with the Dodd-Frank Act or any other applicable law related to the financing and sale of Mortgage Loans.

(iii) If there is any pending or threatened audit, examination, or investigation of Seller by any agency, or any other proceeding involving Seller, which could reasonably be expected to result in any agency approval being suspended or terminated (including due to the failure of Seller to comply with the results or findings of any such audit or investigation) or other Material Adverse Effect, then Seller shall provide written notice thereof to Purchaser within ten (1 0) days of Seller obtaining any knowledge thereof. If any agency approval is not in good standing or is otherwise suspended or terminated, then Seller shall provide immediate written notice thereof to Purchaser.

(iv) Seller shall furnish to Purchaser immediately upon becoming aware of the existence of any Event of Default, a written notice specifying the nature and period of existence thereof and the action which Seller is taking or proposes to take with respect thereto.

(n) Compliance with Mortgage Warehouse Agreement . Seller shall promptly and fully perform, observe and comply with and not be in default under the terms and provisions of the Mortgage Warehouse Agreement, as same may be amended from time to time.

(o) Guaranty. Seller shall have obtained and delivered to Purchaser one or more guaranty agreements executed by any of the shareholders, partners, members, managers and/or principals of Seller and/or other Persons required by Purchaser in consideration of Purchaser executing this Agreement and/or to induce Purchaser to consider purchasing Mortgage Loans.

(r) INDEMNIFICATION. SELLER SHALL INDEMNIFY, DEFEND, PROTECT AND HOLD HARMLESS PURCHASER, PURCHASER'S PARENTS, SUBSIDIARIES AND AFFILIATES, AND ALL DIRECTORS, OFFICERS, EMPLOYEES, REPRESENTATIVES AND AGENTS, SUCCESSORS AND ASSIGNS OF ANY OF THE FOREGOING (EACH AN " INDEMNIFIED PARTY") FROM AND AGAINST ANY AND ALL LOSSES, LIABILITIES, DAMAGES, CLAIMS, PENALTIES, JUDGMENTS, OBLIGATIONS, DISBURSEMENTS, COSTS AND EXPENSES (INCLUDING REASONABLE ATTORNEYS' FEES AND EXPENSES), ACTIONS, PROCEEDINGS OR DISPUTES (COLLECTIVELY, " LOSSES") INCURRED BY ANY INDEMNIFIED PARTY OR TO WHICH ANY INDEMNIFIED PARTY MAY BECOME SUBJECT WHICH DIRECTLY OR INDIRECTLY ARISE FROM OR RELATE TO THIS AGREEMENT, ANY PURCHASED MORTGAGE LOAN OR ANY OF THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT, INCLUDING ANY AND ALL LOSSES DUE TO: (A) ANY NEGLIGENT OR FRAUDULENT ACT OR OMISSION OF SELLER OR ANY OF ITS AGENTS, REPRESENTATIVES OR EMPLOYEES; (B) ANY BREACH BY SELLER OF ANY REPRESENTATION OR WARRANTY CONTAINED HEREIN; (C) ANY BREACH BY SELLER OF ANY PROVISION OF THIS AGREEMENT; (D) ANY EVENT OF DEFAULT; (E) SELLER'S USE FOR ANY MORTGAGE LOAN OF ANY FORM OR DOCUMENT NOT PROVIDED OR APPROVED BY PURCHASER; (F) ANY MISCALCULATIONS OR OTHER ERRORS WHICH RESULT FROM SELLER'S INDEPENDENT PROCESSING PROCEDURES OR ITS MISUSE OR ALTERATION OF ANY FORMS OR DOCUMENTS PROVIDED OR APPROVED BY PURCHASER; (G) ANY FAILURE BY SELLER TO COMPLY WITH ANY LAW; (H) THE CANCELLATION OR TERMINATION OF FHA INSURANCE FOR ANY

PURCHASED MORTGAGE LOAN OR DENIAL OF FULL RECOVERY OF INSURANCE OR GUARANTY BENEFITS UNDER FHA INSURANCE WITH RESPECT TO ANY PURCHASED MORTGAGE LOAN RESULTING FROM ANY MATTER DESCRIBED IN CLAUSES (A) THROUGH (G) OF THIS SENTENCE OR OTHERWISE; (I) ANY UNAUTHORIZED ACCESS TO OR USE OF THE ELECTRONIC PLATFORM OR THE INFORMATION MADE AVAILABLE THEREBY DUE TO ANY ACT OR OMISSION OF SELLER; (J) THE NON-DELIVERY TO PURCHASER OR THE RELEVANT DOCUMENT CUSTODIAN OF ANY DOCUMENT RELATING TO A MORTGAGE LOAN THAT IS REQUIRED TO BE DELIVERED PURSUANT TO THIS AGREEMENT OR THE SERVICING AGREEMENT IN ORDER FOR THE SERVICER TO PROPERLY SERVICE OR CAUSE THE PROPER SERVICING OF SUCH MORTGAGE LOAN IN ACCORDANCE WITH THE SERVICING AGREEMENT, OR THE DELIVERY TO PURCHASER OR THE RELEVANT DOCUMENT CUSTODIAN OF ANY MORTGAGE LOAN DOCUMENTATION THAT IS INCOMPLETE, ERRONEOUS OR INCONSISTENT WITH OTHER DOCUMENTATION RELATING TO THE RELATED MORTGAGE LOAN AND THAT IS REQUIRED TO BE COMPLETE, CORRECT OR CONSISTENT WITH OTHER DOCUMENTATION RELATING TO SUCH MORTGAGE LOAN IN ORDER FOR THE SERVICER TO PROPERLY SERVICE OR CAUSE THE PROPER SERVICING OF SUCH MORTGAGE LOAN IN ACCORDANCE WITH THE SERVICING AGREEMENT, OR ANY MISSING OR DEFECTIVE DOCUMENT REQUIRED TO BE INCLUDED IN THE MORTGAGE LOAN FILE FOR A MORTGAGE LOAN; (K) ANY BREACH OF A MATERIAL REPRESENTATION OR WARRANTY BY SELLER, OR THE NON-FULFILLMENT OF ANY COVENANT OF SELLER, CONTAINED IN THIS AGREEMENT; (L) ANY IMPROPER OR INADEQUATE ACT OR OMISSION IN CONNECTION WITH THE ORIGINATION OR SERVICING OR EARLY BUY-OUT OF A MORTGAGE LOAN PRIOR TO THE SETTLEMENT DATE; (M) ANY UNCOVERED LOSS; (N) SELLER'S SALE TO PURCHASER OF A MORTGAGE LOAN WHOSE RELATED MORTGAGED PROPERTY HAS, AS OF THE SETTLEMENT DATE, BEEN DAMAGED OR IS SUBJECT TO DAMAGE (OTHER THAN DE MINIMIS DAMAGE) BY FIRE, FLOOD, WATER, EARTH MOVEMENT, WINDSTORM, EARTHQUAKE, TORNADO, HURRICANE OR ANY OTHER SIMILAR CASUALTY (AND WHICH PHYSICAL DAMAGE WOULD ADVERSELY AFFECT THE VALUE OR MARKETABILITY OF SUCH MORTGAGE LOAN OR MORTGAGED PROPERTY OR THE ELIGIBILITY OF THE RELATED MORTGAGE LOAN FOR THE APPLICABLE FHA INSURANCE OR THE FULL RECOVERY OF INSURANCE OR GUARANTY BENEFITS UNDER THE APPLICABLE FHA INSURANCE); AND (0) ANY DEFAULT OR EVENT OF DEFAULT. IT IS THE EXPRESS INTENTION OF THE PARTIES HERETO THAT EACH INDEMNIFIED PARTY TO BE INDEMNIFIED UNDER THIS SECTION OR ANY OTHER SECTION OF THIS AGREEMENT OR UNDER ANY OTHER RELATED DOCUMENT SHALL BE INDEMNIFIED FROM AND HELD HARMLESS AGAINST ANY AND ALL LOSSES WHICH IN WHOLE OR IN PART ARE CAUSED BY OR ARISE OUT OF, OR ARE CLAIMED TO BE CAUSED BY OR ARISE OUT OF, THE NEGLIGENCE (WHETHER SOLE, COMPARATIVE OR CONTRIBUTORY) OR STRICT LIABILITY OF SUCH INDEMNIFIED PARTY; PROVIDED, HOWEVER, THAT SUCH INDEMNITIES SHALL NOT APPLY TO A PARTICULAR INDEMNIFIED PARTY WITH REGARD TO, AND TO THE EXTENT OF THE AMOUNT OF, THOSE CERTAIN LOSSES (IF ANY) WHICH ARE

DETERMINED BY A FINAL NON-APPEALABLE ORDER OF A COURT OF COMPETENT JURISDICTION TO HAVE BEEN PROXIMATELY CAUSED SOLELY BY THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF SUCH INDEMNIFIED PARTY. Each Indemnified Party may employ an attorney or attorneys to protect or enforce its respective rights, remedies and recourses under this Agreement and any other Purchase Documents, and to advise and defend it with respect to any such actions and other matters. Seller shall reimburse each Indemnified Party for its respective reasonable attorneys' fees and expenses (including expenses and costs for experts) immediately upon receipt of a written demand therefor, whether on a monthly or other time interval, and whether or not an action is actually commenced or concluded. All other reimbursement and indemnity obligations hereunder shall become due and payable when actually incurred by such Indemnified Party. Any payments not made within ten (10) days after written demand therefor shall bear interest at the highest rate permitted under applicable law (but not exceeding [***] per annum) from the date of such demand until fully paid.

The provisions of this Section and the other indemnity and hold harmless provisions of this Agreement and the other Purchase Documents shall survive the Settlement Date and the termination of this Agreement. In the event Purchaser terminates Seller as the holder of the related servicing rights, Seller shall continue to have full responsibility for any Uncovered Losses arising after the effective date of termination except for any portion of such Uncovered Losses that results from the failure of the successor servicer (or the Servicer if Purchaser retains the Servicer as the successor servicer) to service the related Mortgage Loan in accordance with FHA Regulations, provided, however, that such failure was not a perpetuation of the Seller's breach or failure hereunder or under the Servicing Agreement.

(s) Servicing. Seller, as Servicer, shall or shall require each Subservicer, if any, to, service the Mortgage Loans (and pay expenses incident to servicing) consistent with the degree of skill and care that Seller customarily requires with respect to similar Mortgage Loans and REO Properties owned, serviced or managed by it and in accordance with Accepted Servicing Practices, and as may be required to (i) retain FHA insurance on the Mortgage Loans, (ii) preserve the first priority security interest or, following any foreclosure, the fee simple interest in the collateral for the Mortgage Loans and (iii) preserve Purchaser's interest in the Mortgage Loans. Seller as Servicer, shall or shall cause each Subservicer to (i) comply with all applicable Federal, State and local laws and regulations, and (ii) maintain all state and federal licenses necessary for it to perform its servicing responsibilities hereunder. Except as is otherwise agreed to in writing by Purchaser, Seller shall be responsible for any and all acts of each Subservicer, and Seller's utilization of a Subservicer shall in no way relieve the liability of Seller under this Agreement. Purchaser may terminate the servicing of any Mortgage Loan or REO Property by Seller or any Subservicer upon the occurrence and during the continuation of an Event of Default beyond any period for cure provided in this Agreement. Seller shall or shall cause each Subservicer to, hold or cause to be held all escrow funds collected by Seller or such Subservicer with respect to any Mortgage Loan or REO Property in trust accounts and shall apply the same for the purposes for which such funds were collected.

3.11. Notices to Third Parties. Seller shall be responsible for preparing and delivering at its expense, on the Settlement Date, (a) letters notifying HUD as to the change of the mortgagee

of record and the transfer of the ownership of the Mortgage Loans to Purchaser and shall confirm such notification with Purchaser

3.12 Relationship with Servicer; Eligibility. Purchaser and Seller acknowledge that Seller is retaining the servicing rights with respect to the Mortgage Loans and Purchaser has retained Seller to service the Mortgage Loans. As a result, Seller hereby retains Servicer as servicer of the Mortgage Loans and Servicer agrees to cause Subservicer, if any, to subservice the Mortgage Loans in accordance with the terms of the Servicing Agreement. Seller agrees with Purchaser that:

(a) Seller has provided Purchaser with true, correct and complete copies of the Servicing Agreement, as amended, revised or restated, if any, together with all reports and correspondence related thereto. Seller is not aware of any default by Seller or Servicer under the Servicing Agreement and Seller has not waiver any such default. Seller will not amend, revise or restate the Servicing Agreement, if any, or provide any waiver thereunder to Servicer without the prior written consent of Purchaser;

(b) Seller shall cause Servicer and Subservicer, if any, to service the Mortgage Loans in strict compliance with the terms of the Servicing Agreement. Seller and Servicer shall direct Subservicer that any and all payments received by Subservicer with respect to any Mortgage Loan shall be held by Subservicer in trust for, and shall be delivered directly to, Purchaser;

(c) Notwithstanding anything to the contrary contained herein or in the Servicing Agreement, Purchaser shall have no responsibility for any principal and interest, corporate, servicing, escrow or maintenance advances. To the extent required by the Servicing Agreement, Seller shall remain fully responsible for funding all such advances and for bearing the risk of recovery thereof. No such advances shall be recoverable from the principal and interest portion of any FHA Insurance;

(d) Seller shall cause Servicer to acknowledge the provisions of this Section 3.12 and shall cause Servicer to execute and deliver to Purchaser a Servicer Notice; and

(e) Seller acknowledges and agrees that Seller, Servicer and Subservicer, if any, shall have no right to grant any person any claim, lien, pledge or other interest in the servicing rights relating to the Mortgage Loans or the proceeds of such servicing rights.

3.13 Rate Increases on Three-Year Aged Loans. Seller agrees with Purchaser that:

(a) Purchaser's intention hereunder is the use of its capital to purchase assets that are likely to resolve within two years. In connection therewith, Seller agrees that with respect to each Three-Year Aged Loan, on the Business Day such Mortgage Loan becomes a Three-Year Aged Loan (or if the day such Mortgage Loan becomes a Three-Year Aged Loan is not a Business Day, on the first Business Day immediately following the day such Mortgage Loan becomes a Three-Year Aged Loan), notwithstanding anything to the contrary contained in the Commitment Letter, the Mortgage Loan Remittance Rate and the Pass Through Rate shall each be increased to, and fixed at, the greater of [***] plus the then-current Prime Rate or [***] over the respective rate(s) provided in the Commitment Letter.

(b) Seller shall at all times be and remain an eligible seller in accordance with the terms of the Guide, including without limitation meeting the financial requirements set forth therein.

3.14 Protection, Preservation, and Condition of Mortgaged Property .

"Uniform Commercial Code" shall mean the Uniform Commercial Code as in effect from time to time in the State of New York; provided that if by reason of mandatory provisions of law, the perfection or the effect of perfection or nonperfection of the security interest in any Repurchase Assets or the continuation, renewal or enforcement thereof is governed by the Uniform Commercial Code as in effect in a jurisdiction other than New York, "Uniform Commercial Code" shall mean the Uniform Commercial Code as in effect in such other jurisdiction for purposes of the provisions hereof relating to such perfection or effect of perfection or nonperfection.

Each Transaction Request delivered by Seller hereunder shall constitute a certification by Seller that all the conditions set forth in this Section 3(b) (other than clauses (i) and (ix) hereof) have been satisfied (both as of the date of such notice or request and as of Purchase Date).

(c) Initiation.

(i) Seller shall deliver a Transaction Request through the EverBank Warehouse Electronic System to Buyer on or prior to the date and time set forth in Section 3(b)(vi) prior to entering into any Transaction. Such Transaction Request shall include all information required by Buyer pursuant to the EverBank Warehouse Customer Guide. Following receipt of such request, Buyer may in its sole discretion agree to enter into such requested Transaction, in which case it will fund the Purchase Price therefor as contemplated in this Agreement. Buyer's funding the Purchase Price of the Transaction, and Seller's acceptance thereof, will constitute the parties agreement to enter into such Transaction. Buyer shall confirm the terms of each Transaction on the EverBank Warehouse Electronic System, including information that sets forth (A) the Purchase Date, (B) the Purchase Price, (C) the Repurchase Date, (D) the Pricing Rate applicable to the Transaction, (E) the applicable Purchase Price Percentages, and (F) additional terms or conditions not inconsistent with this Agreement; provided that Buyer's failure to enter the information into the EverBank Warehouse Electronic System shall not affect the obligations of Seller with respect to such Transaction. **This Agreement is not a commitment by Buyer to enter into Transactions with Seller but rather sets forth the procedures to be used in connection with periodic requests for Buyer to enter into Transactions with Seller. Seller hereby acknowledges that Buyer is under no obligation to agree to enter into, or to enter into, any Transaction pursuant to this Agreement.**

(ii) The information entered into the EverBank Warehouse Electronic System with respect to any Transaction, together with this Agreement, shall be conclusive evidence of the terms of the Transaction(s) covered thereby unless objected to in writing by Seller no more than two (2) Business Days after the Purchase Date of the Transaction. An objection sent by Seller must state specifically that such writing is an objection, must specify the provision(s) being objected to by Seller, must set forth such provision(s) in the manner that Seller believes they should be stated, and must be received by Buyer no more than two (2) Business Days after the Purchase Date for the Transaction. Notwithstanding the foregoing, to the extent that Seller accepts funding of the Transaction, Seller shall be deemed to have consented to the terms of the Transaction as set forth in the EverBank Warehouse Electronic System. All Transactions entered into on any Business Day shall be reflected in the Daily Activity Report on such Business Day.

(iii) Except as otherwise provided in the definition of Termination Date, the Repurchase Date for each Transaction shall not be later than the Termination Date.

(iv) Subject to the terms and conditions of this Agreement, prior to the Termination Date Seller may sell, repurchase and resell Eligible Mortgage Loans hereunder.

(v) No later than the date and time set forth in Section 3(b)(vii), Seller shall deliver to Buyer (x) the Mortgage Loan File pertaining to each Eligible Mortgage Loan (other than Wet Mortgage Loans) to be purchased by Buyer, and (y) the Wet File for each Wet Mortgage Loan to be purchased by Buyer.

(vi) Subject to the provisions of this Section 3, the Purchase Price will then be made available to Seller by Buyer transferring, via wire transfer, in the aggregate amount of such Purchase Price in funds immediately available, as provided in Section 9(b).

(vii) In addition to the other payment and performance obligations of the Seller Parties under this Agreement and the other Facility Documents, in the event that Buyer transfers any amounts for the purchase of a Mortgage Loan as provided herein, Seller Parties, jointly and

severally, shall be fully, absolutely, and unconditionally obligated and liable to repay to Buyer the full amount thereof if (x) on the related scheduled Purchase Date such Mortgage Loan does not close, or (y) such Mortgage Loan otherwise fails to become a Purchased Mortgage Loan. Any amounts due pursuant to this Section 3(c)(vii) shall be payable on demand, and the unpaid amount thereof shall accrue interest at the Post-Default Rate from the date so transferred until paid in full.

(d) Repurchase; Purchase by a Takeout Investor.

(i) Seller may repurchase Purchased Mortgage Loans without penalty or premium on any date. Such repurchase may occur simultaneously with a sale of the Purchased Mortgage Loan to a Takeout Investor. If Seller intends to make such a repurchase, Seller shall give written notice thereof to Buyer through the EverBank Warehouse Electronic System and in accordance with the EverBank Warehouse Customer Guide, designating the Purchased Mortgage Loans to be repurchased and providing such other information required pursuant thereto, including, without limitation, delivery of a Takeout Investor Purchase Advice to the extent that such Purchased Mortgage Loan shall be purchased by a Takeout Investor. If such notice is given, the amount specified in such notice shall be due and payable on the date specified therein, and, on receipt, such amount shall be applied to the Repurchase Price for the designated Purchased Mortgage Loans.

(ii) On the Repurchase Date, termination of the Transaction will be effected by reassignment to Seller or its designee of the Purchased Mortgage Loans (including the related Servicing Rights and any Income in respect thereof received by Buyer not previously credited or transferred to, or applied to the Obligations of, Seller) against the simultaneous transfer of the Repurchase Price to an account of Buyer. Such obligation to repurchase exists without regard to any prior or intervening liquidation or foreclosure with respect to any Purchased Mortgage Loan (but liquidation or foreclosure proceeds received by Buyer shall be applied to reduce the Repurchase Price for such Purchased Mortgage Loan except as otherwise provided herein). Seller shall comply with all of the provisions of the EverBank Warehouse Customer Guide in order to effectuate a repurchase hereunder. Seller is obligated to obtain the Mortgage Files from Buyer or its designee at Seller's expense on the Repurchase Date. All repurchases effected on any Business Day shall be reflected in the Daily Activity Report for such Business Day.

SECTION 4. MARGIN AMOUNT MAINTENANCE

(a) Buyer shall determine the Asset Value of each Purchased Mortgage Loan at such intervals as determined by Buyer in its sole discretion.

(b) If at any time the Asset Value of any Purchased Mortgage Loans subject to a Transaction is less than the Purchase Price for such Transaction, or any applicable Concentration Limit has been exceeded (a "Margin Deficit"), then Buyer may by notice to Seller (as such notice is more particularly set forth below, a "Margin Call"), require Seller to transfer to Buyer or its designee cash so that, as applicable, (i) the Asset Value of the Purchased Mortgage Loans will thereupon equal or exceed the Purchase Price for such Transaction, and (ii) no Concentration Limit will be exceeded.

(c) Notice delivered pursuant to Section 4(b) may be given by any written or electronic means. Any notice given before 10:00 a.m. (New York City time) on a Business Day shall be met, and the related Margin Call satisfied, no later than 5:00 p.m. (New York City time) on such Business Day; notice given after 10:00 a.m. (New York City time) on a Business Day shall be met, and the related

Margin Call satisfied, no later than 5:00 p.m. (New York City time) on the following Business Day (the foregoing time requirements for satisfaction of a Margin Call are referred to as the "Margin Deadlines").

(d) The failure of Buyer, on any one or more occasions, to exercise its rights hereunder, shall not change or alter the terms and conditions to which this Agreement is subject or limit the right of Buyer to do so at a later date. Seller and Buyer each agree that a failure or delay by Buyer to exercise its rights hereunder shall not limit or waive Buyer's rights under this Agreement or otherwise existing by law or in any way create additional rights for Seller.

(e) Any cash transferred to Buyer pursuant to Section 4(b) above shall be credited to the Repurchase Price of the Related Transactions.

SECTION 5. COLLECTIONS; INCOME PAYMENTS

(a) All Income, and all rights to Income, of, on, or otherwise with respect to all Purchased Mortgage Loans is the sole and exclusive property of Buyer as the owner thereof, pending repurchase on the related Purchased Date. Notwithstanding the foregoing, and provided no Default has occurred and is continuing, Buyer agrees that Seller shall be entitled to receive, solely from such Income, an amount equal to all Income received in respect of the Purchased Assets; provided, however, that any Income received by or on behalf of Seller while the related Transaction is outstanding shall be deemed held by Seller solely in trust for Buyer pending the repurchase on the related Repurchase Date.

(b) In the event that a Default has occurred and is continuing, notwithstanding any provision set forth herein, Seller shall remit to Buyer, by wire transfer in accordance with wire transfer instructions previously given to Seller by Buyer, all Income received with respect to each Purchased Mortgage Loan on such date or dates as Buyer notifies Seller in writing.

(c) All amounts required to be paid or remitted by Seller to Buyer which are not made when due shall bear interest from the due date until the remittance, transfer or payment is made, payable by Seller, at the lesser of the Post-Default Rate or the maximum rate of interest permitted by law. If there is no maximum rate of interest specified by applicable law, interest on such sums shall accrue at the Post-Default Rate.

SECTION 6. REQUIREMENTS OF LAW

(a) If any Requirement of Law (other than with respect to any amendment made to Buyer's certificate of incorporation and bylaws or other organizational or governing documents) or any change in the interpretation or application thereof or compliance by Buyer with any request or directive (whether or not having the force of law) from any central bank or other Governmental Authority made subsequent to the date hereof:

(i) shall subject Buyer to any Tax or increased Tax of any kind whatsoever with respect to this Agreement or any Transaction or change the basis of taxation of payments to Buyer in respect thereof;

(ii) shall impose, modify or hold applicable any reserve, special deposit, compulsory loan or similar requirement against assets held by, deposits or other liabilities in or for the account of, advances, or other extensions of credit by, or any other acquisition of funds by, any office of Buyer which is not otherwise included in the determination of the LIBOR Rate hereunder; or

(iii) shall impose on Buyer any other condition;

and the result of any of the foregoing is to increase the cost to Buyer, by an amount which Buyer deems to be material, of entering, continuing or maintaining any Transaction or to reduce any amount due or owing hereunder in respect thereof, then, in any such case, Seller shall promptly pay Buyer such additional amount or amounts as calculated by Buyer in good faith as will compensate Buyer for such increased cost or reduced amount receivable.

(b) If Buyer shall have determined that the adoption of or any change in any Requirement of Law (other than with respect to any amendment made to Buyer's certificate of incorporation and bylaws or other organizational or governing documents) regarding capital adequacy or in the interpretation or application thereof or compliance by Buyer or any corporation controlling Buyer with any request or directive regarding capital adequacy (whether or not having the force of law) from any Governmental Authority made subsequent to the date hereof shall have the effect of reducing the rate of return on Buyer's or such corporation's capital as a consequence of its obligations hereunder to a level below that which Buyer or such corporation could have achieved but for such adoption, change or compliance (taking into consideration Buyer's or such corporation's policies with respect to capital adequacy) by an amount deemed by Buyer to be material, then from time to time, Seller shall promptly pay to Buyer such additional amount or amounts as will compensate Buyer for such reduction.

(c) If Buyer becomes entitled to claim any additional amounts pursuant to this Section, it shall promptly notify Seller of the event by reason of which it has become so entitled. A certificate as to any additional amounts payable pursuant to this Section submitted by Buyer to Seller shall be conclusive in the absence of manifest error.

SECTION 7. TAXES

(a) Any and all payments by Seller under or in respect of this Agreement or any other Facility Documents to which Seller is a party shall be made free and clear of, and without deduction or withholding for or on account of, any and all present or future taxes, levies, imposts, deductions, charges or withholdings, and all liabilities (including penalties, interest and additions to tax) with respect thereto, whether now or hereafter imposed, levied, collected, withheld or assessed by any taxation authority or other Governmental Authority (collectively, "Taxes"), unless required by law. If Seller shall be required under any applicable Requirement of Law to deduct or withhold any Taxes from or in respect of any sum payable under or in respect of this Agreement or any of the other Facility Documents to Buyer, (i) Seller shall make all such deductions and withholdings in respect of Taxes, (ii) Seller shall pay the full amount deducted or withheld in respect of Taxes to the relevant taxation authority or other Governmental Authority in accordance with any applicable Requirement of Law, and (iii) the sum payable by Seller shall be increased as may be necessary so that after Seller has made all required deductions and withholdings (including deductions and withholdings applicable to additional amounts payable under this Section 7) Buyer receives an amount equal to the sum it would have received had no such deductions or withholdings been made in respect of Non-Excluded Taxes. For purposes of this Agreement the term " Non-Excluded Taxes" are Taxes other than, in the case of Buyer, Taxes that are imposed on its overall Net Income (and franchise taxes imposed in lieu thereof) by the jurisdiction under the laws of which Buyer is organized or of its applicable lending office, or any political subdivision thereof, unless such Taxes are imposed as a result of Buyer having executed, delivered or performed its obligations or received payments under, or enforced, this Agreement or any of the other Facility Documents (in which case such Taxes will be treated as Non-Excluded Taxes).

(b) In addition, Seller hereby agrees to pay any present or future stamp, recording, documentary, excise, property or value-added taxes, or similar taxes, charges or levies that arise from any

payment made under or in respect of this Agreement or any other Facility Document or from the execution, delivery or registration of, any performance under, or otherwise with respect to, this Agreement or any other Facility Document (collectively, "Other Taxes").

(c) Seller hereby agrees to indemnify Buyer for, and to hold it harmless against, the full amount of Non-Excluded Taxes and Other Taxes, and the full amount of Taxes of any kind imposed by any jurisdiction on amounts payable under this Section 7 imposed on or paid by Buyer and any liability (including penalties, additions to tax, interest and expenses) arising therefrom or with respect thereto. The indemnity by Seller provided for in this Section 7(c) shall apply and be made whether or not the Non-Excluded Taxes or Other Taxes for which indemnification hereunder is sought have been correctly or legally asserted. Amounts payable by Seller under the indemnity set forth in this Section 7(c) shall be paid within ten (10) days from the date on which Buyer makes written demand therefor.

(d) Within thirty (30) days after the date of any payment of Taxes, Seller (or any Person making such payment on behalf of Seller) shall furnish to Buyer for its own account a certified copy of the original official receipt evidencing payment thereof.

(e) Without prejudice to the survival of any other agreement of Seller hereunder, the agreements and obligations of Seller contained in this Section 7 shall survive the termination of this Agreement. Nothing contained in this Section 7 shall require Buyer to make available any of its tax returns or any other information that it deems to be confidential or proprietary.

(f) Each party to this Agreement acknowledges that it is its intent for purposes of U.S. federal, state and local income and franchise taxes, to treat the Transaction as indebtedness of Seller that is secured by the Purchased Mortgage Loans and the Purchased Mortgage Loans as owned by Seller for federal income tax purposes in the absence of a Default by Seller. All parties to this Agreement agree to such treatment and agree to take no action inconsistent with this treatment, unless required by law.

SECTION 8. SECURITY INTEREST; BUYER'S APPOINTMENT AS ATTORNEY-IN-FACT

(a) Security Interest. On each Purchase Date, Seller hereby sells, assigns and conveys all rights, title, and interests in, to, and under the Purchased Mortgage Loans identified on the related Mortgage Loan Schedule or as to which Buyer otherwise pays the Purchase Price as provided herein, including the related Mortgage File and Servicing Rights and all Income therefrom. Although the parties intend that all Transactions hereunder be sales and purchases and not loans, in the event any such Transactions are deemed to be loans, and, in any event, as security for the performance by Seller of its Obligations, Seller hereby pledges to Buyer and hereby grants, assigns and pledges to Buyer a fully perfected first priority security interest in all of the Seller's right, title, and interest in, to, and under the following, in all instances whether now owned or hereafter acquired, now existing or hereafter created and wherever located (collectively, the "Repurchase Assets"):

(i) the Purchased Mortgage Loans;

(ii) the Mortgage File and Records related to the Purchased Mortgage Loans;

(iii) all Servicing Rights related to the Purchased Mortgage Loans;

(iv) the Facility Documents (to the extent such Facility Documents and Seller's rights thereunder relate to the Purchased Mortgage Loans);

(v) any Property relating to any Purchased Mortgage Loan or the related Mortgaged Property;

(vi) any Takeout Commitments relating to any Purchased Mortgage Loan;

(vii) any Closing Protection Letter relating to any Purchased Mortgage Loan;

(viii) all insurance policies and insurance proceeds relating to any Purchased Mortgage Loan or the related Mortgaged Property, including, but not limited to, any payments or proceeds under any related primary insurance or hazard insurance;

(ix) all Income relating to any Purchased Mortgage Loan;

(x) Intentionally Omitted;

(xi) Intentionally Omitted;

(xii) the Inbound Account;

(xiii) the Haircut Account;

(xiv) any Hedge Agreements relating to any Purchased Mortgage Loan;

(xv) any other contract rights, accounts, deposit accounts (including any interest of Seller in escrow accounts), payments, rights to payment (including payments of interest or finance charges), and general intangibles to the extent that any of the foregoing relates to any Purchased Mortgage Loan,

(xvi) any other assets relating to the Purchased Mortgage Loans (including, without limitation, any other deposit accounts) or any interest in the Purchased Mortgage Loans;

(xvii) all collateral under any other secured debt facility (including, without limitation, any facility documented as a repurchase agreement or similar purchase and sale agreement) between Seller or its Affiliates on the one hand and Buyer or Buyer's Affiliates on the other;

(xviii) any and all replacements or substitutions for, proceeds (including the related securitization proceeds) of, and distributions on or with respect to any of the foregoing; and

(xix) any other property, rights, title or interests as are specified on a Mortgage Loan Schedule and/or Transaction Request and/or in the EverBank Warehouse Electronic System.

Seller acknowledges that it has no rights to service the Purchased Mortgage Loans. Without limiting the generality of the foregoing and in the event that Seller is deemed to retain any residual Servicing Rights, and for the avoidance of doubt, Seller grants, assigns and pledges to Buyer a security interest in the Servicing Rights and proceeds related thereto and in all instances, whether now owned or hereafter acquired, now existing or hereafter created. The foregoing provision is intended to constitute a security agreement or other arrangement or other credit enhancement related to the Agreement and Transactions hereunder as defined under Sections 101(47)(v) and 741(7)(x) of the Bankruptcy Code.

Seller hereby authorizes Buyer to file such financing statement or statements relating to the Repurchase Assets and the Servicing Rights as Buyer, at its option, may deem appropriate, without

the signature of Seller thereon. Seller shall pay the filing costs for any financing statement or statements prepared pursuant to this Section 8.

(b) Buyer's Appointment as Attorney in Fact. Seller hereby irrevocably constitutes and appoints Buyer and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of Seller and in the name of Seller or in its own name, from time to time in Buyer's discretion, for the purpose of carrying out the terms of this Agreement, to take any and all appropriate action and to execute any and all documents and instruments which may be reasonably necessary or desirable to accomplish the purposes of this Agreement, and, without limiting the generality of the foregoing, Seller hereby gives Buyer the power and right, on behalf of Seller, without assent by, but with notice to, Seller, if an Event of Default shall have occurred and be continuing, to do the following:

(i) in the name of Seller, or in its own name, or otherwise, to take possession of and endorse and collect any checks, drafts, notes, acceptances or other instruments for the payment of moneys due with respect to any other Repurchase Assets and to file any claim or to take any other action or proceeding in any court of law or equity or otherwise deemed appropriate by Buyer for the purpose of collecting any and all such moneys due with respect to any other Repurchase Assets whenever payable;

(ii) to pay or discharge taxes and Liens levied or placed on or threatened against the Repurchase Assets;

(iii) (A) to direct any party liable for any payment under any Repurchase Assets to make payment of any and all moneys due or to become due thereunder directly to Buyer or as Buyer shall direct; (B) to ask or demand for, collect, receive payment of and receipt for, any and all moneys, claims and other amounts due or to become due at any time in respect of or arising out of any Repurchase Assets; (C) to sign and endorse any invoices, assignments, verifications, notices and other documents in connection with any Repurchase Assets; (D) to commence and prosecute any suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect the Repurchase Assets or any proceeds thereof and to enforce any other right in respect of any Repurchase Assets; (E) to defend any suit, action or proceeding brought against Seller with respect to any Repurchase Assets; (F) to settle, compromise or adjust any suit, action or proceeding described in clause (E) above and, in connection therewith, to give such discharges or releases as Buyer may deem appropriate; and (G) generally, to sell, transfer, pledge and make any agreement with respect to or otherwise deal with any Repurchase Assets as fully and completely as though Buyer were the absolute owner thereof for all purposes, and to do, at Buyer's option and Seller's expense, at any time, and from time to time, all acts and things which Buyer deems necessary to protect, preserve or realize upon the Repurchase Assets and Buyer's Liens thereon and to effect the intent of this Agreement, all as fully and effectively as Seller might do;

(iv) for the purpose of carrying out the transfer of servicing with respect to the Mortgage Loans from Seller to a successor servicer appointed by Buyer in its sole discretion and to take any and all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to accomplish such transfer of servicing, and, without limiting the generality of the foregoing, Seller hereby gives Buyer the power and right, on behalf of Seller, without assent by Seller, to, in the name of Seller or its own name, or otherwise, prepare and send or cause to be sent "good-bye" letters to all mortgagors under the Mortgage Loans, transferring the servicing of the Mortgage Loans to a successor servicer appointed by Buyer in its sole discretion;

(v) for the purpose of delivering any notices of sale to Mortgagors or other third parties, including without limitation, those required by law.

Seller hereby ratifies all that said attorneys shall lawfully do or cause to be done by virtue hereof. This power of attorney is a power coupled with an interest and shall be irrevocable. In addition to the foregoing, Seller agrees to execute a Power of Attorney to be delivered on the date hereof.

Seller also authorizes Buyer, if an Event of Default shall have occurred, from time to time, to execute, in connection with any sale provided for in Section 14 hereof, any endorsements, assignments or other instruments of conveyance or transfer with respect to the Repurchase Assets.

The powers conferred on Buyer hereunder are solely to protect Buyer's interests in the Repurchase Assets and shall not impose any duty upon it to exercise any such powers. Buyer shall be accountable only for amounts that it actually receives as a result of the exercise of such powers, and neither it nor any of its officers, directors, employees or agents shall be responsible to Seller for any act or failure to act hereunder, except for its or their own gross negligence or willful misconduct.

Upon an Event of Default, Buyer shall be entitled to all remedies available to a secured creditor under the Uniform Commercial Code and shall have the right to apply the Repurchase Assets or any proceeds therefrom to all Obligations.

SECTION 9. PAYMENT, TRANSFER; ACCOUNTS AND CUSTODY

(a) Buyer's Account. Unless otherwise mutually agreed in writing, all transfers of funds to be made by Seller hereunder shall be made in Dollars, in immediately available funds, without deduction, set off or counterclaim, to Buyer at the account maintained and indicated by Buyer not later than 3:00 p.m. New York City time, on the date on which such payment shall become due (and each such payment made after such time shall be deemed to have been made on the next succeeding Business Day). Seller acknowledges that it has no rights of withdrawal from the foregoing account.

(b) Remittance of Purchase Price. On the Purchase Date for each Transaction, ownership of the Purchased Mortgage Loans shall be transferred to Buyer or its designee against the simultaneous transfer of the Purchase Price to the applicable Settlement Agent. With respect to the Purchased Mortgage Loans being sold by Seller on a Purchase Date, Seller hereby sells, transfers, conveys and assigns to Buyer or its designee without recourse, but subject to the terms of this Agreement, all of the right, title and interest of Seller in and to the Purchased Mortgage Loans, including the related Mortgage File and Servicing Rights and all Income thereon, and all right, title, and interest of Seller in and to the proceeds of any related Repurchase Assets. Buyer may confirm that the Initial Haircut Account Funded Amount has been deposited into the Haircut Account prior to its remittance of any amounts in accordance herewith. Subject to Buyer's verification of necessary cleared funds in the Haircut Account, Buyer shall remit to the Settlement Agent the full amount of the outstanding principal balance of such Purchased Mortgage Loan and shall withdraw and retain from the Haircut Account, the Haircut Amount.

(c) Intentionally Omitted.

(d) Inbound Account. Seller shall establish and maintain an Inbound Account identified in the Pricing Letter, in the form of a deposit account. The Inbound Account shall be established with EverBank. Buyer shall have exclusive withdrawal rights from such Inbound Account. Funds deposited in the Inbound Account may be transferred as set forth herein. Any interest or other earnings on the investment of funds held in the Inbound Account shall be deposited in the Inbound Account, subject to withdrawal pursuant hereto. All amounts on deposit in the Inbound Account shall be

held as cash margin and collateral for all Obligations under this Agreement (such amount, to the extent not applied to Obligations under the Agreement, the "Repurchase Proceeds"). In connection with any repurchase or purchase by a Takeout Investor of a Purchased Mortgage Loan, Seller shall direct remittance of the proceeds therefor into the Inbound Account. Seller shall be required to comply with all requirements in connection with any repurchase and remittance into the Inbound Account. Upon receipt of any Repurchase Proceeds in the Inbound Account, Buyer shall apply such Repurchase Proceeds to the Repurchase Price for the related Purchased Mortgage Loans. Any Repurchase Proceeds in excess of the Repurchase Price for the related Purchased Mortgage Loans shall be remitted to the Haircut Account, for application as contemplated pursuant to Section 9(e). Without limiting the generality of the foregoing, in the event that a Margin Call or other Default exists, Buyer shall be entitled to use any or all of the Repurchase Proceeds to cure such circumstance or otherwise exercise remedies available to Buyer without prior notice to, or consent from, Seller.

(e) Haircut Account. Seller shall establish and maintain a Haircut Account identified in the Pricing Letter, in the form of a deposit account. The Haircut Account shall be established with EverBank. Buyer shall have exclusive withdrawal rights from such Haircut Account. Any interest or other earnings on the investment of funds held in the Haircut Account shall be deposited in the Haircut Account, subject to withdrawal pursuant hereto. Buyer is hereby authorized and instructed by Seller to withdraw from the Haircut Account any and all amounts contemplated herein. On each Purchase Date, Seller shall deposit the Initial Haircut Account Funded Amount into the Haircut Account. Upon purchase by Buyer of the related Purchased Mortgage Loan, Buyer shall withdraw the Haircut Amount to reimburse itself for the difference between the actual amount remitted by Buyer on the Purchase Date on account of the Purchased Mortgage Loan and the Purchase Price for such Purchased Mortgage Loan. Upon repurchase by Seller, or purchase by a Takeout Investor, of any Purchased Mortgage Loan, if there remain on deposit in the Inbound Account Excess Proceeds with respect to such Mortgage Loan, then Buyer shall remit the Excess Proceeds to the Haircut Account and such Excess Proceeds shall be added to the Net Account Funded Amount for such Mortgage Loan. Upon repurchase by Seller, or purchase by a Takeout Investor, of any Purchased Mortgage Loan, if there exists in the Inbound Account Shortfall Proceeds with respect to such Mortgage Loan, then Buyer may withdraw from the Haircut Account the amount of any Shortfall Proceeds and such amount shall be deducted from the Net Account Funded Amount. In addition to the foregoing, Buyer shall be entitled to deduct and withdraw from the Haircut Account all Warehouse Fees. To the extent that, following application of all deposits and withdrawals as contemplated herein with respect to a Purchased Mortgage Loan that is repurchased by Seller or purchased by a Takeout Investor, (i) the Net Account Funded Amount for any such Mortgage Loan is a positive number, then such Net Account Funded Amount for such Mortgage Loan shall, subject to this section, be available for remittance to Seller upon written request therefor; and (ii) the Net Account Funded Amount for any such repurchased Mortgage Loan is a negative number, then Seller shall promptly remit to Buyer the amount of such Net Account Funded Amount for such Mortgage Loan. Without limiting the foregoing, to the extent that the Net Account Funded Amount for any repurchased Mortgage Loan is a negative number, Buyer shall be entitled to withdraw, retain and apply any amounts on deposit in the Haircut Account up to the amount of such negative Net Account Funded Amount. To the extent that the aggregate Net Account Funded Amounts (net of any amounts withdrawn as contemplated herein) for all repurchased Mortgage Loans exceeds the Surplus Amount, then Seller may, no more than once per Business Day, deliver a written request prior to 2:00 p.m. (New York Time) for Buyer to remit any amount in excess of the Surplus Amount to Seller. To the extent that there exists no Default, Buyer shall, upon receipt of such written request, remit any such amount in excess of the Surplus Amount to Seller. Any interest or other earnings on the investment of funds deposited in the Haircut Account shall be deposited in the Haircut Account, subject to withdrawal pursuant hereto. Without limiting the generality of the foregoing, in the event that a Margin Call or other Default exists, Buyer shall be entitled to use any or all of the amounts on deposit in the Haircut Account to cure such circumstance or otherwise exercise remedies available to Buyer without prior notice to, or consent from, Seller.

(f) Fees. Seller shall pay in immediately available funds to Buyer all fees, including without limitation, the Warehouse Fees, as and when required hereunder. All such payments shall be made in Dollars, in immediately available funds, without deduction, set-off or counterclaim, to Buyer at such account designated by Buyer. Without limiting the generality of the foregoing or any other provision of this Agreement, Buyer may withdraw and retain from the Haircut Account any Warehouse Fees due and owing to Buyer.

SECTION 10. DELIVERY OF DOCUMENTS

(a) Custody of Mortgage Files. In connection with the sale, transfer, conveyance and assignment of Purchased Mortgage Loans, on or prior to each Purchase Date, Seller shall deliver or cause to be delivered and released to Buyer or its designee the Mortgage File or Wet File, as applicable for the related Purchased Mortgage Loans.

Seller shall be solely responsible for providing each and every document required for each Mortgage File to Buyer in a timely manner and for completing or correcting any missing, incomplete or inconsistent documents, and Buyer shall not be responsible or liable for taking any such action, causing Seller or any other person or entity to do so or notifying any Person that any such action has or has not been taken.

(b) Release of Mortgage Files. From time to time as appropriate for the sale or repurchase of any of the Purchased Mortgage Loans, Buyer shall, upon receipt of a request for release through the EverBank Warehouse Electronic System and compliance with the requirements of the EverBank Warehouse Customer Guide, release or cause to be released to Seller the related Mortgage File or the documents of the related Mortgage File set forth in such request for release. All Mortgage Files or documents from Mortgage Files so released by Buyer to Seller shall be held by Seller in trust for the benefit of Buyer.

Upon the payment in full, sale or repurchase of any Mortgage Loan, and upon receipt by Buyer of such information through the EverBank Warehouse Electronic System, and subject to Buyer receiving all amounts due on account of the Repurchase Price hereunder, and there existing no Event of Default, Buyer shall promptly release the related Mortgage File to Seller.

(c) Purchase By Takeout Investor. Seller shall provide to Buyer a completed request for release of documents with respect to the related Mortgage Loans to be purchased by a Takeout Investor through the EverBank Warehouse Electronic System and comply with all other requirements set forth in the EverBank Warehouse Customer Guide. The Mortgage Files relating to the Mortgage Loans included in a request for release shall be sent for delivery by Buyer to the applicable Takeout Investor specified by Seller to Buyer in the EverBank Warehouse Electronic System; provided that such Mortgage File shall be accompanied by a fully completed Bailee Letter. Buyer shall not deliver any Mortgage File to any potential Takeout Investor unless such Takeout Investor was identified by Seller to Buyer in the EverBank Warehouse Electronic System.

In the event that a Takeout Investor rejects a Mortgage Loan for purchase pursuant to a Takeout Commitment for any reason whatsoever, Seller shall promptly notify Buyer via the EverBank Warehouse Electronic System upon receipt of notification from the Takeout Investor.

(d) Written Instructions as to the method of shipment and shipper(s) that Buyer is directed to utilize in connection with transmission of Mortgage Files shall be delivered by Seller to Buyer prior to any shipment of any Mortgage Files hereunder. Buyer will arrange for the provision of such services at the sole cost and expense of Seller, the fees of which shall be billed to Seller and paid by Seller

as part of the Warehouse Fees. In the absence of Written Instructions from Seller, Buyer shall not ship the related Mortgage Files.

SECTION 11. REPRESENTATIONS

Seller represents and warrants to Buyer that as of the Purchase Date for any Purchased Mortgage Loans by Buyer from Seller and as of the date of this Agreement and any Transaction hereunder and at all times while the Facility Documents are in full force and effect and/or any Transaction hereunder is outstanding:

(a) Acting as Principal. Seller will engage in such Transactions as principal (or, if agreed in writing in advance of any Transaction by the other party hereto, as agent for a disclosed principal).

(b) No Broker. Seller has not dealt with any broker, investment banker, agent, or other person, except for Buyer, who may be entitled to any commission or compensation based on or arising from the sale of Purchased Mortgage Loans by Seller to Buyer pursuant to this Agreement. The foregoing representation and warranty does not relate to third party mortgage brokers to whom compensation may be payable by Seller for the origination of a Purchased Mortgage Loan, such payments being the sole responsibility of Seller.

(c) Financial Statements. The Financial Reporting Party has heretofore furnished to Buyer a copy of its (a) consolidated balance sheet and the consolidated balance sheets of its consolidated Subsidiaries for the fiscal year ended the Annual Financial Statement Date and the related consolidated statements of income and retained earnings and of cash flows for the Financial Reporting Party and its consolidated Subsidiaries for such fiscal year, setting forth in each case in comparative form the figures for the previous year, with the opinion thereon of an Approved CPA and (b) consolidated balance sheet and the consolidated balance sheets of its consolidated Subsidiaries for each of the monthly period(s) of the Financial Reporting Party up until Monthly Financial Statement Date, and the related consolidated statements of income and retained earnings and of cash flows for the Financial Reporting Party and its consolidated Subsidiaries for such monthly period(s), setting forth in each case in comparative form the figures for the previous year. All such Financial Statements are complete and correct and fairly present, in all material respects, the consolidated financial condition of the Financial Reporting Party and its Subsidiaries and the consolidated results of their operations as at such dates and for such monthly periods, all in accordance with GAAP applied on a consistent basis. Since the Annual Financial Statement Date, there has been no material adverse change in the consolidated business, operations or financial condition of the Financial Reporting Party and its consolidated Subsidiaries taken as a whole from that set forth in said Financial Statements nor is Seller aware of any state of facts which (without notice or the lapse of time) would or could result in any such material adverse change or could have a Material Adverse Effect. The Financial Reporting Party does not have, on the Annual Financial Statement Date, any liabilities, direct or indirect, fixed or contingent, matured or unmatured, known or unknown, or liabilities for taxes, long-term leases or unusual forward or long-term commitments not disclosed by, or reserved against in, said balance sheet and related statements, and at the present time there are no material unrealized or anticipated losses from any loans, advances or other commitments of the Financial Reporting Party except as heretofore disclosed to Buyer in writing.

(d) Organization, Etc. Adverse Effect; (iii) is qualified to do business and is in good standing in all other jurisdictions in which the nature of the business conducted by it makes such qualification necessary, except where failure so to qualify would not be reasonably likely (either individually or in the aggregate) to have a Material Adverse Effect; and (iv) has full power and authority to execute, deliver and perform its obligations under the Facility Documents. Schedule 4 to the Pricing Letter lists all holders of stock of and other equity interests in each Seller Party which is not an individual, and the amounts and types of shares held by each of them. Except as set forth on Schedule 4 to the Pricing Letter, there are no agreements of any kind relating to the issuance of any shares of any Seller Party which is not an individual, or any convertible or exchangeable securities or any options, warrants or other rights relating to the stock of or other equity interests in any such Seller Party.

(e) Authorization, Compliance, Approvals. The execution and delivery of, and the performance by Seller of its obligations under, the Facility Documents to which it is a party (a) are within Seller's powers, (b) have been duly authorized by all requisite action, (c) do not violate any provision of any applicable Requirement of Law, rule or regulation, or any order, writ, injunction or decree of any court or other Governmental Authority, or its organizational documents, (d) do not violate any indenture, agreement, document or instrument to which Seller or any of its Subsidiaries is a party, or by which any of them or any of their properties, any of the Repurchase Assets is bound or to which any of them is subject and (e) are not in conflict with, do not result in a breach of, or constitute (with due notice or lapse of time or both) a default under, or except as may be provided by any Facility Document, result in the creation or imposition of any Lien upon any of the property or assets of Seller or any of its Subsidiaries pursuant to, any such indenture, agreement, document or instrument. Seller is not required to obtain any consent, approval or authorization from, or to file any declaration or statement with, any Governmental Authority in connection with or as a condition to the consummation of the Transactions contemplated herein and the execution, delivery or performance of the Facility Documents to which it is a party. With respect to any and all Records or Electronic Records submitted or transmitted to Buyer including, but not limited to, fax copies of Records or Electronic Records, Seller represents and warrants that any party who submitted or transmitted Records or Electronic Records or who submitted or transmitted Records or Electronic Records containing Seller's signature or Seller's Electronic Signature was authorized to do so.

(f) Litigation. Except as described in Schedule 7 to the Pricing Letter, there are no actions, suits, arbitrations, investigations (including, without limitation, any of the foregoing which are pending or threatened) or other legal or arbitrable proceedings affecting Seller Party or any of its Subsidiaries or affecting any of the Repurchase Assets or any of the other properties of Seller Party before any Governmental Authority which (i) questions or challenges the validity or enforceability of the Facility Documents or any action to be taken in connection with the transactions contemplated hereby, (ii) makes a claim or claims in an aggregate amount greater than the Litigation Threshold, (iii) individually or in the aggregate, if adversely determined, would have a Material Adverse Effect, or (iv) requires filing with the SEC in accordance with its regulations or (v) relates to any violation of the Home Ownership and Equity Protection Act or any state, city or district high cost home mortgage or predatory lending law.

(g) Purchased Mortgage Loans.

(i) With respect to each Mortgage Loan to be sold hereunder by Seller to Buyer, such Mortgage Loan is an Eligible Mortgage Loan, including that all applicable representations and warranties set forth in Schedule 1 hereto are true, correct, and complete.

(ii) Seller has not assigned, pledged, or otherwise conveyed or encumbered to or in favor of any Person other than Buyer any Mortgage Loan to be sold to Buyer hereunder, and immediately prior to the sale of such Mortgage Loan to Buyer, Seller was the sole owner of such

Mortgage Loan and had good and marketable title thereto, free and clear of all Liens, in each case except for Liens to be released simultaneously with the sale to Buyer hereunder.

(iii) The provisions of this Agreement are effective to either constitute a sale of Repurchase Assets to Buyer or to create in favor of Buyer a valid security interest in all right, title and interest of Seller in, to and under the Repurchase Assets.

(h) Proper Names; Chief Executive Office/Jurisdiction of Organization. Seller does not operate in any jurisdiction under a trade name, division name or name other than those names previously disclosed in writing by Seller to Buyer. On the Effective Date, Seller's chief executive office is, and has been, located as specified on the signature page hereto. Each Seller Party's (if any, besides Seller, and if not an individual) jurisdiction of organization is as set forth in the Pricing Letter.

(i) Location of Books and Records. The location where Seller keeps its books and records, including all computer tapes and records related to the Repurchase Assets, is its chief executive office.

(j) Enforceability. This Agreement and all of the other Facility Documents respectively executed and delivered by a Seller Party in connection herewith are legal, valid and binding obligations of each such Seller Party and are enforceable against each such Seller Party in accordance with their terms, except as such enforceability may be limited by (i) the effect of any applicable bankruptcy, insolvency, reorganization, moratorium or similar Requirements of Law affecting creditors' rights generally, and (ii) general principles of equity.

(k) Ability to Perform. Seller does not believe, nor does it have any reason or cause to believe, that it cannot perform each and every covenant contained in the Facility Documents to which it is a party on its part to be performed.

(l) No Default. No Default or Event of Default has occurred and is continuing.

(m) No Adverse Selection. Seller has not selected the Purchased Mortgage Loans in a manner so as to adversely affect Buyer's interests.

(n) Adjusted Tangible Net Worth. On the initial Purchase Date, the Adjusted Tangible Net Worth of Seller is not less than the Adjusted Tangible Net Worth required of Seller in the Pricing Letter.

(o) Debt for Borrowed Money. All credit facilities, repurchase facilities or substantially similar facilities or other debt for borrowed money of Seller (the "Debt for Borrowed Money Arrangements") which are presently in effect and/or outstanding are listed on Schedule 2 to the Pricing Letter and no defaults or events of default exist thereunder.

(p) Accurate and Complete Disclosure. The information, reports, Financial Statements, exhibits and schedules furnished in writing by or on behalf of each Seller Party to Buyer in connection with the negotiation, preparation or delivery of this Agreement or performance hereof and the other Facility Documents or included herein or therein or delivered pursuant hereto or thereto, when taken as a whole, do not contain any untrue statement of material fact or omit to state any material fact necessary to make the statements herein or therein, in light of the circumstances under which they were made, not misleading. There is no fact known to Seller, after due inquiry, that would reasonably be expected to have a Material Adverse Effect that has not been disclosed herein, in the other Facility

Documents or in a report, Financial Statement, exhibit, schedule, disclosure letter or other writing furnished to Buyer for use in connection with the transactions contemplated hereby or thereby.

(q) Margin Regulations. The use of all funds acquired by Seller under this Agreement will not conflict with or contravene any of Regulations T, U or X promulgated by the Board of Governors of the Federal Reserve System as the same may from time to time be amended, supplemented or otherwise modified.

(r) Investment Company. No Seller Party and none of their respective Subsidiaries is an "investment company" or a company "controlled" by an "investment company" within the meaning of the Investment Company Act of 1940, as amended.

(s) Solvency. As of the date hereof and immediately after giving effect to each Transaction, the fair value of the assets of Seller is greater than the fair value of the liabilities (including, without limitation, contingent liabilities if and to the extent required to be recorded as a liability on the Financial Statements of Seller in accordance with GAAP) of Seller and Seller is solvent and, after giving effect to the transactions contemplated by this Agreement and the other Facility Documents, will not be rendered insolvent or left with an unreasonably small amount of capital with which to conduct its business and perform its obligations. Seller does not intend to incur, nor does it believe that it has incurred, debts beyond its ability to pay such debts as they mature. Seller is not contemplating the commencement of an insolvency, bankruptcy, liquidation, or consolidation proceeding or the appointment of a receiver, liquidator, conservator, trustee, or similar official in respect of itself or any of its property.

(t) ERISA.

(i) No liability under Section 4062, 4063, 4064 or 4069 of ERISA has been or is expected by Seller to be incurred by any Seller Party or any ERISA Affiliate thereof with respect to any Plan which is a Single-Employer Plan in an amount that could reasonably be expected to have a Material Adverse Effect.

(ii) No Plan which is a Single Employer Plan had an accumulated funding deficiency, whether or not waived, as of the last day of the most recent fiscal year of such Plan ended prior to the date hereof, and no such plan which is subject to Section 412 of the Code failed to meet the requirements of Section 436 of the Code as of such last day. Neither Seller nor any ERISA Affiliate thereof is subject to a Lien in favor of such a Plan as described in Section 430(k) of the Code or Section 303(k) of ERISA.

(iii) Each Plan of Seller, each of its Subsidiaries and each of its ERISA Affiliates is in compliance with the applicable provisions of ERISA and the Code, except where the failure to comply would not result in any Material Adverse Effect.

(iv) Neither Seller nor any of its Subsidiaries has incurred a tax liability under Chapter 43 of the Code or a penalty under Section 502 of ERISA which has not been paid in full, except where the incurrence of such tax or penalty would not result in a Material Adverse Effect.

(v) Neither Seller nor any of its Subsidiaries nor any ERISA Affiliate thereof has incurred or reasonably expects to incur any withdrawal liability under Section 4201 of ERISA as a result of a complete or partial withdrawal from a Multiemployer Plan in an amount that could reasonably be expected to have a Material Adverse Effect.

(u) Taxes. Seller and its Subsidiaries have timely filed all tax returns that are required to be filed by them and have timely paid all Taxes due, except for any such Taxes as are being appropriately contested in good faith by appropriate proceedings diligently conducted and with respect to which adequate reserves have been provided. There are no Liens for Taxes, except for statutory liens for Taxes not yet due and payable.

(v) No Reliance. Seller has made its own independent decisions to enter into the Facility Documents and each Transaction and as to whether such Transaction is appropriate and proper for it based upon its own judgment and upon advice from such advisors (including without limitation, legal counsel and accountants) as it has deemed necessary. Seller is not relying upon any advice from Buyer as to any aspect of the Transactions, including without limitation, the legal, accounting or tax treatment of such Transactions.

Seller is not an employee benefit plan as defined in Section 3 of Title I of ERISA, or a plan described in Section 4975(e)(1) of the Code, and the Purchased Mortgage Loans are not "plan assets" within the meaning of 29 CFR §2510.3-101, as modified by Section 3(42) of ERISA, in Seller's hands and transactions by or with Seller are not subject to any state or local statute regulating investments of, or fiduciary obligations with respect to governmental plans within the meaning of Section 3(32) of ERISA.

(x) Agency and Governmental Authority Approvals. Seller is approved by those Agencies and Governmental Authorities set forth on Schedule 8 to the Pricing Letter for the origination, sale, and/or servicing of Mortgage Loans as set forth on Schedule 8 to the Pricing Letter. In each such case, Seller is in good standing, with no event having occurred or Seller having any reason whatsoever to believe or suspect will occur, including, without limitation, a change in insurance coverage, which would either make Seller unable to comply with the eligibility requirements for maintaining all such applicable approvals or require notification to the relevant Agency or Governmental Authority.

(y) Ability to Service Mortgage Loans; Servicing Agreements. Seller has adequate financial standing, servicing facilities, procedures and experienced personnel necessary for the sound servicing of mortgage loans of the same types as may from time to time constitute Purchased Mortgage Loans and in accordance with Accepted Servicing Practices. Except as set forth on Schedule 5 of the Pricing Letter, no Purchased Mortgage Loans will be subject to any such servicing agreements.

(z) Anti-Money Laundering Laws. Seller has complied with all applicable anti-money laundering laws and regulations, including without limitation the USA Patriot Act of 2001 (collectively, the "Anti-Money Laundering Laws"); Seller has established an anti-money laundering compliance program as required by the Anti-Money Laundering Laws, has conducted the requisite due diligence in connection with the origination of each Mortgage Loan for purposes of the Anti-Money Laundering Laws, including with respect to the legitimacy of the applicable Mortgagor and the origin of the assets used by the said Mortgagor to purchase the property in question, and maintains, and will maintain, sufficient information to identify the applicable Mortgagor for purposes of the Anti-Money Laundering Laws.

(c) The obligations of Seller from time to time to pay the Repurchase Price (including all Price Differential) and all other amounts due under this Agreement shall be full recourse obligations of Seller.

(d) The obligations of Seller under this Section 15 hereof shall survive the termination of this Agreement.

(b) Seller shall service and administer the Purchased Mortgage Loans on behalf of Buyer in accordance with Accepted Servicing Practices, and in accordance with all applicable requirements of the Agencies, Requirements of Law, the provisions of any applicable servicing agreement, and the requirements of any applicable Takeout Commitment and the Takeout Investor, so that the eligibility of the Purchased Mortgage Loan for purchase under such Takeout Commitment is not voided or reduced by such servicing and administration.

(c) If any Mortgage Loan that is proposed to be sold on a Purchase Date is serviced by a servicer other than Seller or any of its Affiliates (a "Subservicer"), or if the servicing of any such Mortgage Loan is to be transferred to a Subservicer, Seller shall provide a copy of the related servicing agreement and a Servicer Notice executed by such Subservicer (collectively, the "Servicing Agreement") to Buyer prior to such Purchase Date or servicing transfer date, as applicable. Each such Servicing Agreement shall be in form and substance acceptable to Buyer. In addition, Seller shall have obtained the prior written consent of Buyer for such Subservicer to subservice the Purchased Mortgage Loans, which consent may be withheld in Buyer's sole discretion. In no event shall Seller's use of a Subservicer relieve Seller of its obligations hereunder, and Seller shall remain liable under this Agreement as if Seller were servicing such Mortgage Loans directly.

(d) Seller shall deliver the physical and contractual master servicing of each Purchased Mortgage Loan, together with all of the related Records in its possession, to Buyer's designee upon the earliest of (w) the occurrence of a Default or Event of Default hereunder, (x) the termination of Seller as servicer by Buyer pursuant to this Agreement, (y) the expiration (and non-renewal) of the Servicing Term, or (z) the transfer of servicing to any entity approved by Buyer and the assumption thereof by such entity. Buyer shall have the right to terminate Seller as master servicer (and any Subservicer as subservicer) of any of the Purchased Mortgage Loans, which right shall be exercisable at any time in Buyer's sole discretion, upon written notice. In addition, Seller shall deliver the physical and contractual master servicing of each Purchased Mortgage Loan, together with all of the related Records in its possession to Buyer's designee, upon expiration of the Servicing Term; provided that the Servicing Term and such delivery requirement will be deemed renewed for a like period on the last day of the Servicing Term, and on the last day of each such renewed Servicing Term, in the absence of directions to the contrary from Buyer; provided further that such delivery requirement will no longer apply to any Mortgage Loan, and Seller shall have no further obligation to service such Mortgage Loan as agent for Buyer, upon receipt by Buyer of the Repurchase Price therefor. Seller's transfer of the Records and the physical and contractual servicing under this Section shall be in accordance with customary standards in the industry and such transfer shall include the transfer of the gross amount of all escrows held for the related mortgagors (without reduction for unreimbursed advances or "negative escrows").

(e) During the period Seller is servicing the Purchased Mortgage Loans as agent for Buyer, Seller agrees that Buyer is the owner of the related Credit Files and Records and Seller shall at all times maintain and safeguard and cause any Subservicer to maintain and safeguard the Credit File for the Mortgage Loan (including photocopies or images of the documents delivered to Buyer), and accurate and complete records of its servicing of the Mortgage Loan; Seller's possession of the Credit Files and Servicing Records being for the sole purpose of master servicing such Mortgage Loans and such retention and possession by Seller being in a custodial capacity only. Seller hereby grants Buyer a security interest in all servicing fees to secure the obligations of Seller and any Subservicer to service in conformity with this Section and any related Servicing Agreement.

(f) At Buyer's request, Seller shall promptly deliver to Buyer reports regarding the status of any Mortgage Loan being serviced by Seller, which reports shall include, but shall not be limited to, a description of any default thereunder for more than [***] or such other circumstances that could cause a material adverse effect on such Mortgage Loan, Buyer's title to such Mortgage Loan or the collateral securing such Mortgage Loan; Seller may be required to deliver such reports until the repurchase of the Mortgage Loan by Seller. Seller shall immediately notify Buyer if it becomes aware of any payment default that occurs under the Mortgage Loan or any default under any Servicing Agreement that would materially and adversely affect any Mortgage Loan subject thereto.

(g) Seller shall release its custody of the contents of any Credit File or Mortgage File only (i) in accordance with the written instructions of Buyer, (ii) upon the consent of Buyer when such release is required as incidental to Seller's servicing of the Mortgage Loan, is required to complete the Takeout Commitment or comply with the Takeout Commitment requirements, or (iii) as required by Requirements of Law.

(h) Buyer reserves the right to appoint a successor servicer at any time to service any Mortgage Loan (each a "Successor Servicer") in its sole discretion. If Buyer elects to make such an appointment due to a Default or Event of Default, Seller shall be assessed all costs and expenses incurred by Buyer associated with transferring the Mortgage Loans to the Successor Servicer. In the event of such an appointment, Seller shall perform all acts and take all action so that any part of the Credit File and related Records held by Seller, together with all Income and other receipts relating to such Mortgage Loan, are promptly delivered to Successor Servicer, and shall otherwise reasonably cooperate with Buyer

in effectuating such transfer. Seller shall have no claim for lost servicing income, lost profits or other damages if Buyer appoints a Successor Servicer hereunder and the servicing fee is reduced or eliminated.

(i) For the avoidance of doubt, Seller retains no economic rights to the servicing of the Purchased Mortgage Loans provided that Seller shall continue to service the Purchased Mortgage Loans hereunder as part of its Obligations hereunder. As such, Seller expressly acknowledges that the Purchased Mortgage Loans are sold to Buyer on a "servicing released" basis.

SECTION 17. DUE DILIGENCE

Seller acknowledges that Buyer or any third party designated by Buyer (including Buyer's regulators) has the right to perform continuing due diligence reviews with respect to the Mortgage Loans and Seller Parties, for purposes of verifying compliance with the representations, warranties and specifications made hereunder, or otherwise, and Seller agrees that upon reasonable prior notice unless an Event of Default shall have occurred, in which case no notice is required, to Seller, Buyer or its authorized representatives will be permitted during normal business hours to examine, inspect, and make copies and extracts of, the Mortgage Files and any and all documents, records, agreements, instruments or information relating to such Mortgage Loans in the possession or under the control of Seller. Seller also shall make available to Buyer a knowledgeable financial or accounting officer for the purpose of answering questions respecting the Mortgage Files and the Mortgage Loans. Without limiting the generality of the foregoing, Seller acknowledges that Buyer may purchase Mortgage Loans from Seller based solely upon the information provided by Seller to Buyer in the Purchased Mortgage Loan Schedule and the representations, warranties and covenants contained herein, and that Buyer, at its option, has the right at any time to conduct a partial or complete due diligence review on some or all of the Mortgage Loans purchased in a Transaction, including, without limitation, ordering broker's price opinions, new credit reports and new appraisals on the related Mortgaged Properties and otherwise regenerating the information used to originate such Mortgage Loan. Buyer may underwrite such Mortgage Loans itself or engage a mutually agreed upon third party underwriter to perform such underwriting. Seller agrees to cooperate with Buyer and any third party underwriter in connection with such underwriting, including, but not limited to, providing Buyer and any third party underwriter with access to any and all documents, records, agreements, instruments or information relating to such Mortgage Loans in the possession, or under the control, of Seller. Seller further agrees that Seller shall pay all out-of-pocket costs and expenses incurred by Buyer in connection with Buyer's activities pursuant to this Section 17 ("Due Diligence Costs"); provided, however, that Seller shall not be responsible for Buyer's due diligence costs incurred in connection with the initial due diligence conducted by Buyer prior to the date hereof.

SECTION 18. ASSIGNABILITY

The rights and obligations of the parties under this Agreement and under any Transaction shall not be assigned by Seller without the prior written consent of Buyer. Subject to the foregoing, this Agreement and any Transactions shall be binding upon and shall inure to the benefit of the parties and their respective successors and assigns. Nothing in this Agreement express or implied, shall give to any Person, other than the parties to this Agreement and their successors hereunder, any benefit of any legal or equitable right, power, remedy or claim under this Agreement. Buyer may from time to time assign all or a portion of its rights and obligations under this Agreement and the Facility Documents pursuant to an executed assignment and acceptance by Buyer and assignee ("Assignment and Acceptance"), specifying the percentage or portion of such rights and obligations assigned. Upon such assignment, (a) such assignee shall be a party hereto and to each Facility Document to the extent of the percentage or portion set forth in the Assignment and Acceptance, and shall succeed to the applicable rights and obligations of Buyer hereunder, and (b) Buyer shall, to the extent that such rights and obligations have been so assigned

by it be released from its obligations hereunder and under the Facility Documents. Unless otherwise stated in the Assignment and Acceptance, Seller shall continue to take directions solely from Buyer unless otherwise notified by Buyer in writing. Buyer may distribute to any prospective assignee any document or other information delivered to Buyer by Seller.

Buyer may sell participations to one or more Persons in or to all or a portion of its rights and obligations under this Agreement; provided, however, that (i) Buyer's obligations under this Agreement shall remain unchanged, (ii) Buyer shall remain solely responsible to the other parties hereto for the performance of such obligations; and (iii) Seller shall continue to deal solely and directly with Buyer in connection with Buyer's rights and obligations under this Agreement and the other Facility Documents except as provided in Section 7.

Buyer may, in connection with any assignment or participation or proposed assignment or participation pursuant to this Section 18, disclose to the assignee or participant or proposed assignee or participant, as the case may be, any information relating to Seller or any of its Subsidiaries or to any aspect of the Transactions that has been furnished to Buyer by or on behalf of Seller or any of its Subsidiaries; provided that such assignee or participant agrees to hold such information subject to the confidentiality provisions of this Agreement.

In the event Buyer assigns all or a portion of its rights and obligations under this Agreement, the parties hereto agree to negotiate in good faith an amendment to this Agreement to add agency provisions similar to those included in Agreements for similar syndicated repurchase facilities.

SECTION 19. TRANSFER AND MAINTENANCE OF REGISTER

(a) Subject to acceptance and recording thereof pursuant to paragraph (b) of this Section 19, from and after the effective date specified in each Assignment and Acceptance the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of Buyer under this Agreement. Any assignment or transfer by Buyer of rights or obligations under this Agreement that does not comply with this Section 19 shall be treated for purposes of this Agreement as a sale by such Buyer of a participation in such rights and obligations in accordance with Section 19(b) hereof.

(b) Seller shall maintain a register (the "Register") on which it will record Buyer's rights hereunder, and each Assignment and Acceptance and participation. The Register shall include the names and addresses of Buyer (including all assignees, successors and participants) and the percentage or portion of such rights and obligations assigned. Failure to make any such recordation, or any error in such recordation shall not affect Seller's obligations in respect of such rights. If Buyer sells a participation in its rights hereunder, it shall provide Seller, or maintain as agent of Seller, the information described in this paragraph and permit Seller to review such information as reasonably needed for Seller to comply with its obligations under this Agreement or under any applicable Requirements of Law.

SECTION 20. HYPOTHECATION OR PLEDGE OF PURCHASED MORTGAGE LOANS

Title to all Purchased Mortgage Loans and Repurchase Assets shall pass to Buyer and Buyer shall have free and unrestricted use of all Purchased Mortgage Loans. Nothing in this Agreement shall preclude Buyer from engaging in repurchase transactions with the Purchased Mortgage Loans or otherwise pledging, repledging, transferring, hypothecating, or rehypothecating the Purchased Mortgage Loans to any Person, including without limitation, the Federal Home Loan Bank. Nothing contained in this Agreement shall obligate Buyer to segregate any Purchased Mortgage Loans delivered to Buyer by Seller.

SECTION 21. TAX AND ACCOUNTING TREATMENT

Each party to this Agreement acknowledges that it is its intent for purposes of U.S. federal, state and local income and franchise taxes, and for accounting purposes, to treat each Transaction as indebtedness of Seller that is secured by the Purchased Mortgage Loans and that the Purchased Mortgage Loans are owned by Seller in the absence of a Default by Seller. All parties to this Agreement agree to such treatment and agree to take no action inconsistent with this treatment, unless required by applicable Requirements of Law or GAAP.

SECTION 22. SET-OFF

In addition to any rights and remedies of Buyer hereunder and by law, Buyer shall have the right, without prior notice to Seller, any such notice being expressly waived by Seller to the extent permitted by applicable law, to set-off and appropriate and apply against any Obligation from Seller, or any Affiliate thereof to Buyer or any of its Affiliates any and all deposits (general or special, time or demand, provisional or final), in any currency, and any other obligation (including to return excess margin), credits, indebtedness or claims or cash, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by or due from Buyer or any Affiliate thereof to or for the credit or the account of Seller or any Affiliate thereof. Buyer agrees promptly to notify Seller after any such set off and application made by Buyer; provided that the failure to give such notice shall not affect the validity of such set off and application.

Buyer shall at any time have the right, in each case until such time as Buyer determines otherwise, to retain, to suspend payment or performance of, or to decline to remit, any amount or property that Buyer would otherwise be obligated to pay, remit or deliver to Seller hereunder if an Event of Default or Default has occurred.

SECTION 23. TERMINABILITY

Each representation and warranty made or deemed to be made by entering into a Transaction, herein or pursuant hereto shall survive the making of such representation and warranty, and Buyer shall not be deemed to have waived any Default that may arise because any such representation or warranty shall have proved to be false or misleading, notwithstanding that Buyer may have had notice or knowledge or reason to believe that such representation or warranty was false or misleading at the time the Transaction was made. Notwithstanding any such termination or the occurrence of an Event of Default, all of the representations and warranties and covenants hereunder shall continue and survive.

SECTION 24. NOTICES AND OTHER COMMUNICATIONS

Except as otherwise expressly permitted by this Agreement, all notices, requests and other communications provided for herein (including without limitation any modifications of, or waivers, requests or consents under, this Agreement) shall be given or made in writing (including without limitation by electronic transmission) delivered to the intended recipient at the "Address for Notices" specified below its name on the signature pages hereof or thereof); or, as to any party, at such other address as shall be designated by such party in a written notice to each other party. In all cases, to the extent that the related individual set forth in the respective "Attention" line is no longer employed by the respective Person, such notice may be given to the attention of a Responsible Officer of the respective Person or to the attention of such individual or individuals as subsequently notified in writing by a Responsible Officer of the respective Person. Except as otherwise provided in this Agreement and except for notices given under Section 3 (which shall be effective only on receipt), all such communications shall be deemed to have been duly given (a) when transmitted during business hours at the recipient's place of

business by email (if an email address for such purpose is provided for such Person), (b) when delivered, if delivered by hand (including by courier or overnight delivery service), or (c) in the case of a mailed notice, upon receipt, in each case given or addressed as aforesaid.

SECTION 25. USE OF THE EVERBANK WAREHOUSE ELECTRONIC SYSTEM AND OTHER ELECTRONIC MEDIA

Seller acknowledges and agrees that Buyer may require or permit certain transactions with Buyer be conducted electronically using Electronic Records and/or Electronic Signatures. Seller consents to the use of Electronic Records and/or Electronic Signatures whenever expressly required or permitted by Buyer and acknowledges and agrees that Seller shall be bound by its Electronic Signature and by the terms, conditions, requirements, information and/or instructions contained in any such Electronic Records.

Seller agrees to adopt as its Electronic Signature its user identification codes, passwords, personal identification numbers, access codes, a facsimile image of a written signature and/or other symbols or processes as provided or required by Buyer from time to time (as a group, any subgroup thereof or individually, hereinafter referred to as Seller's Electronic Signature). Seller acknowledges that Buyer will rely on any and all Electronic Records and on Seller's Electronic Signature transmitted or submitted to Buyer.

Buyer shall not be liable for the failure of either its or Seller's internet service provider, or any other telecommunications company, telephone company, satellite company or cable company to timely, properly and accurately transmit any Electronic Record or fax copy.

Before engaging in Electronic Transactions with Seller, Buyer may provide Seller, or require Seller to create, user identification codes, passwords, personal identification numbers and/or access codes, as applicable, to permit access to Buyer's computer information processing system. Each Person permitted access to the EverBank Warehouse Electronic System must have a separate identification code and password. Seller shall be fully responsible for protecting and safeguarding any and all user identification codes, passwords, personal identification numbers and access codes provided or required by Buyer. Seller shall adopt and maintain security measures to prevent the loss, theft or unauthorized or improper disclosure or use of any and all user identification codes, passwords, personal identification numbers and/or access codes by Persons other than the individual Person who is authorized to use such information. Seller shall notify Buyer immediately in the event (i) of any loss, theft or unauthorized disclosure or use of any of the user identification codes, passwords, personal identification numbers and/or access codes or (ii) Seller has any reason to believe there has been a breach of security or that its access to EverBank Warehouse Electronic System is no longer secure for any reason.

Seller understands and agrees that it shall be fully responsible for protecting and safeguarding its computer hardware and software from any and all (a) computer "viruses," "time bombs," "trojan horses" or other harmful computer information, commands, codes or programs that may cause or facilitate the destruction, corruption, malfunction or appropriation of, or damage or change to, any of Seller's or Buyer's computer information processing systems, including without limitation, all hardware, software, Electronic Records, information, data and/or codes and (b) computer "worms," "trap doors" or other harmful computer information, commands, codes or programs that enable unauthorized access to Seller's and/or Buyer's computer information processing systems, including without limitation, all hardware, software, Electronic Records, information, data and/or codes.

Seller agrees that Buyer may, in its sole discretion and from time to time, without limiting Seller's liability set forth herein, establish minimum security standards that Seller must, at a

minimum, comply with in an effort to (x) protect and safeguard any and all user identification codes, passwords, personal identification numbers and/or access codes from loss, theft or unauthorized disclosure or use; and (y) prevent the infiltration and "infection" of Seller's hardware and/or software by any and all computer "viruses," "time bombs," "trojan horses," "worms," "trapdoors" or other harmful computer codes or programs.

If Buyer, from time to time, establishes minimum security standards, Seller shall comply with such minimum security standards within the time period established by Buyer. Buyer shall have the right to confirm Seller's compliance with any such minimum security standards. Seller's compliance with such minimum security standards shall not relieve Seller from any of its liability set forth herein.

Whether or not Buyer establishes minimum security standards, Seller shall continue to be fully responsible for adopting and maintaining security measures that are consistent with the risks associated with conducting electronic transactions with Buyer. Seller's failure to adopt and maintain appropriate security measures or to comply with any minimum security standards established by Buyer may result in, among other things, termination of Seller's access to Buyer's computer information processing systems.

Seller understands and agrees that certain elements or components of the EverBank Warehouse Electronic System may be provided by third party vendors, and hereby holds Buyer harmless from any liabilities, losses, damages, judgments, costs and expenses of any kind which may be imposed on, incurred by or asserted against any Seller Party relating to or arising out of Seller's use of the EverBank Warehouse System including, without limitation, the use or failure of any elements or components provided by third party vendors.

SECTION 26. ENTIRE AGREEMENT; SEVERABILITY; SINGLE AGREEMENT

This Agreement, together with the Facility Documents, constitute the entire understanding between Buyer and Seller with respect to the subject matter they cover and shall supersede any existing agreements between the parties containing general terms and conditions for repurchase transactions involving Purchased Mortgage Loans. By acceptance of this Agreement, Buyer and Seller each acknowledge that they have not made, and are not relying upon, any statements, representations, promises or undertakings not contained in this Agreement. Each provision and agreement herein shall be treated as separate and independent from any other provision or agreement herein and shall be enforceable notwithstanding the unenforceability of any such other provision or agreement.

Buyer and Seller acknowledge that, and have entered hereinto and will enter into each Transaction hereunder in consideration of and in reliance upon the fact that all Transactions hereunder constitute a single business and contractual relationship and that each has been entered into in consideration of the other Transactions. Accordingly, each of Buyer and Seller agrees (i) to perform all of its obligations in respect of each Transaction hereunder, and that a default in the performance of any such obligations shall constitute a default by it in respect of all Transactions hereunder, (ii) that Buyer shall be entitled to set off claims and apply property held by it in respect of any Transaction against obligations owing to it in respect of any other Transaction hereunder, (iii) that payments, deliveries, and other transfers made by either of them in respect of any Transaction shall be deemed to have been made in consideration of payments, deliveries, and other transfers in respect of any other Transactions hereunder, and the obligations to make any such payments, deliveries, and other transfers may be applied against each other and netted, and (iv) to promptly provide notice to the other after any such set off or application.

SECTION 29. NO WAIVERS, ETC.

No failure on the part of Buyer to exercise and no delay in exercising, and no course of dealing with respect to, any right, power or privilege under any Facility Document shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power or privilege under any Facility

The remedies provided herein are cumulative and not exclusive of any remedies provided by law. An Event of Default shall be deemed to be continuing unless expressly waived by Buyer in writing.

SECTION 30. CONFIDENTIALITY

Buyer and Seller hereby acknowledge and agree that all written or computer-readable information provided by one party to any other regarding the terms set forth in any of the Facility Documents or the Transactions contemplated thereby (the "Confidential Terms") shall be kept confidential and shall not be divulged to any party without the prior written consent of such other party except to the extent that (i) it is necessary to do so in working with legal counsel, auditors, taxing authorities or other governmental agencies or regulatory bodies or in order to comply with any applicable federal or state laws, (ii) any of the Confidential Terms are in the public domain other than due to a breach of this covenant, or (iii) in the event of an Event of Default Buyer determines such information to be necessary or desirable to disclose in connection with the marketing and sales of the Purchased Mortgage Loans or otherwise to enforce or exercise Buyer's rights hereunder. Notwithstanding the foregoing or anything to the contrary contained herein or in any other Facility Document, the parties hereto may disclose to any and all Persons, without limitation of any kind, the federal, state and local tax treatment of the Transactions, any fact relevant to understanding the federal, state and local tax treatment of the Transactions, and all materials of any kind (including opinions or other tax analyses) relating to such federal, state and local tax treatment and that may be relevant to understanding such tax treatment; provided that Seller may not disclose the name of or identifying information with respect to Buyer or any pricing terms (including, without limitation, the Pricing Rate, Warehouse Fees, Purchase Price Percentage and Purchase Price) or other nonpublic business or financial information (including any sublimits and financial covenants) that is unrelated to the federal, state and local tax treatment of the Transactions and is not relevant to understanding the federal, state and local tax treatment of the Transactions, without the prior written consent of Buyer. Seller shall provide such

The EverBank Warehouse Customer Guide may be amended from time to time without consent or assent by Seller and such amendments shall be effective immediately upon notice to Seller of the change (whether that notice is sent individually or posted to EverBank Warehouse Electronic System) and Mortgage Loans sold to Buyer after the effective date of any such amendment shall be governed by the revised EverBank Warehouse Customer Guide.

There is no fact known to Borrower, after due inquiry, that would reasonably be expected to have a Material Adverse Effect that has not been disclosed herein, in the other Loan Documents or in a report, financial statement, exhibit, schedule, disclosure letter or other writing furnished to Bank for use in connection with the transactions contemplated hereby or thereby.

(9) Approvals. Except as otherwise contemplated hereby with respect to Agency approval and the execution and delivery of Agency Acknowledgment Agreements, no consent, approval, authorization or order of, registration or filing with, or notice to any governmental authority or court is required under applicable law in connection with the execution, delivery and performance by Borrower of the Loan Documents.

(11) Material Adverse Change. There has been no Material Adverse Effect since the date set forth in the most recent financial statements supplied to Bank.

(12) Taxes. Borrower and its Subsidiaries have timely filed all tax returns that are required to be filed by them and have paid all taxes, except for any such taxes as are being appropriately contested in good faith by appropriate proceedings diligently conducted and with respect to which adequate reserves have been provided. The charges, accruals and reserves on the books of Borrower and its Subsidiaries in respect of taxes and other governmental charges are, in the opinion of Borrower, adequate.

Borrower or its subservicer has adequate financial standing, servicing facilities, procedures and experienced personnel necessary for the sound servicing of mortgage loans of the same types as may from time to time constitute Serviced Loans in accordance with the requirements of the applicable Approved Servicing Agreement. With respect to Ginnie Mae Servicing Rights and to the extent necessary, Borrower is an FHA Approved Mortgagee and a VA Approved Lender. Borrower is also approved by Fannie Mae and Ginnie Mae as an approved lender and Freddie Mac as an approved seller/servicer, and, to the extent necessary, approved by the Secretary of Housing and Urban Development pursuant to Sections 203 and 211 of the National Housing Act. In each such case, Borrower is in good standing, with no event having occurred or Borrower having any reason whatsoever to believe or suspect will occur, including a change in insurance coverage that would either make Borrower unable to comply with the eligibility requirements for maintaining all such applicable approvals or require notification to the relevant Agency or to the Department of Housing and Urban Development, FHA or VA. Should Borrower for any reason cease to possess all such applicable approvals, or should notification to the relevant Agency or to HUD, FHA or VA be required, or should any Agency or HUD, FHA or VA threaten in writing to revoke or limit any such applicable approvals, Borrower shall so notify Bank immediately in writing.

None of such documents has been amended, supplemented or otherwise modified (including waivers) since the respective dates thereof, except by amendments, copies of which have been delivered to Bank. Each Approved Servicing Agreement has been duly executed and delivered by Borrower and is in full force and effect, and no default or material breach has occurred and is continuing thereunder.

(22) Eligible Pledged Servicing Rights. Each Pledged Servicing Right included in the Borrowing Base is an Eligible Pledged Servicing Right.

(23) No Default. No Default or Event of Default has occurred and is continuing.

(24) Margin Regulations. The use of all funds acquired by Borrower under this Agreement will not conflict with or contravene any of Regulations T, U or X.

(25) Anti-Money Laundering Laws. Borrower has complied with all applicable anti-money laundering laws and regulations (collectively, the "Anti-Money Laundering Laws"); Borrower has established an anti-money laundering compliance program as required by the Anti-Money Laundering Laws, has conducted the requisite due diligence in connection with the origination of each Mortgage Loan for purposes of the Anti-Money Laundering Laws, including with respect to the legitimacy of the applicable mortgagor and the origin of the assets used by the said mortgagor to purchase the property in question, and maintains, and will maintain, sufficient information to identify the applicable mortgagor for purposes of the Anti-Money Laundering Laws.

(26) No Prohibited Persons. Borrower, and, as applicable, none of its Affiliates, officers, directors, partners or members, is an entity or person (or to Borrower's knowledge, owned or controlled by an entity or person): (1) that is listed in the Annex to, or is otherwise subject to the provisions of Executive Order 13224 issued on September 24, 2001 ("EO13224"); (2) whose name appears on the United States Treasury Department's Office of Foreign Assets Control ("OFAC") most current list of "Specifically Designated National and Blocked Persons" (which list may be published from time to time in various mediums including, but not limited to, the OFAC website, http:www.treas.gov/ofac/t11sdn.pdf); (3) who commits, threatens to commit or supports "terrorism", as that term is defined in EO13224; or (4) who is

otherwise affiliated with any entity or person listed above (any and all parties or persons described in clauses (1) through (4) above are herein referred to as a "Prohibited Person").

(b) Remedies for Breach. The representations and warranties set forth in this Agreement shall survive the closing of the Loan, and shall continue for so long as Loan Advances remain unpaid. Upon discovery by Borrower or Bank of any breach of any of the representations or warranties set forth in this Agreement, the party discovering such breach shall promptly give notice of such discovery to the other.

3. Loan Advances.

(a) Subject to and upon the terms and conditions of this Agreement, during the Revolving Loan Period, Bank agrees to make one or more Loan Advances to Borrower for Approved Purposes in an aggregate principal amount at any one time outstanding up to but not exceeding the Maximum Loan Amount. Within the limit of the Maximum Loan Amount in effect from time to time, during the Revolving Loan Period, Borrower may borrow, repay, and reborrow at any time and from time to time from the Effective Date to the earlier of (1) the expiration of the Revolving Loan Period, or (2) the Termination Date. If, by virtue of payments made on the Loan during the Revolving Loan Period, the principal amount owed on the Loan prior to the Termination Date reaches zero at any point, Borrower agrees that all of the Collateral and all of the Loan Documents shall remain in full force and effect to secure any Loan Advances made thereafter and the Obligations, and Bank shall be fully entitled to rely on all of the Collateral and all of the Loan Documents unless an appropriate release of all or any part of the Collateral or all or any part of the Loan Documents has been executed by Bank. The Loan may not exceed the Maximum Loan Amount at any time. Borrower acknowledges and agrees that the Maximum Loan Amount is calculated in conjunction with the Maximum Purchase Amount under the Mortgage Warehouse Agreement such that in no event shall the aggregate of the outstanding principal balance of the Loan hereunder and the outstanding Purchase Price of the Purchased Mortgage Loans exceed [***] at any time. Upon the expiration of the Revolving Loan Period, and provided that no Default or Event of Default has occurred and is continuing, the Loan shall, without any further action by Bank or Borrower, convert to a term loan (the "Term Loan") in accordance with the terms hereof.

Borrower shall initiate each Loan Advance by submitting to Bank a written Advance Request at least [***] prior to the proposed Advance Date. Bank shall have no liability to Borrower for any loss or damage suffered by Borrower as a result of Bank's honoring of any requests, execution of any instructions, authorizations or agreements or reliance on any reports communicated to it telephonically, by facsimile or electronically, and purporting to have been sent to Bank by Borrower and Bank shall have no duty to verify the origin of any such communication or the identity or authority of the Person sending it.

Subject to the terms and conditions of this Agreement, each Loan Advance shall be made available to Borrower by depositing the same, in immediately available funds, in an account of Borrower designated by Borrower maintained with Bank. If Bank agrees to make the subject Loan Advance, then no later than the Advance Date Bank shall reflect on its computer system the Loan Advance (the "Confirmation").

In the event Borrower disagrees with any terms of the Confirmation, Borrower shall immediately notify Bank of such disagreement. An objection by Borrower must state specifically that it is an objection, must specify the provision(s) being objected to by Borrower, must set forth such provision(s) in the manner that Borrower believes they should be stated, and must be received by Bank no more than one (1) Business Day after the Confirmation was received by Borrower.

(b) Any Confirmation by Bank shall be deemed received by Borrower on the date the Confirmation is posted on Bank's computer system.

(c) Except as set forth in Section 3(a), each Confirmation, together with this Agreement, shall constitute conclusive evidence of the terms agreed between Bank and Borrower with respect to the Loan Advance to which the Confirmation relates, and Borrower's acceptance of the related proceeds shall constitute Borrower's agreement to the terms of such Confirmation. It is the intention of the parties that each Confirmation shall not be separate from this Agreement but shall be made a part of this Agreement.

(d) In no event shall Bank fund any Loan Advance when any Default or Event of Default has occurred and is continuing.

(e) The Loan shall be evidenced by, be repayable, and accrue interest in accordance with, this Agreement. The unpaid principal balance of the Loan shall be repaid as provided herein. Borrower agrees that Bank is authorized to record (1) the date and amount of each Loan Advance made by Bank pursuant hereto and (2) the date and amount of each payment of principal of each Loan Advance, in the books and records of Bank in such manner as is reasonable and customary for Bank, and that a certificate of an officer of Bank, setting forth in reasonable detail the information so recorded, shall constitute prima facie evidence of the accuracy of the information so recorded, absent manifest error; provided that the failure to make any such recording shall not in any way affect the Obligations of Borrower or the rights of Bank hereunder. Subject to the terms and conditions in this Agreement and the other Loan Documents, Borrower may borrow, repay, and reborrow hereunder during the Revolving Loan Period. Bank may in its sole discretion request that the Loan be evidenced by a promissory note. In such event, Borrower shall prepare, execute and deliver to Bank a promissory note payable to the order of Bank (or, if requested by Bank, to Bank and its registered assigns) in a form reasonably acceptable to Borrower and Bank. Thereafter, the Loan and interest thereon shall at all times (including after assignment pursuant to Section 11(a)) be represented by one or more promissory notes in such form payable to the order of the payee named therein (or, if such promissory note is a registered note, to such payee and its registered assigns).

(f) During the Revolving Loan Period, accrued and unpaid interest at the Interest Rate or, to the extent applicable, the Default Rate, shall be payable monthly in arrears on the Facility Payment Date commencing on August 1, 2017; and

(g) Borrower shall make monthly payments of principal and interest during the Term Loan Period, commencing on Facility Payment Date succeeding the month in which the Conversion Date occurs and continuing on the Facility Payment Date of each month thereafter until the last day of the Term Loan Period. Each payment shall equal [***] of the

principal balance on the Conversion Date plus all accrued and unpaid interest on the outstanding principal balance calculated by Bank in accordance with the terms hereof. On the last Business Day of the Term Loan Period, all remaining principal and accrued and unpaid interest shall be paid in full. During the Term Loan Period, Borrower may make prepayments at any time; provided, however, that notwithstanding any such prepayment, there will be no change in the due date or amount of scheduled payments due hereunder unless Bank, in its sole and absolute discretion, agrees in writing to such change

(h) If at any time the aggregate outstanding principal balance of the Loan exceeds the Borrowing Base in effect at such time, as determined by Bank (such excess, a "Borrowing Base Deficiency"), then Bank may by notice to Borrower require Borrower to transfer to Bank cash in an amount at least equal to the Borrowing Base Deficiency (such requirement, a "Margin Call"). Notice delivered pursuant to this Section 3(h) may be given by any written or electronic means. Any notice given before 5:00 p.m. (Eastern time) on a Business Day shall be met, and the related Margin Call satisfied, no later than 5:00 p.m. (Eastern time) on the next Business Day following such notice. The failure of Bank, on any one or more occasions, to exercise its rights hereunder, shall not change or alter the terms and conditions to which this Agreement is subject or limit the right of Bank to do so at a later date. Borrower and Bank each agree that a failure or delay by Bank to exercise its rights hereunder shall not limit or waive Bank's rights under this Agreement or otherwise existing by law or in any way create additional rights for Borrower. Bank may in its sole discretion accept the pledge of additional Collateral rather than cash to satisfy any Margin Calls.

(i) If a payment hereunder is not made by Borrower in a timely manner, Bank is authorized by Borrower to debit the amount of any such payments from the general deposit account of Borrower with Bank.

(j) Borrower represents that the proceeds of the Loan Advances will be used only for Approved Purposes.

(k) If any change subsequent to the date hereof in any applicable law, order, regulation, treaty or directive issued by any central bank or other Governmental Authority, or in the governmental or judicial interpretation or application thereof, or compliance by Bank with any request or directive (whether or not having the force of law) by any central bank or other Governmental Authority:

(1) subjects Bank to any tax of any kind whatsoever with respect to this Agreement or any Loans made hereunder, or change the basis of taxation of payments to Bank of principal, fee, interest or any other amount payable hereunder (except for change in the rate of tax on the overall net income of Bank);

(2) imposes, modifies or holds applicable any reserve, capital requirement, special deposit, compulsory loan or similar requirements against assets held by, or deposits or other liabilities in or for the account of, advances or loans by, or other credit extended by, or any other

acquisition of funds by, any office of Bank which are not otherwise included in the determination of the corporate base rate; or

(3) imposes on Bank any other condition;

and such change increases the cost to Bank of purchasing or maintaining the Loan, or reduces any amount receivable in respect thereof, or reduces the rate of return on the capital of Bank or any Person controlling Bank, then, in any such case, Borrower shall promptly pay to Bank, upon its written demand, any additional amounts necessary to compensate Bank for such cost increase or reduction in the amounts receivable or rate of return, as determined by Bank, with respect to this Agreement and the other Loan Documents and the transactions contemplated hereby and thereby. If Bank becomes entitled to claim any additional amounts pursuant to this Section, it shall promptly notify Borrower in writing of the event by reason of which it has become so entitled. Bank shall provide with such notice a certificate as to any additional amounts payable pursuant to the foregoing sentence, containing the calculation thereof in reasonable detail, and such calculation shall be conclusive in the absence of manifest error. The provisions hereof shall survive the termination of this Agreement.

Any and all payments by Borrower under or in respect of this Agreement or any other Loan Documents to which Borrower is a party shall be made free and clear of, and without deduction or withholding for or on account of, any and all present or future taxes, levies, imposts, deductions, charges or withholdings, and all liabilities (including penalties, interest and additions to tax) with respect thereto, whether now or hereafter imposed, levied, collected, withheld or assessed by any taxation authority or other Governmental Authority (collectively, "Taxes"), unless required by law. If Borrower shall be required under any applicable Requirement of Law to deduct or withhold any Taxes from or in respect of any sum payable under or in respect of this Agreement or any of the other Loan Documents to Bank, (1) Borrower shall make all such deductions and withholdings in respect of Taxes, (2) Borrower shall pay the full amount deducted or withheld in respect of Taxes to the relevant taxation authority or other Governmental Authority in accordance with any applicable Requirement of Law, and (3) the sum payable by Borrower hereunder shall be increased as may be necessary so that after Borrower has made all required deductions and withholdings (including deductions and withholdings applicable to additional amounts payable under this Section 3(k)) Bank receives an amount equal to the sum it would have received had no such deductions or withholdings been made in respect of Non-Excluded Taxes. For purposes of this Agreement, the term "Non-Excluded Taxes" are Taxes other than, in the case of Bank, Taxes that are imposed on its overall net income (and franchise taxes imposed in lieu thereof) by the jurisdiction under the laws of which Bank is organized or of its applicable lending office, or any political subdivision thereof, unless such Taxes are imposed as a result of Bank having executed, delivered or performed its obligations or received payments under, or enforced, this Agreement or any of the other Loan Documents (in which case such Taxes will be treated as Non-Excluded Taxes).

In addition, Borrower hereby agrees to pay any present or future stamp, recording, documentary, excise, property or value-added taxes, or similar taxes, charges or levies that arise from any payment made under or in respect of this Agreement or any other Loan Document or from the execution, delivery or registration of, any performance under, or otherwise with respect to, this Agreement or any other Loan Document (collectively, "Other Taxes").

(l) Borrower agrees to pay Bank the Up-Front Fee, such payment to be made in Dollars, in immediately available funds, without deduction, set off or counterclaim. Bank may, in its sole discretion, net the Up-Front Fee from the proceeds of any Loan Advance made to Borrower.

(m) Bank may, from time to time and without notice to Borrower sell or offer to sell the Loan, or interests therein, to one or more assignees or participants. Borrower further agrees that Bank is hereby authorized to disseminate and disclose any information (whether or not confidential or proprietary in nature) Bank now has or may hereafter obtain pertaining to Borrower, the Serviced Loans, the Loans and the Loan Documents (including, without limitation, any credit or other information regarding Borrower, any of its principals, or any other person or entity liable, directly or indirectly, for any part of the Loan, to (1) any assignee or participant or any prospective assignee or prospective participant, (2) any regulatory body having jurisdiction over Bank or the Loan, (3) any subservicer of the Serviced Loans, including without limitation, any other mortgage originator under a standby servicing agreement wherein such originator will take over and service the Serviced Loans if an Agency terminates Borrower's right to service the Serviced Loans or if Borrower otherwise defaults hereunder, and (d)any other persons or entities as may be necessary or appropriate in Bank's reasonable judgment). Bank, as a courtesy to Borrower but without obligation or liability for failure to do so, will endeavor to notify Borrower of any such assignees, participants, subservicers or mortgage originators, or prospective assignees, participants, subservicers or mortgage originators, to which Bank disseminates any of the information described above.

(n) Except as otherwise provided in the Loan Documents or otherwise agreed by Bank, all payments and prepayments of the Obligations, including proceeds from the exercise of any rights under the Loan Documents or proceeds of any of the Collateral, shall be applied to the Obligations in the following order, any instructions from Borrower to the contrary notwithstanding: (1) to the expenses for which Bank shall not have been reimbursed under the Loan Documents, and then to all indemnified amounts due under the Loan Documents; (2) to fees then owed Bank hereunder or under any other Loan Document; (3) to accrued interest on the portion of the Loan Advance being paid or prepaid; (4) to the principal portion of the Loan Advance being paid or prepaid; (5) to the remaining accrued interest on the Loan; (6) to the remaining principal portion of the Loan; and (7) to any remaining Obligations. All amounts remaining after the foregoing application of funds shall be paid to Borrower.

(o) Notwithstanding anything else to the contrary contained or implied herein or in any other Loan Document, Bank shall have full, unlimited recourse against Borrower and its assets in order to satisfy the Obligations.

Funds deposited in the Pledged Deposit Accounts (including any interest paid on such funds) may be distributed only with the consent of Bank. Prior to Borrower making any withdrawal from the custodial account or any other clearing account maintained under the related Servicing Agreement, Borrower, as applicable shall instruct any subservicer(s) and the related depository institution(s) to remit all collections, payments and proceeds in respect of any Pledged Servicing Rights into the appropriate Pledged Deposit Account. (g) Notwithstanding anything to the contrary contained herein or in any of the other Loan Documents, the pledge of Borrower's right, title and interest in mortgage servicing rights under Approved Servicing Agreements with Freddie Mac shall only secure Borrower's indebtedness and obligations to Bank incurred (i) to fund Borrower's purchase of additional servicing portfolios; (ii) to effect Borrower's purchase of a mortgage banking company; (iii) to fund Borrower's working capital consistent with its residential mortgage business operations; or (iv) any other purpose which Freddie Mac, in its sole and absolute discretion, considers to be consistent with the purposes of the Freddie Mac Acknowledgment Agreement; provided that the foregoing provisions of this paragraph shall be deemed automatically supplemented or amended if and to the extent Freddie Mac supplements or amends the corresponding requirement, whether in its rules, regulations, guides, Servicing Agreements, Acknowledgment Agreements or published announcements or otherwise waives or grants exceptions from such requirement, and in each instance, with the same substantive force and effect; and provided, further, that the security interest created hereby is subject to the following provision to be included in each financing statement filed in respect hereof (defined terms used below shall have the meaning set forth in the applicable Acknowledgment Agreement):

Such rights, powers and prerogatives of the Investors may include, without limitation, one or more of the following: the right of an Investor to disqualify (in whole or in part) the debtor from participating in a mortgage selling or servicing program or a securities guaranty program with the Investor; the right to terminate (in whole or in part) contract rights of the debtor relating to such a mortgage selling or servicing program or securities guaranty program; and the right to transfer and sell all or any portion of such contract rights following the termination of those rights.

> The property subject to the security interest reflected in this instrument includes all of the right, title and interest of Guild Mortgage Company ("Debtor") in certain mortgages and/or participation interests related to such mortgages ("Pooled Mortgages") and pooled under the mortgage-backed securities program of the Government National Mortgage Association ("Ginnie Mae"), pursuant to section 306(g) of the National Housing Act, 12 U.S.C. § 1721(g);
>
> To the extent that the security interest reflected in this instrument relates in any way to the Pooled Mortgages, such security interest is subject and subordinate to all rights, powers and prerogatives of Ginnie Mae, whether now existing or hereafter arising, under and in connection with: (1) 12 U.S.C. § 1721(g) and any implementing

(i) The value of all Servicing Rights and/or Pledged Servicing Rights, as applicable, to Bank shall be periodically determined as required by Bank, and the Borrowing Base shall be adjusted to reflect each such determination and updating of the value of such Collateral; provided that, notwithstanding any other provision hereof to the contrary, Bank shall have the right, exercisable from time to time (daily or less often) in its sole discretion on any day after the occurrence and during the continuance of any Default or Event of Default to mark the Servicing Rights to market, whereupon, for purposes of determining the value of the Collateral for that day (and for each day thereafter until it shall thereafter be evaluated or re-evaluated by such an approved appraiser or broker or again marked to market by Bank) such Servicing Rights shall be equal to the market value on that day as determined by Bank in its sole and absolute discretion without regard to the then-current Servicing Rights Appraisal (which market value Borrower acknowledges may be nominal). Borrower acknowledges that a determination by Bank of market value pursuant to this Agreement is for the limited purpose of determining value of the Collateral for lending purposes under this Agreement without the ability to perform customary purchaser's due diligence and is not necessarily equivalent to a determination of the fair market value of Collateral achieved by obtaining competing bids in an orderly market in which the servicer is not in default, insolvent or the subject of a case in bankruptcy and the bidders have adequate opportunity to perform customary diligence.

9. Rights upon Event of Default. If any Event of Default shall occur and be continuing, Bank may without notice to Borrower terminate this Agreement and declare the Loan and the Obligations or any part thereof to be immediately due and payable, and the same shall thereupon become immediately due and payable, without notice, demand, presentment, notice of dishonor, notice of acceleration, notice of intent to accelerate, notice of intent to demand, protest, or other formalities of any kind, all of which are hereby expressly waived by Borrower; provided, however, that upon the occurrence of an Event of Default under Section 8(f), this Agreement shall automatically terminate and the Loan and the Obligations shall become immediately due and payable without notice, demand, presentment, notice of dishonor, notice of acceleration, notice of intent to accelerate, notice of intent to demand, protest, or other formalities of any kind, all of which are hereby expressly waived by Borrower. If any Event of Default shall occur and be continuing, subject to the requirements of any applicable Acknowledgment Agreement, Bank may exercise all rights and remedies available to it in law or in equity, under the Loan Documents, or otherwise, including without limitation:

(a) in its discretion, to demand, sue for, collect or receive and receipt for (in its own name, in the name of Borrower or otherwise) any money or property at any time payable or receivable on account of any of the Collateral, in consideration of its transfer or in exchange for it;

(b) direct, and to take any and all other steps necessary to cause, any Servicer of any of the Collateral to pay over directly to Bank for the account of Borrower (instead of to Borrower or any other Person) all sums from time to time due to Borrower and to take any and all other actions that Borrower or Bank has the right to take under Borrower's contract with such Servicer;

(c) direct Borrower to pay over to Bank all sums from time to time due Borrower under or in respect of the Collateral, including any and all fees and other compensation under any Approved Servicing Agreements for servicing the Serviced Loans thereunder, whether paid to Borrower or withheld or recovered by Borrower from collections and realizations on Mortgage Loans under any Approved Servicing Agreement, and to take any and all other actions that, subject to any restrictions imposed by the relevant Approved Servicing Agreement for the benefit of the party to it on whose behalf the Mortgaged Loans thereunder are being serviced (to the extent that such restrictions are valid and enforceable under the UCC and all applicable laws, rules and regulations), Borrower or Bank has the right to take under that Approved Servicing Agreement, and if Bank does so request, then Borrower shall diligently and continuously thereafter comply with such request. All amounts so received and collected by Bank pursuant to this Section 9(c) shall be applied in the same order and manner as is specified in Section 3(n);

(d) foreclose upon or otherwise enforce its security interest in and Lien on the Collateral, or on such portions or elements of the Collateral as Bank shall elect to proceed against from time to time;

(e) at Bank's option and in its sole discretion, to notify any or all Persons obligated under any or all items of Collateral, that the Collateral has been assigned to Bank and that all payments thereon are to be made directly to Bank or such other Person as may be designated by Bank; to settle, compromise, or release, in whole or in part, any amounts owing on the Collateral or any portion of the Collateral, on terms acceptable to Bank; enforce payment and performance and prosecute any action or proceeding with respect to any and all Collateral; and where any such Collateral is in default, foreclose on and enforce Liens or security interests in, such Collateral by any available judicial procedure or without judicial process and sell property acquired as a result of any such foreclosure;

(f) act, or contract with one or more third Persons to act, as Servicer under any Approved Servicing Agreement requiring servicing and perform all obligations required in connection with any Approved Servicing Agreements to which Borrower is a party, and Borrower hereby agrees to pay such third Persons' fees to the extent (if any) that Bank is unable, despite reasonable efforts made by Bank in light of the necessity that there be no material break in the continuity of servicing, to contract for such servicing and performance of such obligations for fees equal to or less than the fees under such Approved Servicing Agreements;

(g) as a matter of right and without notice to Borrower or anyone claiming under Borrower, and without regard to the then value of the Collateral or the interest of Borrower therein, to apply to any court having jurisdiction to appoint a receiver or receivers of the Collateral, and Borrower hereby irrevocably consents to such appointment and waives notice of any application therefor. Any such receiver or receivers shall have all the usual powers and duties of receivers in like or similar cases and all the powers and duties of Bank in case of entry as provided herein and shall continue as such and exercise all such powers until the date of the sale of the Collateral unless such receivership is sooner terminated; and

(h) exercise all rights and remedies of a secured creditor under the UCC, including selling the interests of Borrower in the Collateral at public or private sale. Bank shall give Borrower not less than 10 days' notice of any such public sale or of the date after which private sale may be held. Borrower agrees that 10 days' notice shall be reasonable notice. At any such sale any or all of the Collateral may be sold as an entirety or in separate parts, as Bank may determine in its sole discretion. Bank may, without notice or publication, adjourn any public or private sale or cause the same to be adjourned from time to time by announcement at the time and place fixed for the sale, and such sale may be made at any time or place to which the same may be so adjourned. Bank is authorized at any such sale, if Bank deems it advisable so to do, to restrict the prospective bidders or purchasers to Persons who will represent and agree that they are purchasing the Collateral for their own account for investment and not with a view to the distribution or resale of any of the Collateral. Borrower specifically agrees that any such sale, whether public or private, of any Collateral pursuant to the commitment of any investor to purchase such Collateral that was obtained by (or with the approval of) Borrower will be commercially reasonable, and if such sale is for the price provided for in such

commitment, then such sale shall be held to be for value reasonably equivalent to the value of the Collateral so sold. Upon any such sale, Bank shall have the right to deliver, assign and transfer to the purchaser thereof the Collateral so sold. Each purchaser at any such sale shall hold the property sold absolutely free from any claim or right of whatsoever kind, including any equity or right of redemption, stay or appraisal which Borrower has or may have under any rule of law or statute now existing or hereafter adopted. In case of any sale of all or any part of the Collateral on credit or for future delivery, the Collateral so sold may be retained by Bank until the selling price is paid by the purchaser, but Bank shall not incur any liability in case of such purchaser's failure to take up and pay for the Collateral so sold and, in case of any such failure, such Collateral may again be sold upon like notice. Nothing in this Agreement shall be construed as Borrower's waiver of, or agreement to waive, any requirement imposed by applicable law that any sale of the Collateral be commercially reasonable.

Borrower waives any right to require Bank to proceed against any third party, exhaust any Collateral or other security for the Obligations, or to have any third party joined with Borrower in any suit arising out of the Obligations or any of the Loan Documents, or pursue any other remedy available to Bank. Borrower further waives any and all notice of acceptance of this Agreement. Borrower further waives any defense arising by reason of any disability or other defense of any third party or by reason of the cessation from any cause whatsoever of the liability of any third party.

All rights available to Bank under the Loan Documents shall be cumulative of and in addition to all other rights granted to Bank at Law or in equity, whether or not the Loan or the Obligations be due and payable or performance required and whether or not Bank shall have instituted any suit for collection, foreclosure, or other action under or in connection with the Loan Documents.

Notwithstanding the foregoing, Bank's rights as set forth in this Section 9 shall be subject in all respects to the limitations and restrictions set forth in any relevant Acknowledgment Agreement so long as such Acknowledgment Agreement has not been terminated.

10. Termination. This Agreement shall remain in effect until the Termination Date. However, no such termination shall affect any Loan Advance previously consummated or the rights and obligations of Borrower and Bank with respect thereto.

11. Miscellaneous Provisions.

(a) Assignment; Rehypothecation. Borrower may not assign its rights or Obligations under this Agreement without the prior written consent of Bank. Bank may at any time assign or pledge its rights and obligations under this Agreement to any other party. Subject to the foregoing, all provisions contained in this Agreement or any document or agreement referred to herein or relating hereto shall inure to the benefit of Bank, its successors and assigns, and shall be binding upon Borrower, its successors and assigns.

Bank may sell participations to one or more Persons in or to all or a portion of its rights and obligations under this Agreement; provided, however, that (i) Bank's obligations under this Agreement shall remain unchanged, (2) Bank shall remain solely responsible to Borrower for the performance of such obligations; and (3) Borrower shall continue to deal solely and directly with Bank in connection with Bank's rights and obligations under this Agreement and the other Loan Documents.

(b) Amendment. Neither this Agreement nor any of the other Loan Documents may be amended or terms or provisions hereof or thereof waived unless such amendment or waiver is in writing and signed by Bank and Borrower. In the event any governmental regulatory authority with jurisdiction over Bank requires Bank to amend this Agreement for any reason, Bank and Borrower shall negotiate, in good faith, to amend this Agreement to satisfy such government regulatory authority's requirements. It is expressly agreed and understood that the failure by Bank to elect to accelerate amounts outstanding hereunder or to terminate the obligation of Bank to make Loans hereunder shall not constitute an amendment or waiver of any term or provision of this Agreement.

(c) Cumulative Rights, No Waiver. The rights, powers and remedies of Bank under the Loan Documents are cumulative and in addition to all rights, powers and remedies provided under any and all agreements among Borrower and Bank relating hereto, at law, in equity or otherwise. Any delay or failure by Bank to exercise any right, power or remedy shall not constitute a waiver thereof by Bank, and no single or partial exercise by Bank of any right, power or remedy shall preclude other or further exercise thereof or any exercise of any other rights, powers or remedies.

(d) Entire Agreement. This Agreement and the documents and agreements referred to herein embody the entire agreement and understanding between the parties hereto and supersede all prior written or verbal agreements and understandings relating to the subject matter hereof and thereof.

(e) Survival. All representations, warranties, covenants and agreements on the part of Borrower contained in the Loan Documents shall survive the termination of this Agreement and shall be effective until the Obligations are paid and performed in full or longer as expressly provided herein.

(f) Notices. Except as otherwise expressly permitted by this Agreement, all notices, requests and other communications provided for herein (including without limitation any modifications of, or waivers, requests or consents under, this Agreement) shall be given or made in writing (including without limitation by Electronic Transmission) delivered to the intended recipient at the "Address for Notices" specified below in this Section 11(f) or, as to any party, at such other address as shall be designated by such party in a written notice to each other party. deemed to have been duly given (a) when transmitted during business hours at the recipient's place of business by email (if an email address for such purpose is provided for such Person) or by telecopy (if a telecopy number for such purpose is provided for such Person), (b) when delivered, if delivered by hand (including by courier or overnight delivery service), or (c) in the case of a mailed notice, upon receipt, in each case given or addressed as set forth below:

Notwithstanding anything to the contrary, the effectiveness, validity and enforceability of electronic contracts, other records, electronic records and electronic signatures used in connection with any electronic transaction between Bank and Borrower shall be governed by E-Sign.

(h) Counterparts. This Agreement and the other Loan Documents may be executed in any number of counterparts, all of which together shall constitute one agreement. Delivery of an executed counterpart of a signature page by facsimile, electronic mail or other electronic means shall be effective as delivery of a manually executed counterpart of this Agreement.

(i) Exculpatory Provisions. Neither Bank nor any of Bank's Affiliates, or any of their respective officers, directors, employees, agents, counsel, attorneys-in-fact or Affiliates shall be liable to Borrower for any action taken or omitted to be taken by it or such Person under or in connection with the Loan Documents or with respect to the Collateral (except that such release with respect to Bank shall not apply to Bank's gross negligence or willful misconduct). Borrower agrees not to assert any claim against Bank or any of Bank's Affiliates, or any of their respective officers, directors, employees, attorneys and agents, on any theory of liability, for special, indirect, consequential or punitive damages arising out of or otherwise relating to the facility established hereunder, the actual or proposed use of the proceeds of the Loan or any Loan Advance, this Agreement or any of the transactions contemplated hereby or thereby.

(j) Indemnification. Borrower agrees to hold Bank, Bank's Affiliates, and their respective officers, directors, employees, agents and advisors (each an "Indemnified Party") harmless from and indemnify any Indemnified Party against all third-party liabilities, losses, damages, judgments, costs and expenses of any kind which may be imposed on, incurred by or asserted against such Indemnified Party, relating to or arising out of this Agreement, any other Loan Document or any transaction contemplated hereby or thereby, or any amendment, supplement or modification of, or any waiver or consent under or in respect of, this Agreement, any other Loan Document or any transaction contemplated hereby or thereby, that, in each case, results from anything other than the Indemnified Party's gross negligence or willful misconduct. Borrower also agrees to reimburse each Indemnified Party as and when billed by such Indemnified Party for all the Indemnified Party's reasonable costs and expenses incurred in connection with the enforcement or the preservation of Bank's rights under this Agreement, any other Loan Document or any transaction contemplated hereby or thereby, including, without limitation, the reasonable fees and disbursements of its counsel.

(k) Confidentiality. Bank and Borrower hereby acknowledge and agree that all written or computer-readable information provided by one party to any other regarding the terms set forth in any of the Loan Documents or the transactions contemplated thereby (the "Confidential Terms") shall be kept confidential and shall not be divulged to any Person without the prior written consent of such other party except to the extent that (i) it is necessary to do so in working with legal counsel, auditors, taxing authorities or other governmental agencies or regulatory bodies or in order to comply with any applicable federal or state laws, (2) any of the Confidential Terms are in the public domain other than due to a breach of this covenant, (3) in the event of an Event of Default Bank determines such information to be necessary or desirable to disclose in connection with the marketing and sales of the Collateral or otherwise to enforce or exercise Bank's rights hereunder or (4) it is made to any Agency. Notwithstanding the foregoing or anything to the contrary contained herein or in any other Loan Document, the parties hereto may disclose to any and all Persons, without limitation of any kind, the federal, state and local tax treatment of the transactions hereunder, any fact relevant to

understanding the federal, state and local tax treatment of such transactions, and all materials of any kind (including opinions or other tax analyses) relating to such federal, state and local tax treatment and that may be relevant to understanding such tax treatment; provided that Borrower may not disclose the name of or identifying information with respect to Bank or any pricing terms or other nonpublic business or financial information (including any sublimits and financial covenants) that is unrelated to the federal, state and local tax treatment of such transactions and is not relevant to understanding the federal, state and local tax treatment of such transactions, or otherwise not necessary to comply with applicable securities laws, without the prior written consent of Bank. The provisions set forth in this Section 11(k) shall survive the termination of this Agreement.

(l) Consumer Information. Notwithstanding anything in this Agreement to the contrary, each party shall comply with all applicable local, state and federal laws, including, without limitation, all privacy and data protection law, rules and regulations that are applicable to the Collateral and/or any applicable terms of this Agreement (the "Confidential Information"). Each party understands that the Confidential Information may contain "nonpublic personal information", as that term is defined in Section 509(4) of the Gramm-Leach-Bliley Act (the "GLB Act"), and each party agrees to maintain such nonpublic personal information that it receives hereunder in accordance with the GLB Act and other applicable federal and state privacy laws. Each party shall implement such physical and other security measures as shall be necessary to (a) ensure the security and confidentiality of the "nonpublic personal information" of the "customers" and "consumers" (as those terms are defined in the GLB Act), (b) protect against any threats or hazards to the security and integrity of such nonpublic personal information, and (c) protect against any unauthorized access to or use of such nonpublic personal information. Each party shall, at a minimum establish and maintain such data security program as is necessary to meet the objectives of the Interagency Guidelines Establishing Standards for Safeguarding Customer Information as set forth in the Code of Federal Regulations at 12 C.F.R. Upon request, each party will provide the other party evidence reasonably satisfactory to allow the requesting party to confirm that the responding party has satisfied its obligations as required under this Section. Without limitation, this may include, to the extent permitted by law, review of audits, summaries of test results, and other equivalent evaluations. Each party shall notify the other party immediately following discovery of any breach or compromise of the security, confidentiality, or integrity of nonpublic personal information of the customers and consumers relating to any Collateral. Each party shall provide such notice by personal delivery, by facsimile with confirmation of receipt, or by overnight courier with confirmation of delivery. The provisions set forth in this Section 11(l) shall survive the termination of this Agreement.

(m) Jurisdiction, Venue and Waiver of Jury Trial. **BORROWER HEREBY IRREVOCABLY CONSENTS TO THE NON-EXCLUSIVE JURISDICTION OF ANY STATE OR FEDERAL COURT IN THE STATE OF NEW YORK, AND CONSENTS THAT BANK MAY EFFECT ANY SERVICE OF PROCESS IN THE MANNER AND AT BORROWER'S ADDRESS SET FORTH FOR PROVIDING NOTICE OR DEMAND; PROVIDED THAT NOTHING CONTAINED IN THIS AGREEMENT WILL PREVENT BANK FROM BRINGING ANY ACTION, ENFORCING ANY AWARD OR JUDGMENT OR EXERCISING ANY RIGHTS AGAINST BORROWER INDIVIDUALLY, AGAINST ANY SECURITY OR AGAINST**

ANY PROPERTY OF BORROWER WITHIN ANY OTHER COUNTY, STATE OR OTHER FOREIGN OR DOMESTIC JURISDICTION. BORROWER ACKNOWLEDGES AND AGREES THAT THE VENUE PROVIDED ABOVE IS THE MOST CONVENIENT FORUM FOR BOTH BORROWER AND BANK. BORROWER WAIVES ANY OBJECTION TO VENUE AND ANY OBJECTION BASED ON A MORE CONVENIENT FORUM IN ANY ACTION INSTITUTED UNDER THIS AGREEMENT.

EACH PARTY HERETO KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVES (TO THE EXTENT PERMITTED BY APPLICABLE LAW AND UPON CONFERRING WITH THEIR RESPECTIVE COUNSEL) ANY AND ALL RIGHTS IT MAY HAVE TO A TRIAL BY JURY OF ANY DISPUTE ARISING UNDER OR RELATING TO THIS AGREEMENT AND AGREES THAT ANY SUCH DISPUTE SHALL BE TRIED BEFORE A JUDGE SITTING WITHOUT A JURY.

(n) Reimbursement. Borrower shall reimburse Bank for all reasonable attorneys' fees and expenses incurred by Bank to prepare and negotiate the terms of the Loan Documents. In addition, all sums reasonably expended by Bank in connection with the exercise of any right or remedy provided for herein shall be and remain Borrower's obligation (unless and to the extent that Borrower is the prevailing party in any dispute, claim or action relating thereto). Borrower agrees to pay, with interest at the Default Rate to the extent that an Event of Default has occurred, the reasonable out-of-pocket expenses and reasonable attorneys' fees incurred by Bank in connection with the preparation, negotiation, enforcement (including any waivers), administration and amendment of the Loan Documents (regardless of whether a Loan Advance is entered into hereunder), the taking of any action, including legal action, required or permitted to be taken by Bank pursuant thereto, any "due diligence" or loan agent reviews conducted by Bank or on its behalf or by refinancing or restructuring in the nature of a "workout." Borrower shall reimburse Bank for all third party expenses, including overnight delivery charges, Borrower incurs to send Mortgage Loan Documents, including the mortgage note, to Take-Out Investors.

(o) Setoff and Withdrawal of Funds; Retention of Funds.

(1) In addition to any rights and remedies of Bank provided by law, Bank shall have the right, without prior notice to Borrower, any such notice being expressly waived by Borrower to the extent permitted by applicable law, upon any amount becoming due and payable by Borrower hereunder (whether at the stated maturity, by acceleration or otherwise) to set-off and appropriate and apply against such amount any and all deposits (general or special, time or demand, provisional or final), including but not limited to the Pledged Deposit Accounts required to be established under this Agreement, in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, and any other property of Borrower, at any time held or owing by Bank or any branch or agency thereof to or for the credit or the account of Borrower.

(2) Upon the earlier of (a) thirty (30) days prior to the termination of this Agreement or (b) notification by either party of termination of this Agreement, Bank has the right to retain all funds contained in any deposit account (including, but not limited to, the Pledged Deposit Accounts) and apply and set-off against such deposits as

provided in subsection (1) above, provided that at any time during which the Freddie Mac Acknowledgment Agreement exists, the set off rights provided in this Section 11(o) shall be subject to the terms of the Freddie Mac Acknowledgment Agreement.

(3) Bank agrees to promptly notify Borrower after any such set-offs and applications made by Bank under this Section 11(o); provided that the failure to give such notice shall not affect the validity of such set-off and application.

(p) Power of Attorney. ARTICLE II PURCHASE OF MORTGAGE LOANS

Section 2.1 Purchase Commitment.

(a) Subject to the terms and conditions of this Agreement and provided no Default or Event of Default has occurred and is continuing, the Buyer agrees, from time to time during the period from the date hereof through and including the Termination Date, to purchase Eligible Mortgage Loans from the Sellers at the request of the Sellers as provided hereinafter by transferring the Purchase Price to the Sellers as hereinafter provided, provided, however, that all Open Transactions hereunder shall not exceed the Purchase Commitment Amount or the further limitations set forth herein.

(b) Proceeds of the Purchase Price of Purchased Mortgage Loans shall be applied solely for funding or refinancing the acquisition or origination by the Sellers of Eligible Mortgage Loans, provided, that if the Sellers have made advance cash payments to be applied to the Repurchase Price of any Purchased Mortgage Loan as provided in Section 4.4, it may, upon request to the Buyer, have such amounts returned by the Buyer to the Sellers, provided that the Sellers and the relevant Eligible Mortgage Loans remain in compliance with all terms and conditions of this Agreement and that the Sellers could have submitted such Eligible Mortgage Loan for Purchase as of the date of such return.

(c) Purchases shall also be subject to the following restrictions:

(i) the Purchase Price for any Eligible Mortgage Loan shall not exceed the Purchase Value for such Eligible Mortgage Loan, based on such Eligible Mortgage Loan's Type; and

(ii) aggregate Purchase Price for all Open Transactions funding any Type of Eligible Mortgage Loan shall not exceed the Aggregate Purchase Sublimit for such Type of Eligible Mortgage Loan.

Section 2.2 Procedures for Purchase.

(a) The Sellers shall request a Purchase by submitting a Mortgage Loan Detail Report, which may be given by electronic transmittal, and must be given so as to be received by the Buyer not later than 2:30 p.m., Denver time, on the Business Day of the requested Purchase. Not more than four (4) such requests may be made on any Business Day. Upon its receipt of a Mortgage Loan Detail Report, the Buyer shall determine the Purchase Value of the Mortgage Loans identified on the Mortgage Loan Detail Report. Unless the Sellers shall inform the Buyer, or the Buyer shall otherwise determine, that the Purchase Price shall be less than such Purchase Value, the Buyer may assume that the initial Purchase Price of such Mortgage Loans shall equal such Purchase Value.

(b) The Principal Purchased Mortgage Documents (unless the requested Transaction is a Purchase of a Wet Loan) must be received by the Buyer and all other conditions to such Purchase must be satisfied no later than 11:00 a.m., Denver time, in order for funding to occur the same day. In the case of a Wet Loan, the Sellers shall cause all Principal Purchased Mortgage Documents to be delivered to the Buyer within the period required under Section A-4 of Exhibit A hereto. In the instance of Mortgage Loans that were originated by a correspondent lender of the Sellers or any other third party, and Mortgage Loans that have been financed by a third party warehouse financier (i) the Principal Purchased Mortgage Documents shall have been delivered under a bailee letter from the originator or prior warehouse financier that includes wire transfer instructions and is otherwise acceptable to the Buyer in form and substance, (ii) the Sellers authorize the Buyer to disburse the Purchase Price of such Mortgage Loans from the Funding Account, or directly, in accordance with such wire transfer instructions, and (iii) the Buyer shall only disburse the Purchase Price for such Mortgage Loans in such manner.

(c) Unless the Buyer determines that any applicable condition, including any condition specified in Article VI or this Section 2.2, has not been satisfied, the Buyer will make the Purchase Price available to the Sellers by crediting the Funding Account. On request of the Sellers and specific approval by the Buyer (given at its sole discretion), the Buyer may make the Purchase Price available to the Sellers by crediting the Operating Account.

(d) The Sellers have agreed that disbursements and transfers from the Funding Account will only be made either (i) to fund Mortgage Loans through closing agents or title companies (which closing agent or title company shall be selected by the Seller and not unacceptable to the Buyer) for the initial funding at closing of Mortgage Loans, provided that the Buyer may, by written notice to the Sellers, designate agents or title companies that are not acceptable for such purpose, or (ii) upon notice by the Sellers to the Buyer that third-party originators are assigning Mortgage Loans to the Sellers, which notice shall give such information as may be requested by the Buyer regarding such originators, to fund the purchase by the Sellers from such third-party originators. In the instance of funding of purchases by the Sellers of third-party originated Mortgage Loans, Buyer shall not purchase Wet Loans and Buyer shall have received the Principal Purchased Mortgage Documents as provided in the first sentence of Section 2.2(b).

(e) The Sellers authorize the Buyer to debit the Operating Account to fund an amount equal to the difference between the Purchase Price of a Purchased Mortgage Loan and the amount required by the closing agent or title company (which closing agent or title company shall be selected by the Seller and not unacceptable to the Buyer) for the initial funding at the closing of such Purchased Mortgage Loan, and the Sellers shall provide information to the Buyer for purposes of determining such amount.

(f) If so requested by the Buyer, Not later than 12:00 noon, Denver time, the Business Day following each request for a Purchase under this Section 2.2, the Sellers shall submit to the Buyer

a Transaction Confirmation, duly completed, which shall be given by electronic transmittal. Failure by the Sellers to so provide a Transaction Confirmation or by the Buyer to receive a Transaction Confirmation shall not limit or impair the obligations of the Sellers in respect of any Transaction, and in the instance of any difference between a Transaction Confirmation and the Buyer's records respecting (i) Purchases actually made, (ii) Purchase Value, (iii) Purchase Price actually funded, (iv) Repurchase Price actually paid to the Buyer, or (v) other information concerning any Transaction, the Buyer's records shall control.

Section 2.3 Optional Reduction of Purchase Commitment Amount. The Sellers may by written or telephonic notice to the Buyer, reduce the Purchase Commitment Amount, with any such reduction in a minimum amount of [***] or an integral multiple thereof. Upon any reduction in the Purchase Commitment Amount pursuant to this Section, the Sellers shall pay to the Buyer the amount, if any, by which the aggregate unpaid principal amount of outstanding Purchase Price of all Open Transactions exceeds the Purchase Commitment Amount as so reduced.

Section 2.4 Authorized Representatives. The Sellers shall act hereunder through the Authorized Representatives designated from time to time and all notices and requests to be given and received by the Sellers, including requests for Purchases, shall be given by and directed to such Authorized Representatives.

Section 2.5 Joint and Several Obligations. The Sellers each agree that all of the Obligations are joint and several and the primary obligations of each of them, enforceable against each Seller separately or all Sellers together notwithstanding of any right or power of any party to assert any claim or defense as to the invalidity or unenforceability of any such obligations. Each Seller hereby waives any defense it may claim as a guarantor, surety or accommodation party. The Buyer may, from time to time, without notice to any of the Sellers, (a) obtain or release any security interest in any property to secure any of the Obligations; (b) obtain or release the primary or secondary liability of any party or parties with respect to any of the Obligations (including without limitation the liability of any other Seller); (c) extend or renew for any period, alter or exchange any of the Obligations or release or compromise any obligation of any nature of any obligor with respect to any of the Obligations; or (d) resort to any Seller for payment of any of the Obligations whether or not the Buyer shall have resorted to any property securing the Obligations or to any other Seller or any other party primarily or secondarily liable with respect to the Obligations.

ARTICLE III PRICE DIFFERENTIAL AND FEES; ADDITIONAL PROVISIONS RELATING TO PAYMENTS

Section 3.1 Price Differential.

(a) Prior to an Event of Default. Except as provided in (b) below, Price Differential on all Open Transactions shall be determined by applying to the Purchase Price of all Purchased Mortgage Loans under such Open Transaction an annual rate equal to [***] plus the one-month LIBOR rate quoted by Buyer from Reuters Screen LIBOR01 or any successor thereto, which shall be that one-month LIBOR rate in effect and reset each Business Day, adjusted for any reserve requirement and any subsequent costs arising from a change in government regulation, such rate rounded up to the nearest one-sixteenth percent. Notwithstanding the foregoing, if the LIBOR rate shall at any time be less than 0%, it shall be deemed for purposes of this Agreement to equal 0%, and the Pricing Rate and Price Differential shall be calculated based on a LIBOR rate of 0% plus the interest rate margin set forth above. Buyer's internal records of applicable Price Differential shall be determinative in the absence of manifest error.

(b) Price Differential After Event of Default. Following occurrence of any Event of Default until the Repurchase Price of all Open Transactions shall have been paid in full, Price Differential on all Open Transactions shall be determined by applying to the Purchase Price of all Purchased Mortgage Loans under such Open Transaction, an annual rate equal to the greater, on any day of (i) the Price Differential rate otherwise applicable hereunder, or (ii) the Prime Rate plus [***].

(c) Payment. Accrued unpaid Price Differential under (a) accrued through the last day of each month shall be billed on or about the first Business Day of the next following month, and shall be payable by the [***] of such following month. Accrued Price Differential under (b) shall be payable on demand. The Buyer is authorized to debit the Operating Account for payment of Price Differential (provided, however, that this shall not limit the liability of the Sellers for payment of Price Differential if amounts in such account shall not be sufficient to make such payment or if the Buyer may not, in its sole judgment, debit such account for any reason). All unpaid Price Differential on all Transactions shall be paid on the Termination Date.

Section 3.2 Non-Use Fee. The Sellers shall pay to the Buyer fees (the "Non-Use Fees"), accruing for any calendar quarter for which Open Purchases are less than [***] of the Purchase Commitment Amount, in amounts determined by applying a rate of [***] per annum to the excess of the Purchase Commitment Amount over such Open Purchases. Non-Use Fees accrued through the last day of each quarter ending in March, June, September and December, shall be paid, in arrears, at the time of payment of Price Differential as provided in Section 3.1(c) above for such month. The Buyer is authorized to debit the Operating Account or any other account of the Sellers other than an escrow account for payment of Non-Use Fees (provided, however, that this shall not limit the liability of the Sellers for payment of Non-Use Fees if amounts in such accounts shall not be sufficient to make such payment or if the Buyer may not, in its sole judgment, debit such account for any reason).

Section 3.3 Computation. Price Differential and Non-Use Fees shall be computed on the basis of actual days elapsed and a year of 360 days.

Section 3.4 Miscellaneous Charges. In addition to all other fees, the Sellers agree to reimburse the Buyer for miscellaneous charges and expenses incurred by or on behalf of the Buyer in connection with the handling and administration of the Purchased Mortgage Documents and the Purchases. These charges shall include, without limitation, charges for wire transfers, charges for overnight delivery of Purchased Mortgage Documents to Approved Investors, and collateral handling fees in accordance with the Buyer's schedules in effect from time to time (currently [***] per Purchased Mortgage Loan, [***] for investor-returned loans and [***] for same-day shipment to investors), plus applicable wire fees. Such charges and expenses shall be paid promptly after invoice by the Buyer. The Buyer is authorized to debit the Operating Account for such charges and expenses (provided, however, that this shall not limit the liability of the Sellers for payment of such charges and expenses if amounts in such account shall not be sufficient to make such payment or if the Buyer may not, in its sole judgment, debit such account for any reason).

Section 3.5 Payments. Payments and prepayments of the Repurchase Price (as hereinafter provided) and all Price Differential and all fees, expenses and other Obligations shall be made without set-off or counterclaim in immediately available funds not later than 2:00 p.m., Denver time, on the dates due at the designated office of the Buyer in Denver. Funds received on any day after such time shall be deemed to have been received on the next Business Day. Whenever any payment to be made hereunder shall be stated to be due on a day which is not a Business Day, such payment shall be made on the next succeeding Business Day and such extension of time shall be included in the computation of any Price Differential or fees.

Section 3.6 Buyer's Records. The Buyer's internal records of Transactions and the terms thereof, including without limitation Price Differential, Pricing Rate, Open Transactions, Purchase Price and Repurchase Price shall be determinative in the absence of manifest error.

Section 3.7 Additional Costs and Reserves. If there shall occur any adoption or implementation of, or change to, any Regulation, or interpretation or administration thereof, which shall have the effect of imposing on Buyer (or Buyer's holding company) any increase or expansion of or any new: tax (excluding taxes on its overall income and franchise taxes), charge, fee, assessment or deduction of any kind whatsoever, or reserve, capital adequacy, special deposits or similar requirements against credit extended by, assets of, or deposits with or for the account of Buyer or other conditions affecting the Purchases and Purchase Commitment under this Agreement; then Sellers shall pay to Buyer such additional amount as Buyer deems necessary to compensate Buyer for any increased cost to Buyer attributable to the Purchases and Purchase Commitment and/or for any reduction in the rate of return on Buyer's capital and/or Buyer's revenue attributable to the Purchases and Purchase Commitment. As used above, the term "Regulation" shall include any federal, state or international law, governmental or quasi-governmental rule, regulation, policy, guideline or directive (including but not limited to the Dodd-Frank Wall Street Reform and Consumer Protection Act and enactments, issuances or similar pronouncements by the Bank for International Settlements, the Basel Committee on Banking Regulations and Supervisory Practices or any similar authority and any successor thereto) that applies to Buyer. Buyer's determination of the additional amount(s) due under this Section 3.7 shall be binding in the absence of manifest error, and such amount(s) shall be payable within 30 days of demand and, if recurring, as otherwise billed by Buyer.

ARTICLE IV REPURCHASE AND OTHER PAYMENTS OF PURCHASE PRICE

Section 4.1 Determination of Repurchase Date.

(a) Without limiting the obligation of the Sellers to pay the Repurchase Price of specific Transaction on prior Repurchase Dates hereunder, the Repurchase Price of all Open Transactions, and all other unpaid Obligations and expenses, charges and fees hereunder, shall be payable by the Sellers in full on the Termination Date.

(b) The Buyer shall determine each other Repurchase Date of each Purchased Mortgage Loan determined in accordance with the definition of "Repurchase Date."

Section 4.2 Repurchase on Repurchase Date. The Sellers shall Repurchase each Purchased Mortgage Loan on its Repurchase Date as determined under Section 4.1 by payment to the Buyer of the Repurchase Price in cash, without setoff or counterclaim of any type. If any Purchased Mortgage Loan is delivered to an Approved Investor for purchase by such Approved Investor, upon irrevocable receipt by the Buyer of the sale proceeds from such Approved Investor, such Purchased Mortgage Loan shall be deemed to have been Repurchased by the Sellers at the time of such receipt, and, without releasing any obligation of the Sellers to pay the full Repurchase Price to the Buyer upon such Repurchase, any sale proceeds so received by the Buyer shall be applied to the Repurchase Price of such Purchased Mortgage Loan (and shall thereby reduce the Repurchase Price of such Purchased Mortgaged Loan that the Sellers shall be required to pay directly). If payment from any purchaser (including an Approved Investor) upon sale or other disposition of a Purchased Mortgage Loan is less than the Repurchase Price of such Purchased Mortgage Loan, or if any such payment is required to be returned or rescinded, the Sellers shall upon notice to such effect by the Buyer immediately pay to the Buyer the amount of any such shortfall or any amount so returned or rescinded to apply to the Repurchase Price of the relevant Purchased Mortgage Loan.

Section 4.3 Mandatory Payment - Margin Deficit and Ineligible Mortgage Loans.

(a) If at any time the Buyer determines that the Purchase Value of any one or more Purchased Mortgage Loans included in an Open Transaction hereunder and designated by the Buyer is less than the Repurchase Price of such Purchased Mortgage Loan(s) (a "Margin Deficit"), then by notice to the Sellers (a " Margin Call"), the Buyer may designate the Purchased Mortgage Loans subject to the Margin Call and require the Sellers to transfer to the Buyer either cash or additional Eligible Mortgage Loans acceptable to the Buyer ("Additional Purchased Mortgage Loans"), or a combination of cash and Additional Purchased Mortgage Loans, so that the cash and the aggregate Purchase Value of such Purchased Mortgage Loans in such Transaction, including any such Additional Purchased Mortgage Loans, will thereupon at least equal the then aggregate Repurchase Price of such Purchased Mortgage Loans.

(b) If the Buyer delivers a Margin Call to the Sellers at or before 12:00 p.m. Denver time (or such other time as the parties may mutually agree) on any Business Day, then the Sellers shall transfer cash and/or Additional Purchased Mortgage Loans as provided in this Section 4.3 by no later than 5:00 p.m. Denver time on such Business Day (or such other time as the parties may mutually agree). If the Buyer delivers a Margin Call to the Sellers after 12:00 p.m. Denver time (or such other time as the parties may mutually agree) on any Business Day, then the Sellers shall transfer such cash and/or Purchased Mortgage Loans by no later than 2:00 p.m. Denver time on the next-following Business Day (or such other time as the parties may mutually agree).

(c) If any Purchased Mortgage Loan shall become an Ineligible Mortgage Loan, as determined under the definitions and provisions of Exhibit A, to the extent that the Sellers have not Repurchased such Purchased Mortgage Loan, they shall pay to the Buyer in cash an amount equal to the Repurchase Price of such Ineligible Mortgage Loan.

(d) Any cash transferred to the Buyer pursuant to this Section 4.3 shall be applied to reduce the Purchase Price of the Purchased Mortgage Loan(s) designated by the Buyer, as provided in (a) above or becoming Ineligible Mortgage Loans, as provided in (c) above.

Section 4.4 Voluntary Advance Payment of Repurchase Price. The Sellers may voluntarily prepay the Repurchase Price of any Purchased Mortgage Loan, provided that: (i) notwithstanding such prepayment, the Buyer shall continue to own such Purchased Mortgage Loan until the Repurchase Price is paid in full; and (ii) the Sellers shall designate the Purchased Mortgage Loan(s) to which such prepayment shall apply, or in the absence of such designation, Buyer shall determine the particular Purchased Mortgage Loan(s) to which any such prepayment shall be applied.

Section 4.5 Procedures for Release and Delivery of Purchased Mortgage Loans.

(a) Purchased Mortgage Loans shall be reconveyed to Sellers only upon payment to the Buyer of the Repurchase Price of such Purchased Mortgage Loans.

(b) If Purchased Mortgage Loans are to be transferred to an Approved Investor for sale, unless an Event of Default has occurred and continued upon delivery by the Sellers to the Buyer of shipping instructions the Buyer will transmit the designated Purchased Mortgage Loans and such related Purchased Mortgage Documents that the Buyer has actually received and is instructed by the Sellers to transmit to the Approved Investor pursuant to a Bailee Letter.

(c) Following delivery of such items pursuant to a Bailee Letter, the Buyer's ownership in such Purchased Mortgage Loans shall be conveyed and transferred only upon payment to the Buyer of the amount required under any bailee letter or other document of delivery and application of such payment to the Repurchase Price of the relevant Purchased Mortgage Loans.

(d) Shipping instructions and other information required for the Buyer to be able to deliver Purchased Mortgage Loans (including without limitation the identity of any required Agency release forms, any pool or Investor Commitment number, instructions for endorsement of notes evidencing Purchased Mortgage Loans, names and addresses of the relevant Approved Investor and preferred mode of shipment) shall be delivered by the Sellers to the Buyer in writing not later than 10:30 a.m., Denver time, on the Business Day on which the Buyer is requested to ship the Purchased Mortgage Loans.

(e) If the number of Purchased Mortgage Loans to be shipped pursuant to any one or more of the foregoing provisions of this Section 4 is [***] or less and the shipping instructions are received by 10:30 a.m., Denver time on a Business Day, the Buyer will use its best efforts to ship the Purchased Mortgage Loans on [***]. If more than one [***] Purchased Mortgage Loans are to be shipped or the shipping instructions are received later than 10:30 a.m. (but not later than 11:30 a.m.) Denver time on a Business Day, the Buyer will use its best efforts to ship them on [***], unless more than [***] Purchased Mortgage Loans are to be shipped, in which event [***] shall be added for each increment of [***] Purchased Mortgage Loans in excess of [***] Purchased Mortgage Loans to be shipped, limited to a maximum of [***].

Section 4.6 Settlement Account. The Sellers shall cause all proceeds of sale or other disposition of any of the Purchased Mortgage Loans to be deposited by direct transfer in immediately available funds by the Approved Investor purchasing Purchased Mortgage Loans to the Buyer, which amounts shall be deposited into the Settlement Account. The Sellers shall inform the Buyer of the source of such funds and deposits, and if the amount so deposited exceeds the Repurchase Price of the relevant Purchased Mortgage Loans arising from such sale or distribution, the Buyer will release such excess to the Sellers by transfer to the Operating Account. Following the occurrence of any Event of Default, in addition to the remedies set forth in Article X, all amounts so received and collected into the Settlement Account may, at the discretion of the Buyer, be applied to the Obligations or held in the Settlement Account for subsequent application to the Obligations.

Section 4.7 Return of Purchased Mortgage Loans at Maturity. If (a) the Purchase Commitment has expired or been terminated, and (b) there are no Open Transactions and all Price Differential and other Obligations have been irrevocably paid in full, the Buyer shall transfer and deliver all Purchased Mortgage Loans to the Sellers and deliver all Purchased Mortgage Documents in its possession to the Sellers. The receipt of the Sellers for any Purchased Mortgage Documents released or delivered to the Sellers pursuant to any provision of this Agreement shall be a complete and full acquittance for the Purchased Mortgage Loans and Purchased Mortgage documents so returned, and the Buyer shall thereafter be discharged from any liability or responsibility therefor.

Section 4.8 Temporary Delivery of Purchased Mortgage Documents to the Sellers. From time to time and as appropriate for the correction of any Purchased Mortgage Documents, the Buyer may, at its sole discretion, upon written request of a Seller made in the form of a Document Release Request, release to the Sellers all or a portion of the Purchased Mortgage Documents pertaining to a Purchased Mortgage Loan that have been delivered by the Sellers to the Buyer (the "Delivered Mortgage Documents"). The Sellers shall promptly return to the Buyer such Delivered Mortgage Documents when the Sellers' need

therefor in connection with such correction no longer exists (but not later in any case, without the Buyer's consent, than fifteen (15) calendar days after the Buyer shipped them), unless the Purchased Mortgage Loan shall be liquidated and the proceeds thereof paid to the Buyer (for deposit to the Settlement Account in satisfaction of the Repurchase Price), in which case, upon the Buyer's receipt of the full Repurchase Price of the Purchased Mortgage Loan related to the Delivered Mortgage Documents (either from proceeds of sale or liquidation of such Purchased Mortgage Loan or by payment by the Sellers), the Sellers' trust receipt for that Purchased Mortgage Loan shall be automatically voided and canceled.

Section 4.9 Additional Mandatory Repurchases. If at any time the Purchase Price for all Open Transactions at any time outstanding shall exceed the Purchase Commitment Amount by reason of reduction as provided in the definition thereof or otherwise, the Sellers shall Repurchase Purchased Mortgage Loans in amounts sufficient to eliminate such excess.

ARTICLE V SECURITY INTEREST

Section 5.1 Pledge and Security Interest. The Sellers and Buyer each intend that all Transactions hereunder be sales and purchases (other than for accounting and tax purposes) and not loans; nonetheless, as a security agreement or other arrangement or other credit enhancement related to this Agreement and transactions hereunder and Obligations as provided for in Section 101(47)(v) of the Bankruptcy Code, the Sellers hereby pledge to the Buyer as security for the performance by the Seller of the Obligations and hereby grant, assign and pledge to the Buyer a fully perfected first priority security interest in all of the Purchased Mortgage Loans and all income and proceeds from the Purchased Mortgage Loans, including all of the property, rights and other items described in the definition of "Purchased Mortgage Loans" in Section 1.1 for each such Purchased Mortgage Loan and all rights to have, receive and retain the return or refund of funds transferred from any account with the Buyer to any title company, title agent, escrow agent or other Person for the purpose of originating or funding a Mortgage Loan that did not close (for any reason) and that would have been a Purchased Mortgage Loan if it had closed (all funds so transferred continuously remain the property of the Buyer until disbursed by such closing agent to or for the account of the related obligor upon the closing of his or her Mortgage Loan).

Section 5.2 Further Confirmation. The Sellers agree to do such things as applicable Law requires to maintain the security interest of the Buyer in all of the Purchased Mortgage Loans with respect to all such re-characterized Transactions and all income and proceeds from the Purchased Mortgage Loans that are the subject matter of such re-characterized Transactions as a perfected first priority Lien at all times. The Sellers hereby authorize the Buyer to file any financing or continuation statements under the applicable Uniform Commercial Code to perfect or continue such security interest in any and all applicable filing offices without the Sellers' signature to the extent permitted by applicable law subject to the scope stated in Section 5.1 herein. The Sellers shall pay all customary fees and expenses associated with perfecting such security interest including the costs of filing financing and continuation statements under the Uniform Commercial Code and recording assignments of Mortgages as and when required by the Buyer in its reasonable discretion.

(c) The Sellers shall provide to the Buyer any information the Buyer shall reasonably request regarding direction of payments from the Escrow Account in accordance with the purposes for which such funds are deposited into the Escrow Account.

In furtherance thereof, the Sellers agree as follows:

(a) The Buyer shall not incur any liability as a result of the sale or other disposition of the Purchased Mortgage Loans, or any part thereof, at any public or private sale or disposition. The Sellers hereby waive (to the extent permitted by law) any claims they may have against the Buyer arising by reason of the fact that the price at which the Purchased Mortgage Loans may have been sold at such private sale was less than the price which might have been obtained at a public sale or was less than the aggregate amount of the Repurchase Price and the unpaid Price Differential thereon, even if the Buyer accepts the first offer received and does not offer the Purchased Mortgage Loans to more than one offeree. Any sale of Purchased Mortgage Loans pursuant to the terms of an Investor Commitment, or any other disposition of Purchased Mortgage Loans arranged by the Sellers, whether before or after the occurrence of an Event of Default, shall be deemed to have been made in a commercially reasonable manner.

(b) The Sellers specifically waive (to the extent permitted by law) any equity or right of redemption, all rights of redemption, stay or appraisal which the Sellers have or may have under any rule of law or statute now existing or hereafter adopted, and any right to require the Buyer to (i) proceed against any Person, (ii) proceed against or exhaust any of the Purchased Mortgage Loans or pursue its rights and remedies as against the Purchased Mortgage Loans in any particular order, or (iii) pursue any other remedy in its power. The Buyer shall not be required to take any steps necessary to preserve any rights of the Sellers against holders of mortgages prior in lien to the Lien of any Purchased Mortgage Loans or to preserve rights against prior parties.

(c) The Buyer may, but shall not be obligated to, advance any sums or do any act or thing necessary to uphold and enforce the Lien and priority of, or the security intended to be afforded by, any Mortgage included in the Purchased Mortgage Loans, including, without limitation, payment of delinquent taxes or assessments and insurance premiums. All advances, charges, costs and expenses, including reasonable attorneys' fees and disbursements, incurred or paid by the Buyer in exercising any right, power or remedy conferred by this Agreement, or in the enforcement hereof, together with interest thereon, at the highest Price Rate applicable under this Agreement, from the time of payment until repaid, shall become a part of the Obligations hereunder.

(d) The remedies herein provided are cumulative and are not exclusive of any remedies provided at law or in equity.

Section 10.5 Order of Application of Payments and Recoveries . The Buyer may apply any payments or recoveries, including without limitation proceeds of enforcement of rights in the Purchased Mortgage Loans, received after an Event of Default to the Obligations in such order as the Buyer shall elect in its sole discretion.

Section 10.6 Right of Setoff. After occurrence of an Event of Default, the Buyer shall have an express contractual right to set off against all deposit accounts and all deposit account balances, cash and any other property of the Sellers now or hereafter maintained with, or in the possession of, the Buyer and the right to refuse to allow withdrawals from any such account or of any such property (collectively, "Setoff"). The Buyer may Setoff against the Obligations whether or not the Obligations are then due or

have been accelerated. Buyer shall not be required to give advance notice of its exercise of the right of Setoff, but shall use best efforts to give notice thereof promptly following such exercise.

ARTICLE XI MISCELLANEOUS

Section 11.1 Waiver and Amendment. No failure on the part of the Buyer to exercise and no delay in exercising any power or right hereunder or under any other Related Document shall operate as a waiver thereof; nor shall any single or partial exercise of any power or right preclude any other or further exercise thereof or the exercise of any other power or right. The remedies herein and in any other instrument, document or agreement delivered or to be delivered to the Buyer hereunder or in connection herewith are cumulative and not exclusive of any remedies provided by law. No notice to or demand on the Sellers not required hereunder shall in any event entitle the Sellers to any other or further notice or demand in similar or other circumstances or constitute a waiver of the right of the Buyer to any other or further action in any circumstances without notice or demand. No amendment, modification or waiver of any provision of this Agreement or consent to any departure by the Sellers therefrom shall be effective unless the same shall be in writing and signed by the Buyer, and then such amendment, modifications, waiver or consent shall be effective only in the specific instances and for the specific purpose for which given.

Section 11.2 Expenses and Indemnities. Whether or not any Advance is made hereunder, the Sellers jointly and severally agree to (a) reimburse the Buyer upon demand for all reasonable expenses paid or incurred by the Buyer (including filing and recording costs and fees and expenses of legal counsel, who may be employees of the Buyer) in connection with the preparation, review, execution, delivery, amendment, modification, interpretation, collection and enforcement of the Related Documents (including without limitation those incurred in connection with any appeal of a lower court order or judgment); (b) pay, and save the Buyer harmless from all liability for, any stamp or other taxes which may be payable with respect to the execution or delivery of the Related Documents; and (c) indemnify, pay and hold harmless the Buyer and any of its officers, directors, employees or agents and any subsequent holder of the Buyer's interests hereunder (collectively, the "Indemnified Parties") from and against any and all liabilities, obligations, losses, damages, penalties, judgments, suits, costs, expenses and disbursements of any kind whatsoever (the "Indemnified Liabilities") which may be imposed upon, incurred by or asserted against such Indemnified Party in any way relating to or arising out of this Agreement, or any other Related Document or any of the transactions contemplated hereby or thereby. The foregoing indemnity shall not apply to the extent the indemnified liabilities result from the gross negligence or willful misconduct of any Indemnified Party. The agreement of the Sellers contained in this Section 11.2 shall survive the expiration or termination of this Agreement and the payment in full of the other Obligations.

Section 11.3 Notices. Except when telephonic notice is expressly authorized by this Agreement, any notice or other communication to any party in connection with this Agreement shall be in writing and shall be sent by manual delivery, facsimile transmission, electronic transmission, overnight courier or United States mail (postage prepaid) addressed to such party at the address specified on the signature page hereof, or at such other address as such party shall have specified to the other party hereto in writing. All periods of notice shall be measured from the date of delivery thereof if manually delivered, from the date of sending thereof if sent by facsimile transmission or electronic transmission, from the first Business Day after the date of sending if sent by overnight courier, or from four days after the date of mailing if mailed.

Section 11.4 Buyer Appointed Attorney-in-Fact. The Buyer is hereby appointed the attorney-in-fact of the Sellers, with full power of substitution, for the purpose of carrying out the provisions hereof and taking any action and executing any instruments which the Buyer may deem necessary or advisable to

accomplish the purposes hereof, which appointment as attorney-in-fact is irrevocable and coupled with an interest. Without limiting the generality of the foregoing, the Buyer shall have the right and power to give notices of its ownership of the Purchased Mortgage Loans to any Person, either in the name of the Sellers or in their own name, to endorse all notes evidencing Purchased Mortgage Loans, or to receive, endorse and collect all checks made payable to the order of the Sellers representing any payment on account of the principal of or interest on, or the proceeds of sale of, any of the Purchased Mortgage Loans and to give full discharge for the same.

Section 11.5 Successors. This Agreement shall be binding upon the Sellers and the Buyer and their respective successors and assigns, and shall inure to the benefit of the Sellers and the Buyer and the successors and assigns of the Buyer. The Sellers shall not assign their rights or duties hereunder without the written consent of the Buyer.

Section 11.6 Participations and Information. The Buyer may sell participation interests in any or all of the Purchase Commitment and the Open Transactions to any Person. The Buyer may furnish any information concerning the Sellers in the possession of the Buyer from time to time to participants and prospective participants and may furnish information in response to credit inquiries consistent with general banking practice.

Section 11.7 Severability. Any provision of the Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof or affecting the validity or enforceability of such provision in any other jurisdiction.

Section 11.8 Subsidiary References. The provisions of this Agreement relating to Subsidiaries shall apply only during such times as the Sellers have one or more Subsidiaries.

Section 11.9 Captions. The captions or headings herein and any table of contents hereto are for convenience only and in no way define, limit or describe the scope or intent of any provision of this Agreement.

Section 11.10 Entire Agreement. This Agreement the other Related Documents embody the entire agreement and understanding between the Sellers and the Buyer with respect to the subject matter hereof and thereof. This Agreement supersedes all prior agreements and understandings relating to the subject matter hereof.

Section 11.11 Counterparts. This Agreement may be executed in any number of counterparts, all of which taken together shall constitute one and the same instrument, and either of the parties hereto may execute this Agreement by signing any such counterpart.

Section 11.12 Warehouse Finance Facilities. In the event that the Sellers have entered into warehouse loan facilities or repurchase facilities ("Other Facilities") with parties other than the Buyer, the Sellers authorize the Buyer, with the prior written consent of Sellers (which consent shall not be unreasonably withheld, delayed or conditioned), to communicate with such other parties at the Buyer's discretion regarding (a) which Mortgage Loans constitute Purchased Mortgage Loans hereunder or Mortgage Loans financed under the Other Facilities, (b) proceeds of Purchased Mortgage Loans and Mortgage Loans financed under the Other Facilities, and (c) such other matters as the Buyer may deem necessary in connection with administration of this Agreement. Such authorization shall be effective notwithstanding any confidentiality provision that would otherwise restrict such communication. The Sellers shall, at the request of the Buyer, provide to the Buyer information regarding the parties to the Other Facilities and the responsible officers of such parties.

Section 11.13 Governing Law. THE VALIDITY, CONSTRUCTION AND ENFORCEABILITY OF THIS AGREEMENT AND THE OTHER RELATED DOCUMENTS SHALL BE GOVERNED BY THE INTERNAL LAWS OF THE STATE OF MINNESOTA, WITHOUT GIVING EFFECT TO CONFLICT OF LAWS PRINCIPLES THEREOF, BUT GIVING EFFECT TO FEDERAL LAWS OF THE UNITED STATES APPLICABLE TO NATIONAL BANKS.

Section 11.14 Consent to Jurisdiction. AT THE OPTION OF THE BUYER, THIS AGREEMENT AND THE OTHER RELATED DOCUMENTS MAY BE ENFORCED IN ANY FEDERAL COURT OR MINNESOTA STATE COURT SITTING IN MINNEAPOLIS OR ST. PAUL, MINNESOTA; AND THE SELLERS CONSENT TO THE JURISDICTION AND VENUE OF ANY SUCH COURT AND WAIVES ANY ARGUMENT THAT VENUE IN SUCH FORUMS IS NOT CONVENIENT. IN THE EVENT THE SELLERS COMMENCE ANY ACTION IN ANOTHER JURISDICTION OR VENUE UNDER ANY TORT OR CONTRACT THEORY ARISING DIRECTLY OR INDIRECTLY FROM THE RELATIONSHIP CREATED BY THIS AGREEMENT, THE BUYER AT ITS OPTION SHALL BE ENTITLED TO HAVE THE CASE TRANSFERRED TO ONE OF THE JURISDICTIONS AND VENUES ABOVE-DESCRIBED, OR IF SUCH TRANSFER CANNOT BE ACCOMPLISHED UNDER APPLICABLE LAW, TO HAVE SUCH CASE DISMISSED WITHOUT PREJUDICE.

Section 11.15 Waiver of Jury Trial. THE SELLERS AND THE BUYER EACH WAIVE ANY RIGHT TO A TRIAL BY JURY IN ANY ACTION OR PROCEEDING TO ENFORCE OR DEFEND ANY RIGHTS (a) UNDER THIS AGREEMENT OR UNDER ANY AMENDMENT, INSTRUMENT, DOCUMENT OR AGREEMENT DELIVERED OR WHICH MAY IN THE FUTURE BE DELIVERED IN CONNECTION HEREWITH OR (b) ARISING FROM ANY BANKING RELATIONSHIP EXISTING IN CONNECTION WITH THIS AGREEMENT, AND AGREE THAT ANY SUCH ACTION OR PROCEEDING SHALL BE TRIED BEFORE A COURT AND NOT BEFORE A JURY.

Re: Purchase Sublimits for USBHM Mortgage Loans

Dear Terry:

Reference is made to the Master Repurchase Agreement, dated as of March 24, 2015, as amended pursuant to an Amendment dated June 24, 2015 (as so amended, the "MRA "), between Guild Mortgage Company, LLC, Guild Mortgage Company (the "Sellers") and U.S. BANK NATIONAL ASSOCIATION (the "Buyer"). Terms not otherwise expressly defined herein shall have the meanings set forth in the MRA.

Please sign and return a copy of this letter to evidence the agreement of the Sellers to the following:

1. An Eligible Mortgage Loan that is a USBHM Mortgage Loan and would also be a different Type of Eligible Mortgage Loan (such as an Agency Conforming Mortgage Loan, Jumbo Mortgage Loan, Superjumbo Mortgage Loan, High LTV Mortgage Loan or Housing Finance Agency Mortgage Loan) shall be deemed to be a USBHM Mortgage Loan, and requirements in the MRA, and specifically Exhibit A to the MRA, that apply to such other Types of Eligible Mortgage Loans (Aggregate Purchase Sublimits, Valuation Percentages, and other requirements of the definitions thereof such as FICO score and loan to value requirements) shall not apply to such USBHM Mortgage Loans; provided, that the aggregate limit on Wet Loans shall continue to apply to USBHM Mortgage Loans and all other Purchased Mortgage Loans. This will permit the [***] Aggregate Purchase Sublimit to apply to all USBHM Mortgage Loans.

2. The Aggregate Purchase Sublimit for Housing Finance Agency Mortgage Loans in Section A-3 of Exhibit A is reduced from [***] to [***].

3. The warehouse ageing provision in Section A-4 of Exhibit A to the MRA is amended so that the number of days after Purchase Date for USBHM Mortgage Loans is 90 days (rather than 60 days).

Very truly yours,

TENTH AMENDMENT TO MASTER REPURCHASE AGREEMENT

THIS TENTH AMENDMENT, dated as of October 15, 2019, amends and modifies a certain Master Repurchase Agreement, dated as of March 24, 2015, as amended by Amendments dated as of June 24, 2015, March 15, 2016, April 20, 2016, June 20, 2016, June 16, 2017, August 18, 2017, September 28, 2018, August 29, 2019 and September 13, 2019 (as so amended, the "Repurchase Agreement"), between GUILD MORTGAGE COMPANY and GUILD MORTGAGE COMPANY, LLC (the "Sellers") and U.S. BANK NATIONAL ASSOCIATION (the "Buyer"). Terms not otherwise expressly defined herein shall have the meanings set forth in the Repurchase Agreement.

FOR VALUE RECEIVED, the Sellers and the Buyer agree that the Repurchase Agreement is amended as follows.

ARTICLE I - AMENDMENTS TO THE REPURCHASE AGREEMENT

1.1 Definitions. The following definitions in Section 1.1 are amended to read as follows:

"'Purchase Commitment Amount' means the maximum Purchase Price for all Open Transactions which may from time to time be outstanding, being either (a) [***] on and after effectiveness of the Tenth Amendment hereof through and including January 1, 2020, or (b) [***] on and after January 2, 2020 through and including the Termination Date, as each such amount may be reduced from time to time pursuant to Section 2.3."

"'Termination Date' means the earliest of (a) September 11, 2020, (b) the date on which the Purchase Commitment is terminated pursuant to Section 10.2 hereof or (c) the date on which the Purchase Commitment Amount is reduced to zero pursuant to Section 2.3 hereof."

1.2 Price Differential. Section 3.1 is amended to read as follows:

"(a) Prior to an Event of Default. Except as provided in (b) below, Price Differential on all Open Transactions shall be determined by applying to the Purchase Price of all Purchased Mortgage Loans under such Open Transaction an annual rate equal to [***] plus the greater of (i) zero percent (0%), or (ii) the one-month LIBOR rate quoted by Buyer from Reuters Screen LIBOR01 or any successor thereto which may be designated by the Buyer as provided below, which shall be that one-month LIBOR rate in effect and reset each Business Day, adjusted for any reserve requirement and any subsequent costs arising from a change in government regulation, such rate rounded up to the nearest one-sixteenth percent. Notwithstanding the foregoing, in the event the Buyer determines (which determination shall be conclusive absent manifest error) that (i) the Price Differential rate applicable to Purchases hereunder is not ascertainable or does not adequately and fairly reflect the cost of making or maintaining such Purchases and such circumstances are unlikely to be temporary, (ii) ICE Benchmark Administration (or any Person that takes over the administration of such rate) discontinues its administration and publication of interest settlement rates for deposits in Dollars, or (iii) the supervisor for the administrator of such interest settlement rate or a Governmental Authority having jurisdiction over the Buyer has made a public statement identifying a specific date after which such interest settlement rate shall no longer be used for determining interest rates for loans or Price Differential for Purchases, then the Buyer shall determine an alternate Price Differential rate to the one-month LIBOR rate that gives due consideration to the then prevailing market convention for determining a rate of Price

Differential or interest for comparable bank-originated commercial loans in the United States at such time, and, if necessary, the Buyer and the Seller shall enter into an amendment to this Agreement to reflect such alternate Price Differential rate and such other related changes to this Agreement as may be applicable. Such alternate Price Differential rate shall be adjusted for any reserve requirement and any subsequent costs arising from a change in government regulation. Until an alternate Price Differential rate shall be determined in accordance with this Section 3.1(a), Price Differential on each Open Transaction shall accrue at the Prime Rate plus the margin referenced above . If the alternate Price Differential rate determined pursuant to this Section 3.1(a) shall be less than zero, such rate shall be deemed to be zero for the purposes of this Agreement. The Buyer's internal records of applicable Price Differential (including without limitation the Buyer's designation of any successor interest rate index if the rate index described above shall become temporarily unavailable) shall be determinative in the absence of manifest error."

1.3 Non-Use Fee. Section 3.2 is amended by deleting "less than [***] of the Purchase Commitment Amount" (as the threshold for applicability of the Non-Use Fees) and inserting "less than [***] of the Purchase Commitment Amount" in place thereof.

1.4 Timing of Requests and Confirmations. Section 2.2 is amended as follows:

(a) Reference to "2:30 p.m., Denver time" in subsection (a) is changed to "3:00 p.m., Denver time".

(b) Reference to "12:00 noon, Denver time" in subsection (f) is changed to "1:00 p.m., Denver time".

1.5 Adjusted Tangible Net Worth. Section 9.14 is amended to read as follows:

"Section 9.14 Adjusted Tangible Net Worth . Permit the Sellers' Adjusted Tangible Net Worth to be less than [***] at any time."

1.6 Adjusted Leverage Ratio. Section 9.15 is amended to read as follows:

"Section 9.15 Adjusted Leverage Ratio. Permit the Adjusted Leverage Ratio of the Sellers to be greater than [***] at any time."

1.7 Exhibits. Exhibits A ("Calculation of Purchase Value, Aggregate Purchase Sublimits, Eligible and Ineligible Mortgage Loans"), B ("Approved Investors") and D ("Compliance Certificate") are replaced by Exhibits A [Omitted pursuant to Item 601(a)(5) of Regulation S-K], B [Omitted pursuant to Item 601(a)(5) of Regulation S-K] and D [Omitted pursuant to Item 601(a)(5) of Regulation S-K] attached to this Amendment.

1.7 Construction. All references in the Repurchase Agreement to "this Agreement", "herein" and similar references shall be deemed to refer to the Repurchase Agreement as amended by this Amendment.

ARTICLE II - REPRESENTATIONS AND WARRANTIES

To induce the Buyer to enter into this Amendment and to continuing to Purchase Mortgage Loans under the Repurchase Agreement as amended hereby, the Sellers hereby warrant and represent to the Buyer that they are duly authorized to execute and deliver this Amendment, and to perform their obligations under

the Repurchase Agreement as amended hereby, and that this Amendment constitutes the legal, valid and binding obligation of the Sellers, enforceable in accordance with its terms.

ARTICLE III - CONDITIONS PRECEDENT

This Amendment shall become effective on the date first set forth above, provided, however, that the effectiveness of this Amendment is subject to the satisfaction of each of the following conditions precedent:

3.1 Warranties. Before and after giving effect to this Amendment, the representations and warranties in Article VII of the Repurchase Agreement shall be true and correct as though made on the date hereof, except for changes that are permitted by the terms of the Repurchase Agreement. The execution by the Sellers of this Amendment shall be deemed a representation that the Sellers have complied with the foregoing condition.

3.2 Defaults. Before and after giving effect to this Amendment, no Default and no Event of Default shall have occurred and be continuing under the Repurchase Agreement. The execution by the Sellers of this Amendment shall be deemed a representation that the Sellers have complied with the foregoing condition.

3.3 Documents. The Buyer and the Sellers shall have executed and delivered this Amendment. The Sellers shall have provided an incumbency certificate for any officer signing this Amendment, if different than prior signing officers.

ARTICLE IV - GENERAL

4.1 Expenses. The Sellers agree to reimburse the Buyer upon demand for all reasonable expenses (including reasonable attorneys' fees and legal expenses) incurred by this Buyer in the preparation, negotiation and execution of this Amendment and any other document required to be furnished herewith, and in enforcing the obligations of the Sellers hereunder, and to pay and save the Buyer harmless from all liability for, any stamp or other taxes which may be payable with respect to the execution or delivery of this Amendment, which obligations of the Sellers shall survive any termination of the Repurchase Agreement.

4.2 Counterparts. This Amendment may be executed in as many counterparts as may be deemed necessary or convenient, and by the different parties hereto on separate counterparts, each of which, when so executed, shall be deemed an original but all such counterparts shall constitute but one and the same instrument.

4.3 Severability. Any provision of this Amendment which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining portions hereof or affecting the validity or enforceability of such provisions in any other jurisdiction.

4.4 Law; Consent to Jurisdiction; Waiver of Jury Trial. This Amendment shall be a contract made under the laws of the State of Minnesota, which laws shall govern all the rights and duties hereunder. This Amendment shall be subject to the Consent to Jurisdiction and Waiver of Jury Trial provisions of the Repurchase Agreement.

4.5 Successors; Enforceability. This Amendment shall be binding upon the Sellers and the Buyer and their respective successors and assigns, and shall inure to the benefit of the Sellers and the Buyer and the

Section 11.17 INTENT.

(a) The parties recognize that each Transaction is a "repurchase agreement" as that term is defined in Section 101 of Title 11 of the United States Code, as amended and a "securities contract" as that term is defined in Section 741 of Title 11 of the United States Code, as amended and that all payments hereunder are deemed "margin payments" or "settlement payments" as defined in Title 11 of the United States Code.

(b) It is understood that either party's right to liquidate Purchased Loans delivered to it in connection with Transactions hereunder or to exercise any other remedies pursuant to Article X hereof is a contractual right to liquidate such Transaction as described in Sections 555 and 559 of Title 11 of the United States Code, as amended.

(c) The parties agree and acknowledge that if a party hereto is an "insured depository institution," as such term is defined in the Federal Deposit Insurance Act, as amended ("FDIA"), then each Transaction hereunder is a "qualified financial contract," a "repurchase agreement" and a "securities contract" as such terms are defined in FDIA and any rules, orders or policy statements thereunder.

(d) It is understood that this Agreement constitutes a "netting contract" as defined in and subject to Title IV of the Federal Deposit Insurance Corporation Improvement Act of 1991 ("FDICIA") and each payment entitlement and payment obligation under any Transaction hereunder shall constitute a "covered contractual payment entitlement" or "covered contractual payment obligation", respectively, as defined in and subject to FDICIA (except insofar as one or both of the parties is not a "financial institution" as that term is defined in FDICIA).

Section 11.18 NO FIDUCIARY RELATIONSHIP . The relationship between Sellers and Buyer is solely that of buyer and sellers, and Buyer has no fiduciary or other special relationship

with Sellers, and no term or condition of any of the Repurchase Documents shall be construed so as to deem the relationship between Sellers and Buyer to be other than that of buyer and seller.

Section 11.19 EQUITABLE RELIEF. Sellers recognize that in the event they fail to pay, perform, observe, or discharge any or all of the obligations under the Repurchase Documents, any remedy at law may prove to be inadequate relief to Buyer. Sellers therefore agrees that Buyer, if it so requests, shall be entitled to temporary and permanent injunctive relief in any such case without the necessity of proving actual damages.

Section 11.20 CONSTRUCTION. Sellers and Buyer acknowledge that each of them has had the benefit of legal counsel of its own choice and has been afforded an opportunity to review the Repurchase Documents with its legal counsel and that the Repurchase Documents shall be construed as if jointly drafted by the parties.

Section 11.21 SET-OFF. In addition to any rights and remedies of Buyer provided by this Agreement and by law, Buyer shall have the right, without prior notice to Sellers, any such notice being expressly waived by Sellers to the extent permitted by applicable law, upon any amount becoming due and payable by Sellers hereunder to set-off and appropriate and apply against such amount, to the extent permitted by law, any and all property and deposits (general or special, time or demand, provisional or final), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by Buyer or any Affiliate thereof to or for the credit or the account of Sellers. The exercise of any such right of set-off shall be without prejudice to Buyer's right to recover any deficiency.

As a condition to receiving the Restricted Stock Units, the Participant hereby agrees to comply with the restrictive covenants set forth in Annex A to this Agreement (the "Restrictive Covenants"). Vesting Schedule. Subject to the terms and conditions of this Agreement and the provisions of the Plan, the Restricted Stock Units shall vest (such period during which a Restricted Stock Unit is unvested, the "Vesting Period" with respect to such unit) as to 25% of the Restricted Stock Units granted hereunder on each of the second and third anniversaries of the Grant Date, respectively, and as to 50% of the Restricted Stock Units granted hereunder on the fourth anniversary of the Grant Date (each such anniversary, a "Vesting Date" with respect to the applicable Restricted Stock Units), provided that the Participant has not incurred a Termination of Service prior to the applicable Vesting Date.

(b) Termination of Service. Except as otherwise provided in Section 1(c)(i) or Section 1(c)(ii), in the event that the Participant incurs a Termination of Service during the Vesting Period for any reason, all unvested Restricted Stock Units shall be forfeited by the Participant effective immediately upon such Termination of Service and shall cease to be eligible for vesting hereunder.

(i) In the event that the Participant incurs a Termination of Service during the Vesting Period due to the Participant's death or Disability, all remaining outstanding and unvested Restricted Stock Units granted hereunder shall immediately vest.

(ii) In the event of a Change in Control, the provisions of Section 10 of the Plan shall apply to the Restricted Stock Units. For purposes of applying Section 10(d) of the Plan to the Restricted Stock Units, the Participant's Termination from Service due to a resignation for Good Reason that occurs within 24 months following a Change in Control shall

have the same effect as a Termination of Service without Cause (excluding a Termination of Service due to the Participant's death or Disability) that occurs within 24 months following a Change in Control, as described in Section 10(d) of the Plan. For purposes of this Agreement, "Good Reason" means the occurrence of any of the following without the Participant's prior written consent: (A) a material diminution in the Participant's position, authority, duties or responsibilities from those in effect immediately prior to the Change in Control, (B) a reduction in the Participant's annual base salary from that in effect immediately prior to the Change in Control, (C) a material reduction in the Participant's target annual cash incentive compensation opportunity from that in effect immediately prior to the Change in Control, (D) a material reduction in the Participant's annual long-term incentive compensation opportunity (excluding IPO-related awards) from that in effect immediately prior to the Change in Control, or (E) a change in the geographic location of the Participant's principal place of employment of more than 50 miles from the geographic location of the Participant's principal place of employment as of immediately prior to the Change in Control. In order to invoke a resignation for Good Reason, the Participant shall provide written notice to the Company of the existence of one or more of the conditions described in clauses (A) through (E) within 90 days of the initial existence of such condition or conditions, specifying in reasonable detail the conditions constituting Good Reason, and the Company shall have 30 days following receipt of such written notice (the "Cure Period") during which it may remedy the condition. In the event that the Company fails to remedy the condition constituting Good Reason during the applicable Cure Period, then in order for the Participant's termination of employment to constitute a resignation for Good Reason, it must occur, if at all, within 30 days following the earlier of (i) the end of the Cure Period or (ii) the date the Company provides written notice to the Participant that it does not intend to cure such condition.

(c) Forfeiture and Clawback.

(i) Notwithstanding any other provision hereof, in the event that the Participant violates any of the Restrictive Covenants or any other restrictive covenants set forth in any other agreement between the Participant and the Company, the Restricted Stock Units, to the extent unvested, shall be immediately forfeited. Such forfeiture is in addition to, and not in lieu of, the other remedies available to the Company as described in Annex A (or any other agreement between the Participant and the Company that contains the applicable restrictive covenants).

(ii) Notwithstanding anything to the contrary contained herein, (A) in the event that the Participant violates any of the Restrictive Covenants or any other restrictive covenants set forth in any other agreement between the Participant and the Company or (B) to the extent permitted or required by applicable law and Applicable Exchange rules or by any applicable Company policy or arrangement as in effect from time to time, the Company may (or to the extent required, shall) (1) cause the Restricted Stock Units, to the extent unvested, to be immediately forfeited and/or (2) require the Participant to deliver to the Company the Shares previously issued to the Participant upon settlement of the Restricted Stock Units (or, if such Shares have been sold, pay to the Company the after-tax cash proceeds realized by the Participant upon such sale). By accepting the Restricted Stock Units, the Participant agrees that the Participant is subject to any clawback policies of the Company in effect from time to time.

2. Settlement of Units.

As soon as practicable after any Restricted Stock Unit has vested, the Company shall, subject to Section 6 of this Agreement, cause the Restricted Stock Units to be settled in Shares. The obligation of the Company to deliver Shares hereunder shall be subject to all applicable laws, rules, and regulations and such approvals by governmental agencies as may be deemed appropriate by the Committee, including such actions as Company counsel shall deem necessary or appropriate to comply with relevant securities laws and regulations. The Company may require that the Participant represent that the Participant is acquiring Shares for the Participant's own account, or such other representation as the Committee deems appropriate.

3. Nontransferability.

The Restricted Stock Units shall not be transferable by the Participant by means of sale, assignment, exchange, encumbrance, pledge, hedge or otherwise.

4. Grant Subject to Plan Provisions.

This grant is made pursuant to the Plan, the terms of which are incorporated herein by reference, and in all respects shall be interpreted in accordance with the Plan. This grant is subject to the provisions of the Plan and to interpretations, regulations and determinations concerning the Plan established from time to time by the Committee in accordance with the provisions of the Plan, including, but not limited to, provisions pertaining to (a) rights and obligations with respect to withholding taxes, (b) the registration, qualification or listing of the Shares, (c) capital or other changes of the Company and (d) other requirements of applicable law. The Committee shall have the authority to interpret and construe this Agreement pursuant to the terms of the Plan, and its decisions shall be conclusive as to any questions arising hereunder. In the event of any conflict between this Agreement and the terms of the Plan, the terms of the Plan shall control.

5. No Shareholder Rights.

The Participant shall not be entitled to any rights of a stockholder with respect to the Restricted Stock Units (including, without limitation, any voting rights or rights with respect to dividends). Notwithstanding the foregoing, upon the Company's payment of an ordinary cash dividend with respect to Shares, the number of Restricted Stock Units shall be increased by dividing the amount of dividend the Participant would have received had the Participant owned a number of shares of Common Stock equal to the number of Restricted Stock Units then credited to the Participant's account by the Fair Market Value of a share of Common Stock on the last trading day before the date of the dividend payment. The units so credited will be subject to the same restrictions applicable to the underlying Restricted Stock Units and the other terms and conditions applicable to the underlying Restricted Stock Units and will be settled in Shares at the time that the underlying Restricted Stock Units are settled, if at all.

6. Taxes and Withholding.

No later than the date as of which an amount first becomes includible in the gross income of the Participant for federal, state, local or foreign income tax purposes with respect to any

Restricted Stock Units, the Participant shall pay to the Company, or make arrangements satisfactory to the Company regarding the payment of, any federal, state, local and foreign taxes that are required by applicable laws and regulations to be withheld with respect to such amount. The obligations of the Company under this Agreement shall be conditioned on compliance by the Participant with this Section 6, and the Company shall, to the extent permitted by law, have the right to deduct any such taxes from any payment otherwise due to the Participant, including deducting such amount from the delivery of shares or cash issued upon settlement of the Restricted Stock Units that gives rise to the withholding requirement. Notwithstanding the foregoing, if the Participant is an individual covered under Section 16 of the Securities Exchange Act of 1934, as amended, at the time that a taxable event occurs, then, unless otherwise determined by the Committee in advance of the taxable event, the Company's withholding obligations with respect to such taxable event will be satisfied by the Company deducting Shares subject to the Restricted Stock Units having a Fair Market Value on the date of deduction equal to the amount required to be withheld for tax purposes (calculated using the minimum statutory withholding rate, except as otherwise approved by the Committee).

7. Effect of Agreement.

The rights and interests of the Participant under this Agreement may not be sold, assigned, encumbered or otherwise transferred except, in the event of the death of the Participant, by will or by the laws of descent and distribution. The rights and protections of the Company hereunder shall extend to any successors or assigns of the Company and to the Company's parents, subsidiaries, and affiliates. This Agreement may be assigned by the Company without the Participant's consent. Except as otherwise provided hereunder, this Agreement shall be binding upon and shall inure to the benefit of any successor or successors of the Company. The invalidity or enforceability of any provision of this Agreement shall not affect the validity or enforceability of any other provision of this Agreement. Nothing in this Agreement or the Plan shall confer upon the Participant any right to continue in the employ or service of the Company or any of its affiliates or interfere in any way with the right of the Company or any such affiliates to terminate the Participant's employment or service at any time.

8. Governing Law; Captions.

This Agreement shall be governed by and construed and enforced in accordance with the laws of the State of Delaware, without regard to the principles of conflicts of law thereof. The captions of this Agreement are not part of the provisions hereof and shall have no force or effect.

9. Signature in Counterparts.

This Agreement may be signed in counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. The parties hereto confirm that any facsimile copy of another party's executed counterpart of this Agreement (or its signature page thereof) will be deemed to be an executed original thereof.

IN WITNESS WHEREOF, as of the date first above written, the Company has caused this Agreement to be executed on its behalf by a duly authorized officer, and the Participant has hereunto set the Participant's hand.

Annex A

Restrictive Covenants

As used in this Annex A, the "Company" refers to Guild Holdings Company collectively with its affiliates and subsidiaries.

1. Nondisclosure of Confidential Information.

(a) Definition of Confidential Information. As used herein, the term "Confidential Information" means the Company's confidential and proprietary information, which includes, without limitation, information about the Company's products and services, customers and prospective customers, the buying patterns and needs of customers and prospective customers, vendors and suppliers, pricing, quoting, costing systems, billing and collection procedures, proprietary software and the source code thereof, financial and accounting data, data processing and communications, technical data, marketing concepts and strategies, business plans, mergers and acquisitions, research and development of new or improved products and services, and general know-how regarding the business of the Company and its products and services. The Participant expressly acknowledges and agrees that Confidential Information may include, without limitation, confidential and proprietary information belonging to various third parties, such as the Company's affiliates, vendors, agents or customers, but which has been and will be entrusted to the Company for use by the Company to conduct its business. The failure to mark or designate information as "confidential" or "proprietary" shall not prevent information that has been or will be accessed by or disclosed to the Participant from being deemed Confidential Information under this Agreement.

(b) Access. The Participant acknowledges that the Participant's employment with the Company as a key employee necessarily has involved and/or will involve, exposure to and familiarity with, the Confidential Information.

(c) Participant's Obligations. The Participant further acknowledges that the Confidential Information is a valuable, special and unique asset of the Company, such that the unauthorized disclosure or use by the Participant, or persons or entities outside the Company, would cause irreparable damage to the business of the Company. Accordingly, the Participant agrees that, during and after the Participant's employment with the Company, the Participant shall not directly or indirectly disclose to any person or entity or use for any purpose or permit the exploitation, copying or summarizing of any Confidential Information of the Company, except as specifically required in the proper performance of the Participant's duties for the Company. The Participant represents and warrants that no such disclosure or use has occurred prior to the date hereof.

(d) Trade Secret Status. The Company considers much of its Confidential Information to constitute trade secrets of the Company ("Trade Secrets") which have independent value, provide the Company with a competitive advantage over its competitors who do not know the Trade Secrets, and are protected from unauthorized disclosure under applicable law. However, whether or not the Confidential Information constitutes Trade Secrets, the Participant acknowledges and agrees that the Confidential Information is protected from unauthorized disclosure or use due to the Participant's covenants under this Agreement and the Participant's fiduciary duties as an employee of the Company.

(e) Protections. The Participant acknowledges that the Company has instituted, and will continue to institute, update, and amend policies and procedures designed to protect the confidentiality and security of the Company's Confidential Information, including, but not limited to, policies and procedures designed by the Company to protect the status of the Company's Trade Secrets. The Participant agrees to take all appropriate action, whether by instruction, agreement or otherwise, to ensure the protection, confidentiality and security of the Company's Confidential Information, to protect the status of the Company's Trade Secrets, and to satisfy the Participant's obligations under this Agreement.

(f) Return of Documents. The Participant acknowledges and agrees that the Confidential Information is and at all times shall remain the sole and exclusive property of the Company. Upon the termination of the Participant's employment with the Company or upon request by the Company at any time, the Participant will promptly return to the Company in good condition all of the Company property, including, without limitation, all documents, data and records of any kind, whether in hard copy or electronic form, that contain any Confidential Information or that were prepared based on Confidential Information, including any and all copies thereof, as well as all materials furnished to or acquired by the Participant during the course of the Participant's employment with the Company. The Participant shall keep no Confidential Information in any form or medium.

2. Nonsolicitation of Customers. In order to prevent the improper use of Confidential Information and the resulting unfair competition and misappropriation of goodwill and other proprietary interests, the Participant agrees that while the Participant is employed by the Company and for a period of eighteen (18) months following the termination of the Participant's employment for any reason whatsoever, whether such termination is voluntary or involuntary, and regardless of cause, the Participant will not, directly or indirectly, on the Participant's own behalf or by aiding any other individual or entity, use the Company's Trade Secrets and Confidential Information, including, without limitation, the identity of the Company's customers, or prospective customers, the identity of the Company's employees, contractors or consultants, special needs, job orders, preferences, transaction histories, contacts, characteristics, agreements and prices, to call on, solicit, divert, serve, accept or receive business from any of the Company's customers (with whom the Participant had personal contact and did business during the twelve-(12) month period immediately prior to the termination of the Participant's employment) for the purpose of providing said customers with products and/or services of the type or character typically provided to such customers by the Company.

3. Nonsolicitation of Employees. In order to prevent the improper use of Confidential Information and the resulting unfair competition and misappropriation of goodwill and other proprietary interests, the Participant agrees that while the Participant is employed by the Company and for a period of eighteen (18) months following the termination of the Participant's employment for any reason whatsoever, whether such termination is voluntary or involuntary, and regardless of cause, the Participant will not, directly or indirectly, on the Participant's own behalf or by aiding any other individual or entity, employ or solicit for employment any employee of the Company with whom employee worked and had personal contact while

employed by the Company, except to the extent such employment or solicitation for employment is for a business that is not competitive with the business, products or services offered or provided by the Company and cannot adversely affect the Company's relationship or volume of business with its customers.

4. Noncompetition. In order to prevent the improper use of Confidential Information and the resulting unfair competition and misappropriation of goodwill and other proprietary interests, the Participant agrees that while the Participant is employed by the Company, the Participant shall not, directly or indirectly, be involved in, or prepare to be involved in, any business activity that is directly or indirectly in competition with any business activity of the Company or any product or service offered, sold or solicited by the Company.

5. Reasonable Restrictions.

(a) Applicable to any Status. The Participant acknowledges and agrees that the post-employment obligations of this Agreement shall be applicable to the Participant regardless of whether the Participant engages in the restricted activity as an individual or as a sole proprietor, stockholder, partner, member, officer, director, employee, agent, consultant, or independent contractor of any other entity.

(b) Reasonable Restrictions. In signing this Agreement, the Participant is fully aware of the restrictions that this Agreement places upon the Participant's future employment or contractual opportunities with someone other than the Company. However, the Participant understands and agrees that the Participant's employment by the Company, the Participant's privileged position with the Company, and the Participant's access to Confidential Information make such restrictions both necessary and reasonable. The Participant acknowledges and agrees that the restrictions hereby imposed constitute reasonable protections of the legitimate business interests of the Company and that they will not unduly restrict the Participant's opportunity to earn a reasonable living following the termination of the Participant's employment.

6. Enforcement. The Participant acknowledges and agrees that, by reason of the sensitive nature of the Confidential Information and Trade Secrets referred to in this Agreement, a breach of any of the promises or agreements contained herein will result in irreparable and continuing damage to the Company for which there may not be an adequate remedy at law. If the Participant violates any of the terms of this Agreement, all the Company obligations under this Agreement shall cease without relieving the Participant of his or her continuing obligations hereunder. The Participant acknowledges and agrees that, in addition to the recovery of damages and any other legal relief to which the Company may be entitled in the event of the Participant's violation of this Agreement, the Company shall also be entitled to equitable relief, including such injunctive relief as may be necessary to protect the interests of the Company in such Confidential Information and Trade Secrets, and as may be necessary to specifically enforce this Agreement.

7. Reformation and Severability. The Participant and the Company intend and agree that if a court of competent jurisdiction determines that the scope of any provision set forth in this Annex A is too broad to be enforced as written, the court should reform such provision(s) to such narrower scope as it determines to be enforceable. The Participant and the Company further agree that if any provision of this Agreement is determined to be unenforceable for any reason,

and such provision cannot be reformed by the court as anticipated above, such provision shall be deemed separate and severable and the unenforceability of any such provision shall not invalidate or render unenforceable any of the remaining provisions hereof.

RESTRICTED STOCK UNIT AGREEMENT
IPO GRANTS TO NON-EMPLOYEE DIRECTORS

This Restricted Stock Unit Agreement (this "Agreement"), dated as of [DATE] (the "Grant Date"), is made between Guild Holdings Company (the "Company"), and [NAME] (the "Participant").

WITNESSETH

The Guild Holdings Company 2020 Omnibus Incentive Plan (the "Plan") (any and all capitalized terms used in this Agreement and not defined herein shall have the meanings ascribed to them in the Plan) provides for the grant of Restricted Stock Units. In consideration of the mutual promises and covenants made herein and the mutual benefits to be derived herefrom, the parties hereto agree as follows:

1. Grant and Vesting of Restricted Stock Units.

(a) Grant of Restricted Stock Units. Subject to the terms and conditions set forth in this Agreement and in the Plan, the Company hereby grants to the Participant, as of the Grant Date, [NUMBER] Restricted Stock Units (the "Restricted Stock Units"), each with respect to one Share. The Restricted Stock Units shall vest in accordance with Section 1(b) of this Agreement.

(b) Vesting Schedule. Subject to the terms and conditions of this Agreement and the provisions of the Plan, the Restricted Stock Units shall vest (such period during which a Restricted Stock Unit is unvested, the "Vesting Period" with respect to such unit) on the first anniversary of the Grant Date (such anniversary, a "Vesting Date"), provided that the Participant has not incurred a Termination of Service prior to the Vesting Date.

(c) Termination of Service. In the event that the Participant incurs a Termination of Service during the Vesting Period for any reason, all unvested Restricted Stock Units shall be forfeited by the Participant effective immediately upon such Termination of Service and shall cease to be eligible for vesting hereunder.

(d) Change in Control. Upon the occurrence of a Change in Control that occurs during the Vesting Period, the Restricted Stock Units will vest in full.

2. Settlement of Units.

As soon as practicable after any Restricted Stock Unit has vested, the Company shall, subject to Section 6 of this Agreement, cause the Restricted Stock Units to be settled in Shares. The obligation of the Company to deliver Shares hereunder shall be subject to all applicable laws, rules, and regulations and such approvals by governmental agencies as may be deemed appropriate by the Committee, including such actions as Company counsel shall deem necessary or appropriate to comply with relevant securities laws and regulations. The Company may require that the Participant represent that the Participant is acquiring Shares for the Participant's own account, or such other representation as the Committee deems appropriate.

3. Nontransferability.

The Restricted Stock Units shall not be transferable by the Participant by means of sale, assignment, exchange, encumbrance, pledge, hedge or otherwise.

4. Grant Subject to Plan Provisions.

This grant is made pursuant to the Plan, the terms of which are incorporated herein by reference, and in all respects shall be interpreted in accordance with the Plan. This grant is subject to the provisions of the Plan and to interpretations, regulations and determinations concerning the Plan established from time to time by the Committee in accordance with the provisions of the Plan, including, but not limited to, provisions pertaining to (a) rights and obligations with respect to withholding taxes, (b) the registration, qualification or listing of the Shares, (c) capital or other changes of the Company and (d) other requirements of applicable law. The Committee shall have the authority to interpret and construe this Agreement pursuant to the terms of the Plan, and its decisions shall be conclusive as to any questions arising hereunder. In the event of any conflict between this Agreement and the terms of the Plan, the terms of the Plan shall control.

5. No Shareholder Rights.

The Participant shall not be entitled to any rights of a stockholder with respect to the Restricted Stock Units (including, without limitation, any voting rights or rights with respect to dividends). Notwithstanding the foregoing, upon the Company's payment of an ordinary cash dividend with respect to Shares, the number of Restricted Stock Units shall be increased by dividing the amount of dividend the Participant would have received had the Participant owned a number of shares of Common Stock equal to the number of Restricted Stock Units then credited to the Participant's account by the Fair Market Value of a share of Common Stock on the last trading day before the date of the dividend payment. The units so credited will be subject to the same restrictions applicable to the underlying Restricted Stock Units and the other terms and conditions applicable to the underlying Restricted Stock Units and will be settled in Shares at the time that the underlying Restricted Stock Units are settled, if at all.

6. Taxes and Withholding.

When an amount first becomes includible in the gross income of the Participant for federal, state, local or foreign income tax purposes with respect to any Restricted Stock Units, the Participant shall pay to the Company, or make arrangements satisfactory to the Company regarding the payment of, any federal, state, local and foreign taxes that are required by applicable laws and regulations to be withheld with respect to such amount. The obligations of the Company under this Agreement shall be conditioned on compliance by the Participant with this Section 6, and the Company shall, to the extent permitted by law, have the right to deduct any such taxes from any payment otherwise due to the Participant, including deducting such amount from the delivery of shares or cash issued upon settlement of the Restricted Stock Units that gives rise to the withholding requirement. Notwithstanding the foregoing, unless otherwise determined by the Committee in advance of any applicable taxable event, the Company's withholding obligations with respect to any applicable taxable event will be satisfied by the

Company deducting Shares subject to the Restricted Stock Units having a Fair Market Value on the date of deduction equal to the amount required to be withheld for tax purposes (calculated using the minimum statutory withholding rate, except as otherwise approved by the Committee).

7. Effect of Agreement.

The rights and interests of the Participant under this Agreement may not be sold, assigned, encumbered or otherwise transferred except, in the event of the death of the Participant, by will or by the laws of descent and distribution. The rights and protections of the Company hereunder shall extend to any successors or assigns of the Company and to the Company's parents, subsidiaries, and affiliates. This Agreement may be assigned by the Company without the Participant's consent. Except as otherwise provided hereunder, this Agreement shall be binding upon and shall inure to the benefit of any successor or successors of the Company. The invalidity or enforceability of any provision of this Agreement shall not affect the validity or enforceability of any other provision of this Agreement. Nothing in this Agreement or the Plan shall confer upon the Participant any right to continue in the service of the Company or any of its affiliates or interfere in any way with the right of the Company or any such affiliates to terminate the Participant's service at any time.

8. Governing Law; Captions.

This Agreement shall be governed by and construed and enforced in accordance with the laws of the State of Delaware, without regard to the principles of conflicts of law thereof. The captions of this Agreement are not part of the provisions hereof and shall have no force or effect.

9. Signature in Counterparts.

This Agreement may be signed in counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. The parties hereto confirm that any facsimile copy of another party's executed counterpart of this Agreement (or its signature page thereof) will be deemed to be an executed original thereof.

IN WITNESS WHEREOF, as of the date first above written, the Company has caused this Agreement to be executed on its behalf by a duly authorized officer, and the Participant has hereunto set the Participant's hand.
